## EXHIBIT 1

## Note to Exhibit 1

This Exhibit establishes which specific credit card purchases, made with the Duncan D. Hunter for Congress-affiliated American Express credit card, were paid for by the campaign committee. As discussed in the findings of fact, this credit card was held in Bruce Young's name with Rep. Hunter and Mrs. Hunter as the only supplemental cardholders.

This Exhibit includes tables for all thirty-eight months of credit card statements reviewed by the OCE as evidence of which credit card purchases were paid for by the campaign committee. The OCE notes that many of the campaign-funded purchases may have been bona fide campaign or political expenditures, and the objective of this Exhibit is only to establish which purchases were paid for by the campaign committee.

To determine which credit card purchases were paid for with campaign committee funds, the OCE reviewed all disbursements to American Express reported in Rep. Hunter's campaign committee's FEC filings from January 2010 through February 2013. The OCE then compared the amount of these reported American Express credit card disbursements from the campaign committee with the thirty-eight corresponding American Express statements from January 2010 until February 2013 that included Rep. Hunter, Mrs. Hunter, and Bruce Young's purchase history.

The columns marked "American Express Campaign Disbursements on FEC Reports" represent the exact amount of the campaign committee's publicly reported expenditures to American Express during the corresponding time period. The columns marked "Transactions on American Express Statement" include all the transactions on the thirty-eight monthly statements. Sections identified as "Transactions Without Matching Campaign Disbursements" represent the few transactions on the credit card statements that were not paid through the campaign's reported disbursements to American Express and likely were not paid with campaign funds. Sections identified as "Unverified Disbursements and Transactions" appear for the two months where there were reported campaign committee disbursements to American Express that the OCE could not pair specifically with corresponding credit card transactions.

Payments: Payments received after 12:00 noon may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be satisfaction without our express prior written approval. Authorization for Electronic Debit: We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset
account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. Authorization for Electronic Payments: By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after $8: 00$ p.m. MST may not be credited until the next day. Allocation of Payments and Credits: Subject to applicable law, we will apply and allocate payments and credits among Features and Charges on your Account in any order and manner determined by us in our sole discretion. Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC): We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily
Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions) Different daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning subtract any payments or credits, and (4) make any appropriate adjustments. For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature. This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay billing period and divide the total by the number of days in the billing period. This gives us the ADB or the Feature. If you pay
the New Balance on this statement by the next Closing Date, then you will avoid additional FC on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. This method of calculating the ADB and FC results in daily compounding of FC. Transactions Made in Foreign Currencies: If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, in each instance increased by $2.7 \%$. This conversion rate may differ from suchestablishments use. Billing Rights Summary: In Case of Errors or Questions About Your Bill: If youthink your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared.
