Subject: sister city

Selam Kemal Bey,

The idea of sister city between an Azerbaijani city/town and Delaware one is a good idea. The vision to opens doors to establish lasting friendships, partnerships, and connections is meaningful. Even though Delaware is 13 times smaller than Azerbaijan, this state much resembles Azerbaijan in terms of its nature, and economic aspirations.

Now, I would like to go to details to find out both legal and political (policy) dimensions of this initiative. I can obtain some comprehensive information on the legal side, if you want me to do so. We may ask the Embassy to advise on how the MFA/embassies started their sister city initiatives in other countries. As I know, they have such an experience.

As we expect, the Azerbaijani leadership thru TCAE is expected to decide which Azerbaijani city/town is suitable for candidacy of being a sister city. Usually, it is a top-down process, where two senior managers/leaders meet and become friends, then involve the rest of their city. Or, a bottom-up process where a group or individuals take the lead and organize a sister city committee. It is desirable to establish a framework of how the sister city program will start and operate.

Meanwhile, I can work with Ms. Helene Keeley to facilitate this issue, as I know all Delaware cities/towns quite well. In my opinion, several cities such as Dover, Wilmington, Newark and New Castle are among possible candidates. Regarding an Azerbaijani city/town, let us see what Baku proposes.

Please let me know what I can take further actions to realize this idea at this point.

Thanks,

Rafig

Would a smaller City in Azerbaijan we interested in starting a sister State/City with Delaware?

Dear Helene,

Thank you for your great feedback.

We have extra tea cups in DC office. We may give a new set to you as the kind memory of your travel to Azerbaijan.

I hope you stay longer at your next trip to Azerbaijan and perhaps Kazakhstan.

Thanks,

Mahmut,

I hope you enjoyed the time with your family. It's always nice to relax and enjoy those we love so much.

My impression of Azerbaijan was very positive. I'm not really sure what I had expected, but I was pleasantly surprised. What struck me most was how ever CLEAN the city was. Not once did I see one piece of trash on the streets.

The convention allowed us to visit with some very high profile people from both the US and Azerbaijan governments. This is not something that happens everyday, either here in US or overseas. I was aware, of how helpful both Turkey and Azerbaijan have been to the US in that region, but walked away with more knowledge and details of their involvement. I do not believe the average American understands the sensitivity of the region or in some areas how every fragile it is. That our current relationships need to continue and develop more deeper roots, so that this region will continue to grow in stability.

The minus I have is, I wish we could have spent more time with the regional/State or local/City government officials. I would have liked to have understood, what their challenges are compared to the challenges I face daily here in Delaware. I would like the opportunity to do this and maybe even state a Sister City within Azerbaijan and/or Turkey. I believe when you develop those connections and relationships we allow our local economies to grow and prosper.

One other minus, my tea cups were broken on the return flight home:-(They were so very beautiful! I was upset.

Let me know if you would like more detail, but overall this is my prospective.

Subject: Re: Itinerary for OWENS VALERIA.BIDEN.MRS Monday 27 May 2013

I look forward to discussing this new topic - what I would like to do is a presentation (about I hour long - it can be shortened) that has been very well received: The Art and Science of Politics- I show actual TV ads used in various campaigns, and then take the audience behind the scene as to why, when and how we did each ad. It's about strategy and tactics. It is based on 8 principles of political advertising. I have used this presentation in a wide range of settings, and I always receive rave reviews. More recently:

GW University,

University of PA.,

C&E, (Campaigns and Elections) seminars - Latin American candidates and campaigns Leadership trainings for Women's Campaign International - i.e. Liberia, Romania, Venezuela and Afghani women (trained in Italy),

Also- my proper name is: Valerie, not Valeria -- my passport and tickets need to reflect the same spelling.

Thank you - I am available to talk at your convenience. Hope you like this plan - it is my area of expertise. . Valerie

Dear Mrs. Biden,

Below you will find the flight details to and from Baku.

Please also know that yesterday Rauf was able to work with conference organizers to create a special session for you. It will be a moderated discussion rather than the panel we had initially discussed. I will let him share greater details, but I know you will provide an important perspective.

We will have a fuller itinerary including proposed off site meetings, private discussions and meals shortly.

All the best,

TRANSCRIPT OF INTERVIEW OF PRESIDENT OF CTAA

3/20/2015

- 1 MR. ASHMAWY: This is Chief Counsel, Omar Ashmawy. I am joined by Mr. Nate
- 2 Wright and President of CTAA. President of CTAA has received a copy of 18 U.S.C.
- 3 1001 and signed an acknowledgement that he has in fact received it. Today's date is
- 4 March 20, 2015. With that, President of CTAA I'll turn it over to Nate to just go through
- 5 some basic preliminary questions.
- 6 WITNESS: Sure.
- 7 MR. WRIGHT: Okay, and some of these are some questions that we already know the
- 8 answer to; we just kind of want to make sure to cover the bases. So, how are you
- 9 currently employed?
- 10 WITNESS: I'm employed in Council of Turkic American Associations, in the capacity
- 11 of Executive Director/President.
- 12 MR. WRIGHT: Okay, and previous employment, where were you?
- WITNESS: I worked -- let me start in 20...02. I started at Charter School in Patterson,
- 14 New Jersey, which is called Patterson Charter School for Scientific Technology. I worked
- 15 actually I'm the founder of the school. I started from the scratch; in 2003, we opened
- our doors and until 20...07, yes, I worked in the Patterson Charter School as a principal.
- 17 It was a high-school. I started with 100 students and it became 1,200 students when I left.
- And after that, I worked in Brooklyn Admin School, which is a private high school in
- 19 Brooklyn, New York for two years. It's an international, private school, mostly founded
- by Turkish Americans. You know 50% is Turkish, 50% is non-Turkish students. I was
- 21 principal in that school for two years. After that, I switched back to New Jersey and I was
- 22 a principal of a Pioneer Academy of Science. It's a high school, too. Again, it's you
- 23 know, mostly Turkish- Americans populated area. I have a lot of Turkish students,
- Albanian are a big... So, I stayed two years and in 2010, August, I started to work in
- 25 CTAA. Let me, you know, shorten the version, CTAA. So, I worked since then, so...
- 26 They're around 6 months difference because I stayed in Turkey for some reasons and
- stuck in Turkey for 6 months so in Brooklyn Admin School, it's not exactly two years, so
- 28 just to be...
- 29 MR. WRIGHT: How long has CTAA existed?
- 30 WITNESS: It was founded in 2009. So...
- 31 MR. WRIGHT: So you started a year in?
- 32 WITNESS: Yeah, but actually nobody was working in the Council at the time so that's
- 33 why they hired me. You know, I was pretty much . . . as extensive of knowledge about
- Turkish-Americans you know because 90% of Turkish-Americans lives in New York and
- New Jersey in United States. So, since I was a principal, you know, I know a lot of

- 1 people you know, they said, "why don't you run this organization?" I said you know, I'm
- 2 already enough with the principal shift for 9 or 10 years, so I said why not. That's how it
- 3 happened.
- 4 MR. WRIGHT: Okay. How does CTAA receive funding? Is it . . .
- 5 WITNESS: Donations, donations. Yeah.
- 6 MR. WRIGHT: Are those individual donations, or are those small organizations?
- 7 WITNESS: It's like a smaller donations, individuals, not from corporate. Mostly small
- 8 donations from Turkish-Americans, mostly. Maybe some other national distributors, but I
- 9 don't look every donations, every month. You know, the accountant tells me you know
- we got this much donation for this month, I said fine. As long as we cover our, you know
- salary and some expenses.
- 12 MR. WRIGHT: Does it have other employees or directors?
- 13 WITNESS: Yes. Saim Cagirici the guy that emailed you, he's my executive
- assistant/program director. We take care of everything, the two of us. We have lot of
- volunteers from when I was principal, since it was high-school, now all of them in
- 16 college, some of them already graduated, I use them a lot in my volunteer.
- 17 MR. WRIGHT: Does it have a board of directors?
- WITNESS: Yes, we have Guvenc Kulen. He's an immigration lobbyist and the other guy
- is...Sut...Sutk...I forgot his name. He's a doctor from Boston, but he moved to here.
- 20 Yeah, I forget his name. Sorry.
- 21 MR. ASHMAWY: It's okay.
- 22 WITNESS: Yeah, so we take care of Guvenc and Sutka...[inaudible]. Anyhow, I forgot
- his name.
- 24 MR. WRIGHT: Okay.
- 25 WITNESS: And, Guvenc and the doctor, I think and uh, I'm the board member also. I'm
- 26 board president, actually.
- 27 MR. WRIGHT: Okay.
- 28 MR. ASHMAWAY: Before you leave, just because I think it might be difficult if we end
- 29 up transcribing this, I don't want to misspell their names. If you would be able to get us
- 30 just the correct spelling?
- 31 WITNESS: Who?

- 1 MR. ASHMAWY: Of the board of directors' names.
- 2 WITNESS: Yes. Guvenc Kulen is G-U-V-E-N-C, last name is Kulen, K-U-L-E-N. Okay?
- 3 And the uh...
- 4 MR. ASHMAWY: Even the first name of the other guy is fine.
- 5 WITNESS: Is it... Sutka...
- 6 MR. ASHMAWY: You can also give it to us later. Don't worry about it right now.
- 7 WITNESS: I don't see them too much so . . . Sorry.
- 8 MR. ASHMAWY: No, it's quite alright. Basically, the thing we're going to talk to you
- 9 about is this conference that happened in Azerbaijan, Baku back in 2013. So, do—are
- 10 you familiar with that conference?
- 11 WITNESS: Yes, of course.
- 12 MR. ASHMAWY: Alright. Did you go?
- 13 WITNESS: Yes I went.
- 14 MR. ASHMAWY: You did. Did anyone else from CTAA go?
- 15 WITNESS: Yes, I signed my executive assistant.
- 16 MR. ASHMAWY: What role did CTAA have in the convention?
- 17 WITNESS: CTAA?
- 18 MR. ASHMAWY: Yes.
- 19 WITNESS: Let me start from Turkic-American Alliance. That's the umbrella
- organization which is based in D.C. So, the head of the TAA is Faruk Taban, Dr. Taban.
- So we meet we have six other federations, Midwest: Suleyman, from Atlanta: Cemil,
- from West Coast, we have Oscar and MAFTAA from here and Dr. Mahmut and myself
- and also Texas, from Bilal. So we have six federations, we are all sister organizations.
- We meet every month. Actually, we met a couple of days ago in here. So, every month
- 25 we discuss those things, what can we do, what are we going to do this year; so we plan
- our agenda. And at that time, in 2012, Kemal, who was the head of Turquoise Council, he
- 27 created the convention U.S.-Azerbaijan Convention. That's -- I mean yes, we speak the
- same language with the Azerbaijani people, yes, we have some close ties with them, but
- we never did such a thing before. So Kemal introduced those guys to us and in 2012, that
- was the first time I saw couple of parliament people from Azerbaijan. They came here,
- 31 whole purpose was U.S.-Azerbaijan relation extension, you know how can we improve

- the relations that kind of those convention. Then, you know, after we understood who are
- 2 they and where they came from and Kemal one of the board meetings, Kemal told us in
- 3 2013 we are planning another U.S.-Azerbaijan convention. Since we were familiar with
- 4 the concept, you know let me go back a little bit. In 2010, we did Turkic-American
- 5 convention so it was not new to us. But in 2012, I saw first time the U.S.-Azerbaijan
- 6 convention because we were only doing the Turkic-American convention, only. So
- 7 Kemal created this convention in 2012 and he said on the board meeting, "guys I will do
- 8 something different this year. I'm planning to do this convention in Baku. So you know,
- 9 we discuss in the board how are we going to do this, you know we never did this, you
- 10 know it was easy for us to do in the Willard or JW you know, it was not tough, but in
- 11 Baku, you know to take people, Congress people, you know it's hard job. But since we
- cover whole United States, if everybody agrees, then everybody has some type of you
- know, connections in the Congress or State Officials, State Houses, so they may use their
- connections, their friendship, "please can you come to this event?" So you know, I was
- one of the board members so I said why not? Other said -- Dr. Taban said, "let's do it".
- 16 Everybody believed in this project. That's how this convention came up.
- 17 MR. ASHMAWY: And just to understand, when you say the board, you're talking about
- the board of the TAA?
- 19 WITNESS: Yeah.
- 20 MR. ASHMAWY: Okay.
- 21 MR. WRIGHT: Did any of the sister federations decide not to participate in the
- 22 convention?
- 23 WITNESS: No, everybody agreed to. Everybody. But if you ask me in what capacity, I
- don't know. I mean, I cannot...you know, because in board meetings, we don't discuss
- 25 you know, "I'm going to bring you know... those are the details." No. Kemal said, "can
- you help us?" we said, "why not?" then we started to work. You know, individual basis, I
- worked with Kemal and Kemal worked with this you know Bilal, Suleyman, Oscar from
- West Coast, Mahmut, Dr. Taban, Cemil, you know they're all federation presidents.
- 29 MR. ASHMAWY: What exactly did you do?
- 30 WITNESS: In the convention?
- 31 MR. ASHMAWY: Yes, in planning the convention.
- WITNESS: Planning convention? I used my connections in the some of the states, like
- Vermont, New Hampshire, you know I told my Turkish-American guys, you know we
- are planning a trip to Azerbaijan and Turkey. Actually it's not only Azerbaijan. Let me be
- a little bit different perspective to you. The purpose was not the convention. The purpose

- was the trip; actually, it was Azerbaijan and Turkey trip. But in Baku, so, since Kemal
- 2 was planning a U.S.-Azerbaijan convention in Baku, we...how do you say...uhm... we
- 3 overlapped the Azerbaijan side with the convention also with the trip. So, that's how it
- 4 happened. So, let me present this to our friends from the State House or the Congress and
- 5 we told, "we are planning a trip, but in Baku also we have a convention organized by
- 6 Turquoise Council, so would you be part of that convention also when you're doing the
- 7 trip?" Some of them said yes, some of them said no. I don't have the track record on
- 8 those. Yes and we come up with some people, they came. So, that was my role. That's
- 9 the only thing.
- 10 MR. ASHMAWY: So your role was to connect basically the Turquoise Council to
- people in the State Houses and in Congress?
- WITNESS: Ye--Actually, we didn't connect them. We told them this is Turquoise
- 13 Council is our sister organization and we are doing this together, so would you be part of
- this? So not connection... we actually brought those people to that trip. Yes, Turquoise
- 15 was the main organizer of the convention, so --
- 16 MR. ASHMAWY: But they also paid for the travel.
- 17 WITNESS: Who?
- 18 MR. ASHMAWY: The Turquoise Council.
- 19 WITNESS: No, we paid.
- 20 MR. ASHMAWY: You paid for the travel?
- 21 WITNESS: Yes, I paid for the travel.
- 22 MR. ASHMAWY: For whom?
- 23 WITNESS: For... from the Congress, Leonard Lance, Gregory Meeks and Yvette Clarke.
- 24 MR. ASHMAWY: How did you make those payments?
- 25 WITNESS: From the bank... from our bank account.
- 26 MR. ASHMAWY: And who did you pay to who'd you pay for the travel to? I mean,
- who arranged the travel?
- 28 WITNESS: You mean the travel agency?
- 29 MR. ASHMAWY: Yeah.
- 30 WITNESS: [Indecipherable] travel

- 1 MR. ASHMAWY: [Indecipherable] travel?
- 2 WITNESS: Or they—another name is NIL?
- 3 MR. ASHMAWAY: Okay.
- 4 WITNESS: [Indecipherable] or NIL. He has different names. Maybe Tursan also, he has
- 5 couple of these names, so I don't know which one. So, I gave you know, that travel form,
- 6 we I talked to Gregory Meeks, Yvette Clark and Leonard Lance, so we are going. You
- 7 know that ethics form, we signed it as a CTAA sponsor solely sponsor. Then I said, my
- 8 accountant go and buy the ticket from NIL and he bought it.
- 9 MR. ASHMAWY: And you've already given us your bank records though, right?
- 10 WITNESS: Yes.
- 11 MR. ASHMAWY: And you're sure that in your bank records, it shows where you've
- made a payment to NIL travel agency?
- 13 WITNESS: I haven't checked.
- 14 MR. ASHMAWY: Okay.
- 15 WITNESS: Yeah, I didn't look. Why would I do that?
- 16 MR. ASHMAWY: Yeah, I just want to be very frank with you, Witness. We've heard
- from people that basically, that Turquoise Council and AFAZ have basically paid for all
- 18 the travel. We've heard from even people from the travel agency that all the travel was
- paid for by AFAZ and the Turquoise Council.
- 20 WITNESS: And ours too?
- 21 MR. ASHMAWY: That is not -- No one has said that.
- 22 WITNESS: Okay. Because I you know, let's... think again. No, I haven't take
- any...I'm sure that we paid. I'm sure we paid, but if... so if the statements don't show
- 24 that, then that means our accountant didn't pay. I mean what can I say? The Turquoise
- 25 Council didn't pay. I was the sole because I signed that letter. You know I said CTAA
- is the sole sponsor. I even remember because it was around \$14...\$13,000 something,
- okay? And I said my accountant and treasurers and also Guvenc, one of the board
- 28 members, that we have to get some donations, you know because we didn't have that
- 29 money. I don't know if you have the statements, but we don't have that much money. So
- we have to get this money from those dona—donors. We collected some donations in
- 31 maybe 45 days. So...
- 32 MR. ASHMAWY: And you guys paid for everything?

- 1 WITNESS: Uh...
- 2 MR. ASHMAWY: Including the Turkey trip? And the hotels in Turkey?
- 3 WITNESS: Yeah.
- 4 MR. ASHMAWY: And the hotels in Baku?
- 5 WITNESS: Hotels in Baku? No, we haven't paid.
- 6 MR. ASHMAWY: You didn't pay for those?
- 7 WITNESS: No.
- 8 MR. ASHMAWY: Do you know who paid for those?
- 9 WITNESS: I don't know.
- 10 MR. ASHMAWY: Okay. Are you familiar with the Turkish organization called I think
- 11 it's Bakiad?
- 12 WITNESS: Yes, Bakiad.
- 13 MR. ASHMAWY: Yes.
- 14 WITNESS: Bakiad is taking care of Turkish side, only. Azerbaijan, no Azerbaijan.
- 15 MR. ASHMAWY: But Bakiad paid for the hotels in Turkey?
- 16 WITNESS: Yeah, they do.
- 17 MR. ASHMAWY: Okay, but you just said you paid for the hotels in Turkey.
- WITNESS: No, I mean... we said... we paid... CTAA is you know, solely sponsor. That's
- what I meant.
- 20 MR. ASHMAWY: I understand what's on the form. What I'm actually asking about is
- 21 where the money actually came from. So... just to be clear, you just told me that you
- 22 paid for everything, but then when I said if Bakiad paid for the hotels in Turkey, you said
- yes, Bakiad paid for the hotels in Turkey. Correct?
- 24 WITNESS: Yes, correct.
- 25 MR. ASHMAWY: And someone else paid for the hotels in Baku?
- 26 WITNESS: Baku, yes. Yeah.
- 27 MR. ASHMAWY: Alright. You don't know who?

- 1 WITNESS: I don't know who.
- 2 MR. ASHMAWY: Okay. Who paid for the airfare?
- 3 WITNESS: We paid.
- 4 MR. ASHMAWY: Okay. Let's take a look at –
- 5 MR. WRIGHT: I'm showing you a document that we have Bates labeled CTAA 0021
- 6 and CTAA 0022.
- 7 WITNESS: Yes, those are the uh...
- 8 MR. WRIGHT: Those are the invoices for the airfare.
- 9 WITNESS: Invoices... yes. That's true.
- 10 MR. WRIGHT: When were those invoices generated?
- 11 WITNESS: Where?
- 12 MR. WRIGHT: When?
- WITNESS: Oh. I don't know. I mean as soon as we got the ticket, this guy send us the
- 14 invoices.
- 15 MR. WRIGHT: Okay. I'm now handing you a binder that's filled with your bank records.
- 16 If you wouldn't mind going through and just letting us know, where in the records do
- 17 you have another bank account besides this?
- WITNESS: I don't think so. I'd have to ask the accountant. No I don't maybe there's
- one another account, but it was closed so this is the main account that as far as I know.
- 20 MR. WRIGHT: So that would be the account where the expenses were –
- 21 WITNESS: Yes, it should it should be paid from here, if it's here. I mean --
- 22 MR. ASHMAWY: Take your time. Take your time; go through them. We just want to
- 23 get the correct and perhaps there's a misunderstanding of some kind. I just want to make
- 24 sure –
- 25 WITNESS: Of course. Those are 2012... [inaudible]
- MR. WRIGHT: Yeah, if you flip over, the bottom Bates number CTAA 0121, that's
- where 2013 starts.
- 28 WITNESS: 121? Yeah, here.

- 1 MR. WRIGHT: Okay. And just real quick, so we're looking at CTAA 0121, these
- deposits, is that the donations coming in? Where does the money come in? You have just
- 3 the deposit line there.
- 4 WITNESS: Those... our accountant and board members get the donations from Turkish-
- 5 Americans and he posts to this account.
- 6 MR. WRIGHT: Okay. You can --
- 7 MR. ASHMAWY: Take a look, please.
- 8 WITNESS: So when is this... January? We did this... in March? May?
- 9 MR. ASHMAWY: It keeps going. Please take your time.
- 10 WITNESS: [inaudible]
- 11 MR. WRIGHT: Well, I asked when it was generated because so this is May, the month
- of in which most travelers left for Turkey and Azerbaijan, or just Azerbaijan.
- 13 WITNESS: It should be in May.
- MR. WRIGHT: And these deposits again there, deposits \$25,000.00, \$6,000.00,
- \$2,060.00, \$6,100.00, those are coming in from individual donations?
- WITNESS: It should be, but... you know why haven't brought those in detail, so I don't
- 17 know.
- 18 MR. ASHMAWY: We can do one thing at a time. Why don't please take a look and
- see if you can find where \$15,376.90 was expended out of this account?
- 20 WITNESS: On May, I don't see that. July... I mean I don't see those. I don't see any
- 21 \$15,000.
- 22 MR. ASHMAWY: Neither did we.
- 23 MR. KOAR: Yeah.
- 24 MR. ASHMAWY: So. I'll be very frank with you. Again, we've been told by multiple
- 25 people that the only entity that paid for these tickets was the Turquoise Council and
- AFAZ.
- 27 WITNESS: Yes.
- 28 MR. ASHMAWY: We have documents that show that the only entity that paid for these
- 29 tickets was Turquoise Council and AFAZ.

- 1 WITNESS: Yes, I know.
- 2 MR. ASHMAWY: Perhaps you misremembered, I don't know, but right now. Take a
- 3 moment and think about it. Are you sure that the Council paid for these tickets?
- 4 WITNESS: I'm sure Turquoise didn't pay it. Let me put it that way. 100%.
- 5 MR. ASHMAWY: Could another entity have paid for it?
- 6 WITNESS: If it was so, I should've known by my accountant. Because this comes to my
- 7 accountant, my office, and I gave or signed, give this to accountant, when I got the
- 8 tickets, I don't say, "did you pay or not?" because I got the tickets. We got the tickets and
- 9 I remember the accountant told me that we have enough money, because why should I
- give this to accountant if he doesn't have any money? Otherwise, I would've said we
- cannot take to the Turkey anymore because we don't have the money, so I give this to the
- accountant, but as far as I see from the account, it seems like he didn't pay. I mean from
- here, at least.
- 14 MR. ASHMAWY: Somebody paid.
- WITNESS: But I'm 100% sure that... Yeah somebody paid, but I'm 100% sure that
- 16 Turquoise didn't pay it.
- 17 MR. WRIGHT: Why do you say that?
- WITNESS: Because I know. I talked to travel agency, this NIL. It says Tursan. We had
- that conversation. I did the conversation. Bahre is the name of the guy. "Bahre, did you
- buy the tickets?" He said yes. And I remember asking him, "did you get your payment?"
- 21 "Yes, from your accountant." That's all the conversation that I have. So if it's my
- accountant, it's not Turquoise or AFAZ. So it should be either from my donors, either
- from my accountant, either whatever he paid, he paid. So it should be... I mean regularly,
- 24 it should be from here, but I'm surprised it's not in here. You know I haven't extensively
- looked at those things, but I'm 100% sure because why am I saying 100%? Because I
- 26 know that the uh... How many people go on? Maybe 200 people go. And I know that
- Turquoise was arranging lot of payments to NIL, the uh Tursan, to Bahre about the air
- tickets and we didn't make the arrangements. I know what I'm doing. No, they didn't
- 29 pay.
- 30 MR. WRIGHT: Wait you were saying that other federations had arrangement with
- TCAE so that TCAE would pay for the travel costs? The airfare costs?
- 32 WITNESS: No they were talking among each other in the board meeting saying that who
- was going to pay the tickets, we were going to pay the tickets, you know I never involved
- on those conversations.

- 1 MR. ASHMAWY: Let's slow down for a second. Alright, so you're in the board
- 2 meeting and again we're talking about the TAA board meeting?
- 3 WITNESS: TAA board meeting, yes.
- 4 MR. ASHMAWY: Yes and there's a conversation about who's going to pay for the
- 5 airfare?
- 6 WITNESS: Yeah, I mean no. Which travel agency, what I meant. Yeah, they were
- 7 talking about travel agency.
- 8 MR. ASHMAWY: Was there a conversation about which organization would pay for the
- 9 airfare?
- 10 WITNESS: No, no. I never heard such a thing. I just heard who's going to who are you
- buy from air ticket? You say, the other guy say from NIL the other guy say blah blah
- agency so I said I'm going with Bahri because Bahri's in New York so I said you know
- my office in New York I'm going to buy ticket from Bahri. That was the only
- conversation, but the thing is... since my board members collected all the donations, I
- remember that they were going people saying that you know we have a trip, we need to
- get some donations, we don't have any money in the bank, so help us you know. Saim
- was traveling lot of Turkish-American business men in the area so I know that we
- 18 collected the money, but I'm surprised not to see in the bank account. I mean, I'm sure
- we paid. And I haven't talked to Bahri, but I never you know mentioned this and this, this
- 20 is the first...
- 21 MR. ASHMAWY: So you're sure you paid even though that there's no evidence in your
- bank statements that you paid?
- 23 WITNESS: Yeah I'm sure. I'm sure we paid for some part.
- 24 MR. ASHMAWY: What is your accountant's name?
- 25 WITNESS: Ishmael Arican.
- 26 MR. ASHMAWY: Can you spell the last name?
- 27 WITNESS: A-R-I-C-A-N.
- 28 MR. ASHMAWY: And where is he located?
- 29 WITNESS: Uh... C-A-N. Not, H.
- 30 MR. ASHMAWY: And where is he located?
- 31 WITNESS: He's located in... Carlstadt, New Jersey. Carlstadt.

- 1 MR. ASHMAWY: Carlstadt? Oh, Carlstadt.
- 2 WITNESS: Yeah, Carlstadt, New Jersey.
- 3 MR. ASHMAWY: Okay. Just before we I just want to clarify, so you're telling us
- 4 today that the Council paid for the airfare?
- 5 WITNESS: Yes.
- 6 MR. ASHMAWY: But the Council did not pay for the hotel in Turkey?
- 7 WITNESS: No.
- 8 MR. ASHMAWY: Bakiad paid for the hotel in Turkey?
- 9 WITNESS: Bakiad, paid. Yes, exactly.
- 10 MR. ASHMAWY: And the Council did not pay for the hotel in Baku?
- 11 WITNESS: No, we didn't pay.
- 12 MR. ASHMAWY: And you don't know who paid?
- 13 WITNESS: I don't know.
- 14 MR. ASHMAWY: Okay. Do you have any suspicions who paid? Do you have a reason
- to believe a particular entity paid?
- WITNESS: Of course, Omar. Look, Kemal organized everything. He was the sole
- organizer for everything, so he was taking care of the you know hotels, you know food,
- transportation, you know we never ask how did you pay and where did you pay? I mean
- to be honest, I don't know.
- 20 MR. ASHMAWY: That's fair. That's what I'm just trying to understand, that's perfectly
- 21 fair. So, Kemal, and you don't know how, but Kemal paid for the hotel, the food and the
- 22 transportation in Azerbaijan?
- 23 WITNESS: I mean you're telling me that.
- 24 MR. ASHMAWY: No, I'm asking you. So let me put it this way. Let me be more simple
- about it then. The Council did not pay for the food in Azerbaijan?
- 26 WITNESS: No, our Council you mean? Because Turquoise is Council too.
- 27 MR. ASHMAWY: Sorry you're correct. So, CTAA did not pay for the food in
- 28 Azerbaijan?

- 1 WITNESS: No we did not.
- 2 MR. ASHMAWY: CTAA did not pay for the transportation in Azerbaijan?
- 3 WITNESS: No.
- 4 MR. ASHMAWY: Okay. And to just to back up to Turkey, Bakiad paid for the
- 5 transportation in Turkey?
- 6 WITNESS: Yes.
- 7 MR. ASHMAWY: And Bakiad paid for the food in Turkey?
- 8 WITNESS: Yes. That's right.
- 9 MR. ASHMAWY: Okay.
- WITNESS: Oh...let me be... hold on. I may have paid some of the food in Turkey, from
- my pocket, but if you ask me where are the receipts and other things, no. We usually pay
- cash I mean I cannot prove that, but just for the record I pay for some of those from my
- pocket. Because in Turkey and Azerbaijan you know, that's the culture. Sometimes in
- those countries you pay most of the things cash, restaurants doesn't take the credit cards.
- Hotels take it of course, but not the restaurants. Even the transportation guides, you know
- we give them tips and the one day fare you know this is your fare from today you know
- 17 just the orchestration and when we just get on the bus, so you know that happens. Bakiad
- doesn't pay all those things. Even we have an agreement with Bakiad and CTAA. We
- 19 have a memorandum of understanding type of thing for more than 4-5 years. 4 years,
- 20 maybe. And the...it says we will pay for everything on behalf of CTAA in Turkey. We
- have an agreement with them so... it was sometimes they don't pay because they don't
- have the money. So they say you know, "Witness can you pay for the restaurant?" and I
- 23 say of course.
- 24 MR. ASHMAWY: Do you know how Bakiad gets their money?
- 25 WITNESS: From the donors, again. Donations. And maybe they... I don't know what do
- they do other than donations. They have some the donations and maybe get commissions
- from I don't know, some travel agencies because they arrange restaurants and hotels; I
- think they have some commission I never...talked to their accountant how do they make
- 29 money? Because it is a Turkish accounting system, I never involved so I don't know.
- 30 MR. WRIGHT: Would it be possible to get a copy of that agreement with Bakiad?
- 31 WITNESS: Bakiad agreement? Yeah. I mean, of course.

- 1 MR. WRIGHT: And I had a couple of questions just to follow up to make sure I
- 2 understand the timeline. So I'm showing you a document, Bates stamped 2; this is the
- 3 invitation, a copy of one of the invitations that you sent to members that traveled to this
- 4 part of the delegation. Is that correct? And you sent those in March.
- 5 WITNESS: Is it in March? Yes March 26 it says. Yes.
- 6 MR. WRIGHT: Okay. And then if you wouldn't mind in this binder here, turning to
- 7 page 129 at the bottom, Bates stamped 129.
- 8 WITNESS: This one?
- 9 MR. WRIGHT: Yeah.
- 10 MR. ASHMAWY: The binder of your the binder of the bank statements, page 129.
- 11 WITNESS: 129...
- MR. WRIGHT: Okay, so when you start sending out these invitations, you don't have a
- whole lot of money in the bank. This is what you were describing before about, "we don't
- have the money to pay for this, we're going to have to raise it." Then you start reaching
- out to donors to try to get the money. Who are you reaching out to in terms of donors?
- 16 WITNESS: Turkish-Americans. Turkish businessmen.
- 17 MR. WRIGHT: And you're asking them we need money because we've got this trip
- 18 coming up and –
- 19 WITNESS: No, not necessarily. We always, you know if you come to New York and
- New Jersey, if you see our neighborhood, we ask for donations all the time. So it doesn't
- 21 have to be trip or something else. We always asking for donations. But maybe, we might
- be a little aggressive because we have a trip coming up, but they don't know what trip.
- 23 What kind of trip I have. They don't know. Community doesn't know. Just the board
- 24 members, accountant and my couple of close friends, they know.
- 25 MR. WRIGHT: Okay. Had you been to Baku previously?
- 26 WITNESS: Previously? It was 6 months ago...
- 27 MR. WRIGHT: Before the trip.
- 28 WITNESS: Oh before the trip?
- 29 MR. WRIGHT: Yeah.
- WITNESS: I think that was my first time.

- 1 MR. WRIGHT: How did you decide which hotels to use -- you mentioned you had
- 2 decided to use, how you decided to use a travel agency -- how did you decide which
- 3 hotels in Turkey and Azerbaijan you were going to use?
- 4 WITNESS: I didn't. For Azerbaijan, Kemal told us that you're going to stay in this hotel.
- 5 I don't know the hotels, so...
- 6 MR. WRIGHT: Did the hotels ever change while you were planning the trip?
- 7 WITNESS: No.
- 8 MR. WRIGHT: And Kemal arranged for ground transportation in Azerbaijan?
- 9 WITNESS: I mean, let me be... you know, honest. I mean when we go there, the
- transportation was there. We never questioned who arranged it. You know since Kemal
- was the biggest organizer of the program, maybe we thought that automatically that he
- arranged that. I never questioned it, but probably he's the arrangement.
- 13 MR. ASHMAWY: And just to be clear, we've been talking about an individual named
- 14 Kemal. We are talking about Kemal Oksuz?
- 15 WITNESS: Oksuz.
- 16 MR. ASHMAWY: Oksuz. Excellent. Just making sure.
- 17 MR. WRIGHT: To your knowledge, in order to get into Azerbaijan, did the members of
- 18 Congress, who you were sponsoring, need to get visas?
- 19 WITNESS: Uhm...
- 20 MR. WRIGHT: To enter the country?
- 21 WITNESS: Yes. Yes I remember.
- 22 MR. WRIGHT: How did that process work?
- 23 WITNESS: Let me think. Yes, I sent their passports, Congressman passports and
- 24 Congresswoman Yvette Clarke to... I think I sent to Kemal. And Kemal sent to either
- 25 travel agency or the visa commissioner; I don't know how he arranged it so they arranged
- the visa.
- 27 MR. WRIGHT: Okay. Kemal did. How did you decide which members of Congress to
- reach out to, to invite to participate in the convention?
- 29 WITNESS: Those Congressman, as you see, two of them from New York, one from
- New Jersey. Most of their constituents are Turkish-Americans in our area so those are the

- ones we always contact with. I said you know, in couple of locations, you know we said
- 2 there's a trip, Azerbaijan and Turkey, would you be interested? And they said, why not?
- 3 MR. WRIGHT: Okay. Did the members who you invited ever change? Was there ever a
- 4 member you were planning to invite, but then got invited by one of your sister
- 5 federations?
- 6 WITNESS: Say it again?
- 7 MR. WRIGHT: Was there ever a member that you were planning to invite, that was then
- 8 invited by one of the sister federations?
- 9 WITNESS: No. I targeted these three Congress people because we're very close contact.
- We always discuss Turkish-American relations; you know recently, in 2012 we started
- 11 Azerbaijan-American relations. We discussed and shared our thoughts. Those are the
- three ones I targeted. I invited them and they accepted.
- 13 MR. WRIGHT: Okay. I'm showing you a document marked CTAA 0011 and if you can
- take a look at that. You list on there, members that you've filled out, that you've formed
- for, and you include Representative Stockman from Texas. Did Representative Stockman
- -- was he one of the members you sponsored on this trip?
- 17 WITNESS: No. This is completely Saim's mistake. Hold on. [inaudible] Oh, okay. This
- is obvious. So, we... Congressman Meeks asked, "who's coming?" So I asked Saim, my
- 19 executive director, talked to other federations, asked, "who's coming or not? So far,
- who's agreed?" So, Leonard Lance and Yvette Clarke are from our district, so they
- already accepted, we know that. So we just put their names to Kim. She's the scheduler
- of Gregory Meeks. And he found out that from Texas, he should've probably find out, I
- didn't talk, either from Kemal, Bilal or Cemil since he's from Texas, so then he
- should've said yes. So that's why Congressman Meeks asked who's coming and Saim
- 25 sent those.
- 26 MR. WRIGHT: Okay. I'm showing you a document marked THYC 27 and a document
- 27 marked 14, these are a couple of versions of documents that were included and filed to
- the committee that talk about who had been invited and I was just wondering if you could
- 29 explain those to me and why the names of the members are different?
- WITNESS: This is invited list, but we invited those people, but they didn't come. They
- 31 didn't accept to come.
- 32 MR. WRIGHT: So these are two different they're different in time? Okay, so if you
- 33 look between, there's a difference in members, we have you know Representative Clarke
- at the top of one, Representative Meeks at the top of the other, the other members
- underneath are different. I guess I'm just wondering why there's that difference.

- 1 WITNESS: Why we invited you know those... as you see, those... Hakim [inaudible].
- 2 Under my federation, there are nine states as you know. In nine states, I am... I cover
- around 80 Congressmen, so I told Saim we are planning the trip. Let's invite some people
- 4 you know, as you know the Congress people they say you know, "let me think about it. I
- 5 don't know if I can come or not". So I said send at least to 10 or 20 people, the letters. So
- 6 let's see who's going to be interested because sometime they go to Germany, African and
- 7 last minute they cancel so maybe they would interested to come to Azerbaijan and
- 8 Turkey together, so that's why. But I knew that only three or two of them would accept
- 9 our invitation because you know we are very close to then. It happened like I expected.
- 10 MR. WRIGHT: Now I'm handing you a document marked, THYC 24, this is the
- primary trip sponsor form for Representative Clarke. So here the form indicates that
- 12 CTAA is the sole sponsor of the trip to Turkey and Azerbaijan. And you signed the form
- on the last page, is that correct?
- 14 WITNESS: Let me check. Yes.
- 15 MR. WRIGHT: And under number 3 on that first page, it says the primary trip sponsor
- has not accepted from any other source funds, intended directly or indirectly to finance in
- 17 any aspect of the trip.
- 18 WITNESS: Yeah. Yeah, I see that.
- 19 MR. WRIGHT: But you did accept money from other organizations to finance the trips,
- at least the hotels in Baku, the hotels and transportation in Turkey.
- 21 WITNESS: I mean, to be honest, it seems...like so, yes. I mean, we didn't accept it
- 22 maybe, but yes we did. What can I say? I mean...
- 23 MR. WRIGHT: Okay and I'm also providing a document marked THYC 23, this is the
- 24 post-travel disclosure form for Representative Clarke. You recognize that form?
- 25 WITNESS: Yeah, I remember that.
- 26 MR. WRIGHT: And it's your signature at the bottom?
- 27 WITNESS: Yes.
- 28 MR. WRIGHT: Okay. And that form indicates that, that was the money that CTAA paid
- 29 for Representative Clarke's travel, to and from Turkey and Azerbaijan?
- 30 WITNESS: [inaudible]...yes.
- MR. WRIGHT: This one was a form that Representative Clarke reached out to you later
- after the trip to ask about? I'm showing you a document marked THYC 08. Do you

- 1 remember her having a conversation with CTAA about filing an additional post-travel
- 2 disclosure form?
- WITNESS: Is it the same post-travel form? I didn't understand the question. This is post-
- 4 travel form, right?
- 5 MR. WRIGHT: Yes.
- 6 WITNESS: Okay, so whoever did Davis, yes. I think he's Chief of Staff... saying the
- 7 final portion for the post-travel.
- 8 MR. WRIGHT: Notice the date at the top of that email.
- 9 WITNESS: August 5.
- 10 MR. WRIGHT: The year, specifically.
- 11 WITNESS: Oh, 2014!
- 12 MR. WRIGHT: Yes.
- 13 WITNESS: Oh I realize now.
- MR. WRIGHT: So he reached out to you a little over a year after the trip.
- WITNESS: Yeah I remember that. Yeah, yeah I remember that conversation.
- 16 MR. WRIGHT: What was the context of that conversation?
- 17 WITNESS: I mean I said, you know, why you were so late about this? We sent you this
- 18 you know a year ago almost. Where were you? We did make conversation, I remember
- 19 now.
- 20 MR. WRIGHT: Did he say anything about why he needed the form? Did he talk about a
- 21 conversation?
- 22 WITNESS: No, not at all.
- 23 MR. WRIGHT: He just said, "I need this amended form?"
- 24 WITNESS: I even asked why you guys know so late? And that was conversation, I
- 25 remember now.
- MR. WRIGHT: Okay. I'm showing you a document marked Bates labeled 17. This is the
- trip sponsor form for Representative Meeks. And this is similar to the one for
- 28 Representative Clarke. You signed it. Representative Meeks did not go to Turkey, did he?
- 29 He just traveled to Azerbaijan.

- 1 WITNESS: Just Azerbaijan. Yes, he didn't come to Turkey.
- 2 MR. WRIGHT: Okay. And again under number 3, you signed that you would be the sole
- 3 sponsor.
- 4 WITNESS: Yes.
- 5 MR. WRIGHT: Okay. But we know that at least, in Baku, the hotels were paid for by
- 6 some other organization?
- 7 WITNESS: I mean if it's not free, you know we haven't paid.
- 8 MR. ASHMAWY: Can I ask you a question related to both, this one, this document, as
- 9 well as the document related to Representative Clarke? Under the section that lists out
- 10 how much things cost, this is how much the flights costs, this is how much lodging costs,
- this is how much food costs, right? You said you didn't pay for the hotels in Baku, how
- did you come up with the numbers to put down how much things cost?
- 13 WITNESS: Numbers...ballpark. Ballpark. We usually go to one of the, like four-star
- 14 hotel and book it from website, get their numbers from how much is per night and we put
- it in the system.
- 16 MR. ASHMAWY: So...Mr. Wright already showed you this document, but I'm going to
- hand you just another copy. This is THYC_0023. It's the post-travel disclosure form for
- 18 Representative Clarke. Under lodging, you know, what's required is you put the actual
- 19 cost. Is that the actual cost of lodging, or is that a ballpark cost of lodging?
- 20 WITNESS: The number that I got from the website. I calculated and I you know
- 21 multiplied by three in Baku, four in Turkey. That's how I got the numbers.
- 22 MR. ASHMAWY: So you didn't get any invoice for the hotel?
- 23 WITNESS: Invoice for the hotel... No. No.
- 24 MR. WRIGHT: Document marked 51, post-travel form for Representative Meeks. And
- 25 that's similar with Representative Clarke except he didn't travel to Turkey.
- 26 WITNESS: Yeah.
- 27 MR. WRIGHT: And for the other portion of the document, you know like the tip
- amount, and I know under Representative Clarke, there are fees for museums and so on,
- 29 how did you come up with that number?
- WITNESS: Because we do trips to Turkey. We know how much does it cost. I took
- 31 Assembly members, State Senators from New York, New Jersey, Pennsylvania,
- Vermont, so we know the cost. I mean we know how the trip costs usually.

- 1 MR. WRIGHT: Okay. And then this one doesn't have a Bates labeled, but it's the
- 2 primary trip sponsor form for Representative Leonard Lance. And that's similar to the
- 3 other two. Did you also create a post-travel disclosure form for Representative Lance?
- 4 WITNESS: Yes, I remember so.
- 5 MR. WRIGHT: Okay. And you would've sent that to his office?
- 6 WITNESS: To his office, yes -- to his Chief of Staff or Scheduler.
- 7 MR. WRIGHT: Okay.
- 8 WITNESS: Yeah.
- 9 MR. WRIGHT: I'm showing you a document marked THYC 111. This is a copy of an
- 10 itinerary.
- 11 WITNESS: Mhmm, I know that.
- MR. WRIGHT: Okay. And you put the itinerary together, for I believe this is the one
- 13 from Representative Clarke.
- 14 WITNESS: Actually, Lance and Clarke together. Because they almost have the same
- 15 itinerary because they travel with me to Turkey also. Not the Meeks. Meeks is a little
- 16 different.
- 17 MR. WRIGHT: And in Baku, did they both stay at the Marriot?
- WITNESS: In Baku... If I say I don't remember, I don't remember which hotel, really.
- 19 Because there were only three hotels that we all stayed. One was Four-Season, other one
- was Marriot, the other one was Hilton. There was one other hotel, it's not like one of the
- 21 chains.
- 22 MR. WRIGHT: Was it the Radisson?
- 23 WITNESS: Radisson? It might've been the Radisson. I'm not sure. Yeah, I don't recall
- the name of the hotel. Because it has been almost three years...
- 25 MR. WRIGHT: Can I direct your attention to the itinerary for...it's page 113.
- 26 WITNESS: 113, here?
- 27 MR. WRIGHT: Tuesday, May 28th?
- 28 WITNESS: Yeah?

- 1 MR. WRIGHT: We've seen on other itineraries that this dinner at 8:30 PM was hosted
- 2 by the state oil company of Azerbaijan. Does that sound familiar?
- 3 WITNESS: 8:30PM?
- 4 MR. WRIGHT: Yeah.
- 5 WITNESS: This [indecipherable] center?
- 6 MR. WRIGHT: Yeah. Dinner, specifically.
- 7 WITNESS: Dinner, yes. What are you asking?
- 8 MR. WRIGHT: We had heard that this was hosted by the state oil company of
- 9 Azerbaijan. Does that sound familiar? Did you go to the events during the conference?
- WITNESS: At the conference? Yes. I attended some of the forums, but not all of them.
- 11 So dinners... If you ask me who, who was the sponsor, I cannot answer. I don't know.
- 12 You know this kind of things, in Turkey it didn't happen that way. For example, that's
- maybe our oversight. You know we...when we go to somewhere and someone hosts the
- dinner, we don't ask who's hosting the dinner, it's 200-300 people. When we go there,
- nobody ask who's the sponsor, who's the sponsor? I don't know you know if you ask me.
- But since Kemal was on top of everything, we thought he was taking care of everything,
- so that's how we got into--
- 18 MR. ASHMAWY: And you've said this a couple of times that Kemal was taking care of
- 19 everything. For the Azerbaijan portion, the Baku portion of this trip, Kemal organized the
- whole thing, correct?
- 21 WITNESS: Yes.
- 22 MR. ASHMAWY: CTAA didn't organize the Azerbaijan component of the trip?
- 23 WITNESS: No.
- 24 MR. ASHMAWY: Okay. Did you go to this dinner? This 8:30PM dinner on Tuesday,
- 25 May 8th?
- 26 WITNESS: You know if I push my memory, maybe. I don't remember, but yes. I think I
- went there. I should be at the dinner. Because I think... Tuesday... yeah. Seems like we
- went. All of us. Some of... there was a lot of events that's why I'm a little bit cautious.
- 29 Some of them I skipped, I don't know which ones I skipped but [indecipherable] center is
- a huge place, so I should be at that dinner.

- 1 MR. WRIGHT: Okay. And then if you wouldn't mind flipping the page over to 114.
- 2 You see on Thursday, May 30th, there's a briefing with SOCAR and a lunch with the
- 3 SOCAR executive team? The briefings at 10AM, lunch is at 1PM?
- 4 WITNESS: Where is it?
- 5 MR. WRIGHT: Here and here.
- 6 WITNESS: 1:00 lunch with SOCAR executive team...
- 7 MR. WRIGHT: Yeah. Were there a lot of events during the conference for SOCAR?
- 8 WITNESS: No. Actually, I'm not even sure if there was a lunch with SOCAR because I
- 9 was not in that meeting. If there was a lunch, I don't know.
- 10 MR. WRIGHT: Was there a signage about people who were sponsoring the convention
- 11 that you remember?
- WITNESS: You mean the banners? I saw the banners in the convention. The big forum
- 13 you know. A lot of people spoke, lot of speakers in the background I saw the banners,
- 14 yes. I recall the banners. There was a lot of logos, but yes of course I saw SOCAR, I saw
- the because those are big companies I recall. BP, Conoco Philips, I remember
- 16 Turquoise...Kemal's federation. I don't know if there was AFAZ or not. I'm not sure if
- 17 AFAZ was there.
- 18 MR. ASHMAWY: Do you know whether or not Chevron was there?
- 19 WITNESS: Chevron... I don't recall. Chevron's a big company, but I don't know. Those
- 20 people live in New York more than 16 years, I live in New Jersey actually, I work in New
- 21 York. I don't know those energy companies too much except SOCAR executives, some
- of them I met them in 2012 at the first convention. They came with the Azerbaijani
- parliament members, together. Even some of the SOCAR executive members I think are
- parliament members as far as I know. So they came together at 2012 you
- 25 know...introduction, we ... that's how I met with them.
- 26 MR. ASHMAWY: What was SOCAR'S involvement with the conference?
- 27 WITNESS: I mean... as far as I know on the uhm... if I say involvement, you know I
- think... they were one of the organizers? Like a volunteer type of organizers because I
- saw in the hotel when we get off the plane, we you know...got in the cab, I went to hotel
- and I met with I think Vermont state representative in the hotel in the lobby, say hi, how
- are you, how was trip, so I saw at desk saying that SOCAR'S at the entrance of hotel.
- Those were all those badges saying volunteer, volunteer, volunteer. A lot of young guys
- like high school, college type of thing, but that's... I think I mean... other than that you
- know, I don't know what they sponsor, what they paid, how can I know I don't know.

- But I saw couple of volunteer badges at the entrance of hotel and I also saw logos on
- 2 banners.
- 3 MR. ASHMAWY: And these desks you were referring to, is that like a check-in desk?
- 4 WITNESS: No, not check-in desk. It's like helping the people, site-seeing this is the
- 5 shore, this is the Baku that kind of thing.
- 6 MR. ASHMAWY: A little more about –
- 7 MR. WRIGHT: What is SOCAR'S relationship with the Assembly of Friends of
- 8 Azerbaijan?
- 9 WITNESS: I don't know.
- 10 MR. ASHMAWY: Yeah I'm just going to be a little more direct. Did Kemal get the
- money for this conference from SOCAR?
- 12 WITNESS: How can I know...the first answer, how can I know? The second, according
- to my knowledge, no.
- 14 MR. ASHMAWY: Okay, are you surprised you didn't know people told us that Kemal
- got the money from SOCAR?
- 16 WITNESS: Yeah I would be surprised.
- 17 MR. WRIGHT: Why did that surprise you?
- WITNESS: Why surprise you? This is a non-profit organization, non-profit event. You
- 19 know I was expecting... you know non-profit and non-binding contracts. We only did
- 20 this for Azerbaijan, contracts for Azerbaijan, not for SOCAR. So why would they pay
- 21 Kemal for anything?
- 22 MR. ASHMAWY: Did you know that there was a contract between AFAZ and SOCAR?
- 23 WITNESS: No I don't know.
- 24 MR. WRIGHT: What is Kemal's relationship with SOCAR? Does he seem to have a
- close relationship with executives of SOCAR?
- 26 WITNESS: Executives? I never questioned Kemal because he's my family friend of
- course. We've known each other more than 10 years maybe. Our family see each other, I
- 28 know his hometown in Turkey. We traveled to Black Sea together. We're close friends
- 29 so... I never ask him those are the questions we never ask to each other. You know,
- 30 what's your relationship with SOCAR? Those are intimate questions, I never ask those
- things, but of course he seems like more closer than us to SOCAR's representatives

- because in 2012 he's the one who introduced us to those people so I assumed that of
- 2 course he has more relationship than me, but if you ask me what's the level of the
- 3 relationship I cannot answer that because I don't know.
- 4 MR. ASHMAWY: Just while I'm thinking about it, we've already discussed who paid
- for the hotels in Turkey and who paid for the hotels in Baku. None of the Turkish
- 6 federation sponsors paid for the hotels in Baku, correct? The hotels in Bak I understand
- 7 you don't know who paid for the hotels --
- 8 WITNESS: I don't know if the others paid or not.
- 9 MR. ASHMAWY: You don't know?
- 10 WITNESS: But I know I haven't paid.
- 11 MR. ASHMAWY: What about the trip to Turkey? Bakiad has been paying for these
- 12 hotels for a long time, correct?
- 13 WITNESS: Yes.
- 14 MR. ASHMAWY: Okay and that's for all the federations?
- 15 WITNESS: Yes. I mean the other federations are telling me, "yes Bakiad is taking care
- of this, taking care of that." Yes.
- 17 MR. ASHMAWY: Okay, because while it was on my mind I just wanted to ask. I'm
- 18 sorry for interrupting.
- 19 MR. WRIGHT: No, no. Did you meet with any of the members of Congress that you
- sponsored to the convention beforehand, like a pre-trip briefing?
- 21 WITNESS: In the Congress?
- 22 MR. WRIGHT: Yes, before leaving.
- 23 WITNESS: Maybe I may have gone over with you know itinerary with them, maybe.
- 24 Probably. Maybe they are staff not with them personally because they...the staffers are
- 25 you know, usually they are very cautious, "where does he stay, who's going to pick up
- 26 him from here, who's taking... blah blah blah", you know. Maybe yes we went over
- 27 itinerary with their staffers.
- 28 MR. WRIGHT: Was there a meeting with TAA and Congressional staffers who were
- 29 traveling? Do you remember that? A briefing with—
- WITNESS: No. I was only responsible for three members. That was my whole agenda.

- 1 MR. WRIGHT: Okay I want to ask real quick. If you could go back to page Bates
- 2 labeled 137 and you'll notice... well to start with, under these checks, there are some
- 3 checks that are four digits with a 1 and some checks that are five digits that begin with a
- 4 5, what's the difference between those two? Are those different like checkbooks or...?
- 5 WITNESS: I don't know. I mean accountant should know, but I don't know.
- 6 MR. WRIGHT: And do you know... you see how on May 21, 2013, there are four
- 7 instances, where this serial number that begins with a 5 and has five digits, instances
- 8 where they're sending out \$2,600.00 in checks, do you know where those checks are
- 9 going?
- WITNESS: I don't know, but we should... we can get the image of checks easily. I don't
- 11 recall.
- 12 MR. WRIGHT: Okay.
- 13 MR. ASHMAWY: And we can get those from you?
- 14 WITNESS: Yeah, sure. Let me make a note.
- 15 MR. WRIGHT: Do you know a firm called Ruberti & White?
- 16 WITNESS: Yes, I heard.
- 17 MR. WRIGHT: And do you know Arie Mittleman?
- 18 WITNESS: Yes, I know him.
- 19 MR. WRIGHT: What was his role in this convention?
- WITNESS: According to my knowledge, nothing. He was just one of the participants as
- 21 far as I know.
- 22 MR. WRIGHT: He was a participant? Was he involved at all in reaching out to elective
- officials or travelers here in the United States?
- 24 WITNESS: No I haven't seen... about this trip?
- 25 MR. WRIGHT: Yes.
- 26 WITNESS: I don't know. I never see him in the conference, but I never seen him...you
- know I never follow; there was 350 people.
- 28 MR. WRIGHT: Alright, I'm showing you a document, Bates labeled RW 292. Take a
- look at that. I realize it's your assistant reaching out to him.

- 1 WITNESS: Yeah. [inaudible] Yes, I asked Arie about that, that's true.
- 2 MR. WRIGHT: Okay. Was he reaching out to you or –
- 3 WITNESS: Because why? Because Arie? The first time I met him, four years ago, he
- 4 was the staffer of Bakheze senator. So uh...and...Kemal asked me you know can we get
- 5 a video message from any members who cannot come to the conference? And I asked
- 6 Arie as you know...but I didn't know at that time that he was working for somebody else.
- 7 I, you know I knew that he was looking for a job, so I asked for the video message from
- 8 him. Yes, I remember this.
- 9 MR. WRIGHT: Okay.
- 10 WITNESS: I remember now.
- 11 MR. WRIGHT: Did he have any other involvement with getting video messages for the
- convention or any other involvement that you were aware about as an attendee?
- 13 WITNESS: Say it again?
- 14 MR. WRIGHT: Did he have any other involvement in reaching out to people—
- 15 WITNESS: Except the video message?
- 16 MR. WRIGHT: Yeah, except for the video messages --
- 17 WITNESS: I haven't seen. I mean I haven't see him --
- 18 MR. ASHMAWY: Did he help plan at all?
- 19 WITNESS: Say it again?
- 20 MR. ASHMAWY: Did he help plan the convention at all?
- 21 WITNESS: He...planned? No.
- 22 MR. ASHMAWY: No?
- 23 WITNESS: No.
- 24 MR. ASHMAWY: Did he help pick people to invite to the convention?
- 25 WITNESS: I mean, not my peop—not my invitees. You know not at all. He didn't
- 26 involve with me except this video message and so now I remember. But you know I
- 27 cannot know he met with Kemal or AFAZ or Turquoise which is completely out of my
- 28 league. I don't know.

- 1 MR. WRIGHT: Okay. Do you remember having any conversation with him during the
- 2 convention?
- 3 WITNESS: Who, Arie?
- 4 MR. WRIGHT: Yeah, Arie.
- 5 WITNESS: I saw him, yes in the convention. I mean we talked about what a beautiful
- 6 country, what a nice convention, blah blah that kind of conversation.
- 7 MR. WRIGHT: Did he ever tell you who invited him to attend or what his—
- 8 WITNESS: No. he's kind of person who doesn't talk too much. He didn't share with me
- 9 anything, almost anything. Just you know... I ask you know what are you doing, how is
- your family, kind of conversation that's it. I don't remember other than that. Maybe I saw
- 11 him maybe one or two minutes in whole three days.
- MR. WRIGHT: Okay. To your knowledge, once the attendees got there, did any of them
- 13 receive gifts during the convention in Baku?
- 14 WITNESS: In our trips you know, usually, in Turkey, we go to our family you know for
- example I did a trip in I think from New Jersey, for State Officials and I made orientation
- and in my orientation it says that we go to families, like families' dinners and some of the
- people they will give you a gift. That's the custom. In Turkey, in Azerbaijan, it's a very
- common custom. Even though I tell them bring some little things from Congress or from
- 19 New Jersey, little you know like a dime of New Jersey state capital on it, one dollar, two
- dollar, ten dollar things, maybe you can give it to the family members. We do this
- 21 because we know in those countries, the gift exchange is a very common thing, so... I saw
- couple of gifts you know people are getting from their hands, but I never ask what are
- those and who gave it to them those so I don't know.
- 24 MR. WRIGHT: Did anyone ever, any of the members you sponsored ever ask you, "you
- 25 know I got this gift, who is it from?" or any questions like that about gifts they were
- 26 receiving?
- 27 WITNESS: Members? No. I only have three members. Those members are very
- 28 knowledgeable people. I thought in my mind it usually happens like this if something like
- 29 this happens, whoever gives that gift they ask how much is this worth and I think they
- have a limit of \$50 or \$100 whatever, and if it's above the limit they return it or reject it.
- That's out my jurisdiction. But yes I saw some of the people with kind of gifts, people
- and little you know little bags but I never ask who gave it to you, what's inside. It's
- inappropriate to ask people you know what is this gift you know.

- 1 MR. WRIGHT: Did the members you were sponsoring to the convention, did they
- 2 receive rugs to their hotel rooms during the convention?
- 3 WITNESS: The rugs? You know I saw people bringing rugs to the hotel, but I haven't
- 4 asked my guys again for same reason, did you get the rugs or not. I haven't asked
- 5 because I haven't arranged it and I don't know who gave it to them.
- 6 MR. WRIGHT: They never asked you, "hey I got this rug in my hotel room, do you
- 7 know where it's from because I need to figure out whether or not I can accept it or how
- 8 much it's worth?"
- 9 WITNESS: No they didn't talk at all.
- 10 MR. ASHMAWY: Do you know if they took it with them?
- WITNESS: No I don't know. We haven't traveled together for about a day. They got
- business class from other airlines; I go the economy from another airline.
- 13 MR. ASHMAWY: Did you get rugs?
- 14 WITNESS: I got one little rug. It's like, nice rug, but small.
- 15 MR. ASHMAWY: Just one?
- 16 WITNESS: Just one.
- 17 MR. WRIGHT: I'm showing you a document marked THYC 0150. You had reached
- out to members beforehand, to ask them for a certificate of congressional recognition?
- 19 WITNESS: [inaudible] Yes, I remember that.
- 20 MR. WRIGHT: Okay. And you specifically list out there the CTAA, TCAE and AFAZ.
- 21 WITNESS: Yes.
- 22 MR. WRIGHT: Why are you asking for the certificate of recognition thanking those
- 23 three organizations?
- 24 WITNESS: Because those people in Azerbaijan, they ... they care about those things.
- They like those kind of stuff. That's why I asked. They like you know... to hear that the
- show off something from Congress. It's like honoring the people, that's why I asked. If
- 27 you ask me why those three organizations, Turquoise and AFAZ were the organizers and
- I am the person who take those guys, that's why I ask.
- 29 MR. WRIGHT: Okay. And you would also, this is the document marked THYC 0146,
- you provided them more information about CTAA, TCAE and AFAZ. Did any of the

- 1 members ask you, why are you asking for a certificate with these two other organizations
- 2 on there, TCAE and AFAZ?
- WITNESS: I don't think so. I don't remember that kind of question.
- 4 MR. WRIGHT: Okay. Did you ever reach out to any of the members that you took on
- 5 the trip to the convention and asked them about visas? For other individuals?
- 6 WITNESS: What do you mean other individuals? I mean... the staffers asked me what's
- 7 the visa situation. I asked them send your passport, your boss passport, I sent to Kemal,
- 8 and Kemal talked to visa people and he got the visa, he sent it to me and I sent it to them.
- 9 MR. ASHMAWY: Actually the other way around. Did you ever ask member of
- 10 Congress to help with visas for someone in Turkey or who wants to come to the United
- 11 States?
- 12 WITNESS: Oh visa. You mean their visa --
- 13 MR. ASHMAWY: An American visa for somebody who wants to visit America?
- 14 WITNESS: From Congress members?
- 15 MR. ASHMAWY: Yes, have you ever asked for assistance?
- WITNESS: I ask assistance from couple of Congressmen, not only those. Some of the
- 17 Turkish-Americans, not Turkish-Americans, I'm sorry. People who's trying to get the
- visa....who lives in here actually. And you know their visa is stuck in the INS. Can you
- help push a little more, what's wrong, can you help us. Yes. I remember a couple. But if
- you ask me which cases, I don't recall. One of the biggest issues in our community is the
- 21 visa problem. You know, people get...got stuck the visa 8 month waiting period so they
- call me for please call this congressman. I'm his district. I'm afraid I'll be legal, please
- help me. Yes.
- 24 MR. WRIGHT: Did you ever reach out to the travelers to the convention members of
- 25 Congress you sponsored to the convention and ask them for messages to the government
- 26 of Azerbaijan?
- 27 WITNESS: Messages?
- 28 MR. WRIGHT: Yes.
- 29 WITNESS: Not message. For example, I ask for like an independence letter for
- 30 Azerbaijan. Yes I asked. I mean if you call that a message.
- 31 MR. WRIGHT: Showing you documented marked THYC 0122, subject is
- 32 congratulation message --

- 1 WITNESS: Message [inaudible]
- 2 MR. WRIGHT: What is the background behind this? So, how... what led to you reaching
- 3 out to members to ask them for, for this message?
- 4 WITNESS: This is a congratulation message for Azerbaijan for re-election the president.
- 5 MR. WRIGHT: But what... what prompted it? Did someone reach out to you and say hey
- 6 we'd like to get these messages to congratulate –
- 7 WITNESS: No! You know, that was ... you know my sole intention.
- 8 MR. WRIGHT: So you decided to get letters together congratulating him?
- 9 WITNESS: Yes, I did! You know we went there, we saw that they're very pro-western.
- That was our whole conversation. Maybe you don't know the background.
- 11 MR. ASHMAWY: Yeah, I actually have a larger question though. Which is, you've
- 12 never done a trip to Azerbaijan, right?
- 13 WITNESS: Before that, no.
- 14 MR. ASHMAWY: You've always been involved with Turkey, correct?
- 15 WITNESS: Yes.
- 16 MR. ASHMAWY: Why all of a sudden are you now involved in sort of Azerbaijan
- issues and asking people to you know, send a congratulatory letter?
- 18 WITNESS: In 2012, as I told you, we did the first U.S.-Azerbaijan convention. Of
- 19 course Kemal was... as the Turquoise Council, he was the main organizers again because
- 20 he started this connection and of course he asked for help for 2012 too, so I brought
- 21 maybe 5 or 6 Congressman you know, using my say that, "Congressman, please come to
- 22 this event. This is so important." Then I started to educate myself since 2012. So in one
- year at a time, I learned a lot of things about Azerbaijan and I thought that I should be
- 24 working on behalf of those people you know, Azerbaijani people, you know helping them
- because they were always crying per say, about Russian, Prussian, Iranian, Armenian
- problem and they are so pro-western. Help us, why doesn't U.S. help us too much? You
- know we speak the same language so they touch our hearts and they...how I started to
- work for my volunteer basis with those guys.
- 29 MR. ASHMAWY: More broadly, what was the purpose of the convention?
- 30 WITNESS: You know just... strengthen to U.S.-Azerbaijan relation.
- 31 MR. ASHMAWY: Were any specific aspects of that relationship, discussed?

- 1 WITNESS: I mean... on the forums, there was energy and trades –
- 2 MR. ASHMAWY: It seems like energy was a large topic...
- WITNESS: It's because Azerbaijan is you know, the biggest general force is energy so it
- 4 doesn't surprise me.
- 5 MR. ASHMAWY: And we asked about SOCAR before –
- 6 WITNESS: Yeah.
- 7 MR. ASHMAWY: Was -- were there conversations with SOCAR, was SOCAR leading
- 8 those conversations about energy and Azerbaijan?
- 9 WITNESS: Some of the SOCAR executives spoke at the forums and the panels. Yes, I
- saw them.
- 11 MR. ASHMAWY: What other panels were there other than those about energy?
- WITNESS: Trade, energy and I think I don't know what they call this, like a political
- ties between United States and Azerbaijan. They named the different, but yeah ...
- 14 MR. ASHMAWY: You know I'm sure you're aware since you've been becoming closer
- with you know, dealing with these Azerbaijani issues, there's this topic of sanctions with
- 16 Iran that are having an impact on Azerbaijan's ability to deliver energy, natural gas and
- oil. Was that a topic at the conference?
- 18 WITNESS: Not you know conjunction with Iran, but I remember one of the topics were
- 19 [indecipherable] pipeline. You know they were promoting you know we have to do this
- because it's good for Europe, we have to get you to Russian monopoly that's how I know
- 21 − I mean that was one of the conversations as far as I know.
- 22 MR. WRIGHT: Make sure I wrote down this correctly. You had said before with that
- 23 previous message that you had decided to send these messages to the president of
- Azerbaijan and you know, you thought of the idea. I'm showing you a document marked
- 25 THYC 0183 and one of its attachments THYC 0817 and you'll see up at the top there, in
- terms of attachments, there are other letters attaches, letters from Representative Poe,
- 27 Representative Cuellar, the one attached there is from Representative Hinojosa. He is not
- in your nine states.
- 29 WITNESS: This...Ruben Hinojosa?
- 30 MR. WRIGHT: Yes.
- 31 WITNESS: No, he is not.

- 1 MR. WRIGHT: Okay and neither is Poe or Cuellar or some of these others that you've
- 2 attached.
- 3 WITNESS: Cuellar I know because I traveled to Texas with. I know him personally.
- 4 MR. WRIGHT: Okay. How did you get this letter to send around to –
- 5 WITNESS: These letters?
- 6 MR. WRIGHT: Yes.
- 7 WITNESS: I don't recall. I mean if I tell you I get from this and that, I really...that
- 8 would be wrong. I have to check how did I get this?
- 9 MR. WRIGHT: And that last --
- WITNESS: Probably came to me from somewhere, but I don't know where. Maybe from
- 11 Kemal?
- 12 MR. WRIGHT: Okay in that last paragraph it references Kemal when –
- WITNESS: Yeah, I see that.
- 14 MR. WRIGHT: Why would Representative Hinojosa reference Kemal in the letter to the
- 15 president of Azerbaijan?
- 16 WITNESS: I don't know. I mean you should ask to Ruben Hinojosa. I don't know.
- 17 MR. WRIGHT: Okay. And then once you got the letters and I believe you were also
- asking for video messages from members, what did you do with those letters or video
- messages? Where did you send them?
- 20 WITNESS: Letters? I sent to... probably sent to Kemal. Because I never had a direct
- 21 contact with anybody from Azerbaijan to send those things. I cannot send to Azerbaijan
- president so I sent to Kemal and Kemal should've sent to there or maybe he kept it. I
- 23 don't know I never asked did you send or not?
- 24 MR. WRIGHT: Did Kemal have direct contact with the Azerbaijani officials? You said
- 25 that you didn't.
- WITNESS: I don't know. But I mean since he's the organizer, I assume he has some
- connections. I mean, as I told you before, in 2012, the parliament members came from
- Azerbaijan. He was hosting those people of course he has some connections.
- 29 MR. WRIGHT: Have you had conversations with any of the members who you
- 30 sponsored recently? Who you sponsored on the convention, recently?

- 1 WITNESS: About what? I mean --
- 2 MR. WRIGHT: About the convention and the trip.
- 3 WITNESS: Recently? No, no. I mean it was long time ago.
- 4 MR. WRIGHT: Conversations with any of the other sister federations about the trip?
- 5 WITNESS: This trip? No, no. This passed already.
- 6 MR. ASHMAWY: Yeah, but have you talked about our investigation?
- 7 WITNESS: They... we know... everybody knows that your office is sending one type of
- 8 letter. Since it says confidential, we haven't shared –
- 9 MR. ASHMAWY: I know, but you just said CTAA had a meeting, right? A couple of
- 10 days ago?
- 11 WITNESS: Yeah
- 12 MR. ASHMAWY: So... who's there?
- 13 WITNESS: Taban, Dr. Taban, me, Suleyman from Chicago, Bilal from Texas, Oscar
- 14 from California and Cemil from Atlanta.
- 15 MR. ASHMAWY: Did this come up?
- WITNESS: No. The whole purpose was the convention that was 3 days, we have around
- 17 200 guests. Turkey, Africa you know...
- 18 MR. ASHMAWY: You guys didn't discuss this?
- 19 WITNESS: No, we didn't because it says confidential.
- 20 MR. ASHMAWY: You said that Kemal is a friend of yours?
- 21 WITNESS: Yes.
- 22 MR. ASHMAWY: For About how long again? Ten years?
- 23 WITNESS: Let's think…let's say 7 or 8 years to be exact.
- 24 MR. ASHMAWY: And you've traveled with him?
- 25 WITNESS: I've traveled in Turkey you know in personal you know capacity.
- 26 MR. ASHMAWY: Are you friends with his family? Is he friends with your family?
- 27 WITNESS: Yes! Yes.

- 1 MR. ASHMAWY: Okay. And how long has the Turquoise Council existed?
- 2 WITNESS: Turquoise, I don't know when. When I was first joined the group in 2010
- and they were talking about...Kemal was here maybe like one or two years before me. So
- 4 I assume 2008, 2009?
- 5 MR. ASHMAWY: What about AFAZ?
- 6 WITNESS: AFAZ is pretty new. But I don't know when it was formed. It should be
- 7 new. Because in 2012, there was no AFAZ. So it should be 3... or 2 years old because I
- 8 haven't seen any logo in 2012, I don't remember.
- 9 MR. ASHMAWY: Was 2013 the first time you saw a logo for AFAZ?
- 10 WITNESS: 2013?
- 11 MR. ASHMAWY: Yeah.
- WITNESS: In the uh... yeah. Yes. In 2013.
- 13 MR. ASHMAWY: Did Kemal ever talk to you about why he was creating AFAZ?
- 14 WITNESS: Yeah, he was saying... yeah we talked about it, yes. He said he wants to
- 15 concentrate more on Azerbaijan rather than other countries for example like, I was more
- involved with Kazakhstan for example. I organized... my CTAA organized U.S.-
- 17 Kazakhstan convention two times, in 2013, 2014 on December. And the uh...so...you
- 18 know he said, you know you like be liaison for Kazakhstan, I want to work for
- Azerbaijan more on their issues, so I'm going to create that type of organization who will
- only concentrate on Azerbaijan. Turquoise is a little bit scattered around with Turkish,
- 21 Kazakhs, Kirgiz a lot of Central-Asians, he said I want to concentrate more on
- Azerbaijan. That was the summarize of the conversation.
- 23 MR. ASHMAWY: Did he say how he was going to fund AFAZ?
- 24 WITNESS: No, he never shared those funding things with me.
- 25 MR. ASHMAWY: You never thought to say, "hey how are you going to get the money
- 26 to do this?"
- 27 WITNESS: Of course I thought, but I never ask. He's not kind of person to talk about
- those kind of things. When you ask about those kind of things, it's like...kind
- of...bridge...of confidential of friendship I never ask. He's from Black Seas; he's kind of
- 30 high temperament.
- 31 MR. ASHMAWY: How about Rauf Mammadov?

- 1 WITNESS: Yes, I know Rauf.
- 2 MR. ASHMAWY: Who is he?
- 3 WITNESS: He's the head of SOCAR-USA.
- 4 MR. ASHMAWY: And is he involved in any of the organizations that you're affiliated
- 5 with?
- 6 WITNESS: I don't think so. Does he come to our events? But what kind of affiliation are
- 7 you asking?
- 8 MR. ASHMAWY: Is he on anyone's board of directors, is he officer of any of these
- 9 organizations, does he participate in any of the meetings?
- WITNESS: I don't know AFAZ, but for others I can say he's not the part.
- 11 MR. ASHMAWY: You say AFAZ, that's interesting. Why did you single out AFAZ?
- 12 WITNESS: What do you mean?
- 13 MR. ASHMAWY: You said you know he's not part of any other organization, but you
- don't know about AFAZ.
- 15 WITNESS: AFAZ. Yes.
- 16 MR. ASHMAWY: Why do you think that he's part of AFAZ?
- 17 WITNESS: I'm not saying he is part of because AFAZ is only for Azerbaijan, working
- for Azerbaijan and Rauf is Azerbaijani guy who... you know... based in D.C. so it
- wouldn't be awkward if he's involved with AFAZ operations. And he knows Kemal, he
- 20 knows me so...it wouldn't be strange if he was involved. In our groups, yes he comes to
- our conventions. I saw him at Kazakh-Kirgiz convention. He comes. But he's mostly
- about his country which is Azerbaijan.
- 23 MR. ASHMAWY: Does he attend the TAA meetings?
- 24 WITNESS: No he does not. You mean conventions? Yes.
- 25 MR. ASHMAWY: Not the conventions --
- 26 WITNESS: Not meetings, no.
- 27 MR. ASHMAWY: Is SOCAR discussed at the TAA meetings at all?
- 28 WITNESS: No, but everybody knows SOCAR. But it's never part of our agenda.
- 29 Everybody knows SOCAR in our group.

- 1 MR. ASHMAWY: Have you and Kemal talked about this investigation at all?
- 2 WITNESS: No, we haven't.
- 3 MR. ASHMAWY: You said that Ke—and I asked you who was at the last TAA
- 4 meeting, you didn't say Kemal.
- 5 WITNESS: No, he's not part of Turquoise anymore. He resigned.
- 6 MR. WRIGHT: When did that happen?
- 7 WITNESS: I don't know. I don't know when he give his resignation.
- 8 MR. WRIGHT: Was it –
- 9 WITNESS: What is it?
- 10 MR. ASHMAWY: Was it recently?
- 11 WITNESS: It should be recently because I saw in... when was our last board meeting

- 15 MR. ASHMAWY: Why isn't AFAZ part of the TAA organization?
- 16 WITNESS: AFAZ is... That's a good question. I don't know. I really don't know. Maybe

- umbrella organization, so... we don't have any vote for that you know. He says, we have
- six federations, six federations... he never talked about the other federations'
- involvement. Yes, they help sometimes. I remember one of the... Kirgiz....uh... Kirgiz
- 21 like a non-profit organization from Chicago, they became one of our organization but I
- don't think they so part of... so part of our umbrella organization. I think you should ask

- 24 MR. ASHMAWY: Do you have any more questions?
- 25 MR. WRIGHT: That's all of mine.
- 26 MR. ASHMAWY: Why don't -- we can clean up here for a quick seconds. I'll give you
- 27 my business card so you have that also. I really appreciate all your time. I'll be right
- 28 back.
- 29 WITNESS: These are mine or yours?
- 30 MR. WRIGHT: We'll need to take those back.

Bruce,

I had no idea how big an event this was. The delegation from the US is 317 people including legislators from 42 States as well as Federal Congress. Most of Azerbaijan's 120 Milli Majlis (parliament) members were present today. With other guests there must have been 600 people in the auditorium plus local tv, press etc.

Congressman Poe did mention McDermott International in his remarks this morning and I managed a very brief chat and exchange of cards with him afterwards. I did not manage to find Steve Ruhlen. Houston delegation included ex mayor White and Congresswoman Sheila Jackson Lee who also spoke well this morning.

Gregory Meeks was a star turn at the podium and Bill Richardson spoke well. I'd not seen Paul Wolfowitz since he was ambassador to Indonesia many years ago.

Dinner last night was per a seating plan and I now know a lot more about New Hampshire. An interesting morning today, with President Aliyev also impressive at the podium.

lan

lan – sounds good. That is quite an agenda. This may be too late but just some background:

Because of changes in his congressional district, Congressman Poe is "new" to McDermott in the sense that his district has moved closer and includes a number of McDermott employees. He has agreed to come visit with us and meet with execs and employees in August.

Steve is Chief of Staff to Congressman Pete Olson, who's district lies south of the MDR office but includes Sugar Land, where a number of employees reside. Olson serves on the House Energy committee and is a strong supporter of the oil and gas industry. He has visited the MDR office.

Let me know how it goes.

FYI without having yet confirmed whether we will be a paying sponsor (and having now seen updated material for the event which no longer includes our logo), I have received an invitation to attend the reception and dinner tonight, which I have accepted. I shall look out for Congressman Poe and Steve Ruhlen.

I have attached the final program we received for the visitors – it's quite an event.

Ian – Understand. Let's leave it like this: I will tell both Congressman Poe and Steve Ruhlen that McDermott might be a sponsor of the event and, if so, will have representatives in attendance who will seek to introduce themselves. Both of these folks are very approachable and I expect the name McDermott will be enough. Both are very good friends, and supporters, of the oil and gas industry here in the US and I expect you (and MDR) would benefit from a conversation with them. I might also be productive to ask them about their officials meetings with the government. Hope it works out but not a problem if it doesn't.

Bruce,

I don't know whether we will be able to attend. We need to be a Silver Sponsor for \$10,000 to be granted 2 tickets to attend. We have given two names, myself and a colleague our Govt Affairs Mgr Elkhan Samadov, on a provisional basis subject to obtaining corporate approval for sponsorship. But I don't know if we can process corporate approval in time (or at all).

Clearly the event was not in our 2013 forecast and we were given precious little lead time to process an application for approval.

I will let you know if we are granted corporate approval to sponsor and thereby gain access to attend. But I don't expect we will know untile the eleventh hour and all things considered Lexpect it is unlikely.

Ian -- I have supplied Congressman Poe with talking points on McDermott's history and operations in Azerbaijan and expect he will use them at the event next week in Baku. In addition, I was just contacted by Steve Ruhlen, who is the Chief of Staff to Congressman Pete Olson, who represents the 22nd District of Texas (Sugar Land area) where a number of McDermott employees reside. Ruhlen is also headed for Baku at the same time (separate trip) and will be at the event also. Again, if you or anyone from your office is planning to attend, let me know so I can pass the name on to these visitors (and strong supporters of McDermott). Thanks.

Bruce,

Appreciate your quick response. I was puzzled to see our logo in the clip from the April 2012 event in Washington and still wonder how we appear to be listed as a sponsor in the link for the event to be held in Baku in two weeks' time.

Re your questions:

- The attached message for another purpose recently provides current info on professional employment numbers. All up right now (professional plus non-professional staff) we employ 962 people in Azerbaijan
- BDJF is a SOCAR facility owned by the state. We had access to a part of it previously as a tenant via AIOC/BP contracts and currently through our SOCAR Alliance for the AIOC COP project
- Heydar Aliyev was the former President who died in Dec 2003. The 90th anniversary of his birth was celebrated in Azerbaijan last week.
- His son (only child) Ilham Aliyev is the current President. Ilham Aliyev succeeded his father in October 2003. He was elected to a second 5 year term in Oct 2008. Next Presidential election will be held in 5 months.

Gulia – I have no information about McDermott sponsorship of this event, either in the past or currently. The BCIU event to which you refer (luncheon here in Washington for Ambassador Morningstar which Jack McCormack attended) was separate and not related to this convention. It does look like we sponsored this event last year in DC and are listed as sponsors again this year but this didn't occur through me and I did not even attend last year's event. Whether you should sponsor this year is, of course, up to you. However, I am preparing some of the talking points for Congressman Poe and I have every reason to believe he will talk about (or at the least mention) McDermott in his remarks and it might be good if someone from McDermott was in the audience. Moreover, if a McDermott rep were to attend, I could pass their name on to the Congressman and I am sure we could arrange an introduction at the conference.

In terms of briefing the Congressman for his remarks, I will use excerpts from the article which I copied you. In addition, would you please advise of the following:

How many people are employed by McDermott in Azerbaijan?
Re the Deepwater Jacket Factory named after Heydar Aliyev: was/is this built/owned by McDermott?
Heydar Aliyev is former President? Current President is his son?

Thanks.

Dear Bruce.

Thanks for your e-mail and initiative. The information you've got is considered a good report and remains substantially current.

Recently, we've been invited by SOCAR (State Oil Company of the Azerbaijan Republic) to sponsor US-Azerbaijan Convention to be held in Baku on May 28-29 (please see attached), which you mention in your e-mail. Their website clearly indicates us as sponsors for 2012, when the convention took place in Washington, and announces us as sponsors for 2013. There is no records in our accounting dept for this payment. It seems that sponsorship was provided from Houston, but the only record I've got is for BCIU luncheon with newly appointed US Ambassador you arranged (ADM 142 is attached for your easy reference).

Please let us know if you have information about our sponsorship of US-Az Convention in 2012 and whether there are any agreements re the sponsorship this year. If not, would it be advisable to sponsor the event? We can arrange silver sponsorship (US\$10,000) which provides us with two tickets for the event.

Please be also kindly advised that McDermott operations in the Caspian are currently managed by Ian L. Cochran, Senior Director, Caspian operations.

Thanks and regards,

This morning I met with Congressman Ted Poe, a Republican representing the 2nd Congressional District of Texas. The 2nd district has recently been re-drawn and is now adjacent to McDermott's headquarters – meaning a number of our employees likely live in his district. Congressman Poe serves on the House Foreign Affairs Committee and, in that capacity, will be making an official visit to Baku in two weeks. He will meet with President Aliyev and give a speech on US-Azerbaijan energy cooperation. I will have further details on his visit and speech shortly.

The Congressman has offered to mention McDermott in his meeting with the President and to raise any issues that we might have in his meetings with Azerbaijan officials. In addition, he would like to include McDermott's presence and operations in Azerbaijan in his speech. I have promised to supply him with information and pulled the below article from our website which seems to cover the main points in that regard.

However, if there are any issues to be raised or additional information which is not covered below or which you think he should be aware of, please advise ASAP.

Azerbaijan daily Press clipping

McDermott Marks Presence in the Caspian

McDermott is a leading engineering, procurement, construction and installation company focused on executing offshore oil and gas projects world-wide. It provides individual, combined and fully integrated services across all phases of offshore field development, from feasibility and concept studies to commissioning and transportation of hydrocarbons from seafloor to shore. McDermott delivers services in construction and installation of fixed and floating

production facilities as well as of pipelines and subsea systems.

The company was founded in 1923 in the USA. Its full name is McDermott International, Inc. In 1947, the company designed, constructed and installed the first offshore platform in 6m of water depth. Since that time, the company continues its successful work. McDermott's customers are major national and private energy companies around the world. McDermott has fabrication facilities in Mexico, Indonesia, Dubai, Louisiana and China.

McDermott Caspian Contractors, Inc. is McDermott's subsidiary operating in the Caspian region. Working in the region since 1992, the company has provided high-quality services to many customers in Azerbaijan, Kazakhstan, Russia and Turkmenistan and has played a dynamic role in supporting development of offshore fields operated by BP in Azerbaijan.

One of the first projects performed by McDermott in Azerbaijan was refurbishment, load-out, transportation and installation of Chirag-1 Platform modules. In 2003, the company completed comprehensive upgrades of the fabrication facilities and established a modern infrastructure at Baku Deepwater Jacket Factory named after Heydar Aliyev. Derrick barge Azerbaijan, transportation barge STB-1 and pipelay barge Israfil Huseynov were upgraded as well.

McDermott constructed topsides for four platforms currently operated at the Azeri-Chirag-deepwater Gunashli (ACG) fields. In 2004, the company completed fabrication of the Central Azeri topsides (CA) weighing more than 15,500MT. It was the first out of four integrated decks built by McDermott for the ACG in 2001-2007. McDermott completed the fabrication of the West Azeri topsides (WA) in 2005 and the fabrication of East Azeri topsides (EA) the following year. EA was the largest topsides built by McDermott to date in the Caspian region. In 2007, the company completed the fabrications of the DUQ topsides and performed other works for the Deepwater Gunashli field development.

Installation of subsea pipelines for ACG field development was another challenging project. McDermott successfully completed installation of 30" oil pipelines and 28" gas pipelines from CA, WA and EA fields to the onshore Sangachal terminal setting the record lay rate over three kilometers of pipeline per day.

For the Shah Deniz field development project, McDermott laid 26" diameter gas line and a 12" diameter condensate with a 4" piggy-back mono ethyl glycol pipeline approximately 92km long each. McDermott also installed pipeline tie-ins to the Alpha platform and performed pre-commissioning activities.

Within six years, McDermott installed over 1,000 km of subsea pipelines for the ACG and Shah Deniz field developments.

A few years ago McDermott was involved in the development of the Bahar field operated by SOCAR jointly with Bahar Energy Limited and performed construction of 66.5 km low pressure gas transport pipeline from the Gas Separation Station at the Oil Rocks to the Gas Measuring Unit in the Bahar field. During the pipelay contract, extensive local Azerbaijani infrastructure was utilized, including key marine support vessels provided by SOCAR's marine operations group. The pipelines with a total weight exceeding 30,000 MT were installed by McDermott without a single lost time incident.

McDermott has marked the company presence in other parts of the Caspian region, too. The company performed fabrication of the floating flare weighing approximately 103MT and gravity base for SBM Company for Block 1 field development in the Turkmenistan sector of the Caspian Sea. In the Russian sector of the Caspian Sea, McDermott performed installation of offshore facilities at the Yuri Korchagin field developed and operated by LUKOIL. A large scope of work was implemented including installation of 14 foundation piles for ice-resistant platform LSP-1 and Single Point Mooring (SPM) substructure. Additional work included transportation and installation of tie-in spools connecting LSP-1 and SPM facility to the subsea pipeline laid by McDermott earlier. McDermott was also involved in North Caspian Piling Project in Kazakhstan. Under the contract, the company supplied piles to the project site and installed them to a penetration of approximately 20m.

McDermott does not work in Azerbaijan as an entity separated from local community. The company has developed close contacts with local communities and implements a number of social programs, both independently and as a BP contractor. Thus, it is no coincidence that over 80% of the employees involved in McDermott's projects in Azerbaijan are local citizens.

Every year McDermott Caspian Contractors, Inc. demonstrates its achievements at the International Caspian Oil & Gas Exhibition which is annually held in Baku. Earlier this month we conducted an interview with the company representatives Mehman Mehdiyev, Government Affairs Director; Elshad Mammadzada, Deputy Program Director; and Gulia Taghiyeva, Public Relations Manager, at the 19th Caspian Oil & Gas Exhibition. They told us with great pleasure that McDermott is involved now in a new significant project.

M. Mehdiyev said:

- At the present time we are mainly working on one project. this is Chirag Oil Project - COP. Currently, preparation works for subsea pipelay are in progress. Installation of the inter-field pipelines with total length of 32km will commence in the middle of the year. The pipes have been imported to the country. As before, the pipelay barge Israfil Huseynov will be utilized by McDermott for the pipelay work. Presently, the vessel is being upgraded for future operations at the quayside of the BDJF named after Heydar Aliyev. We are planning to complete the pipeline installation within a short period of time.

This optimistic expert statement proves that, drawing on world-wide expertise coupled with vast Caspian experience, McDermott will successfully accomplish the work for the COP project up to obligations entrusted to the company.

Request for Invoices from May 2013 paid by Turquoise Council of Americans and Eurasians

Hello,

I am writing to request a copy of invoices for travel reservations that your company made for travel to Turkey and Azerbaijan in May 2013. I am requesting the invoices on behalf of Turqouise Council of Americans and Eurasians ("TCAE"), which used your company to reserve travel arrangements for at least 181 travelers who went to Ankara, Istanbul, and/or Baku during the last week of May, 2013. Many of these travelers went to all three cities, and their travel dates spanned from roughly May 24, 2013 through June 2, 2014. Turquoise Council requires copies of these invoices so that it can have a complete accounting of the travel-related expenses that it paid for in relation to this trip. Currently, the documentation that Turquoise Council has from this time period are invoice summaries sent from Tursan Travel to Turquoise Council. These documents list the passenger names of 181 passengers, along with their airfare costs, the total amounts billed to Turquoise Council, and the Invoice Numbers. However, these documents only specify the expenses billed for airfare, and I would like to know whether Turquoise Council was also billed for hotel or other transportation costs, and if so, how much it was billed, and other information about these expenses. If possible, I would like a copy of the individual invoices that itemize all of these expenses. In particular, I would like to have copies of itemized invoices for invoice numbers 24759 through 24812.

I would be so grateful if you could help me with this request. I would be happy to answer any further questions on the phone if you would find that helpful.

Thank you very much,

Rachel Goldstein

Hello Bahri,	
for the Turquoise C	ch for your response to my email. I wanted to follow up with one additional question: do you have any invoices for these travelers, or ouncil or AFAZ, for ground transportation or lodging (hotels) in Baku, Ankara, or Istanbul? We need to know if you helped make use aspects of the trips in May 2013, or if you only made airline reservations for them.
Thank you very mu	ch,
Rachel Goldstein

Mr. Oksuz,
I am the Ethics Committee attorney assigned to perform a preliminary review of the Turquoise Council of Americans and Eurasians (TCAE)-sponsored trip to Turkey and Azerbaijan, and I need the following from you before I can continue my review:
1. Please confirm that TCAE will be paying for all trip expenses using its general funds. If TCAE received additional outside funding, including grant funding or any other support, intended to subsidize expenses for this trip, or congressional travel in general, we would need to get details on who those funders/donors are, the terms of the grant as it relates to congressional travel, and their role in helping to plan or organize the trip.
2. Please add approximate times for each activity listed in the itinerary. For example, On Friday, March 29, 2013, you have "Meet with the Mayor of Old City" listed as the first officially-connected event. For that meeting and every other item on the agenda, please include the approximate beginning and end times.
3. Please add more detail for each event on the agenda. For example: on Thursday, March 28, 2013, you have "Lunch with the Members of the Parliament" listed. If you intend for this item to count as an officially-connected activity, you must provide additional details. Will the Members of Parliament be discussing a particular topic with participants? Each item on the agenda will similarly need more detail. In some cases, you will also need to describe what a particular organization is/does. For example, on Saturday, March 30, 2013, you list "Dinner at Caspian Strategy Forum." In the updated agenda, you should describe what the Caspian Strategy Forum is.
Please ensure that all you send your agenda to me and to the travelers, who will need the updated agenda for their required post-travel disclosure.
Thank you,
Ms. Tamar Nedzar

TRANSCRIPT OF INTERVIEW OF TAFM PRESIDENT

3/13/2015

- 1 MR. SOLIS: This is Deputy Chief Counsel, Paul Solis, with the Office of Congressional
- 2 Ethics. I'm joined by Omar Ashmawy, Chief Counsel of the Office of Congressional
- 3 Ethics and TAFM President. It is March 13, 2015. TAFM President has signed an
- 4 acknowledgement form understanding that 18 U.S.C. 1001 applies to our conversation
- 5 today. And we will begin the interview. TAFM President, what is your current
- 6 employment?
- 7 WITNESS: I'm the president of the Turkic American Federation of Midwest.
- 8 MR. SOLIS: And how long have you been in that role?
- 9 WITNESS: For almost five years.
- 10 MR. SOLIS: Has the Turkic American Federation of the Midwest been in existence
- 11 longer than five years?
- 12 WITNESS: It was established in 2010, January.
- 13 MR. SOLIS: So you've been with the organization since its beginning?
- 14 WITNESS: Yeah.
- 15 MR. SOLIS: Have you been the president since the beginning?
- 16 WITNESS: That's right.
- 17 MR. SOLIS: Where were you previously employed?
- 18 WITNESS: I was with the New Plan Learning.
- 19 MR. SOLIS: Could you say that one more time?
- 20 WITNESS: New Plan Learning
- 21 MR. SOLIS: New Plan Learning
- 22 WITNESS: It's a non-profit and then before that, I was with the Turkish American
- Society of Chicago. Those are the places I worked before.
- 24 MR. SOLIS: How many employees does the—I'm just going to shorten this up to TAFM
- 25 if that's –
- 26 WITNESS: Or the Federation
- 27 MR. SOLIS: The Federation, maybe I'll just say the Federation. And if there's another
- Federation that uses similar, you know descriptors in the name then we can specify, but
- 29 for right now the Midwest will be the Federation. How many employees does the
- 30 Federation have?
- 31 WITNESS: Just one
- 32 MR. SOLIS: Is that you?
- 33 WITNESS: Just myself. Yeah.
- 34 MR. SOLIS: What is the mission of the Federation?
- WITNESS: To improve the relations between Turkey, Central Asia and the U.S. This
- involves all the cultural, social, economic activities that we're doing between our
- communities, in the local level and also back to our home country.

- 1 MR. SOLIS: And is it just Turkey were the interests based just in Turkey? Were there
- 2 other countries?
- WITNESS: It was first Turkey in the beginning and our name was Turkish and then we
- 4 changed it to Turkic because we have such a deep relation with the Central Asian-Turkic
- 5 countries, so it does only involved Turkey.
- 6 MR. SOLIS: Could you name some of the other countries?
- 7 WITNESS: Azerbaijan, Kirgizstan, Kazakhstan, and Uzbekistan. Those are some of the
- 8 countries.
- 9 MR. SOLIS: Is the Federation a non-profit?
- 10 WITNESS: It is, yeah.
- 11 MR. SOLIS: Has it been a non-profit since its beginning?
- WITNESS: We were established as a non-profit, but actual process took a little time. We
- were approved in 2013.
- 14 MR. SOLIS: What was its status before that time then?
- WITNESS: It was just a pending status, I guess. Yeah.
- 16 MR. SOLIS: How does the Federation receive funding?
- 17 WITNESS: From our local donors, members of the community in Midwest, out in
- 18 Chicago within Midwest.
- 19 MR. SOLIS: So private individuals?
- 20 WITNESS: Yes, that's right.
- 21 MR. SOLIS: Any funding from other organizations?
- 22 WITNESS: And also from our member organizations. We have local non-profits in let's
- 23 say Michigan, Wisconsin, in Midwest area. They also pay membership to our
- 24 organization.
- 25 MR. SOLIS: And the organizations, do they have similar missions to the Federation?
- 26 WITNESS: That's right.
- 27 MR. SOLIS: Does the Federation have a board of directors?
- 28 WITNESS: We do. Yeah
- 29 MR. SOLIS: Who's on that board of directors?
- 30 WITNESS: Uh...Business people.
- 31 MR. SOLIS: Can you name some of them?
- WITNESS: Sure. Edip Pektas. And we have Akyltai Shermatov and Nurtekin Kulaksiz.
- 33 MR. SOLIS: Just three board members?
- 34 WITNESS: Three of them...yeah.
- 35 MR. SOLIS: Does the Federation have a treasurer?
- WITNESS: Edip is--Edip Pektas is the treasurer of the organization.
- 37 MR. SOLIS: So he runs the bank accounts and things like that?
- 38 WITNESS: Yeah, together. I assist him too.
- 39 MR. SOLIS: So you have control over the funding –

- 1 WITNESS: That's right. I mean it's just one person that's actually involved in the
- 2 operations so we do it together
- 3 MR. SOLIS: So it's just you two?
- 4 WITNESS: Yeah
- 5 MR. SOLIS: Are you also in charge of the Federation expenditures?
- 6 WITNESS: I am. Yeah.
- 7 MR. SOLIS: Does Ed...(?) what's his name?
- 8 WITNESS: Edip
- 9 MR. SOLIS: Edip. Does he also have control over expenditures?
- WITNESS: Yeah I show them during the meetings our, you know plans and then
- budgets and also explain what activities we've been doing and spending the money for.
- MR. SOLIS: Okay. So if you have a large expense that you're going to make, do you
- have to seek their approval? Or can you make it on your own?
- 14 WITNESS: I can make it on my own.
- 15 MR. SOLIS: How often would you say you make it on your own?
- 16 WITNESS: We...I don't know if we really have you know too much big expenses.
- 17 Mainly, sometimes if we have a trip we pay for the air tickets which is you know,
- sometimes \$1000.00, \$1,200.00 something amount around that amount.
- 19 MR. SOLIS: And for example, for a trip would you make that expenditure?
- 20 WITNESS: I would. I would yeah. I would let them know that we're being the trips you
- 21 know about what the trip is involved about and then I can make the expenses.
- 22 MR. SOLIS: Okay. It's not required that they take a vote, then?
- 23 WITNESS: No.
- 24 MR. SOLIS: Alright. Omar do you have any questions about the --
- 25 MR. ASHMAWY: Not about that.
- 26 MR. SOLIS: Okay so we'll move onto this convention in May of 2013. Do you recall
- 27 that convention?
- 28 WITNESS: I do. Yeah
- 29 MR. SOLIS: You attended?
- 30 WITNESS: I did.
- 31 MR. SOLIS: Did anybody else from the Federation attend?
- WITNESS: We were together, Bilal Eksili. We worked together with the Federation at
- the time. He's no longer with the organization, but he was also together with me.
- 34 MR. SOLIS: So two people from the Federation attended the conference?
- 35 WITNESS: That's right.
- 36 MR. ASHMAWY: It occurs to me, actually, that some of these names may be difficult to
- 37 spell if the transcript is done.
- 38 MR. SOLIS: Right.
- 39 MR. ASHMAWY: Is it possible that we could just pause for a moment and go back and
- 40 have you spell the names of each of the board members?

- 1 WITNESS: Sure. Yeah
- 2 MR. ASHMAWY: At your convenience, what's the first one?
- 3 WITNESS: Should I just write it down?
- 4 MR. ASHMAWY: Sure. You know what, that would be fine. That would be perfect
- 5 WITNESS: Sure.
- 6 MR. ASHMAWY: Thank you, I appreciate that.
- 7 WITNESS: That's okay.
- 8 MR. SOLIS: And if you could also, the individuals you just mentioned who attended
- 9 with you who's no longer with the Federation.
- 10 WITNESS: Sure.
- 11 MR. SOLIS: Thank you very much. And as I can surmise the three at the top are the
- individuals who are on the board. And then you drew a line and below that line is, Bilal is
- 13 the individual who –
- 14 WITNESS: Who was together with me on the trip.
- MR. SOLIS: So you said that you and Bilal attended the convention.
- 16 WITNESS: That's right.
- 17 MR. SOLIS: What role did the Federation have in general at the convention?
- WITNESS: We have a tradition for organizing conventions. We started off in 2011 or 12
- 19 I don't remember, but in Washington D.C. We just made the application for Turkey at the
- time. The point was to try to invite our federal officials in Washington D.C. to these
- 21 programs, invite business people and state officials from Turkey, get together and then
- you know create an awareness in the Congress, that you know Turkish-Americans are
- active in this country and trying to contribute in various ways. We started with Turkey
- 24 and then since we have these deep relations with our Central Asian-Turk -- sister
- countries, then we started including other countries one by one. So Azerbaijan was on the
- list, Kirgizstan was on the list and then Kazakhstan was on the list. The next step was we
- also wanted to do it in the capitals of these countries. We did one in Istanbul, I mean
- capitals we did it in Istanbul. Another convention. And then we did it in Kirgizstan and
- 29 then we did it in Azerbaijan. So the conventions are trying to build the social, cultural,
- and also the economic relationship including the Congress.
- 31 MR. SOLIS: Was the 2013 convention, that was in Baku correct?
- 32 WITNESS: That's correct.
- 33 MR. SOLIS: Did that have anything to do with Turkey as well?
- WITNESS: Not so much Turkey, but I don't remember if there were maybe Turkish
- business people there. I'm sure there were. I don't know if there were Turkish officials
- there, but there might be. I don't -- I'm not so sure about this.
- 37 MR. SOLIS: You know as far as we can tell, the name of the event was "U.S.-
- 38 Azerbaijan Vision for the Future."
- 39 WITNESS: That's right. It was meant for the Azerbaijan-American people.
- 40 MR. SOLIS: What was the primary purpose of the convention to you?

- 1 WITNESS: Again, to create awareness about Azerbaijan this time because we believe
- 2 that there's such a potential in that region that is still not utilized. So to -- that's -- to
- make another case, to improve the relationship. You know whenever we do a trip it's a
- 4 big education for the staffers, for the members to know about those countries, you know
- 5 first-hand experience. So that's the—that was the main...
- 6 MR. SOLIS: Did the convention have other components to it besides just awareness
- 7 about Azerbaijan?
- 8 WITNESS: To my knowledge it is just to create awareness. We had meetings in the
- 9 Azerbaijan parliament, meeting with the president and also some institutions in
- 10 Azerbaijan. That was the main purpose.
- 11 MR. SOLIS: What about energy issues or security issues?
- WITNESS: Energy is a big issue for Azerbaijan, obviously. And the Congress is very
- much you know, interested in securing the energy for especially Eastern Europe or
- 14 European countries. I can say that was yeah, that was another --
- 15 MR. SOLIS: That was a component of the convention?
- WITNESS: That was the component of the convention, yeah. I mean especially Central-
- 17 Asia, when you talk about when we talk to our members, we always mention about the
- 18 energy issue in Kazakhstan, Azerbaijan. For water, let's say Kirgizstan comes to the
- 19 equation. And then Turkey as a bridge for those secure energy lines for Europe, which is
- I think in line with the American interest trying to secure those lines.
- 21 MR. SOLIS: Does the Federation and other like-minded organizations, do they have
- 22 relationship with the Azerbaijan government?
- 23 WITNESS: No. No we don't. I mean sometimes, we visited the ambassador a few times
- in Washington D.C. and he sometimes came to our programs, but that was about it.
- 25 MR. SOLIS: So then why would the convention take place in Baku without a
- 26 relationship with the government?
- 27 WITNESS: I mean, our organization did not have the direct relationship with the
- Azerbaijani government, but we believe that you know, you have to expose our American
- 29 politicians with the Azerbaijani, Kazakh, Turkish people. This all of course, includes the
- 30 government too in making any event.
- 31 MR. SOLIS: So you said, the Federation didn't have the direct connection to the
- 32 government –
- 33 WITNESS: That's right.
- 34 MR. SOLIS: Who did then?
- 35 WITNESS: The Turquoise Council in Texas. They basically organized the convention
- and they had the first and long knowledge about it.
- 37 MR. SOLIS: How did you first learn about it then?
- WITNESS: ... Yeah. I mean I don't remember the details about it, but through the
- 39 Turquoise Council. We're sister organizations with Turquoise Council and then under the
- 40 umbrella of Turkic-American Alliance in D.C. So we get together regularly in these to do

- our meetings with our sister Federations so I think I learned it through in one of those
- 2 meetings.
- 3 MR. SOLIS: Is the Turquoise Council legally related to the Federation?
- 4 WITNESS: No. It's just a sister organization.
- 5 MR. SOLIS: Then how does the Turkic-American Alliance fit into that? Are they a
- 6 parent organization over the Federation?
- 7 WITNESS: We're members of the Turkic-American Alliance. All -- the Turquoise
- 8 Council, Midwest Federation, and a few other Federations.
- 9 MR. SOLIS: So is the Turkic-American Alliance the umbrella organization of –
- 10 WITNESS: That's right.
- 11 MR. SOLIS: ... Of all these entities?
- 12 MR. ASHMAWY: Yeah actually that was the question I had too. What is so,
- describe... what's the relationship between the Midwest Federation and the other
- 14 Federations?
- WITNESS: I think it's a loose connection that we share the same values as to expose you
- know, these countries to the U.S. And then, these trips and you know all those business
- activities we do, the [inaudible] activities, cultural activities, we share much of the
- [inaudible] among us. So... and we also get together you know during these meetings and
- 19 everyone shares with the best practices.
- 20 MR. ASHMAWY: And those meetings are the ones held by the Alliance?
- 21 WITNESS: Yes that's right. Under the Alliance.
- 22 MR. ASHMAWY: Is there a common membership between the Federations?
- 23 WITNESS: Uhm...What do you mean?
- 24 MR. ASHMAWY: Like board membership, I mean do the same people sit on-
- 25 WITNESS: Yeah we're in the board of the Turkic-American Alliance.
- 26 MR. ASHMAWY: How about other Federations?
- 27 WITNESS: They are too. Their presidents are too.
- 28 MR. ASHMAWY: Okay. And is there any legal relationship between the Federations?
- 29 WITNESS: No. We just pay a membership due, but that's about it.
- 30 MR. ASHMAWY: Okay. So, the relationship between the Federations is that through the
- 31 Alliance?
- WITNESS: That's right
- 33 MR. ASHMAWY: Okay.
- 34 MR. SOLIS: When the Federation is making decisions, do you have to check in with the
- 35 Alliance about any major decision?
- WITNESS: No. Every Federation is individual. But of course if there is a best practice,
- you know I would always call during the meetings, we would just bring it up.
- 38 MR. SOLIS: And so going back again, you believe that the Turquoise Council informed
- you about the convention?
- 40 WITNESS: That's right.

- 1 MR. SOLIS: Do you know when you first would've heard that from them?
- 2 WITNESS: I don't' remember. It must be at least three or four months before I would
- 3 say, but I don't remember the exact time.
- 4 MR. ASHMAWY: You already mentioned that the Turquoise Council, I think, I don't
- 5 want to put words in your mouth, but that they basically organized, they were basically
- 6 the organizers for the convention?
- 7 WITNESS: They had good relations with Azerbaijan so you know anything happening
- 8 in Azerbaijan would come through the Turquoise Council. Because there are Azerbaijani
- 9 people in Texas and I have Kirgiz people in Chicago, so I'm basically you know doing all
- 10 the activities related to Kirgizstan.
- 11 MR. ASHMAWY: Oh, okay.
- 12 WITNESS: That's I mean kind of where it comes from.
- 13 MR. ASHMAWY: So your responsibilities were for the Kirgiz community here?
- 14 WITNESS: That's right. Not the legal or any you know binding responsibility, but since
- there were more Kirgiz people it makes more sense for me. If there's an issue about
- 16 Kirgizstan I would be involved in it or people would ask me among you know those
- board members would ask me.
- 18 MR. ASHMAWY: So realistically how much of a role did the Federation have in
- 19 planning the convention?
- 20 WITNESS: Just inviting people to the convention because I mean it gives us more
- strength you know, if I only say about Turkish people it's only one country, but since you
- 22 know we can easily utilize all these people under the Turkish umbrella, you know cut me
- from the history people are you know, I was ... let me tell you. If I invite a Polish guy to
- 24 a Turkish program it doesn't make sense, but when I invite a Kirgiz person to the
- 25 program –
- MR. ASHMAWY: That makes sense!
- 27 WITNESS: Because we speak the same language you know so...
- 28 MR. ASHMAWY: So then who paid for the travel?
- 29 WITNESS: The Turquoise Council paid for the travel.
- 30 MR. ASHMAWY: Oh, okay.
- 31 WITNESS: Yeah.
- 32 MR. ASHMAWY: And, so did the Federation contribute any money to the –
- WITNESS: We had to pay, but unfortunately we couldn't pay for the expenses there.
- Not for the convention, but inviting the members and also the staffers.
- 35 MR. ASHMAWY: I'm sorry. I have bit of a cold so I may have misunderstood it. Was
- 36 there any expenditure from the Federation for any of the travel or any of the planning or
- 37 anything like that?
- WITNESS: We were doing the planning like the sharing the itinerary, inviting the
- staffers to the program from the Midwest area and some other states, but then for the
- actual convention planning let's say, "Where are we going to do the panels? Who's going

- to come as a speaker?" You know organizing the restaurant or other meetings, I did not
- 2 have any involvement about that. I would refer to the Turquoise Council. I only invited
- 3 our people from the Congress.
- 4 MR. ASHMAWY: And did you have to spend any money to do that?
- 5 WITNESS: No, we didn't spend much money on it.
- 6 MR. SOLIS: Well, we want to be clear about that. You said "much money" I mean did
- 7 you spend any money?
- 8 WITNESS: I mean maybe I spent some a few expenses in Azerbaijan, I don't
- 9 remember, but I think we didn't because my stay was really, very short like two days.
- And everything was full of you know convention basically so I think we didn't spend any
- 11 money.
- MR. ASHMAWY: So you didn't pay for any of the staffers that you invited or any of the
- 13 members?
- 14 WITNESS: That's right we couldn't pay anything.
- MR. ASHMAWY: Oh, okay. And you didn't pay for any part of the convention itself?
- 16 WITNESS: No.
- 17 MR. ASHMAWY: And -- It sounds like other than sending out the invitations, so that
- understandably it made more sense for you to send them out, sending out the invitations
- 19 did you have any other role in –
- 20 WITNESS: No, just inviting people.
- 21 MR. ASHMAWY: Okay.
- 22 MR. SOLIS: How did those attendees get selected? So you hear from the Turquoise
- 23 Council about this, are they asking you then to select staffers and members of Congress
- 24 to go?
- 25 WITNESS: They don't specifically ask you know any person to invite, but as an
- organization I would like to take that chance you know to take people to Azerbaijan
- because they can learn many things and they can understand Turkish people's role in
- organizing these things, our friendship with Azerbaijan and you know learning about
- 29 those energy issues, political issues, you know, social issues, I think that's the biggest
- advantage we can get when we invite people. So all these conventions are good in means
- 31 to increase a relationship with Congress so and I certainly focus on the Midwest
- staffers, congresspersons and whoever wants to come that's a good thing for us you know
- 33 more exposure to the international countries.
- 34 MR. SOLIS: So the staffers you invited and the members you invited were based on
- 35 geography?
- 36 WITNESS: Mainly geography, yeah.
- 37 MR. SOLIS: What other factors were involved?
- WITNESS: And if there are other interested people. Sometimes you know people also
- hear from other sources you know that there's such a trip, you know it's word of mouth
- 40 so we also invite those people too.

- 1 MR. SOLIS: What about selecting staffers or members based on their job duties in
- 2 Congress? Is that something you would look that?
- WITNESS: Since we're a new organization, we really want to have more relationship
- 4 with Congress. We don't really look so much into titles or experiences or other things
- 5 you know.
- 6 MR. SOLIS: For example, if energy issues were going to be discussed at the convention,
- 7 would you look for people who sit on the energy committee or staffers who work in those
- 8 areas?
- 9 WITNESS: No...no. No. We try to invite you know whoever is interested in such a trip.
- And you know, there's...it's really hard to have staffers, members on the trip because
- 11 you're in the organization and people don't know about you and Turkish, Azerbaijanis
- are not so much in hot spots for people to know and you know sometimes, you have 50
- applicants and then at the end of the day you only have a handful of people so...
- 14 MR. SOLIS: The other Federations, the Turkic-American Federation of the Southeast,
- the Midwest and I know there's some others. Did you speak with any of your
- 16 counterparts there about inviting staffers and members?
- 17 WITNESS: During our meetings before the convention everyone knew that the
- convention was going to be happening and I'm sure other people invited their people too.
- 19 It was a collective you know effort.
- 20 MR. ASHMAWY: Yeah, how did you guys coordinate that? Just so that you didn't have
- one organization so that people didn't get two invitations? Did you guys have a list and
- then you just say "We'll invite these guys and you'll invite those staffers"?
- 23 WITNESS: I mean we pretty much have our own states like Midwest is about 11 states
- starting from Michigan to the Dakotas and Southeast I'm sure they have their own states.
- 25 So we have that geographic you know distribution.
- 26 MR. ASHMAWY: Was there anyone coordinating the invitations just to make sure that -
- 27 -
- 28 WITNESS: No, the Federation was on its own.
- 29 MR. SOLIS: You know we've seen some of the disclosures with like the Committee on
- Ethics about the travel disclosures and the different Federations who sponsored different
- individuals. And for some, maybe not in your instance, but for some it didn't seem to be a
- 32 geographical explanation as to why some staffers went. With let's say the Federation of
- 33 the Southeast right, what then again I realize you don't run that organization, but what
- reason then would there be for non-geographical you know staffers going on this trip who
- are not from the Southeast?
- WITNESS: Maybe it's because you know staffers are moving from one office to the
- other and I'm sure they heard about the they had maybe relation with our Federation
- before and now they're at a different state but they still know us so they might have said
- you know there's such a convention coming up you know, can you share the I mean

- 1 invitation to those things that -- you know since we want to have those people learn more
- 2 about our countries we would invite them too.
- 3 MR. SOLIS: Do you know Semel Tever?
- 4 WITNESS: Yeah I know him
- 5 MR. SOLIS: You know him?
- 6 WITNESS: Yeah.
- 7 MR. SOLIS: You've met him before?
- 8 WITNESS: Yeah I did, yeah.
- 9 MR. SOLIS: Okay. Did you have any conversations with him? About this convention?
- WITNESS: Before the convention? Yeah we did because he was also coming to the
- 11 meetings in Washington D.C.
- 12 MR. SOLIS: Okay what did you talk about?
- 13 MR. ASHMAWY: And just to clarify, the meetings about the Alliance?
- 14 WITNESS: Alliance, yeah in Washington D.C. I mean basically about the convention, I
- would say I don't remember what he was in charge with, but this involves you know
- from restaurants to meetings you know all those logistics and everything so, we might've
- discussed about those things with him.
- 18 MR. SOLIS: So if you're discussing logistics, is he talking about whether or not the
- 19 Turkish American Turkic-American Federation of the Southeast is going to pay for the
- 20 staffers? Do you know if his organization paid for it?
- 21 WITNESS: I don't know about that. We didn't specifically talk about who pays for what
- you know, but more about the logistics.
- 23 MR. SOLIS: Okay so what about the Alliance? Did they talk about paying for the travel?
- 24 WITNESS: No. No... I mean we get together and then I'm sure they already had their
- 25 own contacts you know from Congress or other institutions and they were already
- 26 inviting people too.
- 27 MR. SOLIS: So if the Turquoise Council paid for the staffers and members that you
- 28 invited, right? That's what you said?
- 29 WITNESS: Right.
- 30 MR. SOLIS: Wouldn't they have paid for the other staffers invited by the other sister
- 31 organizations?
- WITNESS: Maybe. I don't know. I only know for my organization that you know we
- had to pay back to them, but we haven't been able to.
- 34 MR. SOLIS: Who's the president of the Alliance?
- 35 WITNESS: Farruk Tehran?
- 36 MR. SOLIS: Did you have any conversations with Farruk about the trip?
- WITNESS: During the—yeah. The meetings, yeah we did.
- 38 MR. SOLIS: So you would have these meetings with all the Federations –
- 39 WITNESS: That's right

- 1 MR. SOLIS: And you would have the meetings did you have any meetings specifically
- 2 about this convention?
- 3 WITNESS: Maybe I'm wrong, [inaudible] we were talking about this too, but I only
- 4 remember the specific for this convention we got together.
- 5 MR. SOLIS: And you're saying that you don't recall any discussion whatsoever about
- 6 how the organizations would pay for the travel for the staffers and the members?
- 7 WITNESS: Uhm...
- 8 MR. SOLIS: Do you recall any conversations about that at the general large meeting?
- 9 WITNESS: Not the specifics about it. No. I mean basically the Turquoise Council was
- organizing the convention and then we would ask them for you know, the trip agenda,
- itinerary and also for the expenses.
- 12 MR. SOLIS: We want to show you a document here.
- 13 WITNESS: Sure.
- 14 MR. ASHMAWY: Do you want more coffee?
- 15 WITNESS: No, thank you.
- 16 MR. SOLIS: This is Bates number VE0083.
- 17 WITNESS: Sure.
- 18 MR. SOLIS: It's an email I believe, this is your email address correct?
- 19 WITNESS: Mhmm, that's right.
- 20 MR. SOLIS: To some staff members in the House of Representatives.
- 21 WITNESS: Mhmm. That's right.
- 22 MR. SOLIS: And the subject is, "short bios." Do you recall writing this email?
- 23 WITNESS: Yeah, I do. That's my email for sure.
- 24 MR. SOLIS: What's the purpose of that request? It says "hey all, can you please send me
- your short bios asap and please fill out the emergency contact form, thanks." Why would
- you have made that ask of them?
- 27 WITNESS: I think this was required from the Turquoise Council that they need the
- bios...Oh, no no no. This might have been ... Yeah I think this was asked I don't know if
- 29 you know, I'm not so sure... when was this? It might be about maybe I was asked to get
- their bios and also the emergency contact form because something happens to people on
- 31 the trip and we don't have their information back home to let the people know, I think we
- wanted to get those information.
- 33 MR. SOLIS: Who would've asked you then for the bios?
- 34 WITNESS: I don't know, maybe Turquoise Council asked me... or we also have visited
- Turkey, maybe I needed this in Turkey for the Embassy, the American Embassy. I don't
- know which one this was regarding to because you know when you have meetings at
- some of the institutions; the people need the bios of those people because they want to
- 38 know who's coming to the meeting.
- 39 MR. SOLIS: I want to go back and make two things clear. One is when you say the
- 40 Turquoise Council, is there an individual in particular that you're interacting with?

- 1 WITNESS: Yeah. Kemal Oksuz. That was the president of the organization.
- 2 MR. SOLIS: Anybody else from the Turquoise Council?
- 3 WITNESS: Maybe Jimil was also in the organization. I know he's in Atlanta now, but he
- 4 might have been with the organization too. I don't remember much you know, emailing
- 5 to him about the specifics, but more with Kemal.
- 6 MR. SOLIS: Kemal.
- 7 WITNESS: Yeah.
- 8 MR. SOLIS: Okay. And then –
- 9 WITNESS: I'm sorry I couldn't really figure it out, might be only for two reasons, but
- maybe Oksuz isn't in Azerbaijan wanted this so Kemal ask me or I asked people because
- the American Embassy required these bios or some other meetings, I don't remember the
- 12 specific reason.
- 13 MR. SOLIS: So it's possible that officials in Azerbaijan asked Kemal and then he asked
- 14 you?
- WITNESS: Maybe, I don't know. Or as I said maybe my meetings in Turkey needed
- these bios so...
- MR. SOLIS: Okay. So, you know I wanted to get straight when we talked about
- 18 Turquoise Council, we're talking about Kemal?
- 19 WITNESS: That's right.
- 20 MR. SOLIS: Basically. And then you mentioned Turkey. I just wanted to get an idea of
- 21 the trip itself. You know, we know the convention's in Baku, but you went to Turkey as
- 22 well?
- 23 WITNESS: That's right. Yeah.
- 24 MR. SOLIS: Did everybody, all the members and staff on this trip?
- 25 WITNESS: I think some people did, some people couldn't. It's some other time.
- 26 MR. SOLIS: Why was Turkey selected as well?
- 27 WITNESS: We always take people to Turkey because it's easier access for us. And my
- 28 first mission is to make people know about Turkey and then other sister communities.
- 29 MR. ASHMAWY: Who paid for that part of the trip?
- WITNESS: We have a sister organization in Turkey so they paid for that part of the trip.
- 31 MR. ASHMAWY: What's the what's the name of the sister organization?
- 32 WITNESS: It's the uh... Bakiad. B-A-K-I-A-D.
- 33 MR. ASHMAWY: And what do they do?
- WITNESS: They... they help us in assisting our Turkey part of the trip.
- 35 MR. ASHMAWY: Oh, okay. And they do that regularly?
- 36 WITNESS: They...they do it yeah, regularly.
- 37 MR. ASHMAWY: And so they're the organization that paid for the hotel and --
- 38 WITNESS: That's right
- 39 MR. ASHMAWY: The hotel and I guess the hotel for, well for the people who went to
- 40 Turkey?

- 1 WITNESS: That's right, yeah.
- 2 MR. ASHMAWY: Did they pay for any other part of the Turkey trip?
- 3 WITNESS: No
- 4 MR. SOLIS: And you said it's B-A-K-I-D?
- 5 WITNESS: I-A-D.
- 6 MR. SOLIS: I-A-D.
- 7 WITNESS: Yeah.
- 8 MR. SOLIS: And say it one more time? Bak--
- 9 WITNESS: Bakiad.
- 10 MR. SOLIS: Bakiad.
- 11 WITNESS: Yeah
- 12 MR. ASHMAWY: Do they have I mean did they do anything else other than assist
- 13 with -
- 14 WITNESS: No they just assist with our trip in Turkey
- 15 MR. ASHMAWY: Do you know, I mean what kind of organization are they?
- WITNESS: It's just a...uh...a non-profit organization in Turkey. Uhm...and just helps
- us you know our logistics there.
- 18 MR. ASHMAWY: Do they help any other organizations?
- 19 WITNESS: Uhh...I think they do. Yeah.
- 20 MR. ASHMAWY: Do you know which organizations there might be?
- 21 WITNESS: I'm sure our sister organizations are involved with them too.
- 22 MR. SOLIS: How big is the staff at this organization in Turkey?
- 23 WITNESS: Just one or two.
- 24 MR. SOLIS: One or two?
- 25 WITNESS: Yeah
- 26 MR. ASHMAWY: Do you have any idea where they get their money?
- 27 WITNESS: I think their own donors, in Turkey.
- 28 MR. ASHMAWY: Okay.
- 29 WITNESS: Mhmm.
- 30 MR. ASHMAWY: So their donors would be Turkish nationals?
- 31 WITNESS: That's right.
- 32 MR. ASHMAWY: Okay.
- 33 MR. SOLIS: What is the affiliation with this organization with the Turkish government?
- 34 WITNESS: Which organization?
- 35 MR. SOLIS: The Bakiad.
- WITNESS: They don't have any. It's just a non-profit. Yeah. No, no relations with
- 37 government.
- 38 MR. SOLIS: And how do you know that?
- WITNESS: Because I know those people working there. You know they didn't bring up
- any you know issues about the Turkish government, ever.

- 1 MR. SOLIS: Did the staffers and members who attended the conference and went to
- 2 Turkey as well, did they need visas for entry into either Azerbaijan or Turkey?
- 3 WITNESS: I think yeah, both countries would need visas. And Turkey is easy, you just
- 4 do it at the gate in Istanbul. I think for Azerbaijan they already knew that we were
- 5 coming and I think they prepared all the documents at the gate in Baku too.
- 6 MR. SOLIS: Is that something you would've discussed with the staffers or members
- 7 prior—
- 8 WITNESS: About the visa?
- 9 MR. SOLIS: Yeah
- WITNESS: I don't remember, but I might've asked Kemal what happens with the visa
- and then I he might have said you know they're going to be prepared at the gate. That's
- what I vaguely remember.
- 13 MR. ASHMAWY: So did you have any part to play with arranging the Azerbaijan visas?
- 14 WITNESS: No.
- 15 MR. ASHMAWY: I know we talked about this a few moments, but I just again I might
- be a little slow. How did so who decided who's going to come to the conference from
- 17 Congress?
- 18 WITNESS: Say it again?
- 19 MR. ASHMAWY: How did the peop how did the staffers and members which
- staffers and members, how did you guys decide which ones to invite? I mean did you just
- 21 invite everybody? Or did you guys talk about who's worth coming to?
- 22 WITNESS: I mean we can't really invite everyone because we don't have their
- 23 information, but on the home page you know there are a few sites where you can see if
- 24 it's chief of staff, the legislative director, scheduler, the press secretary; I'm using the
- 25 "contactingthecongress.org", I think it's the best site you can find those information like
- office address, telephone numbers and those things. So I just, you know email to those
- 27 people from that list.
- 28 MR. ASHMAWY: And was there a conversation to decide which offices to invite?
- 29 WITNESS: No, I think we invited people from all the offices. Yeah. I know some people
- just specifically go in the committees or you know energy committee members and other
- things, but we didn't do it like that.
- 32 MR. ASHMAWY: Okay.
- WITNESS: At least, my organization didn't do it like that.
- 34 MR. SOLIS: You said, so you said that all of the offices, you mean all of the offices in
- all the House of Representatives? All the member offices?
- WITNESS: No. I mean, uh... I mean for Midwest, I invited all those you know Midwest
- offices and I don't know if the organizations, but I would assume they invited their own
- 38 states.
- 39 MR. SOLIS: You know in the context of visas, issues like that if that would come up
- 40 with staffers, you know if they have a question about something about logistics and about

- 1 planning, given that it seems that the Turquoise Council was the main mover in setting
- 2 agendas and answering these questions, you know would you answer the questions from
- 3 the staffers or would you direct them to Kemal?
- 4 WITNESS: No I would answer them.
- 5 MR. SOLIS: Okay, well what if you just didn't know?
- 6 WITNESS: I would just ask Kemal.
- 7 MR. SOLIS: Would the staffers ever have any direct emails with Kemal?
- 8 WITNESS: I don't think so. I mean... for the people I invited, I wouldn't want them to
- 9 get into confusion about you know how can I get the answer you know because this
- organization is why they meet. Yeah.
- 11 MR. SOLIS: Just checking my questions here...
- 12 WITNESS: Mhmm.
- 13 MR. SOLIS: And just so we're clear on the issue of your invitees, did you—were you
- the sole person who made the decisions of who to invite?
- 15 WITNESS: That's right.
- 16 MR. SOLIS: Kemal had no say in that?
- 17 WITNESS: No. No.
- 18 MR. SOLIS: Did any other Federation have a say?
- 19 WITNESS: No. No.
- 20 MR. SOLIS: Did you submit a list of attendees or potential attendees to the Alliance?
- 21 WITNESS: No.
- 22 MR. SOLIS: How did you send the invitations?
- 23 WITNESS: Email.
- 24 MR. SOLIS: Email?
- 25 WITNESS: Yeah.
- 26 MR. ASHMAWY: So was there then was there just an agreement that the Turquoise
- 27 Council would pay for whoever you invited and said yes?
- 28 WITNESS: Uhm...there wasn't an agreement. No. They took care of the expense part
- and I know we were supposed to pay, but we weren't able to pay for those expenses.
- 30 MR. SOLIS: When you say you know you were supposed to pay, what do you mean by
- 31 that?
- WITNESS: I mean we applied for the Ethics Committee that you know we're going to
- pay for these expenses, but since the event was organized by Turquoise Council as a
- sister-organization, they made the payments.
- 35 MR. SOLIS: So why did you disclose to the Ethics Committee then?
- WITNESS: We were going to pay first, but the economic situation didn't allow us to
- 37 pay.
- 38 MR. SOLIS: I'm sorry could you say that again?
- WITNESS: We didn't have the funds to pay for the expenses.

- 1 MR. SOLIS: Was there any discussion with the Turquoise Council about that? With
- 2 Kemal? I mean there must have been some discussion right? His organization is the one
- 3 paying, so you must've talked to him about that.
- 4 WITNESS: That's right. Basically, they covered all the expenses. Yeah. We would ask
- 5 them to buy the tickets for this persons and I would ask them where would they stay and
- 6 those questions.
- 7 MR. SOLIS: I think it's important that we understand the timeline here.
- 8 WITNESS: Sure.
- 9 MR. SOLIS: You had these conversations with Kemal, right?
- 10 WITNESS: Uh-huh, yeah.
- 11 MR. SOLIS: About having his organization pay, right? Did those conversations occur –
- when did those conversations occur?
- WITNESS: Uh...I'm sure it's before like one or two months before the trip.
- 14 MR. SOLIS: Okay, one or two months before the trip. Did you have those conversations
- 15 with him before you made the provided that information to the Committee on Ethics?
- 16 WITNESS: Yes, we did.
- MR. SOLIS: So, if you had those conversations with Kemal and you knew that you
- didn't have the funds, why then would you make that disclosure to the Committee on
- 19 Ethics?
- 20 WITNESS: Yeah, I think we wanted to take these people to Turkey and Azerbaijan.
- 21 MR. ASHMAWY: Can I ask in a different way? Did you --
- 22 WITNESS: Sure.
- 23 MR. ASHMAWY: Is it fair to say you I'm not putting words in your mouth, so correct
- 24 me if I'm wrong. That you guys just wanted to have the benefit of the credit for the trip?
- WITNESS: That's right, yeah.
- 26 MR. SOLIS: Yeah, I mean I guess I would ask my question why didn't the Turquoise
- 27 Council just sponsor everybody and make the disclosures for everybody?
- 28 WITNESS: Yeah, I think that... that should've been the approach we made and I –
- 29 I discussed it with Kemal, but it was too much overwhelming for him to organize such a
- big convention and he said, "let's do every organization that invites you know his own
- 31 people" and then you know we don't have to deal with every individual that I don't know
- where you know, from different states so uhm and uhm... then... we said okay.
- 33 MR. SOLIS: and Kemal said, "we'll be paying for everything."?
- 34 WITNESS: That's right, yeah.
- 35 MR. ASHMAWY: So when you sent the invitations out to the staffers, and in the
- invitation itself it says that the Turquoise Council was going to be the sole spon -- sole
- organizer and cover the airfares?
- 38 WITNESS: Mhm.
- 39 MR. SOLIS: If I could I was going to give the next document for WITNESS.
- 40 MR. ASHMAWY: Oh, perfect!

- 1 MR. SOLIS: You can take a look at this.
- 2 WITNESS: Alright.
- 3 MR. SOLIS: And as Omar just referenced, this is Bates number VE0032.
- 4 WITNESS: Okay.
- 5 MR. SOLIS: It is an email is that your email address at the top?
- 6 WITNESS: That's right.
- 7 MR. SOLIS: Dated Sunday, April 14, 2013?
- 8 WITNESS: Mhmm.
- 9 MR. ASHMAWY: So third paragraph from the bottom it says, "Turquoise Council of
- Americans and Eurasians, as the sole organizer, will cover the airfare to and from the
- event, telecom, transportation as well as meals during travel in Azerbaijan. That's a true
- statement, then?
- 13 WITNESS: Mhm. Yeah. That's right.
- 14 MR. ASHMAWY: And that's what happened?
- 15 WITNESS: Mhm.. that's right.
- MR. SOLIS: And then you go on to say the "Turkish American Federation of the
- 17 Midwest will sponsor the Turkey part."
- 18 WITNESS: That's right.
- MR. SOLIS: But as we discussed earlier, the actual funding for the Turkey part came
- 20 from the organization in Turkey.
- 21 WITNESS: That's right.
- 22 MR. SOLIS: Not the Federation of the Midwest.
- 23 WITNESS: That's right.
- 24 MR. ASHMAWY: Do you know how the Turquoise Council is funded by any chance?
- 25 WITNESS: I don't know. Yeah.
- 26 MR. ASHMAWY: Have you heard rumors about how it's funded or anything like that?
- 27 WITNESS: No...No. I mean ...
- 28 MR. SOLIS: I mean, you know WITNESS, I mean did you have these conversations
- 29 with Kemal? Kemal is going to basically pay for 30+ people to go, it's very expensive, a
- lot of money was spent...I'm sure he must've said something about how he's going to
- 31 pay for the trip.
- WITNESS: I don't know how he was planning to pay for the trip.
- 33 MR. ASHMAWY: During these, the Alliance meetings, does Kemal attend those
- 34 meetings too?
- WITNESS: Yeah, some of them he attended too.
- 36 MR. ASHMAWY: Has there ever been a conversation about how about trouble
- 37 fundraising?
- 38 WITNESS: About what?
- 39 MR. ASHMAWY: The trouble about how hard it is to raise money?
- 40 WITNESS: Uh...

- 1 MR. ASHMAWY: For the organizations?
- 2 WITNESS: For the organizations? Yeah. I mean sometimes, that comes to question.
- 3 MR. ASHMAWY: Has there ever been conversations about sources of funding? Where,
- 4 you know where you can find money?
- 5 WITNESS: Yeah, I mean our local people that's what you know, we ask funds for.
- 6 Uhm...I don't know how they were finding their own funds. We didn't get into details
- 7 enough, what each organization is trying to do.
- 8 MR. ASHMAWY: Has Kemal ever acknowledged to you that he was receiving funding
- 9 from the government of Azerbaijan?
- 10 WITNESS: No.
- 11 MR. SOLIS: If I could just direct you back to this email real quick.
- 12 WITNESS: Sure.
- 13 MR. SOLIS: It is from your Gmail account and then it's to
- 14
- WITNESS: Mhmm.
- MR. SOLIS: So this wouldn't have been sent out to staffers or did it get sent out to
- 17 staffers?
- WITNESS: I think yeah, this was part of the invitation that I sent to them.
- 19 MR. SOLIS: Okay. Do you know why it would've gone from your Gmail to is this just
- something you sent to yourself on different email accounts?
- 21 WITNESS: Yeah, I was just looking at who I sent this to. It looks like it came to me, but
- 22 I'm using my Gmail, it's connected to my Federation account so I can just you know, it's
- 23 easier.
- 24 MR. SOLIS: Did you write this?
- 25 WITNESS: Yeah...uh yeah I think yeah I wrote this. This looks like you know
- something I sent before.
- 27 MR. SOLIS: Are you certain about that? Is it possible that Kemal may have written that
- and sent it to you?
- 29 WITNESS: No, no, no. This is I mean I sent you know such invitations. I don't know
- word by word if it's mine, but it looks like it's mine. Yeah.
- 31 MR. SOLIS: But that would've been the text that got sent to staffers?
- 32 WITNESS: That's right, yeah.
- 33 MR. SOLIS: One moment...
- 34 MR. ASHMAWY: More coffee?
- WITNESS: Alright, yeah. It's kind of getting cold; I'll get a new one. Thank you. Am I
- the first one you're interviewing?
- 37 MR. ASHMAWY: We've spoken to some people. We've received a significant amount
- of documents from various witnesses.
- 39 WITNESS: Oh, okay.
- 40 MR. SOLIS: I want to show you another --

- 1 WITNESS: Yeah
- 2 MR. SOLIS: Document there, another email. This is Bates numbered JM0084.
- 3 WITNESS: Mhm.
- 4 MR. SOLIS: And if you look in the middle there, it's again from your email Gmail
- 5 account, to John Marshall, subject "Next Week", dated April 11, 2013. Do you recall this
- 6 message?
- 7 WITNESS: Let me take a look at it. Alright, yeah.
- 8 MR. SOLIS: Do you recall that?
- 9 WITNESS: Yes.
- MR. SOLIS: Okay. You mentioned it is organized by our sister organization in Texas. Is
- that safe to assume that's the Turquoise Council?
- 12 WITNESS: That's right.
- 13 MR. SOLIS: You also say, "it's about energy issues related to Azerbaijan in Turkey."
- 14 WITNESS: Mhm.
- MR. SOLIS: You know when I asked you that before, you said you believed it was
- generally about awareness of bringing awareness of the region to members of Congress. I
- asked you if energy was a component of the convention, you said yeah you thought it
- was. It looks I mean from this statement that energy was the issue of the convention. Is
- it safe to say that energy was –
- 20 WITNESS: Energy was yeah...it was a big part of the convention. I'm sure we discussed
- 21 I mean I remember discussing other things too, you know some other political things,
- but yeah of course. If you stay in Azerbaijan, energy comes to mind.
- 23 MR. SOLIS: So, as of April 11, 2013, you're expressing this to John Marshall. How did
- you know that energy issues would be at the convention and discussed in Turkey?
- 25 WITNESS: It's always been about energy when it was about Azerbaijan and
- 26 Kazakhstan, mainly.
- 27 MR. SOLIS: Okay.
- 28 WITNESS: Yeah.
- 29 MR. SOLIS: So who you're the Federation of the Midwest who's telling you that the
- 30 convention is going to be about energy?
- 31 WITNESS: Yeah we were discussing it you know during the meetings and this also has a
- history before we did the Baku convention, we did another one in DC. It was again about
- energy so Azerbaijan is big on energy issues.
- 34 MR. SOLIS: So at the general meeting when the Alliance is getting together with the
- 35 Turquoise Council and all the Federations are together at the meeting the pre-trip
- 36 meeting I suppose--
- 37 WITNESS: Yeah.
- 38 MR. SOLIS: You're talking about energy issues?
- 39 WITNESS: That's right yeah.

- 1 MR. SOLIS: And what do you mean by that? Is that is that the Azerbaijani
- 2 government?
- 3 WITNESS: Azerbaijan's oil and then you know, related relations to you know carrying it
- 4 through Turkey to Europe basically.
- 5 MR. SOLIS: So why do you guys care about that then? Why is that topic being discussed
- 6 at the meeting with the Turquoise Council and the Alliance?
- 7 WITNESS: It is an important issue for the U.S. so it always comes to the table.
- 8 MR. ASHMAWY: We're aware of some concerns that some entities had about issues of
- 9 concerning the ability of Azerbaijan to access their oil reserves, despite certain issues
- with Iran. Was that part of the conversation as well?
- 11 WITNESS: Uh, I don't know anything about that. We didn't go into any details. I mean
- my knowledge is really general information about you know Azerbaijan, that is big in
- energy issues and there are tensions with Russian, Europe. You know sometime Russia
- just shuts off the valves you know and there's a political problem and then Europe suffers
- from this. And then U.S. is very keen on seeing some alternative energy routes in that
- sense, Turkey and Azerbaijan are big so...
- 17 MR. SOLIS: Does Azerbaijan have an oil company there? Or entity—
- WITNESS: I know about the SOCAR company. They're I think it's their national oil
- company or I don't know the details of the organization, but...
- 20 MR. SOLIS: What do you know about it?
- 21 WITNESS: I know that that's the biggest oil company in Azerbaijan and also I think
- 22 they have investments in Texas, in Turkey, uhm... and then some officials came to our
- convention in D.C. I met a few of them in the convention.
- 24 MR. SOLIS: Did you discuss SOCAR at the meeting you had with the the meetings,
- was it one meeting or multiple meetings with the Alliance and the Council?
- 26 WITNESS: You know we do our meetings are not regular, so it will be sometimes
- every month, sometime one or two or three months. So I don't know how many meetings
- we did specifically for this trip, let's say one or two meetings. Yeah. In those meetings
- and then before as I said, we had other conventions in Washington D.C. I heard the
- 30 SOCAR name a few times.
- 31 MR. SOLIS: Who said SOCAR? Who was talking about SOCAR?
- WITNESS: I think I heard it from Kemal about SOCAR. Yeah, basically.
- 33 MR. SOLIS: And what did he say about SOCAR?
- WITNESS: He said you know it's the biggest energy company in Azerbaijan. They're
- also coming to, I think they opened a refinery in Texas, he was mentioning about it. And
- then they, I know that they had big investments in Turkey. That's all I know about them.
- 37 MR. SOLIS: Did he say that you know it's an important issue because they're in Texas
- and it's important to Azerbaijan, we need to get these members of Congress and staff
- 39 people to know about SOCAR?

- 1 WITNESS: No, we didn't talk about those things. I mean even if we did, he knows about
- 2 it, I don't know anything about it.
- 3 MR. SOLIS: Okay, I have another email to show you.
- 4 WITNESS: Mhmm.
- 5 MR. SOLIS: This is Bates number VE0067.
- 6 WITNESS: Mhmm.
- 7 MR. SOLIS: And if you look at the middle email there, Saturday May 11, 2013. This is
- 8 from your Gmail account to Vince [inaudible]?
- 9 WITNESS: Mhmm.
- 10 MR. SOLIS: And you write, "I would like to set up an orientation meeting before the trip
- so that we can answer questions and the location suggests that the Turkic-American
- 12 Alliance" would this have been one of those, you said one or two meetings?
- WITNESS: No, this is different. Whenever we take a group to Turkey, we try to do an
- orientation meeting because they have various questions you know that they want to ask.
- 15 "What am I going to wear, what are the hotel names, how much should I have with me
- and what should I wear for the official meetings?" that kind of things, you know we
- would invite them to an orientation and explain all of those questions to the staffers that
- we take to Turkey.
- MR. SOLIS: Who would've been there besides the Alliance? Was the Federation of the
- 20 Southeast there?
- 21 WITNESS: No, just myself, maybe Bilal. I don't remember because we were working
- together. And then maybe Farruk because he's the director of the Alliance so he would
- 23 say you know, "Hi, welcome." And meet them shortly. But then I would do the
- 24 orientation meeting, myself.
- 25 MR. SOLIS: So the staffers that you had contact with, you would deal with them?
- 26 WITNESS: That's right.
- 27 MR. SOLIS: Would Farruk discuss organization or logistics or anything like that?
- WITNESS: He would just explain about the Alliance, show them a video maybe, but
- 29 that's about it.
- 30 MR. SOLIS: And if Kemal and the Turquoise Council are the ones sort of setting the trip
- 31 together putting the trip together in Azerbaijan, what and was he present at this
- 32 orientation?
- 33 WITNESS: No, no.
- 34 MR. SOLIS: So what details were you providing about Azerbaijan if he's not there?
- WITNESS: You know we just show them the itinerary, tell them the hotel names, if they
- have any other questions... if there are any other detailed questions that I can't answer
- then I would ask Kemal, but pretty much I think I could cover all those issues.
- 38 MR. SOLIS: one moment...
- 39 WITNESS: Mhmm.
- 40 MR. SOLIS: This is a series of emails, Bates numbered CD0055.

- 1 WITNESS: Okay.
- 2 MR. SOLIS: If you look at the, sort of second email there --
- 3 WITNESS: Sure.
- 4 MR. SOLIS: You'll see an email from Yetter Mammut?
- 5 WITNESS: Mhmm
- 6 MR. SOLIS: M-A-F-T-A-A?
- 7 WITNESS: That's right.
- 8 MR. SOLIS: Do you know what that stands for?
- 9 WITNESS: Yeah, that is the sister organization sister Federation covering the
- Washington D.C., Kentucky, North Carolina what is the exact name... Mid-Atlantic
- 11 Federation of Turkic-American Associations?
- MR. SOLIS: Okay. Do you know who Yet—Yetter Mammut is?
- 13 WITNESS: Yes, he is the president of the organization sister Federation.
- MR. SOLIS: Why would he have been included on these emails?
- 15 WITNESS: He was also trying to invite you know, uhm...the staffers from his region.
- 16 Uhm...but I think they couldn't file the papers on time so we also included those staffers
- 17 for our trip.
- 18 MR. SOLIS: Do you know who Carolin Dougins is?
- 19 WITNESS: Must be one of those staffers.
- 20 MR. SOLIS: Okay.
- 21 WITNESS: yeah.
- 22 MR. SOLIS: I'll show you this is some itinerary...
- 23 WITNESS: Mhmm.
- 24 MR. SOLIS: For Ms. Dougins.
- 25 WITNESS: Okay.
- MR. SOLIS: And it's Bates number CD0016 through 19.
- 27 WITNESS: Mhmm.
- MR. SOLIS: And we're interested in this because it seems that Ms. Dougins was
- 29 disclosed to the committee as being sponsored by the Federation of the Midwest.
- 30 WITNESS: Uhm...
- 31 MR. SOLIS: Is that correct?
- 32 WITNESS: Yeah I think so.
- 33 MR. SOLIS: Okay. And if you look at the top of this document--
- 34 WITNESS: Yeah.
- 35 MR. SOLIS: It's from Serdar Tombolt.
- 36 WITNESS: Mhmm.
- 37 MR. SOLIS: And who is that? Do you know that name?
- WITNESS: I think he is working with Mammut. The guy you showed me here. Mammut
- 39 Yetter, the president of the Mid Atlantic Federation.

- 1 MR. SOLIS: So why would Serdar Tombolt be interacting with Ms. Dougins providing
- 2 her this itinerary when you and the Federation of the Midwest sponsored her trip- her
- 3 travel?
- 4 WITNESS: Yeah. They sent out the invitations from the Mid-Atlantic Federation and
- 5 then we filed their papers to the Ethics Committee as the Midwest Federation.
- 6 MR. SOLIS: So... so I want to be clear. So you filed the paperwork, but Serdar and –
- 7 WITNESS: Mammut
- 8 MR. SOLIS: Mammut would have been the ones interacting with the staffers?
- 9 WITNESS: That's right.
- 10 MR. SOLIS: And setting up their itinerary?
- 11 WITNESS: That's right
- MR. SOLIS: Do you know how many staffers you took on then from the Mid-Atlantic?
- 13 WITNESS: Must be 5 or 6.
- MR. SOLIS: 5 or 6. So you had conversations with Serdar and Mammut about this?
- 15 WITNESS: That's right, yeah.
- 16 MR. SOLIS: Can you talk about those conversations?
- 17 WITNESS: They said they couldn't file the papers on time for their own staffers and
- then since we already got the approval from the Ethics Committee, he asked me if they
- can also send these additional names under our organization and I said okay.
- 20 MR. SOLIS: Do you know if the Mid-Atlantic Federation paid for any travel?
- 21 WITNESS: I don't think so. It must be the same as our organization.
- MR. SOLIS: it would seem to me that they could not they did not pay if you're the
- ones taking them on [inaudible]...
- 24 WITNESS: Yeah
- 25 MR. SOLIS: But just so I'm clear, the Mid-Atlantic representatives, they would've been
- the ones organizing the logistics, sending itineraries, booking the travels with the travel
- 27 agencies, they would have done with their –
- 28 WITNESS: That's right.
- 29 MR. SOLIS: Okay. Let me show you another document here I'll give you this one
- actually. This is Bates numbered THDKD 0005
- 31 WITNESS: Okay. Mhmm.
- 32 MR. SOLIS: And it's dated April 11, 2013 to Representative Danny K. Davis, subject is
- 33 "Trip to Baku, Azerbaijan." Do you recall this?
- WITNESS: Uh...it looks like it looks like Kemal sent it out, but it's it is similar to
- 35 what I sent out as an invitation to the other members because Kemal was sending out this
- invitation as I said, you know, it was more appropriate for them to invite all the people
- and then we would maybe uh... help them out with the details, but as I said, since it was a
- huge convention, he didn't want to deal one by one with every individuals so he prepared
- the invitation letter and then on this second paragraph it says "Turquoise Council" and I

- added another paragraph saying that the Federation is going to be involved with the
- 2 Turkey part of the trip.
- 3 MR. SOLIS: Okay, so when I asked you previously in that email with that text, this
- 4 looks like to be almost exactly the same. You said you thought you wrote that?
- 5 WITNESS: This one?
- 6 MR. SOLIS: No, no, no. I'll reference back to it. VE0032. Yes, you have it right there.
- 7 WITNESS: I have this one, yeah. I mean yeah I wrote this one and then Kemal has I
- 8 mean his name on the response so, but I don't know how he was in contact with
- 9 Congressman Danny Davis.
- 10 MR. SOLIS: What I want to get straight about is what I want to be clear on is, who
- wrote it? I mean they seem to be exactly the same. In fact you mentioned that you added
- in that paragraph.
- 13 WITNESS: That's right.
- MR. SOLIS: Is it safe to say in both documents, Kemal drafted that language?
- WITNESS: Yeah, yeah. I received the invitation from Kemal and then added one
- paragraph because it wouldn't make sense. Okay, Turquoise Council in Azerbaijan, who
- are you to invite me? So I added this part that you know we're going to take care of the
- 18 Turkey part.
- MR. SOLIS: And so then to close the loop on this, when you're sending that invitation to
- staffers, that invitation was drafted by Kemal?
- 21 WITNESS: That's right. Yeah.
- 22 MR. SOLIS: And you added that last paragraph basically that said the Federation would
- 23 basically be sponsoring the trip to Turkey.
- 24 WITNESS: That's right.
- 25 MR. SOLIS: Okay. Why would Kemal have sent this to Representative Davis? You said
- 26 that you didn't he didn't want there to be confusion, you didn't want there to be
- confusion about who was Turquoise Council. So then why would've Representative
- 28 Davis receive this letter from Kemal?
- 29 WITNESS: I don't know. Maybe he sent out to every Congressman, this invitation.
- 30 MR. SOLIS: Did Kemal talk to you about this?
- 31 WITNESS: No.
- 32 MR. SOLIS: He didn't?
- WITNESS: No. Even if he didn't I forget about it. You know sometimes, you ask one
- person to invite people, but you're the main organizer so you want as many members and
- staffers to come so sometimes you would just you know yourself you know send an extra
- email. If this went from Kemal, I would say with same reason because otherwise you
- know, Congressman Danny Davis is in Illinois, instead of Texas region. I was already in
- contact with the Illinois offices by the time we invited people. I don't maybe he did an
- 39 extra step to also invite himself and ...

- 1 MR. ASHMAWY: I guess just for my for the sake of clarity and I know that Mr. Solis
- 2 is going to has got some additional documents he wants to show you, but before that.
- 3 By the time this invitation went out, would you have already reached out to
- 4 Representative Davis' office?
- 5 WITNESS: Uhm, let me check. What's the date for this one? April 14... April 11... I'm
- 6 not sure, but I sent to all the Midwest Congresspersons that I would like to invite them to
- 7 this trip to Turkey and Azerbaijan.
- 8 MR. ASHMAWY: And.., so both of you both of you, you and Kemal would've
- 9 reached out to Representative Davis' office?
- 10 WITNESS: Looks like that. I thought I was the only one who sent out the invitation for
- my Midwest members, but maybe he also sent. I mean...
- 12 MR. ASHMAWY: Uhm --
- WITNESS: But I remember discussing that with him.
- MR. ASHMAWY: And we're going to go over this again in a moment, but just because
- we're on it. Who filled out the trips sponsor form for Representative Davis' office?
- WITNESS: Kemal first filled out his own form and I just needed some assistance for him
- and I think he also shared his form with me too. So I also you know, looked at some all
- the information and also filled out my forms.
- 19 MR. SOLIS: I want to get that straight. So Kemal did have a role filling out the forms
- when it went out to the Ethics Committee?
- 21 WITNESS: Yeah.
- 22 MR. SOLIS: For everybody?
- 23 WITNESS: Not for everybody, but at least personally the people that he invited from his
- organization. I was in the Turquoise Council region.
- 25 MR. SOLIS: Right, but Representative Davis was disclosed as being sponsored by the
- 26 Midwest Federation.
- 27 WITNESS: Right.
- 28 MR. SOLIS: So Kemal would've had a role in getting together the disclosures for
- 29 Representative Davis?
- WITNESS: No, he would do it for his people and then I would just ask him to take a
- 31 look at this papers and I would fill my own ones.
- 32 MR. ASHMAWY: Did Kemal have a role in I mean how much interaction did he have
- with Representative Davis' office?
- WITNESS: I didn't think he had any interaction at all.
- 35 MR. ASHMAWY: Uhm...
- 36 MR. SOLIS: We have—
- 37 MR. ASHMAWY: Yeah some of this, I realize, some of this was a long time ago, but I
- just I Just want to be clear so, Mr. Solis just handed you a document that's on the
- bottom. It's Bates stamped THDKD0023 through 0024. I believe so you've got the
- document in front of you. Take a look at it.

- 1 WITNESS: Mhm.
- 2 MR. ASHMAWY: Representative Davis' office asked for details about the convention.
- 3 About the scheduling and the content on what, you know what the Representative or the
- 4 Congressman was going to speak about. And in both instances you actually directed the
- 5 staff to talk to Kemal.
- 6 WITNESS: Oh...did I? Okay...
- 7 MR. SOLIS: Well take a minute to read it.
- 8 MR. ASHMAWY: Yeah.
- 9 WITNESS: Okay. Oh yeah, the reason is I was already in Turkey at that time and then
- 10 Congressman Davis and his Chief came later on so I think I was busy and then maybe I
- didn't have the details from Kemal although I asked for him. And this is already the 28th
- of May which is one or two days before the convention so then I think for more healthier
- relationship, I asked him to just you know contact directly to Kemal since he's the first-
- hand person in organizing the convention and that would give him right away the details.
- 15 MR. ASHMAWY: Just generally speaking, it's fair to say that both you and Kemal were
- in communication with Representative Davis' office.
- 17 WITNESS: At some point. I was the main person, but Kemal was also...looks like you
- 18 know, although I forgot about it, at a point he also wrote directly to them.
- 19 MR. SOLIS: Would do you recall any other instances where this type of
- communication would have happened with some of the staffers? Where you would ask
- 21 Kemal to reach out to them directly?
- 22 WITNESS: Maybe one or two, I don't really remember. Maybe, when I was too much
- 23 out of time that it's almost you know, one or two days til convention and we don't have
- 24 the details... Yeah. I don't...
- 25 MR. SOLIS: This is –
- MR. ASHMAWY: Let me collect actually, the rest of the documents from you
- 27 WITNESS: Everything?
- 28 MR. ASHMAWY: Yeah because we're starting a...
- 29 MR. SOLIS: This is a series of emails, Bates stamped THDKD 0039 through 0041.
- 30 WITNESS: Mhmm.
- 31 MR. SOLIS: Take a minute to look at those. And the you see at the page 0040, I had
- asked you at the bottom, I had asked you about this email before, referencing foreign
- affairs issues related to Azerbaijan and Turkey and also concerning energy, you
- 34 mentioned the sister organization --
- 35 WITNESS: Yeah.. Yeah.
- 36 MR. SOLIS: The next email up, dated May 21, 2013 from Janelle Brown, to you. "Can
- you provide me the specifics of what you want the Congressman to speak on? Which
- 38 event?" You then sent an email to Kemal –
- 39 WITNESS: Mhmm..
- 40 MR. SOLIS: And I cannot translate the language, but could you tell me what that says?

- 1 WITNESS: It says... "Hey...[inaudible]... Danny Davis wants to know what he's going
- 2 to speak about and then which program he's going to be speaking at. They want this
- 3 information from his office."
- 4 MR. SOLIS: Okay. And then going to that first page there, Kemal responds to you with
- 5 sort of a longer discussion of the issues that will be –
- 6 WITNESS: Yeah
- 7 MR. SOLIS: Brought up at the convention, correct?
- 8 WITNESS: Mhmm. That's right.
- 9 MR. SOLIS: You know, Kemal... that's a lot of information that Kemal is bringing out
- regarding Azerbaijan. How does he know this much about Azerbaijan?
- WITNESS: Uhm...I mean, as I said there's a history for this. There are so many
- 12 Azerbaijani people in Texas. I know that you know, as we cover all these Central-Asian
- countries, I think he was covering the issues of these Azerbaijani people so he might have
- already known more about these things. I mean, when I say, energy issues, foreign affairs
- relations and other there's an extent of what I know, but looks like you know he knows
- more than that. I don't really know about these you know I can say general issues, of
- 17 course and then kind of about these issues and is it problem Armenian issues a problem
- 18 for Azerbaijan. Strategic relationship is that's something we always hear. The energy in
- 19 Caspian Region is always big always here in the news. Israel security is something I
- remember from the other conventions which are Azerbaijani's keen on. I don't know
- 21 how...he knows all the details.
- 22 MR. SOLIS: Is the Turquoise Council and we might've touched upon this earlier, but I
- want to be clear on this as well, is the Turquoise Council, did they have the same mission
- as the Federation of the Midwest?
- WITNESS: Mhmm.
- 26 MR. SOLIS: It's the same?
- 27 WITNESS: Mhmm. Yeah.
- 28 MR. SOLIS: But you don't have Azerbaijani interests sort of in your portfolio, right?
- 29 WITNESS: No, no.
- 30 MR. SOLIS: But it looks like –
- WITNESS: As I said, it was more like an, "Okay Texas region has good relations with
- Azerbaijan; I'm having good relation with Kirgizstan. He's the go-to guy for
- 33 Azerbaijan."
- 34 MR. SOLIS: And when you say Texas region has good relations with Azerbaijan. What
- do you mean by that?
- 36 WITNESS: Because Azerbaijani people living in Texas. Yeah. It was a natural
- relationship such as I have here with Kirgiz people. More Kirgiz people, more interaction
- 38 with Kirgizstan.
- 39 MR. SOLIS: So you know, you asked Kemal about what Representative Davis would be
- 40 speaking on.

- 1 WITNESS: Yeah.
- 2 MR. SOLIS: How did the topic of speeches get brought up?
- 3 WITNESS: I don't know.
- 4 MR. SOLIS: Did you mention to Representative Davis' staff that you wanted him to
- 5 speak at the convention?
- 6 WITNESS: Uh... you know, whenever you invite a higher official, one thing they look
- at is, are they going to speak? You know why are they being invited so it's, uh it's
- 8 accustomed to ask these people to speak and then they know they're invited there because
- 9 they need to speak about something so that's why uh... I asked Kemal what's the topic
- going to be because Kemal's organizing all the panel discussions, all the topics and you
- know uh the details about the convention. I didn't really have any touch about you know
- the details of the convention. So...yeah...
- 13 MR. SOLIS: Alright. This is the actual form—
- 14 WITNESS: Yeah
- MR. SOLIS: That would've been filed with the committee on ethics. It's Bates number
- 16 JM0021.
- 17 WITNESS: Mhmm.
- MR. SOLIS: Through 0023. Obviously this is just one of the forms that you would've
- signed and submitted to the committee.
- 20 WITNESS: Yeah.
- 21 MR. ASHMAWY: Take a look at it, please.
- 22 WITNESS: Mhmm.
- 23 MR. ASHMAWY: It's correct that the Federation of the Midwest was the trip sponsor?
- 24 WITNESS: That is right. I mean we filed it yeah... as the sponsor.
- 25 MR. ASHMAWY: Is that your signature?
- 26 WITNESS: That's my signature.
- MR. ASHMAWY: And just to be clear and obviously, it's there on the form. But if you
- look under number 3, there's a part of the form that states that the primary spon –
- 29 "primary trip sponsor has not accepted any other source funds intended directly or
- indirectly to finance any aspect of the trip."
- 31 WITNESS: Mhmm...
- 32 MR. ASHMAWY: And that right there, is checked.
- 33 WITNESS: Mhmm.
- 34 MR. ASHMAWY: That, I mean in light of our conversation, that really is not a true
- 35 statement.
- 36 WITNESS: That's right.
- 37 MR. SOLIS: And also, we also covered the fact that prior to signing this, you would've
- had conversations with Kemal about the inability of the Federation to pay for this.
- 39 WITNESS: That's right. Yeah.

- 1 MR. SOLIS: You look at the note at the top, it says, "willful or knowing
- 2 misrepresentations on this form may be subject to criminal prosecution pursuant to 18
- 3 U.S.C. 1001." Did you see that note at the top of the form?
- 4 WITNESS: Yeah, I did.
- 5 MR. SOLIS: Okay.
- 6 MR. ASHMAWY: Did you and Kemal have a conversation about this before all this
- 7 happened?
- 8 WITNESS: Uh...yeah. We were talking about the convention and the trip, yeah.
- 9 MR. ASHMAWY: Whom specifically I mean the thing I guess the thing that still
- 10 confuses me, is that you know the form says you guys were paying, but we know it was
- 11 really the Turquoise Council. And --
- 12 MR. SOLIS: And you knew that as you signed this form...
- 13 WITNESS: That's right.
- 14 MR. ASHMAWY: Did Kemal want you to sign the form? Did you voluntarily sign the
- 15 form? Why sign the form?
- 16 WITNESS: As I said uh –
- 17 MR. SOLIS: And also take on the risk of –
- WITNESS: Yeah, I know. As I said, this convention was organized by the Turquoise
- 19 Council and they were dealing with all the details and everything so I told him that you
- 20 know if he can file, I'll get all the information about all the staffers that I invite and then
- 21 he can file all the documents with the Turquoise Council so we don't get into this filing
- on our own and then he said, "I can't do that. It's too many people. I can't handle all the
- 23 details of the process" so he said, "every organization just file their own documents."
- 24 MR. SOLIS: But you know, personally, WITNESS, why, you know, why is that worth
- 25 the risk of filing- knowingly filing a misrepresentation to the committee? Why is that
- 26 worth it to you?
- 27 WITNESS: I think I took it not so much seriously. Uhm... because uhm... I thought at
- the end of the day, we were sister-organizations. All these you know six Federations
- 29 under the Turkic-American Alliances are sister-organizations, so uh... I took it lightly, I
- 30 guess violating this rule because we're sister-organizations and we really wanted to take
- these people to Turkey and Azerbaijan to improve the relations between our countries in
- 32 the U.S.- more exposure, more information. And I thought this would help the mission of
- 33 the Federation to improve the relations.
- 34 MR. ASHMAWY: Did you—
- 35 MR. SOLIS: Did you have a conversation though with Kemal or anybody else, where
- you said, "Hey I know I'm going to be making a false submission, I'm worried about
- that." Did you talk to anyone about that?
- WITNESS: Yeah, that was the conversation I made with Kemal. That's the reason why I
- made the conversation with Kemal, that if you, you know fill out all the papers to be you
- 40 know peace of mind, you're organizing it you have all the details, you know... but then it

- 1 made sense you know and then he said, "Well if you want to invite those people, it's your
- 2 region, your area you know so you have to do it on your own because I'm too much you
- 3 know overwhelmed with the convention all the details" and which I think was true.
- 4 MR. SOLIS: Did he say why he was overwhelmed? Was he getting pressure from other
- 5 sources, from other places?
- 6 WITNESS: Too many people you know were invited and I know one by one, dealing
- 7 with all these staffers and members, they have many questions what am I going to wear,
- 8 you know... where am I going to stay, all those things. He didn't want to deal with those
- 9 things.
- 10 MR. ASHMAWY: Did you share any of this information with the committee on ethics?
- 11 WITNESS: No, we didn't. No.
- MR. ASHMAWY: Did the committee on ethics ask you any questions beyond the
- 13 forms?
- WITNESS: I think this was pretty much, uh maybe sometimes I get calls from the
- 15 committee on ethics if there was a meeting that they didn't understand what that was
- meeting was for. They would ask me to give more information so, but I don't remember
- specifically if they called me and asked you know any important information about the
- 18 trip.
- 19 MR. ASHMAWY: Did they ask you to clarify whether in fact you were the sponsor?
- 20 WITNESS: No, they didn't. I don't remember them asking me anything about it.
- 21 MR. ASHMAWY: Did they ask you any for any proof that you had sufficient funds to
- 22 sponsor?
- 23 WITNESS: No.
- 24 MR. ASHMAWY: Okay.
- 25 MR. SOLIS: I want to direct your attention to this form this is a post travel disclosure
- 26 form.
- 27 WITNESS: Yeah.
- 28 MR. SOLIS: Bates numbered THDKD0037.
- 29 WITNESS: Mhmm.
- 30 MR. SOLIS: You also signed this form.
- 31 WITNESS: That's right.
- MR. SOLIS: I want to look at I want to have you look at this chart in the middle.
- 33 WITNESS: Mhmm.
- 34 MR. SOLIS: It says, "Traveler \$15,972.20 for total transportation expenses and
- accompanying relative \$15,972.20."
- 36 WITNESS: Mhmm.
- 37 MR. SOLIS: Can you tell me about what that I mean, I can... figure out sort of on my
- own what I think that means, but why don't you tell me what that means?

- 1 WITNESS: Sure. I think that first column is about the transportation expenses which
- 2 involves you know the air tickets and the second one would be the hotel, the third one
- would be the food and then the last one is some extra expenses.
- 4 MR. SOLIS: So, over \$30,000.00 in just airfare?
- 5 WITNESS: That's right. And maybe some ground transportation too.
- 6 MR. SOLIS: Okay. And again –
- 7 WITNESS: Yeah.
- 8 MR. SOLIS: You know this, this form is coming in after the trip. So, you made that we
- 9 asked you a question about the pre-travel form, right? You said you knew that you were
- filing a false submission.
- 11 WITNESS: Yeah.
- 12 MR. SOLIS: You're also- you know nothing changed in the course of that trip. The
- 13 Turquoise Council was still paying for the lodging, right?
- 14 WITNESS: Mhmm.
- 15 MR. SOLIS: They were paying for the meal expenses.
- 16 WITNESS: Mhmm.
- 17 MR. SOLIS: Everything on that chart was paid for by the Turquoise Council?
- 18 WITNESS: That's right.
- MR. SOLIS: And you're again signing this statement that this is a true statement to the
- 20 Committee?
- 21 WITNESS: That's right.
- 22 MR. ASHMAWY: Who filled out the form?
- 23 WITNESS: I did.
- 24 MR. ASHMAWY: How'd you know how much everything cost?
- 25 WITNESS: I had the details about the air tickets.
- 26 MR. ASHMAWY: So, are the amounts on these forms correct?
- 27 WITNESS: The amounts are for the air ticket, it's correct. And...uh... I cannot verify
- for the other ones.
- 29 MR. SOLIS: So if you can't verify, how did you put that number in there?
- WITNESS: I think I just went with the estimated amount we filed before. Yeah, in Baku
- the hotel cost would be about \$160.00 a night so... I think that's where it comes from.
- MR. SOLIS: Can you walk us through, in detail, you said you had the numbers for the
- 33 airfare?
- 34 WITNESS: Mhmm.
- 35 MR. SOLIS: How do you get those numbers? How does the process work in obtaining
- 36 the ticket?
- WITNESS: Before the ticket, I would ask Kemal to you know, send me the trip tickets
- and then he purchased them and then sent those details to me so those numbers are... I
- mean before ... I mean, for the pre-travel I would just get it from Kayak, how much

- approximate rate would cost and then after the trip I would put the number that actually
- 2 came to me as the receipts of the trip.
- 3 MR. SOLIS: So Kemal would be the one interacting with the travel agency?
- 4 WITNESS: Yes. I think he was, yeah.
- 5 MR. SOLIS: Okay. Do you know who that travel agency what the name of that entity
- 6 is?
- 7 WITNESS: Uhm I don't know.
- 8 MR. SOLIS: NIL Travel? Does that ring a bell?
- 9 WITNESS: Might be, I don't know.
- 10 MR. SOLIS: It's based in Brooklyn, NY?
- 11 WITNESS: Okay I remember buying a few tickets from them before, but I didn't know
- that they were in charge of the trips.
- 13 MR. ASHMAWY: Because you didn't have anything to do with buying the travel.
- 14 WITNESS: For this, no I didn't.
- MR. SOLIS: So you would submit the names to Kemal and he just buys the tickets?
- 16 WITNESS: Mhm.
- MR. SOLIS: What if some of the people have questions about the dates and times and
- they want to request for air travel, who were they asking about that?
- 19 WITNESS: I think I told them to talk to me or talk to their air companies because they
- already have the confirmation numbers and everything. People sometime have seat
- changes or food concerns so I didn't deal with those things so I would direct them to the
- 22 air company what they were traveling, Turkish airlines or United, I don't know.
- 23 MR. SOLIS: Now I think we would like to ask you some questions based on the
- 24 documents you sent to us.
- 25 WITNESS: Mhmm.
- 26 MR. SOLIS: You know I think –
- MR. ASHMAWY: I appreciate your cooperation, I really do. I think we have a pretty
- 28 good sense about things.
- 29 WITNESS: Mhmm.
- 30 MR. ASHMAWY: So you were kind enough to share the bank account information with
- 31 us
- 32 WITNESS: Yeah.
- 33 MR. ASHMAWY: For better, for worse, we were able to see that the Federation you
- know doesn't keep a lot of money in the bank.
- 35 WITNESS: That's right, unfortunately.
- 36 MR. ASHMAWY: You also provided the 990s for us. Was the information on the 990s
- 37 correct?
- WITNESS: Yeah. Everything is what we have on file.
- 39 MR. ASHMAWY: Okay. So I just want to confirm.
- 40 MR. SOLIS: This would be the documents on the iPad, we'll show it to you.

- 1 WITNESS: Yeah, sure.
- 2 O: Let's go to...
- 3 MR. SOLIS: 990s?
- 4 MR. ASHMAWY: Yup. So this is, this is document Bates stamped TAFM0039, it's one
- 5 of the documents you provided to us.
- 6 WITNESS: Mhmm.
- 7 MR. ASHMAWY: Is this for calendar year 2013?
- 8 WITNESS: It is, yeah.
- 9 MR. ASHMAWY: And you recorded \$76,839.00 to contributions, gifts and events? Is
- 10 that correct?
- 11 WITNESS: That's correct, yeah.
- 12 MR. ASHMAWY: Then you also recorded \$19,746.00 in program service revenue.
- 13 MR. SOLIS: What is that -
- 14 MR. ASHMAWY: Yeah what is that revenue?
- WITNESS: Program service revenue...let me try to think about it. Don't we have the
- details in the other papers? Because I'm sure there must be the specifics about it.
- 17 MR. SOLIS: I don't I don't think so.
- 18 WITNESS: Really? Okay.
- 19 MR. SOLIS: But is, the best you can, can you tell us what that means?
- 20 WITNESS: Sure. I think when you're making it a program, sometimes you get you
- 21 know, participation fees, some membership fees and then what else... Yeah, I think... I
- mean we don't have much revenue so.
- 23 MR. SOLIS: That \$76,839 number, contributions, gifts –
- 24 WITNESS: The first one comes from the donations from individual donations and then
- 25 also our membership dues from the members of organizations. I'm trying to remember
- the details of the second one, \$19,000 and that must be I think some of the fees we collect
- 27 from the participants of the programs. Yeah...
- 28 MR. SOLIS: You mentioned before that you know, this isn't the first time you've
- 29 sponsored, at least disclosed that you've sponsored congressional travel right?
- 30 WITNESS: That's right, yeah.
- 31 MR. SOLIS: How many I mean have you done it since 2010?
- WITNESS: Yes, mhmm.
- 33 MR. SOLIS: For various members and staff?
- 34 WITNESS: That's right.
- MR. SOLIS: Given that you don't have a lot of revenue, and given that in this instance
- 36 the travel was paid for by Turquoise Council, has the Federation of the Midwest ever paid
- for congressional travel with its own funds?
- WITNESS: I mean we will pay the air tickets, mainly and then the restaurant expenses,
- but then the other hotel expenses will be covered by Bakiad, our sister-organization in
- 40 Turkey.

- 1 MR. ASHMAWY: Did Bakiad ever pay for the airfare also?
- 2 WITNESS: For the what?
- 3 MR. ASHMAWY: The airfare also?
- 4 WITNESS: No, they didn't. Maybe for some domestic flights, they did.
- 5 MR. ASHMAWY: So every instance of congressional travel that the Federation
- 6 sponsored, the Federation paid for the airfare?
- 7 WITNESS: We did. I mean the big airfare; I would say the international ones that cost a
- 8 lot, we would pay for that one, but some of the domestic flights that set from Ankara to
- 9 Istanbul which would be about \$80, \$100, sometimes you know, Bakiad paid for those.
- 10 MR. ASHMAWY: And the hotel?
- 11 WITNESS: And the hotel, yeah.
- MR. SOLIS: Is this the only instance, this trip in May 2013, where the Federation of
- 13 Midwest did not pay for airfare?
- 14 WITNESS: That's right. This is the only one.
- 15 MR. ASHMAWY: So, you don't recall just to clarify again the \$19,746.00 in
- program service revenue, do you recall what that where that comes from?
- 17 WITNESS: Yeah I think that those were you know, the participation fees from those
- people who came to the program. We, you know organize many programs in Michigan
- 19 let's say, Missouri or Illinois. So I think the revenue comes from the participation fees
- and some membership dues we get from our members institutions in Illinois, let's say we
- 21 have 6-7 non-profit organizations we would also get membership from them. But this
- doesn't involve any, nothing from the Turkish government or the Azerbaijani government
- or any other company.
- MR. ASHMAWY: And then it shows that there's \$53,310.00 on salary.
- 25 WITNESS: That's right.
- 26 MR. ASHMAWY: And that would be to you?
- 27 WITNESS: To me and then... yeah I think that's basically to me.
- 28 MR. ASHMAWY: And then if you swipe to the left –
- 29 WITNESS: Like this?
- MR. ASHMAWY: Actually to the right. You're now looking at the page TAFM0040.
- 31 WITNESS: Okay.
- 32 MR. ASHMAWY: It's recorded there that the spending was \$44,601.00 in festivals,
- 33 conferences, conventions and etc. Is that correct?
- 34 WITNESS: That's right.
- 35 MR. ASHMAWY: What did that include?
- WITNESS: We organized festivals in Midwest, we organized you know, conferences
- and conventions in Washington D.C. and then our trips to, I mean I travel again to Ohio,
- Indiana and then organize meetings and then we also organize trips, basically the biggest
- 39 chunk is the airfare. Uhm... and then we also organized convention for Kirgizstan in Bak

- 1 in Washington D.C. So I think those were the expenses, but this is again, this has
- 2 nothing to do with the convention regarding Azerbaijan.
- 3 MR. ASHMAWY: Okay. That was going to be my next question.
- 4 WITNESS: Sure.
- 5 MR. ASHMAWY: Because you guys didn't spend any money on the trip to Azerbaijan,
- 6 to Turkey that doesn't include that?
- 7 WITNESS: That doesn't include that. Yeah.
- 8 MR. ASHMAWY: Can I see the iPad for a moment please? I just want to direct you to a
- 9 few other documents. Alright. So, you also provided us some invoices and I just wanted
- to clarify what these were. So I'm going to show you documents TAFM0018. It appears
- 11 to be an invoice from the Radisson.
- 12 WITNESS: Yeah.
- 13 MR. ASHMAWY: Is that correct?
- 14 WITNESS: That's right.
- 15 MR. ASHMAWY: What was that for?
- MR. SOLIS: Could I pause one moment to change the battery in the recorder? Looks
- 17 like the red light is on, is that a problem or no? Okay.
- 18 MR. ASHMAWY: You're looking at document TAFM0018.
- 19 WITNESS: Mhmm.
- 20 MR. ASHMAWY: The- that is...it's correct that it's an invoice from the Radisson?
- 21 WITNESS: That's correct.
- 22 MR. ASHMAWY: What was that for?
- 23 WITNESS: It was the hotel expenses in Baku.
- 24 MR. ASHMAWY: And who paid so, who paid for those hotel expenses?
- 25 WITNESS: Turquoise Council.
- 26 MR. ASHMAWY: Okay. How did you have a copy of the invoice?
- WITNESS: Kemal sent the invoices to me.
- 28 MR. ASHMAWY: Okay.
- 29 MR. SOLIS: Why would he send the invoices to you?
- WITNESS: I don't know. All of a sudden I had all these invoices in my mailbox. And I
- understood it was about this investigation because I saw all the names, Turquoise,
- Azerbaijan so, but we haven't paid for these and I just put these because this was a
- document about the convention.
- 34 MR. SOLIS: Okay so, you know we contact you about this review and you say those
- invoices just showed up at your mailbox?
- 36 WITNESS: Yeah Kemal sent them to me.
- 37 MR. SOLIS: Why would he send them to you?
- WITNESS: I don't know there was no explanation.
- 39 MR. SOLIS: So there was no prior conversation with Kemal about this?

- 1 WITNESS: No and then since I didn't ask him what this is for I didn't do any
- 2 conversation so I mean it's obvious that this is the hotel invoices that he wanted to send
- 3 to me I guess.
- 4 MR. SOLIS: So do you get the impression that because we were doing these reviews, he
- 5 wanted to provide you with the invoices for hotels as if you, as if the Federation paid for
- 6 them?
- 7 WITNESS: Uhm... I mean it doesn't say that much. He just sent it to me and then since I
- 8 didn't pay for anything, but this was an email regarding the convention, I just put it in the
- 9 files, but as I said we didn't pay for these and it just came from Kemal.
- 10 MR. ASHMAWY: Did Kemal indicate that he wanted you to tell us that the Federation
- 11 paid for it?
- 12 WITNESS: No, no. Just attachments, that's it.
- 13 MR. ASHMAWY: No—was there anything in the body of the email?
- 14 WITNESS: No.
- 15 MR. ASHMAWY: Just attachments?
- 16 WITNESS: Yeah
- 17 MR. ASHMAWY: Blank email?
- 18 WITNESS: Yeah.
- 19 MR. ASHMAWY: And you didn't think to call him up and say what are these for?
- 20 WITNESS: No, I didn't get into any details.
- 21 MR. SOLIS: Do you know what date he would've sent those to you?
- 22 WITNESS: This must be about maybe 2...2 or 3 weeks ago, yeah.
- 23 MR. ASHMAWY: Okay. We'll get back to the emails in a moment. Just to wrap to
- close the loop on this. If you don't mind swiping over to the next page.
- 25 WITNESS: Okay
- MR. ASHMAWY: You'll be looking at documents TAFM0023, that looks like an
- 27 invoice from the Hilton Hotel.
- 28 WITNESS: That's right.
- 29 MR. ASHMAWY: Is that also in Baku?
- 30 WITNESS: Also in Baku? Yeah.
- 31 MR. ASHMAWY: Who paid for the individuals who stayed at the Hilton?
- WITNESS: I think the Turquoise Council. That's what I know.
- 33 MR. ASHMAWY: Okay and then one more, yup, swipe over. You're now looking at
- TAFM 0031. I believe that appears to also be from the Hilton?
- 35 WITNESS: That's right.
- 36 MR. ASHMAWY: Is actually, can I see that?
- 37 MR. SOLIS: Yeah we just want to make sure we're on the right page.
- 38 MR. ASHMAWY: [inaudible] ... actually let's go back for a moment just because I
- want to be clear.
- 40 WITNESS: Mhmm.

- 1 MR. ASHMAWY: I'm showing you TAFM0019. This is an invoice from the Hilton
- 2 Hotel.
- 3 WITNESS: That's right.
- 4 MR. ASHMAWY: From the stay at the conference.
- 5 WITNESS: Yeah.
- 6 MR. ASHMAWY: Just to be clear, who paid for that?
- 7 WITNESS: To my knowledge, Turquoise Council.
- 8 MR. ASHMAWY: Okay. And then just to be at the correct numbers. This is document
- 9 TAFM 0020, also an invoice from Hilton Hotel.
- 10 WITNESS: Mhmm. That's right
- 11 MR. ASHMAWY: And who paid for that?
- 12 WITNESS: Turquoise Council.
- 13 MR. ASHMAWY: And now we have TAFM0021, that--is that an invoice from the Four
- 14 Seasons Hotel in Baku?
- 15 WITNESS: That's right, that's right.
- 16 MR. ASHMAWY: And who paid for the people who stayed there?
- 17 WITNESS: Turquoise Council.
- 18 MR. ASHMAWY: Okay. Thank you.
- 19 WITNESS: Mhmm.
- 20 MR. ASHMAWY: We just wanted to some of this we just needed to clarify.
- 21 WITNESS: Okay.
- 22 MR. ASHMAWY: And then one more, I guess... one more is TAFM0022. Is just,
- 23 additional people who stayed at the Four Seasons?
- 24 WITNESS: That's right.
- 25 MR. ASHMAWY: And they were and that was also paid for by the Turquoise
- 26 Council?
- 27 WITNESS: That's right
- 28 MR. ASHMAWY: And then I also have a quick question about and I don't know if
- 29 you'll be able to translate these any better than we can this is a document labeled
- TAFM0023. I'm not sure what this is; I don't know if it's in Azerbaijani or Turkish –
- 31 WITNESS: Azerbaijani, yeah
- 32 MR. ASHMAWY: Are you able to translate that at all?
- WITNESS: I think -- I don't understand everything, but it looks like the food expense for
- these people.
- 35 MR. SOLIS: Do you see any names on there like, do you see Kemal's name on there?
- Do you see any reference to SOCAR or any reference to the Azerbaijani government?
- WITNESS: I don't see anything. Yeah.
- 38 MR. ASHMAWY: Can you tell us where can you tell us where the food, you know
- where the food came from? Was this for a restaurant? Was this at the hotel?

- 1 WITNESS: I'm not so much familiar about this type of you know, receipt. Uhm...I don't
- 2 know. It might it must be a restaurant because it says you know, oh look it's the
- 3 Gudestan restaurant or it says palace. Gudestan palace?
- 4 MR. ASHMAWY: What is- do you know what that is?
- 5 WITNESS: It was one of the places we went for the convention program.
- 6 MR. ASHMAWY: And who would've paid for that?
- 7 WITNESS: Turquoise Council.
- 8 MR. ASHMAWY: Is it the same for TAFM0024?
- 9 WITNESS: That's right. Yeah.
- 10 MR. ASHMAWY: And then there's just a few more pages. TAFM0025, is the same
- 11 true?
- 12 WITNESS: Same thing, yeah.
- 13 MR. ASHMAWY: And 0026?
- 14 WITNESS: Yeah.
- 15 MR. ASHMAWY: And 0027?
- 16 WITNESS: That's right.
- 17 MR. ASHMAWY: Sorry to keep asking you this, but 0028?
- WITNESS: Slightly different, but looks like you know, the same type of receipts.
- 19 MR. ASHMAWY: Does it look like food expenses?
- 20 WITNESS: Yes, it says restaurants so food expense.
- 21 MR. ASHMAWY: And 0029?
- 22 WITNESS: That's right.
- 23 MR. ASHMAWY: 0030?
- 24 WITNESS: That's right.
- 25 MR. ASHMAWY: Also food expenses?
- 26 WITNESS: Yeah.
- 27 MR. ASHMAWY: And then what is can you decipher what –
- 28 WITNESS: Another food, another Gupta palace this time.
- 29 MR. ASHMAWY: And that is page 0031. And that is also for food?
- 30 WITNESS: That is right.
- 31 MR. ASHMAWY: All of these would be paid for by the Turquoise Council?
- 32 WITNESS: Yeah
- 33 MR. ASHMAWY: If you can we're just going to page through; so I'm showing you
- 34 0032, 0033, 0034, 0035, 0036. Are all of those receipts for food?
- 35 WITNESS: [inaudible]...
- 36 MR. ASHMAWY: And all of the extra would've been paid for by the Turquoise
- 37 Council?
- 38 WITNESS: That's right
- 39 MR. ASHMAWY: I want to back pedal just real fast while we're on this particular topic.
- 40 WITNESS: Sure.

- 1 MR. ASHMAWY: Some of the members and some of the staffers went to Turkey before
- 2 they went to Azerbaijan.
- 3 WITNESS: That's right.
- 4 MR. ASHMAWY: They would have received we understand they would've received
- 5 some gifts. Maybe some ceramics, maybe some jewelry. Who paid for those gifts?
- 6 WITNESS: In Turkey?
- 7 MR. ASHMAWY: Yeah.
- 8 WITNESS: I don't remember them receiving any big gifts, but sometimes you know it's
- 9 a Turkish tradition if you go to even an official meeting, you know people have already
- you know their things prepared for you, little souvenirs I would say. Might be just a small
- plate, ceramic plate. I don't know about jewelry, but something of that reminds them of
- 12 Turkey.
- 13 MR. ASHMAWY: I believe some people received a tea set?
- WITNESS: Maybe some of them may have. That's another Turkish- tradition souvenir.
- MR. ASHMAWY: Do you have any idea who would've paid for those?
- 16 WITNESS: I don't know. I was not in charge of you know even if they received
- anything I wasn't in charge of those you know the gifts they received.
- MR. SOLIS: What about at the convention? It comes to our understanding that there may
- 19 have been some decorative rugs delivered to some of the conferences attendees. Do you
- 20 know anything about that?
- 21 WITNESS: No, I don't know.
- 22 MR. SOLIS: None of the staffers said to you, "Witness we got these rugs."
- 23 WITNESS: I don't remember hearing anything from the staffers about you know of
- course at the hotel
- 25 MR. SOLIS: Did you receive a rug?
- 26 WITNESS: I received a small rug, yeah.
- 27 MR. SOLIS: And what talk about that.
- 28 WITNESS: It was just at the hotel, the last few people were leaving and then I saw that
- 29 the you know, there were rugs being you know distributed to the participants. I thought
- 30 this was another tradition thing you know that the organizers were you know giving out
- 31 to the people.
- 32 MR. SOLIS: And what do you mean organizers?
- 33 WITNESS: I mean uh... the organizers that were organizing the convention from
- 34 Azerbaijan side. I don't know the people, I don't know them or the organizations. I only
- 35 know Kemal. Yeah.
- 36 MR. SOLIS: Did you ask anybody where the rugs came from?
- 37 WITNESS: No.
- 38 MR. SOLIS: Did you take it?
- 39 WITNESS: I took one. Yeah.
- 40 MR. ASHMAWY: Do you know how much that rug was worth by any chance?

- 1 WITNESS: My rug was...uhm... I don't know the prices, maybe \$200 or \$300 that I
- 2 received.
- 3 MR. SOLIS: And how do you know that?
- 4 WITNESS: I mean, Turkey we have those similar rugs. I received two of them I guess,
- 5 One of them was very simple. \$200 or \$300 I would say. The other one might be more
- 6 expensive than that.
- 7 MR. ASHMAWY: So you received two rugs?
- 8 WITNESS: Yeah I received two.
- 9 MR. ASHMAWY: Do you know if everyone received two rugs?
- 10 WITNESS: I think they gave it to everyone.
- 11 MR. ASHMAWY: So... and by everyone, you mean everyone who attended the
- 12 conference?
- 13 WITNESS: That's right.
- 14 MR. ASHMAWY: And is your -- again I'm not putting words in your mouth so correct
- me if I'm wrong. It is your opinion that it came from the someone from Azerbaijan?
- 16 WITNESS: Yes, I would say.
- 17 MR. ASHMAWY: So not from the Turquoise Council, not from anyone in the United
- 18 States?
- 19 WITNESS: I think more from Azerbaijan side government or some company I don't
- 20 know. But those were Azerbaijani rugs so I would say it's coming from Azerbaijani
- 21 sides.
- 22 MR. SOLIS: and you could actually tell there was a difference? Like as opposed to a
- 23 Turkish rug? It seemed to you as Azerbaijani?
- 24 WITNESS: Yeah.
- 25 MR. SOLIS: Okay. We kind of want to move to the convention itself. We don't have a
- lot left, but we did want to talk about the convention.
- 27 WITNESS: Yeah.
- 28 MR. SOLIS: You know through the discussion today we've basically learned a lot about
- 29 how it was funded and the role that basically the Turquoise Council played in setting up
- 30 nearly everything, so I understand you probably don't know a lot about the convention,
- but to the extent that you do, you know please be as honest with me as you can about
- what you know about this trip.
- 33 WITNESS: Sure.
- 34 MR. SOLIS: So when you're at the convention, how long did it last?
- WITNESS: It was a two day program. The panel discussions series took the whole day.
- And then the rest of them was some dinners and official meetings.
- 37 MR. SOLIS: You said official meetings?
- 38 WITNESS: Yeah.
- 39 MR. SOLIS: What do you mean by official meetings?

- 1 WITNESS: I think on the itineraries we have all the meetings we did, foreign minister, I
- 2 remember the president you know, invited the members –
- 3 MR. SOLIS: The President of Azerbaijan?
- 4 WITNESS: Yes. To his, I don't know President's or official office. That kind of stuff.
- 5 And then we had also some site-seeing in Baku.
- 6 MR. SOLIS: So are you with this the staffers, your staffers that you disclosed you were
- 7 sponsoring? You were with them?
- 8 WITNESS: Yeah I was with them.
- 9 MR. SOLIS: Was Kemal was with you as well?
- WITNESS: Kemal was busy with the convention so he was not with us specifically, but
- during the convention time he was always with the people.
- MR. SOLIS: Who else is with you when you're visiting with the President, you're site-
- seeing, is it just you and the staffers? Were there representatives of Azerbaijan with you?
- 14 WITNESS: Just a guide.
- 15 MR. SOLIS: A guide?
- 16 WITNESS: Yeah.
- 17 MR. SOLIS: Who did he work for?
- 18 WITNESS: Say it again?
- 19 MR. SOLIS: Who did the guide work for?
- 20 WITNESS: I don't know. I think it was part of the organization. I'm sure the
- organization just found those people. The convention organization, whatever part in
- 22 Azerbaijan.
- 23 MR. SOLIS: Okay. Did you speak with anybody at the convention from SOCAR?
- 24 WITNESS: Some people are from D.C. I saw them one or two times –
- 25 MR. SOLIS: Who do you know from D.C.?
- 26 WITNESS: I think the President of the SOCAR company, the Vice President, a few of
- those officials came to D.C. before. I remember seeing them also, but I didn't have a
- lengthy conversation; I just said, "hi, I'm from Chicago do you remember me?" That's
- 29 about it.
- 30 MR. SOLIS: Does Kemal know them?
- 31 WITNESS: Kemal knows them more, yeah.
- 32 MR. SOLIS: How do you know that?
- WITNESS: Because the convention that we're organizing in D.C. I know those guys
- over there too.
- 35 MR. ASHMAWY: Is there a relationship between SOCAR and the Turquoise Council?
- 36 WITNESS: I don't know the details or anything. I know SOCAR SOCAR'S name, I
- know SOCAR from Kemal, I assume there's a relationship.
- 38 MR. SOLIS: You assume there's a relationship?
- 39 WITNESS: Yeah.
- 40 MR. SOLIS: Why do you assume that?

- 1 WITNESS: Because I heard SOCAR and then I saw Kemal with the SOCAR officials at
- 2 the convention in D.C.
- 3 MR. ASHMAWY: Are you familiar with the organization called the Assembly of
- 4 Friends of Azerbaijan?
- 5 WITNESS: I saw about it I mean I heard about it, yeah.
- 6 MR. ASHMAWY: What do you know about it?
- 7 WITNESS: I think it is an organization established by Kemal? I would say.
- 8 MR. ASHMAWY: Do you know if a relationship between them and the Turquoise
- 9 Council?
- WITNESS: Yeah I mean I don't know what kind of relationship they have, but I heard
- 11 that name through Kemal.
- MR. SOLIS: And what does he say about the Assembly of Friends of Azerbaijan?
- WITNESS: He said there's a new organization such as we had Federations for the
- 14 Turkish cause they also wanted to do something similar for Azerbaijan so that's Friends
- of Azerbaijan organization would serve that purpose. That's what I understood.
- MR. SOLIS: How does the Assembly of Friends of Azerbaijan pay its bills? How does it
- 17 get its funding?
- 18 WITNESS: I have no idea.
- 19 MR. SOLIS: Do you know where it's based?
- 20 WITNESS: I don't know. Might be in Texas or D.C.. I don't know.
- 21 MR. SOLIS: Do you know how many employees it has?
- 22 WITNESS: I don't know.
- 23 MR. SOLIS: Okay. Does the name Roberti & White –
- 24 WITNESS: Say it again?
- 25 MR. SOLIS: Ruberti & White. Do you know that name?
- 26 WITNESS: No.
- 27 MR. SOLIS: Do you know the name Arie Mitteman?
- 28 WITNESS: No. Arie? A-R-I-E? Yeah I remember him. I think he was working for
- 29 Senator Casey? Bob Casey before?
- 30 MR. SOLIS: In the context of the convention, do you recall seeing him?
- 31 WITNESS: I don't remember seeing him at all.
- MR. SOLIS: If I read off some names of some entities, can you tell me if you saw their
- logo there or if they were present or anything like that?
- 34 WITNESS: Ok.
- 35 MR. SOLIS: Chevron?
- 36 WITNESS: I don't know, I don't remember seeing any logo or anything. During the
- convention, you say right? I didn't really pay attention.
- 38 MR. SOLIS: Conoco Phillips?
- 39 WITNESS: Same thing.
- 40 MR. SOLIS: McDermott?

- 1 WITNESS: I don't know anything about them.
- 2 MR. SOLIS: Okay. Do you know what Practical Solutions Group is?
- 3 WITNESS: No.
- 4 MR. SOLIS: Do you know what Caspian Drilling Company is?
- 5 WITNESS: No. I assume it's about Azerbaijan from the Caspian Sea because the
- 6 Caspian Sea has border with Azerbaijan, I guess.
- 7 MR. SOLIS: Okay. Did some of the other individuals, Cemil Teber from the Southeast
- 8 Federation, Faruk from the Alliance, did they go to the convention as well?
- 9 WITNESS: I remember Faruk but I don't remember seeing Cemil, maybe he was there
- 10 but I just don't' remember.
- 11 MR. SOLIS: Mr. Kosar from the Council of Turkic American Associations?
- 12 WITNESS: He was there, yeah
- 13 MR. SOLIS: He was there? You know him?
- 14 WITNESS: Yeah I know him. I mean he's the president of the sister Federation.
- MR. SOLIS: Did he talk to you about the trip and how he was inviting people?
- 16 WITNESS: No.
- 17 MR. SOLIS: No?
- 18 WITNESS: No.
- 19 MR. SOLIS: Just reviewing some of our notes here –
- 20 WITNESS: Sure, yeah.
- 21 MR. ASHMAWY: Did you so you went with the staffers and the members on some of
- 22 these tours?
- 23 WITNESS: Mhmm.
- 24 MR. ASHMAWY: Correct?
- WITNESS: That's right.
- MR. ASHMAWY: Were any of the events sponsored or related to SOCAR?
- 27 WITNESS: No. I mean our trips that we took to Turkey before?
- 28 MR. ASHMAWY: No, no. Again, at this conference while you were in Baku in 2013,
- 29 did you go with the staffers or members to anything related to SOCAR? A dinner? An
- 30 event?
- 31 WITNESS: I came to Baku really late because I was with the staffers in Turkey, so I
- think the itinerary there was a meeting with SOCAR, but I was not at that meeting and
- then some members you know, they just went to meetings, but we were not there so it
- was just only House members and then the organizers of the programs, so I don't really
- much know about how deep you know SOCAR was involved in those meetings or you
- 36 know, arrangements.
- 37 MR. SOLIS: Did it seem like SOCAR's convention?
- 38 WITNESS: I don't remember seeing SOCAR you know, during the conve—because I
- didn't pay attention. You know you asked me those names, those companies; I didn't

- 1 really pay attention whose logo was there. So I don't know how big SOCAR was there,
- 2 but I remember, but I know that SOCAR is a big company in Azerbaijan –
- 3 MR. SOLIS: I mean we have –
- 4 WITNESS: The main company I would say...
- 5 MR. SOLIS: We have, you know photos of the event and there's big poster boards that
- 6 discussed the conference sponsors and conference organizers. The conference organizers
- 7 seemed to be at least, again from the photos we see, the Turquoise Council and the
- 8 Assembly of Friends of Azerbaijan are both of Kemal's organizations that he you know,
- 9 at least it looks like he has the control over, he's the president of. The conference
- sponsors seemed to be SOCAR and Caspian Drilling.
- 11 WITNESS: Okay...
- MR. SOLIS: So...you know we see photos of their logos on top and we just want to get
- a sense of whether it seemed like the event was geared towards issues that SOCAR cared
- about, issues that the Azerbaijani government cared about? Would you say that –
- WITNESS: I mean if you show me the photos I'm sure I'll remember, but I didn't really
- pay much attention. The reason is I was more with our guests, trying to handle their, you
- know issues and other things. I didn't much participate actual panel discussions because I
- was doing other things, trying to care of because we had room problems, you know
- 19 people were asking you know, what they're going to dress for the dinner and other things
- so, I didn't pay much attention about the actual panel discussions.
- 21 MR. SOLIS: Did you hear anybody talk at all, Kemal, anybody about SOCAR providing
- 22 meals or anything bringing money to the conference?
- 23 WITNESS: No we didn't talk anything about that.
- MR. SOLIS: Did you attend an event that same year in 2013 in July; was there a
- delegation from Azerbaijan that came into town and you were with Kemal?
- 26 WITNESS: Which town? D.C.?
- 27 MR. SOLIS: In Washington, D.C., I'm sorry.
- WITNESS: D.C. as I said I don't remember the July one, but there was some
- 29 conventions that Kemal was organizing and I'm the most supportive of those events
- because I believe that strengthens our relationship with these countries and the U.S. so I
- 31 participated to some of them, yeah.
- 32 MR. SOLIS: So, you know we've asked you about Kemal's relationship with Azerbaijan
- about SOCAR and you said you've seen him with representatives of SOCAR; does he
- ever talk to you about his relationship with people from SOCAR?
- WITNESS: He doesn't really talk much about his relationships. I'm not such a person
- 36 who's interested in every detail, about where the money comes from, you know what's
- the relationship. I just try to take the benefit if there's issues with these countries then I
- want to involve all congresspersons and staffers as much as possible. Part of the mission
- that you know we want to improve relations, but other than that I don't really know much
- 40 about it.

- 1 MR. SOLIS: How often do you speak with Kemal?
- 2 WITNESS: We spoke during the meetings in D.C. and then maybe once a month I would
- 3 just call him because he was in Chicago before so I know him from Chicago so I would –
- 4 we would talk about kids and other things, but that's about it. And if there's a new
- 5 program like about Azerbaijan, I would ask him when is the program, who's coming and
- 6 what other information he can give to me.
- 7 MR. SOLIS: Do you still talk to him in 2015?
- 8 WITNESS: No he's no longer with the Turquoise, I mean he's not a member of the
- 9 Turkic Alliance anymore so we don't have much in common.
- 10 MR. ASHMAWY: Why not? Why is he no longer in –
- 11 WITNESS: He's more with the AFAZ the friends of Azerbaijan so he's not with the
- 12 Turquoise anymore.
- 13 MR. SOLIS: and why not?
- WITNESS: I don't know, it's his personal decision I would say he's more involved with
- 15 AFAZ.
- 16 MR. ASHMAWY: Did it have anything to do with this investigation?
- 17 WITNESS: I don't know. I don't think so.
- MR. SOLIS: How did you hear about that, that he had left Turquoise Council?
- 19 WITNESS: Because Bilal was working with me in the organization, now he's in Texas
- and with the Turquoise Council and I found out that you know Kemal is not anymore
- with Turquoise.
- 22 MR. SOLIS: So Bilal took his position?
- 23 WITNESS: That's right.
- 24 MR. SOLIS: Have you when was the last time you talked to Kemal?
- 25 WITNESS: I don't remember. Must be 2-3 months ago. I think there was a program in
- 26 D.C. I don't remember. I remember seeing him there that's about it.
- 27 MR. SOLIS: Is he from Azerbaijan?
- WITNESS: No. he's from Turkey.
- 29 MR. SOLIS: So do you know why he would run the Assembly of Friends of Azerbaijan?
- WITNESS: I think his relations with Azerbaijan got really deep and then he's more
- 31 involved you know Azerbaijan officials, companies and other things.
- 32 MR. SOLIS: Have you—
- 33 MR. ASHMAWY: Before we get I just want to get one quick clarification which was,
- you gave us bank statements for the... was it the 3/5 bank –
- 35 WITNESS: ... Bank? Yes.
- 36 MR. ASHMAWY: Is that the only bank account that the Federation has?
- WITNESS: We also have a Chase account, but I think that was way after the Azerbaijani
- trip. And one of them is already closed so I couldn't get the information on time. If you
- 39 need those too, I can just provide them that's kind of—
- 40 MR. ASHMAWY: Which bank account was closed?

- 1 WITNESS: Chase bank account. Chase
- 2 MR. ASHMAWY: So you think the Chase bank account was opened and closed after the
- 3 trip?
- 4 WITNESS: Uh... after the trip, yeah. And again there's nothing significant about that
- 5 bank account either, but if you need that one I can provide the documents too.
- 6 MR. SOLIS: Have you talked to anybody anybody at all about our review, about our
- 7 investigation?
- 8 WITNESS: No, no I didn't.
- 9 MR. SOLIS: Okay. Did you reach out to any staffers or anybody that you disclosed the
- 10 sponsoring?
- 11 WITNESS: No.
- MR. SOLIS: You know we've spoken to staffers and we've heard from at least one of
- them that you did email them that you wanted to talk about this review. You don't recall
- 14 that?
- WITNESS: No, I didn't say anything like that.
- 16 MR. SOLIS: Erica Streible? From Representative Crenshaw's office?
- 17 WITNESS: No.
- 18 MR. SOLIS: You don't recall emailing her about this investigation?
- 19 WITNESS: No... No. I didn't email anyone like that.
- 20 MR. SOLIS: Okay. The submission you made to our office, you wrote in a letter—
- 21 WITNESS: Yes
- 22 MR. SOLIS: Right? You wrote that your communications, and I'm quoting your letter,
- 23 "communications regarding that Azerbaijan trip and the rest of my emails have been
- 24 deleted due to technical glitches in my Gmail account." I mean what happened?
- 25 WITNESS: This happened to me with my hotmail account before. I mean all of a sudden
- 26 everything was deleted. Again this happened with gmail and everything was deleted. And
- I also deleted some of my emails too, but this didn't have anything related to the
- 28 investigation.
- 29 MR. ASHMAWY: What specifically was deleted?
- 30 WITNESS: All my accounts. Gmail. Everything gone.
- 31 MR. ASHMAWY: Again I want to be very clear; I don't want to put words in your
- mouth. What was deleted? The emails?
- WITNESS: All the emails, the messages and everything that I was keeping in my email.
- 34 MR. ASHMAWY: So one day you signed into your account and nothing was there?
- 35 WITNESS: Everything was gone.
- 36 MR. ASHMAWY: Your account was still open?
- WITNESS: Yes it was still open, but all the emails were gone.
- 38 MR. SOLIS: And it's emails unrelated to the trip as well, right?
- 39 WITNESS: Everything –
- 40 MR. SOLIS: Everything, personal, otherwise?

- 1 WITNESS: Personal, official, everything, trip too so I couldn't bring you anything.
- 2 MR. SOLIS: When did that happen?
- WITNESS: Uhm... my oldest account goes to May I think it's May or April of 2014.
- 4 And I remember that when you send me the first letter that there's this investigation
- 5 going on so keep everything, I kept everything, but all the those emails were gone.
- 6 MR. SOLIS: So this didn't occur after we reached out to you? This was a while before?
- 7 WITNESS: That's right. Yes.
- 8 MR. ASHMAWY: I mean we have the ability to go to to Google and make a request
- 9 for any for those documents, would you be willing to sign a consent form?
- 10 WITNESS: That's okay, not a problem.
- 11 MR. ASHMAWY: Yeah?
- WITNESS: I mean I didn't do that on purpose so I'm clear about it. And as I said, when
- 13 you sent me the first investigation letter my emails were gone way before that so and then
- 14 I didn't do anything with it after that.
- 15 MR. ASHMAWY: I appreciate that.
- MR. SOLIS: We're pretty much closing up, I just want to do a couple brief last
- 17 questions.
- 18 WITNESS: Yeah.
- MR. SOLIS: I just want to be clear on this timeline about the trip, given that the
- Turquoise Council and Kemal really did set everything up, I think you mentioned that a
- 21 couple of months prior to the trip, he would've contacted you?
- 22 WITNESS: About what?
- 23 MR. SOLIS: About the convention?
- 24 WITNESS: Yeah.
- 25 MR. SOLIS: And what would he have said to get this whole thing in motion?
- 26 WITNESS: As I said, we were discussing all these conventions during our D.C.
- 27 meetings and he's planning on doing one for Baku so he wanted all our help to help him
- out to invite Congresspersons, staffers, other people that would you know, we would
- 29 think influential to Baku. It's a big organization and I can't handle everything by myself,
- so just help me out and then I was in the convention first because we had already been
- doing conventions in Washington D.C. and we said okay because we wanted to improve
- relations with Turkey, Azerbaijan, Kirgizstan, Kazakhstan so we said okay.
- 33 MR. SOLIS: You know we've asked you extensively about the you know, the invoices
- and airfare and meals invoices for lodging, all of that stuff and the Turquoise Council
- 35 paid for everything?
- WITNESS: That's my understanding, yeah.
- 37 MR. SOLIS: Right.
- 38 MR. ASHMAWY: And not just for you -- people you invited, but for everyone who
- 39 went?
- 40 WITNESS: I think so, yeah.

- 1 MR. SOLIS: That's something we want to, I asked you previously, you said -- I don't
- 2 want to put words in your mouth, but you said something to the effect of, "I don't know
- about the Federations, how they handled it."
- 4 WITNESS: Yeah.
- 5 MR. SOLIS: I think it is probably safe to say, at least it seems to me from what you told
- 6 us, that they did pay for everybody's travel.
- 7 WITNESS: Yeah I think so, yeah. I can't speak on behalf of other organizations because
- 8 I don't know how they did it, but I would say similar to my organization.
- 9 MR. SOLIS: I want to be very clear; did you ever have a conversation with anybody at
- 10 CTAA or the Federation of the Southeast or the Turkic-American Alliance, anybody
- about how they were going to pay for the travel to Turkey and Baku?
- WITNESS: No. I mean we didn't have the financial part to pay for it. Turquoise was
- paying for it and then we went with it.
- MR. SOLIS: But I'm speaking about the other organizations. Did you have any
- 15 conversations with the presidents or the heads of anybody any from those
- organizations, anyone else? How they were going to pay for—
- 17 WITNESS: No, just Kemal.
- MR. SOLIS: Okay, but you as Omar asked you that question, it's a safe assumption that
- they probably paid for everybody?
- 20 WITNESS: Yeah, I would say so.
- 21 MR. SOLIS: I think that's all we have for you.
- 22 WITNESS: Alright
- 23 MR. ASHMAWY: Again, thank you very much. We know this was a long review, we
- 24 appreciate your cooperation.
- 25 MR. SOLIS: Thank you.
- 26 WITNESS: Thank you.

FINANCE CHARGES: Although the Bank uses the Daily Balance method to calculate the finance charge on your Moneyline/Overdraft Protection account (the term "ODP" or "OD" refers to Overdraft Protection), the Bank discloses the Average Daily Balance on the periodic statement as an easier method for you to calculate the finance charge. The finance charge begins to accrue on the date advances and other debits are posted to your account and will continue until the balance has been paid in full.

To compute the finance charge, multiply the Average Daily Balance times the Days in Period times the Daily Periodic Rate (as listed in the Account Summary section on the front of the statement). The Average Daily Balance is calculated by adding the balance for each day of the billing cycle, then dividing the total balance by the number of Days in the Billing Cycle. The daily balance is the balance for the day after advances have been added and payments or credits have been subtracted plus or minus any other adjustments that might have occurred that day. There is no grace period during which no finance charge accrues. Finance charge adjustments are included in your total finance charge.

TRANSCRIPT OF INTERVIEW OF CTAA BOOKKEEPER

4/10/15

1 2 3 4	Nate:	This Nate Wright. I'm here with Omar Ashmawy from the Office of Congressional Ethics. This is an interview with the CTAA Bookkeeper. I'm probably mispronouncing that. I apologize. And also in the interview is the CTAA Program Director
5	CTAA Progra	m Director: CTAA Program Director.
6	Nate:	Yeah. Thank you Who's serving as a translator. It is April 10, 2015.
7 8		You are currently a volunteer with the Council for Turkic American Association. Is that correct?
9	Witness:	Yes, that's correct.
10	Nate:	How long have you been a volunteer for the organization?
11	Witness:	Long time. Maybe 4, 5 years.
12	Nate:	And what do you do for them primarily?
13	Witness:	Say again?
14	Nate:	What kind of services do you do for them?
15 16 17 18 19	Witness:	What kind of services? I'm not accountant, just I am bookkeeper. For example, I don't manage this company anything. For example, Mr. Kosar collect donation from other people. He gave me. I deposit to bank. And then CTAA Program Director or Mr. Kosar sent invoice to me. "Pay this invoice, this one there." Okay. If they have money in bank, I wrote check. I sent [inaudible]. That's it.
20 21 22 23		I'm not collect money. I'm not collect any donation from other people. They collect. Mr. Kosar collect. They give to me or they deposit to bank. I check end of the month. I check the bank statement. What's this, what's this. I enter all transaction to QuickBooks. That's it.
24	Nate:	Who writes the checks?
25	Witness:	Me. From QuickBooks.

1 2	Nate:	Okay. So, in the system, Mr. Kosar might send you an invoice and then you would write the checks using QuickBooks and send the checks out.
3 4 5 6	Witness:	That's it. And also I run payroll. Payroll company, I call, check online. I send email. For this month, check for CTAA Program Director and Kosar, this amount. They send check to me in my office. I gave their to Kosar and CTAA Program Director.
7 8	Nate:	Okay. Is there ever a situation when Mr. Kosar has waited to deposit salary checks or has delayed receiving checks?
9	Witness:	His payroll checks?
10	Nate:	Yes.
11	Witness:	Sometimes.
12	Nate:	Does he ever have
13 14	Witness:	Because you can check all bank statements. There are not enough money in bank.
15	Nate:	Oh, okay. So, if there's not enough money in the account, he might wait to
16 17	Witness:	I printed statements here for 2013. There is not enough money for activity or payroll sometimes.
18 19	Nate:	Oh, okay. Does Mr. Kosar ever talk to you about programs that they want to do and ask you if there's enough money to spend certain amounts?
20 21 22 23	Witness:	He organize. For example, he's going to organize some program. He said we have to pay this amount to here. If Okay, no problem. I can pay. Do you have money? Do you have money in bank? Okay. Okay, I'm going to collect money and we can put deposit to bank and then after that I wrote check.
24	Nate:	Okay. But, you've never said, "We don't have enough money to ?"
25	Witness:	Only [Foreign language 00:04:29].
26	CTAA Program	Director: I do whatever he says.
27	Nate:	Okay.
28	Witness:	That's it.

1 Nate: Does he ever ask you how much money is available? 2 Witness: Right now? 3 Nate: At any point. Does he ever say, "How much money do we have in the bank account?" 4 5 Average? Monthly average? Witness: 6 CTAA Program Director: [Foreign language 00:04:47] 7 No. No, because he knows. Witness: 8 Nate: So, he knows how much is in the bank? 9 Witness: Yes. I'm not collect money. 10 Nate: Oh, so, because he's the one that does the fundraising, he's the one who would know how much is in the account. Is that . . . Am I characterizing that 11 12 accurately? 13 Witness: [Foreign language 00:05:12] 14 CTAA Program Director: [Foreign language 00:05:17] 15 Witness: Yeah, it's correct. 16 Omar: Does Mr. Kosar have access to the bank account? 17 Witness: I don't know. He knows [gesturing toward CTAA Program Director]. 18 CTAA Program Director: Yeah, he has access. 19 Witness: He knows. 20 Nate: Ask you about some documents. This is CTAA0021. This is an invoice that was 21 sent from Tursan Travel to Council of Turkic American Associations. Is this the 22 kind of thing that Mr. Kosar would send to you and say, "We need to make sure 23 that we pay this expense; we need you to send a check?" 24 CTAA Program Director: [Foreign language 00:06:15] 25 Witness: Yes, they said something like this. But I don't see this invoice before.

1	Nate:	You haven't seen this invoice before?
2	Witness:	No.
3	Nate:	Okay. This is the first time you're seeing this invoice?
4	Witness:	Yes. I'm sure.
5 6	Nate:	Okay. Why do you say you're sure? You would recognize seeing something like this before?
7 8	Witness:	He say we are going to pay tickets for this program. Okay, we are going to pay. But I didn't see this invoice before.
9	Nate:	Okay.
10 11	Witness:	But he said me, "We have to pay for money for tickets this company." Just say. He didn't send me invoice. I'm sure.
12	Omar:	Did he tell you how much money?
13	Witness:	No.
14	Omar:	This is NIL0124. Did you write this check?
15 16 17 18 19	Witness:	Yes. And this is new check. Okay, this is new check. He say after that This situation After that, he call me. We talk face-to-face. So, he explain to all of them, so we have to pay this checks like this and this wire transfer to Turkey. Okay, I'm going to collect money, donation from the people and we are going to deposit and then send this amount to Tursan Travel.
20	Nate:	Okay.
21	Witness:	I can explain it right? Correctly?
22	Nate:	Yeah. So, this month he said, "We need to pay these expenses."
23	Witness:	Yes.
24	Nate:	"I'll collect the money."
25	Witness:	He collect the money.
26	Nate:	"I'll tell you the-"

1	Witness:	He get the check.
2	Nate:	Yeah.
3	Witness:	I deposit the bank and then I wrote to this check.
4	Nate:	And then you mentioned you also sent out wire transfers?
5	Witness:	Yeah, you want to see?
6	Nate:	Yeah.
7 8	Witness:	This is last transactions. This is bank account. Right now, we have balance \$1,500. This is \$2,280 for wire transfer to its Turkey. And this check
9	Nate:	Yes, this one.
10	Witness:	I sent one check to Turquise
11	Nate:	The Turquoise Council?
12 13	Witness:	Turquoise Council. Like this, \$900 more. I sent 2 checks but it's not clean right now.
14	Nate:	Okay. They haven't deposited it.
15	Witness:	Yes, they didn't deposit it.
16	Nate:	Okay.
17	Witness:	Maybe they deposit today.
18	Nate:	Do you mind if we take this?
19	Witness:	Sure.
20	Nate:	Okay.
21 22	Witness:	For example, first deposit like this. Second deposit like to 31 and last deposit, 4/3. And check clear 4/6.
23 24	Nate:	Oh, okay. I see. So, he got enough money to be able to pay off the outstanding balances.

1	Witness:	Yes.
2 3 4 5	Nate:	Want to just ask a couple questions about one of those About one of the bank records here. So, this is a copy that was given to us. It's CTAA0137. This is the bank statement for the period of May of 2013. We just had a few questions on this. We understand that where these expenses here, this 1021, \$6,100.
6	Witness:	World Travel.
7	Nate:	Yeah, that was to World of Travel.
8	Witness:	Okay. These checks for payroll checks, salary checks.
9	Nate:	Yes. I remember that you've
10 11	Witness:	1, 2, 3, 4. 4 check for Mr. Kosar, for example, maybe June January, February, March I don't know.
12	Nate:	Okay.
13	Witness:	Let me check. If you want, I check.
14	Nate:	Yeah, we do have a copy of the checks in here.
15	Witness:	You have? Okay.
16	Nate:	And I believe that you are right, that it is CTAA173.
17	Witness:	One of them, is
18	Nate:	Yeah, this is for April of-
19	Witness:	One of them is
20	Nate:	This is the check for World of Travel, 1021.
21	Witness:	Okay. This is CTAA Program Director. For him.
22	Nate:	For his salary for April and then
23	Witness:	Look at this.
24	Nate:	Yeah. From January. So, it's from January until

1 Witness: January, February, March, April checks for Mr. Kosar and last one is \$2,000 for 2 CTAA Program Director payroll check, salary check. 3 Nate: Okay. So, help me to understand a little bit . . . Because you had said before . . . 4 And we don't actually have these . . . But oftentimes, the money might not be 5 there for him earlier in the year to have taken those salary checks. 6 Witness: I can't answer so . . . 7 CTAA Program Director: [Foreign language 00:12:04] 8 Yes, that's correct. Witness: 9 Omar: The reason why he cashed 4 checks in May was because there was no money 10 before. 11 Witness: Sure. They collect money in this month a lot of donation. After that you can 12 check the other bank statement. For example, July, August, September, October, 13 November. There is not enough money. For example, 2014 they collect donation only \$8,000. This is 2014, just only 4 basic invoice and just a little. 14 15 Omar: In May. 16 Witness: May. 17 Omar: The same document, 0137, the deposits. 18 Witness: Deposit, okay. 19 Omar: \$25,000, \$6,800, \$2,000, \$6,100. Do you remember . . . Did you make the 20 deposits? 21 Witness: I'm not sure. Maybe me, maybe CTAA Program Director, maybe Furkan. Because 22 long time ago. 23 Omar: Do you remember \$6,100? 24 This one on May 13th, deposit for \$6,100? Nate: 25 Omar: Do you know where that came from? 26 Witness: I'm not sure, sir. It could be or not. We can check the deposit slip. Who made it.

1 2	Nate:	Oh, okay. Do you have any idea who might have made it or would just prefer to . \hdots ?
3	Witness:	I think I'm not deposit this one. I don't deposit this, I think.
4	Nate:	Do you remember the \$25,000?
5 6	Witness:	\$25,000 from Turkish bank. This is Vakif bank in Turkey. But in Manhattan. There are a branch in Manhattan. I think they collect this money for this program.
7	Nate:	Yeah. For the convention. To fund it.
8 9 10 11 12	Witness:	But they don't have a lot invoices for vendor and they need the salary check. They pay this salary, payroll check and this vendors, this invoices, outstanding invoice balance. After that, they can I think they think Mr. Kosar think we can pay this amount with the tickets next month Next month. But, next month
13 14 15 16 17		Yes, this one. This is May. June. Next month deposit zero. The other month \$2,400. This is for another transfer from other bank account for different program. Other \$5,000 Only \$5,000. And then September, \$5,000. After October, \$13,000. They pay November, 5. December, \$4,500. I think they cannot collect enough money for this bill maybe. Maybe they can pay later.
18 19	Omar:	So, now, you wrote a check for \$14,000. You wrote a check for \$985. And a check for
20	Nate:	Wire transfer.
21	Witness:	Wire transfer \$2,000.
22	Omar:	To Bakaid, in Turkey. Was all of that money available? Was it in the bank?
23	Witness:	Yes.
24	Omar:	Yes. Do you know where it came from?
25	Witness:	I do.
26	Omar:	Where?
27	Witness:	Bank. Deposit donations?
28	Omar:	Yes.

1 Witness: For example, one of them is restaurant in Paris. \$5,000, \$5,000, \$10,00. \$5,000

from check, I cannot remember right now. A company. And \$3,000 cash.

3 Omar: And those were new donations.

4 Witness: New donations.

5 Omar: New donations.

6 Witness: \$5-, \$5-, \$5-, \$3-, \$18,000. Three checks, \$3,000 cash. I deposit. I know.

7 Nate: Okay.

8 Omar: Is this . . . The wire transfer to Bakiad.

9 Witness: I'm not authorize in bank.

10 Omar: Yes, but-

11 Witness: He did.

12 Omar: Is this the first time-

13 Nate: Oh, you can't make wire transfers?

14 Witness: No.

15 Nate: Okay.

16 Witness: I'm not authorize in bank. I wrote check but not sign. I used to sign.

17 Omar: Do you know if this is the first time CTAA has paid Bakiad?

18 Witness: Say again, I'm sorry.

19 Omar: It's okay. Is this the first time-

Witness: First time.

21 Omar: That Bakiad has received money?

22 Witness: QuickBooks first time.

23 Nate: The first time you've entered in-

1 Witness: Bakiad, first time. 2 Nate: Is that the same with TCAE? 3 Check? Witness: 4 Nate: Yeah. 5 Witness: I think first time. I cannot remember before this company. Turquoise. 6 Nate: Was there every any conversation about how to account for this outstanding 7 invoice? 8 Witness: I'm sorry. 9 Nate: Did anyone ask you to put this in as an outstanding invoice into QuickBooks? 10 Omar: Do you track debt? 11 Witness: Do check? 12 Do you keep track of debt? Omar: 13 CTAA Program Director: [Foreign language 00:18:36] 14 No. [Foreign language 00:18:45] Witness: 15 CTAA Program Director: I don't enter the debt into QuickBooks. I don't know the debt. 16 Omar: Okay. 17 Witness: You can check the QuickBooks. There is no outstanding balance in any company, 18 anywhere. It's zero. Account payable to zero always. 19 Omar: Did you know before recently, before a few weeks ago, that CTAA owed for some travel? The \$14,000? 20 21 Witness: Owed? 22 Omar: That there was money supposed to be paid to Tursan. 23 Witness: I'm sorry, can you explain it to me? 24 CTAA Program Director: [Foreign language 00:19:30]

1	Witness:	[Foreign language 00:19:34]
2	CTAA Program	Director: I knew before [crosstalk 00:19:42].
3 4	Witness:	In May, June, Mr. Kosar said, "We are going We have to pay this amount to Tursan." Okay. And then after that I don't remember anything.
5	Nate:	You don't remember You said you didn't see this invoice.
6	Witness:	Yes. I saw the first right now.
7	Nate:	And he didn't say, "We need to get a check to Tursan?"
8 9	Witness:	After that? After 3, 4 month 2,3 month after that, no, he didn't say anything. Last time, 2 weeks ago, he call me. He explain to me and then we pay.
10 11 12 13	Nate:	I guess just one more quick question This one Have the numbers on it so Track it CTAA0137. To the extent that you know, and I realize that you may not, there's payments going out. This 1021 is for a flight for World of Travel. Why were there payments to World of Travel but not to Tursan.
14 15	Witness:	I don't know. He knows. [gesturing toward CTAA Program Director] Mr. Kosar knows. I don't know.
16 17	Omar:	I only have one other question. I know You've been very wonderful. Thank you. English is difficult and I don't speak Turkish, so I'm especially grateful.
18		Did you write this?
19	Nate:	Yeah, this is CTAA0179.
20	Witness:	No.
21	Omar:	Who wrote that?
22	Witness:	You? [gesturing toward CTAA Program Director]
23	Omar:	CTAA Program Director?
24 25	Witness:	He wrote. He said to me. If they contact to you, you can explain to him. You can send this email to him. It's correct. I can't help write. Well, this is very well.
26	Speaker 4:	Yes, because your English is not good enough to write this.

1 Witness: Yes. This is perfect English. It's not my English.

2 Speaker 4: That's the only question I have.

3 Witness: Okay.

4 Speaker 4: Thank you, everyone.

5 Witness: Thank you.

Dear Mr. Ashmawy,

My name is Ismal Arican, I'm the volunteer bookkeeper for Council of Turkic American Associations (CTAA). This morning I spoke with Mr. Kosar regarding the information that the OCE has requested of me. The checks paid on May 21, 2013 ending with 50,53,58,60, and 61 are payroll checks. Attach you will find the copies of those checks.

As seen on the bank statement and on the invoice, on May 5, 2013 we made a payment via check of 6,100.00 to the World of Travel, INC for Congressman Leonard Lance flights from Newark, NJ to Istanbul and Istanbul to Newark, NJ. Also attach is a copy of the check.

We have been organizing educational trips for the past 5-years, working with the companies Tursan Travel, Nile Travel, World Travel, and BAKIAD. We have open accounts with these companies; however, at the time we thought we had made these payments. After recently speaking with Tursan Travel and BAKIAD, it has come to our attention that we have a number of outstanding balances that are outlined below:

- 14,886.90 to Tursan Travel for Rep. Meeks, Rep. Clarke's flights (from NY to Istanbul, from Istanbul to Baku and from Baku to NY) and Rep Lance's flight from Istanbul to Baku and Baku to Istanbul.
- 2280.00 to BAKIAD for travel-related costs in Turkey for Rep. Lance and Rep. Clarke.

For the hotel and food expenses in Baku during the US-AZ Convention, TCAE covered all the expenses; therefore, the outstanding balance from them is mentioned below;

 985.00 to Turquoise Council of Americans and Eurasians (TCAE) for travelrelated costs in Azerbaijan for Rep. Lance, Rep. Meeks and Rep. Clarke.

We will make all these payments as soon as possible.

Please feel free to contact me if you have any further questions or concerns.

- 10 organizations under my umbrella.
- 11 SOLIS: How long have you been in that position?
- WITNESS: It's my forth year I think its four years since I've been in this position.
- SOLIS: How old of an organization is Western Turkic... I want to make sure I get this right...
- 14 West America Turkic...
- WITNESS: West America Turkic Council it is almost five years old it was formed in 2010. So,
- 16 2010 June actually.
- 17 SOLIS: What's the mission of the WATC?
- 18 WITNESS: WATC mission to service Turkic American communities through its member
- organizations. I have member organizations in most of the major cities in the west coast. They
- 20 have cultural centers they have trade and chamber organizations and they have cultural and
- 21 dialog institutions as well. My goal under my organization is to replicate successful models in
- new states. Such as Los Angeles, Silicon Valley, and Phoenix, Denver, Seattle are Metropolitan
- 23 areas where the majority of Turkic Americans live but such small cities I can say Las Vegas and
- other small cities, they need similar organizations. I help those Turkic American communities to
- 25 form their organizations similar to the mission of those other organizations under my umbrella.
- 26 Pretty much I advise with them. I try to make sure they are complying with their 501(c)(3)
- 27 regulations and requirements in their advance. Pretty much I make sure all the members are
- acting properly on their certain regulation and requirements.
- 29 SOLIS: How is WATC funded?
- 30 WITNESS: WATC has only membership fees collected from those member organizations
- depending on the member's organization size and location. There are various membership fees
- associated. That is the... most of the funds comes from the membership fees but we are also
- 501(c)(3) corporation. Time to time we receive matching grants such as this past year I got an in-
- kind contribution from Microsoft one of the employee donates to us and Microsoft matches it.
- But that is very minimal maybe we can say 15% of our annual budget, 15% contributions comes
- as donations and the rest comes as the membership fees.
- 37 SOLIS: Okay, any of those donations are they ever from governments, you know, countries,
- 38 Turkey for example?
- 39 WITNESS: No.
- 40 SOLIS: Okay, how many employees does WATC have?

- 1 WITNESS: WATC currently has 1 employee which is me because we are not an organization
- doing events and activities. I represent member organizations. Pretty much it is kind of a you
- 3 know a PR entity of all those member organizations. They do the job and we replicate the
- 4 models
- 5 SOLIS: You mentioned the Turkic American Alliance what is the relationship then with that
- 6 organization?
- 7 WITNESS: Actually Turkic American Alliance is a national umbrella it has six different
- 8 organizations under it based on similar to congressional counsel mapping areas. West Coast 12
- 9 states is the West America and the five others regional establishments work with their
- institutions as far as I know TAA has about 250 regional grass root organizations and they are
- under the six federations. And West America is one of those federations.
- SOLIS: You mentioned that you... that the organization doesn't engage in events and activities
- 13 really.
- WITNESS: Pretty much I try to attend as a President CEO to all of those events as much as I can
- sometimes multiple events I cannot go. For example in April there is a Montana event and I have
- to be there on April 16th. But the activities for the community is organized by my member
- organizations. I'm not organizing it. But sometimes I'm a Keynote speaker, I'm a counselor, I'm
- an orator, I'm a speaker I act that way because my organization is not established to do the
- events. It is established to make sure that all of those members are doing those events
- 20 accordingly.
- 21 SOLIS: Does WATC engage in the sponsorship of congressional travel with the House of
- 22 Representatives, with the Senate?
- WITNESS: WATC organized a few trips already. And I just got back from one on March 16th
- 24 actually with our last congressional staff delegation. So I know those processes and I applied a
- 25 few times myself and I reported it.
- 26 SOLIS: So how many times has WATC...?
- 27 WITNESS: One in 2010 I believe I don't want to make a mistake in the date.
- SOLIS: That's okay we don't want you making assumptions.
- 29 WITNESS: The last one is March, I believe directly we organized two of them we organized on
- in 2010 and in 2012 I believe. I don't want to make mistake but the last one was in March 6th –
- 31 14th 2015. Yes but there is... my member organizations have organized trips as well for the
- members and for the staff.
- 33 SOLIS: Okay but as far as you can recall WATC has had organized primarily organized two
- 34 trips...
- 35 WITNESS: Sponsored, sponsored two trips.
- 36 SOLIS: Sponsored two trips, okay. When you sponsor those trips who pays for the travel for the
- 37 Congressman and the staff?
- WITNESS: All of those payments are done through our organization and prior to you know trips
- we submit possible costs associated and after we report it and everything is done through our
- 40 organization West American Turkic Council.

- 1 SOLIS: So the payments for the travel for congressional staff or members actually comes from
- the bank account of WATC?
- 3 WITNESS: Yes.
- 4 SOLIS: What bank do you use?
- 5 WITNESS: Bank of America.
- 6 GAST: Do you ever get grants or any funding specifically for congressional travel?
- 7 WITNESS: No.
- 8 GAST: It comes out of the general funds?
- 9 WITNESS: Yes.
- 10 SOLIS: How much, this 2015 trip for example, how much did that cost to send?
- WITNESS: It cost, we had five staffers, two to three chief of staffers and two LAs and actually
- their flights which was out of season March travel had about \$1,300, roughly \$1,300. \$1,286 that
- includes our international flight and two domestic flights in turkey and also lodging was, that's
- per participant of course. And Lodging was about \$420, I expected more but Turkish currency
- fall down a few weeks ago and it cost maybe 30% less than what I proposed to Ethics but \$420
- for Hotels and lodging and about \$260 per participant for the meals. We had only \$40 for visa
- entry fees for each participant.
- SOLIS: Are you doing the booking of the travel for example the flights or are you using a travel
- 19 agency?
- 20 WITNESS: I'm from our organization, I do it. In Turkey we have a travel agent who does they
- 21 have prior reservations and they can get better price for me. And I communicate with them either
- I book it or I get it through a travel agent.
- 23 SOLIS: Do you know what Bakiad is?
- 24 WITNESS: I know Bakiad, yeah.
- 25 SOLIS: What is that?
- 26 WITNESS: Bakiad, I didn't work them for the last trip but I believe they helped our travel
- 27 arrangements previously maybe 2011 but generally Bakiad is a... they are not a travel agent but
- 28 they are helping travels in Turkey. I mostly work with them through our organizations which is
- 29 not a congressional program. Generally they... if you need transportation in Istanbul you can
- 30 consult with them.
- 31 SOLIS: So for these two trips in 2010 and 2015 did Bakiad provide any sort of funding in any
- 32 way?
- 33 WITNESS: No.
- 34 SOLIS: No money whatsoever?
- 35 WITNESS: No.
- 36 SOLIS: We've spoken with some people at the Turkic American Alliance and some people at the
- 37 Council of Turkic American Associations. We've spoken to the Turkic American Federation of
- the Midwest. I'm sure you know some of those individuals, the presidents there. We've spoken
- to them. They've all said when they have used... when they have sponsored congressional travel

- 1 in various capacities not just this year and other times Bakiad has paid for domestic flights in
- 2 Turkey.
- 3 WITNESS: I contracted with a travel agent which is not Bakiad. Another agency actually. I
- 4 didn't do it through Bakiad.
- 5 SOLIS: So you're certain that Bakiad did not give any money for congressional travel?
- 6 WITNESS: No.
- 7 SOLIS: Well I want to start talking about the convention in Azerbaijan in May of 2013. Did you
- 8 attend that convention?
- 9 WITNESS: Yes I did.
- 10 SOLIS: Did anybody else from WATC attend that convention?
- 11 WITNESS: No, just myself.
- 12 SOLIS: Just you. Who paid for your travel?
- WITNESS: I got my ticket through NIL Travel I believe and that was, you know hired or
- 14 contracted by Turquoise Council and they paid for the ticket. Because I was there as a guide to
- the groups it took about a week and I was not originally going to be honest because I'm going to
- share with you that prior to that you know, event. We had here in the west coast, the biggest
- event of the year which is called Anatolian Cultures and Food Festival and we work on that Day
- and Night for four months so I you know I just printed this out because my festival here was on
- May 16th through 19th and after 19th there was couple of days we took down the festival grounds
- and this is the largest outdoor event in the world because of this event I didn't tell them that I'm
- 21 going but at the end they told that they are short with the guides. They are short because they
- have so many people attending and they need someone too, you know, take people around,
- because you know I'm familiar with Azerbaijan language I'm Turkish I know Turkish and I very
- last moment, and actually I believe I prepared everything here for you. Probably you could ask. I
- 25 got my ticket on May 21st actually from the travel agent. It was very last minute that I decided
- and I prepared all the emails associated prior to the event you will see I even didn't have time to
- 27 respond any of those emails I have all of them but their just coming coming coming and
- just at the end May 21st I got my ticket and I flew so.
- 29 SOLIS: Did you go to Turkey as well?
- 30 WITNESS: Yes.
- 31 SOLIS: How many nights were you in Turkey?
- WITNESS: I went home maybe three, four days travel.
- 33 SOLIS: So, Turquoise Council paid for that flight to Turkey?
- WITNESS: Turquoise paid for flight from here to Baku, Baku back to Los Angeles. I paid my
- 35 flight in Turkey.
- 36 SOLIS: Okay.
- WITNESS: Because that didn't include any service in Turkey cause I was visiting my family
- 38 basically.
- 39 SOLIS: When you stayed in Baku at a hotel did Turquoise Council pay for that as well?
- 40 WITNESS: They did pay it. I didn't pay it.

- 1 SOLIS: The convention how did you first learn about the convention?
- 2 WITNESS: We are meeting with our federations regularly and almost every month or every
- 3 other month depending on the schedule how busy our time is so one of those meetings and I
- 4 believe that it was in February or late January we were talking about our upcoming event in
- 5 Washington DC it was this program actually I printed this for you too. In March we had...
- 6 March 12th and 13th we had our Washington DC convention which is the flagship event. We were
- 7 talking about this and our president in Turquoise Council Kemal Oksuz mentioned about this.
- 8 And they told that they're planning this year's convention in Baku, Azerbaijan. And he asked if
- 9 those presidents or Federation presidents are willing to contribute or participate. Contribute
- means invite people but I mentioned about my event and I said I cannot make it because I am the
- leader of the group here and basically I lead 300 volunteers who work for the festival for the
- festival for almost 4 months. So as was mentioned there and I tried... I wanted to help you with
- you know your tight schedule I prepared these. This is the timing of my emails.
- 14 SOLIS: Thank you.
- WITNESS: Which I printed them here also and I told Nate that you can keep these.
- 16 SOLIS: Very thorough, thank you Witness.
- 17 WITNESS: I travel a lot and I know how hard your work is but this here I also put some of the
- you know conversations in the emails because many of the emails I realized was in Turkish. I
- don't know how you translate that. But when you said how we knew it, until February 13 I
- believe I didn't know if it is happening or not and this email came to me first from Oksuz who at
- 21 that time was the president of Turquoise Council. And his conversation with Ariel Korhan and
- 22 who is, you know, a specialist who invited by him and he send this to us. This is the first email
- communication about this because he was invited... Ariel Korhan was invited for this
- convention. And after that... after ten days Oksuz sent me a tentative itinerary for the
- 25 Congressional delegations but I didn't respond because I'm still not planning to go to Baku
- because I am busy here. And email number three he sent a detailed packaged which has a few
- 27 attachments on it. I also put the attachments on my email PDF so I'm emailing those to Nate, so
- you going to have it in file. So it has like convention draft itinerary for the trip sample invitation
- 29 letter and the guest list and who to be invited and they had some criteria I believe that came from
- 30 turquoise council that they wanted some dignitaries, elected officials, community leaders,
- 31 political analysis, businessman whatever. So I know if you going to go through these but it....
- 32 SOLIS: We'll take a look at those yeah.
- WITNESS: It shows you know the chronological, you know, time line of whole process and I
- especially put it here that you would know how it progressed over time.
- 35 SOLIS: Thank you very much that's very helpful. You mentioned that the group sort of got
- together in February and Kemal was there. And that was the first time you'd heard of this in
- person in DC?
- WITNESS: I cannot recall it was either late January or February but it is one of those times but
- we the whole six federations focus maybe except Turquoise because Turquoise was focusing on
- 40 their event. We all have a flagship event. For example my flagship event, West America Turkish

- 1 Council, is the festival, because this is the largest event in the world. And Turquoise is focusing
- 2 on you know Azerbaijan convention. This is their flagship event. And therefore while we were
- 3 working on the, you know, on our agendas he mentioned about this.
- 4 SOLIS: So that was in DC, right, that meeting?
- 5 WITNESS: I believe so yes.
- 6 SOLIS: Were there any other meetings where all of the groups were together where they talked
- 7 about his convention?
- 8 WITNESS: Time in and out I believe, I may not be a good person to ask that because I totally
- 9 ignored it. I totally was focusing on how could I find money for our displays here how we are
- going to invite Turkish people to Los Angeles and stuff like that because of it you know
- basically until march I was focusing on that event after march until may I focused solely to my
- 12 festival here.
- SOLIS: When you had that meeting in January or February of 2013 and this convention got
- brought up, was there any discussion about how the convention and the travel for the
- congressional staff and members was going to be paid for?
- WITNESS: Actually good question, one of the emails here I never remember any conversation
- because as I mentioned I was not in those conversations if those people who, you know, were
- more involved with inviting congressional delegations they may have had those conversations I
- don't know. But one of the emails number seven was a sample invitation letter which include
- this language, I spent this week just you know that's fraise there is referring to the answer of that
- 21 question because it says please send this letter to, I mean to be honest first time I pulled up these
- 22 attachments because during the preparation I didn't have time to pull it out and read what it was
- and I read it and it was saying that it was.... It will be paid by TCAE which is Turquoise
- 24 Council.
- SOLIS: So other than that email do you recall any conversations when everybody got together
- about how the trip would be paid from?
- 27 WITNESS: No and I know that should be clear that Turquoise Council is this event belongs to
- Turquoise Council, Turquoise Council is organizing everything for the event.
- 29 SOLIS: So that was clear?
- 30 WITNESS: Yes, Turquoise Council was the organizer.
- 31 SOLIS: Did you sponsor any congressional staff or members for that trip?
- WITNESS: No I didn't have time to even invite people or... I just... I was basically dying here
- 33 to prepare....
- 34 SOLIS: You were focused on your own event.
- 35 WITNESS: Yeah
- 36 SOLIS: But you were asked to by Kemal?
- WITNESS: Actually I looked through the, you know, the emails. It was asked from all of the
- organizations. I mean through emails. And at that time I always I ignore emails after I take a look
- at them and I didn't have time and I didn't have maybe resources at that time to you know make
- any invitations or anything like that. That's why we didn't have any conversation on that.

- 1 GAST: When you say all the organizations is that the six?
- 2 WITNESS: Six federations I am referring to, yes.
- 3 GAST: Any of the membership organizations or just the six?
- 4 WITNESS: No those six.
- 5 GAST: Those Six.
- 6 WITNESS: These conversations were only between us even from my end I didn't have time to
- 7 even review it because I was busy here for my event.
- 8 SOLIS: Did WATC sponsor anyone non-congressional staff or members to go to the convention
- 9 in Baku?
- 10 WITNESS: No
- SOLIS: No? We've received some documents that tends to show that WATC may have
- sponsored non-congressional individuals to go to Baku.
- WITNESS: Actually they sent invitations to fifty state dignitaries. All of them received it, for
- example Utah received it because I... my group in Baku, which I took and did... I was a
- translator for them had members from Utah, members from even secretary state. Bowen of
- 16 California was there, I saw her in Baku and apparently Console General of Azerbaijan invited
- her to the convention. There were many people from different states and the ... some of those
- people through, you know, their invitations responded and they joined this trip. And I remember
- 19 from West Coast about twenty some people.
- 20 SOLIS: But I want to be clear about whether or not you organization sponsored these people.
- 21 WITNESS: I didn't sponsor them. Our organization didn't sponsor any of them. And all of those
- tickets or stays during the convention happened through Turquoise Council.
- 23 SOLIS: So Turquoise Council... so if there was any sort of discussion that WATC was
- sponsoring certain individuals on that trip, if there was a discussion Turquoise Council would
- 25 have been the actually been the organization paying for them?
- 26 WITNESS: Yes, from my WTAC organization, including my ticket and my stay in the Hotel
- paid by organization. And other than that those West Coast guests they were also paid by them
- but they got the invitations from Turquoise Council.
- 29 SOLIS: So Turquoise Council would have sent those invitations to West Coast people and then it
- may have been represented somehow that WATC would be sponsoring them?
- 31 WITNESS: I knew many of those individuals and they were told maybe I don't know that
- WATC is a sister organization of Turquoise Council because many of them ask me if I'm
- traveling or not. And I said I'm not traveling. But later
- 34 SOLIS: Did you refer those people to Kemal?
- WITNESS: Actually whoever approached me either from Turkish community or from those, you
- know, representative or senators, whoever they are. I said Turquoise Council is organizing it they
- are getting tickets and they have certain criteria. Because as you see this here, Kemal sent this
- email, email number five, as the criteria for the participation because they didn't accept all of the
- travelers or guest and they had certain titles requirements and they invited them through and they
- 40 removed but many of those people I knew them in person because I travel to my state capitals

- 1 last four-five years at least three-four times each and I knew those people and I knew this you
- 2 know convention happening and I knew that many of them got this invitation. And they told me
- 3 but solely they were sponsored by the Council.
- 4 SOLIS: So, aside from you attending the convention it's fair to say that WATC invited nobody,
- 5 paid for nobody, no organization of itineraries getting state officials or anyone else there it was
- 6 solely Turquoise Council?
- 7 WITNESS: Yes but during the travel I was together with the West Coast Group. I was maybe for
- 8 that reason my ticket was paid and I could stay there because I was there as a guide to be with
- 9 the group and during this process I was meeting my you know West Coast people here and many
- of them verbally told me that some of them are receiving invitations from Turquoise Convention
- and I said if they can they should participate or they can participate but I'm not going. And at the
- end actually May 21st you know I got the, you know, I had to go because they told there is a
- group of West Coast folks are coming and we will, you can come with them. And I said fine
- because the festival was over 19th and 21st I got my ticket and I flew with them.
- SOLIS: Okay, the convention itself what was it for?
- 16 WITNESS: Actually this is... this convention we do it mostly in Washington DC. For a few
- purposes actually we started with Turkic American Council conventions where we invited
- investors business owners, first from Turkey and we started from Turkey related conventions.
- And then Azerbaijan has been very active with US communications and it's not only from the
- 20 congressional level it is from the US Administration, Azerbaijan President and their policies that
- 21 they want to get close to, you know, west. And we organize these conventions in Washington
- DC at least seven to eight times. And at least five times and last week there was a Turkic
- convention in DC and then Azerbaijan joined through you know Turquoise and I believe, I didn't
- 24 go to first convention, they organized in DC I went to Baku one and I went to the third on they
- 25 had in 2014 I believe where Nancy Pelosi was one of the speakers.
- SOLIS: Okay so you mentioned Turquoise sort of gave Azerbaijan an intro to the convention
- 27 right? Turquoise Council sort of brought Azerbaijan into the convention?
- 28 WITNESS: I don't know how that started I have to be clear because generally it is like you do
- something good here and they come and say let's do it for Azerbaijan and how that started, either
- 30 Turquoise Presented to Azeri's or they asked for it I'm not sure.
- 31 SOLIS: What is the Turquoise Council of Americans and Eurasians? Can you tell me what it is
- 32 and who runs it?
- WITNESS: We share a similar mission. Whatever you can hear about West America Turkic
- Council applies to Turquoise Council. They are based in Houston and overseas I don't know how
- many but a couple of states around Texas. They also have Chamber organizations, ethnic
- organizations, Turkic organizations, dialog centers, cultural centers similarly they are also a
- 37 membership organization on the Turkic American Alliance.
- 38 SOLIS: How many employees does it have?
- 39 WITNESS: Who?
- 40 SOLIS: Turquoise Council.

- 1 WITNESS: I don't know, I mean we basically know each other through our planning meetings.
- 2 Like every month or every other month, like I had mentioned. We are each president of
- 3 federations and act as executive board members of Turkic American Alliance. So I may not... I
- 4 don't know how many employees they have.
- 5 SOLIS: Are you a personal friend of Kemal Oksuz?
- 6 WITNESS: I know him for many years and I can consider to be friends and we are colleagues
- 7 and I been meeting him since the beginning of this job I can say.
- 8 SOLIS: Do you know.... And he is the President of Turquoise Council or was the president?
- 9 WITNESS: He was yeah.
- 10 SOLIS: He was. While he was the president given that you know him well. Did he say how
- 11 Turquoise Council gets their money and how they are funded?
- WITNESS: No I didn't have any conversation about that. But I shared that we have hardship of
- 13 getting our members pay because of the financial crisis and stuff like that we never shared how
- much we were and how they get it so...
- 15 SOLIS: What is the Assembly of Friends of Azerbaijan?
- 16 WITNESS: As far as... it is an independent organization first I was exposed to AFAZ maybe
- during this convention because is say their logos everything everywhere and I... at that time
- actually Kemal was involved with it. I remember that we had some conversations; "What is it?
- 19 What do you do?" And if... I first thought that it was like Azeri's organization but you know,
- later it appeared to be an independent, you know, I still cannot tell if it is PR or friendship or I
- even don't know if they are 501(c). I don't know their... the structure.
- 22 SOLIS: So you spoke to Kemal about the organization, you asked him questions?
- 23 WITNESS: Actually.... I knew he was involved with AFAZ and I said "What is this
- organization?" He says it's the Friends of Azerbaijan we just, you know, visit Azeri officials,
- American officials, elected officials, and so forth. But beyond that I don't know the details about
- that. I didn't talk about that because our main purpose is our shared six federations agenda most
- of the time.
- SOLIS: Did Kemal ever mention to you about how AFAZ is funded?
- 29 WITNESS: No I didn't speak about it.
- 30 SOLIS: Do you know independently how AFAZ is funded?
- 31 WITNESS: I don't know.
- 32 SOLIS: Okay.
- WITNESS: I mean if they are like non-profit there should be a regulation on it. I don't know
- what is their structure. I don't know what they get and what is their budget. I don't know.
- 35 SOLIS: Do you know what SOCAR is?
- 36 WITNESS: SOCAR is maybe the largest Azerbaijan oil company. You can see their, I'm sorry,
- their logo and huge, you know, logo statues all around Azerbaijan, you cannot miss it. Every
- corner you can't miss it. So that was funny during this trip, and our American friends from here
- was asking why it was everywhere. So, and that's why I know them but I believe they are semi-
- 40 independent or government controlled whatever.

- 1 SOLIS: Do you know anybody who works there at SOCAR?
- 2 WITNESS: No I don't know
- 3 SOLIS: Do you know who Rauf Mammadov is?
- 4 WITNESS: I don't know.
- 5 SOLIS: You've never heard that name before?
- 6 WITNESS: No I mean I... what is the name... not Rauf but... Roganak or Roanak
- 7 Roanak I heard one name Roanak. Which is who... who is also I belief Oil Minister or Secretary
- 8 of National Recourses of Azerbaijan or something. I know because during the convention we
- 9 were in an auditorium for two days in a row they had presentations and they had people from
- organizations speak and I remember a name as Roanak, I don't know the last name but Roanak
- who should be one of their, either their administrators or the Secretary of Oil and Gas or
- something like that. For this convention maybe some of my answers sound funny but I really
- didn't go there with my mind because I was like so tired. Our festival here is a killer we didn't
- do it last two years but you know after that festival even traveling is a challenge. And I knew that
- many folks who travel from west I just want to help them through trip and through the
- 16 convention.
- 17 SOLIS: So you saw SOCAR's logo and everything in Baku. Did they play a role at the
- 18 convention?
- 19 WITNESS: I believe so because I saw their logo on the convention podiums. We took pictures
- somewhere. I believe there was SOCAR logos if I'm not wrong. Because its... I believe the
- 21 convention was a big event and I don' know what is their role but I knew they were visible in the
- convention. As the Speakers some of them were from SOCAR.
- SOLIS: Was anybody there talking at the convention about SOCAR organizing the convention
- or paying money to the convention to make it happen?
- 25 WITNESS: Nothing about money but I believe during, you know speeches and presentations, I
- cannot with 100% two and a half years ago. I went, Helen called me I just went back to all of my
- 27 files when was it. Because I don't remember it. So... but they were mentioning about how proud
- 28 they are to you know have Americans visiting this many dignitaries coming to their land from
- 29 the SOCAR Admin speakers wherever they were so. But I don't know, I don't remember
- anything about they speak about or they organize or they pay or something like that.
- 31 SOLIS: Given that you know that you've know Kemal for a long time what is his relationship to
- 32 SOCAR?
- WITNESS: I don't know who but through office maybe they know them I don't know... well
- relation means how well do they know each other?
- 35 SOLIS: Yeah, Well does... do you know if Kemal knows representatives from SOCAR? Does
- 36 he...
- 37 WITNESS: He should know them because Kemal travels to Azerbaijan more than I travel to
- 38 Turkey. I mean he travels there most of the time.
- 39 SOLIS: How do you know that?

- 1 WITNESS: Because when I see him in Washington DC in our meetings Previously you know I
- 2 ask where were you and he said I traveled to Baku and he even... the questions always have an
- 3 email associated. Actually there was you know an email directly from Baku even before this
- 4 organized actually. I said a message from Baku and he says I'm in Baku now preparations are
- 5 going really well and stuff like that. I mean he travels there and I know at least I can say he as far
- as I remember. I remember at least six or seven of these trips last three to four years, five years.
- 7 SOLIS: Any of the conventions in DC, did you ever see him with a SOCAR representative?
- 8 WITNESS: I know SOCAR came to 2014 event as well but I'm not sure if the 2014 event was
- 9 AFAZ event or if it was Turquoise event. I cannot say that. But I believe there was
- 10 representatives of SOCAR came to DC event as well but I didn't know who. Again I don't know
- what is the participation and as far as I read it through media or news. SOCAR really want to be
- international company. They are everywhere; I mean you can see their logo in Turkey now. I was
- in Turkey last weekend, you know, you can see it there as well.
- SOLIS: When you've gone to DC and you've had some meetings and met with the sister
- organizations Mr. Turhan, Mr. Kosar, Mr. Taban, and Mr. Teber. Right those are some of the
- individuals who run the organizations.
- 17 WITNESS: Right.
- SOLIS: Have they... have any of those individuals ever spoken to you about how their
- organizations paid for the sponsorship of congressional travel for the Baku Convention.
- 20 WITNESS: No we didn't speak because as I mentioned I didn't have time to speak about it. I
- 21 didn't talk about it.
- 22 SOLIS: How recently were you in DC?
- 23 WITNESS: I was in DC during our last event March....
- 24 SOLIS: You just had a big event right?
- 25 WITNESS: Yeah actually I was there during that event for two days, okay March 16th I few back
- 26 from Turkey to DC and 17th and 18th I was in DC. 19th I came back here. So 17th 18th.
- 27 SOLIS: When you were there 17th and 18th in DC, where all the sister organizations there?
- 28 WITNESS: Cemil was there from Southeast, Bilal was there from Houston, Turhan was there
- 29 from Chicago, we were all there.
- 30 SOLIS: Was Kemal Oksuz there?
- 31 WITNESS: Let me think about it. I don't want to be wrong but I don't remember... I met him
- there I saw him there was back to back events. I don't remember it was so hectic actually. Back
- to back, back to back. But he's not anymore with our federation so he may not be there. I don't
- know. I cannot say, you know that, I didn't see him. I didn't see him.
- 35 SOLIS: Okay, when you saw everybody there...
- 36 WITNESS: But he lives around you know DC now. I think he lives in Virginia or somewhere.
- He can be in DC but before if you ask about the events we organized the panels [inaudible]. I
- 38 didn't see him.
- 39 SOLIS: When you saw everybody there did you talk about the Office of Congressional Ethics
- 40 review into the Baku convention.

- 1 WITNESS: No, I was, you know, I was called by... I saw a 202 number when I was there. I
- 2 called back of course no answer because those numbers are not going back to the right office
- 3 number. And I was in the John Wayne Airport and... even when we landed... the calling and I
- 4 answered and Helen was on the phone saying that... I didn't understand what the conversation
- 5 was about and we talked a little bit and I told them I will call you back and I called back the next
- 6 day. And we didn't have any... I mean we didn't... I didn't know it was going on until Friday.
- 7 SOLIS: Okay so and just to be clear you didn't discuss with Mr. Turhan, Mr. Kosar, Mr. Taban,
- 8 or Mr. Teber about our review. Did you over hear them talk about our review into this matter?
- 9 WITNESS: No.
- 10 SOLIS: Okay, did anybody talk about the 2013 Baku convention when you were in DC March
- 11 17^{th} and 18^{th} ?
- WITNESS: No. 'cause again this convention on 17th and 18th are the largest event there and you
- never... the only thing I was focusing on if you know those guests I invite over from congress
- are attending or not we are like trying to find a seat for our guests and stuff like that. Other than
- that I am back from our Turkey trip and stuff like that it was crazy. We didn't have any
- 16 conversation about it.
- 17 SOLIS: While you were at the convention did you receive any gifts?
- 18 WITNESS: Which one this one?
- 19 SOLIS: The 2013 Convention in Baku.
- 20 WITNESS: No.
- 21 SOLIS: No? You didn't receive any rugs at your hotel room?
- 22 WITNESS: No.
- SOLIS: Okay, most attendees at the convention received rugs, one or two rugs, Azerbaijani rugs,
- and delivered to their hotel room.
- 25 WITNESS: All of them?
- SOLIS: As far as we can tell everybody who attended.
- 27 WITNESS: Wow.
- 28 SOLIS: Did you receive a rug?
- 29 WITNESS: I didn't, I didn't. For sure I didn't receive anything and I actually... you can... I
- don't know how we can go back and check because I was joined the group... maybe I was not
- calculated or involved because I was not expected to attend. So no I didn't receive anything.
- 32 SOLIS: Did any of those state officials or people from the West Coast who you knew who
- attended that convention. Did they ever mention that they got rugs or gifts or anything?
- 34 WITNESS: No they didn't. They didn't mention it.
- 35 SOLIS: Okay.
- 36 WITNESS: They received also?
- 37 SOLIS: It seems like that's a strong possibility we've talked to...
- 38 WITNESS: You're talking about the congressional guest or all of the 300 plus guests?
- 39 SOLIS: It sounds like most people who attended received some sort of gift.
- 40 WITNESS: Wow, original rugs?

- 1 SOLIS: Yeah I think a lot of people have explained to us they were Azerbaijani rugs.
- 2 WITNESS: That's a good thing. I wish I had one but... I'm just kidding. My wife was actually I
- 3 have a couple of them from Turkey in my home but you know I didn't receive anything. And we
- 4 had troubles in my hotel anyway. I was not happy with my room. They put us two in one room
- 5 and a restroom, a full glass restroom and we didn't sleep one night to make some repairs actually
- 6 anyway so...
- 7 SOLIS: Okay, let me just...
- 8 WITNESS: You said two rugs?
- 9 SOLIS: We think so that's what it's looking like.
- 10 WITNESS: Wow.
- SOLIS: I just want to review my notes here and might be getting to the end.
- WITNESS: But in one of the visit we visited a university. Koftcus University or something or
- 13 International Strategic University. They gave like a... I believe I have it. In my home in Turkey,
- 14 it's like maybe cheap as a couple of dollars not handmade but a printed Baku you know picture.
- Like the framed Baku picture which I took with me to Turkey. And they like to give books for
- guests and I got a few books and even we left some of them because we didn't have room for
- those books. So nothing other than that.
- SOLIS: When you were there in Baku and you said you were traveling around with some of the
- 19 West Coast people and they asked you "What are these SOCAR, what is SOCAR, what are all
- 20 these SOCAR logos everywhere?" You know did anybody explain... did anybody say that this
- event was put on by SOCAR? Or that SOCAR was the one behind the organization and the
- 22 financing of the convention?
- 23 WITNESS: No.
- 24 SOLIS: Okay.
- 25 WITNESS: Because I'm thinking about two years ago and SOCAR never acted as being the
- 26 main sponsor of it. SOCAR was there... my understanding is one of those sponsors or one of the
- 27 sponsors of panels or something, because when we have... when we were having in Azerbaijan
- or similar countries. If you do something like this you have to have some local institutions, either
- 29 government or universities or businesses to support the event and as far as I knew and I'm still
- thinking so was I put my, you know, my flight ticket here, a copy. Email number twenty three
- and it is like NIL Travel form New York and it was like sent by Resul Aksoy who at that time
- was working with the Kemal Oksuz. So it came directly from, you know, Turquoise Council to
- me. So, other than that I as of now I don't know what is SOCAR's monetary contribution to the
- 34 convention.
- 35 SOLIS: We've obtained some evidence to show that AFAZ may have provided some money for
- tickets for travel for airline tickets. Do you know anything, may it be a conversation someone
- had with you or something you might have over heard, about AFAZ providing any money
- towards getting people to the convention?
- 39 WITNESS: I had, actually I have, as I mentioned, I have twenty three email communications and
- 40 all were done by Oksuz and a few from Resul, who solely worked for two purposes. One tickets

- that he worked with the travel agent to get the tickets, and also the immigration documents that
- 2 they say I mean I've got a list here which lists all of the 400 visitors you know this one. Other
- 3 than this, you know, for the sponsorship part I was under, I mean, my understanding was
- 4 Turquois Council is organizing it. But Sponsorship of it who gives money I didn't ask it.
- 5 SOLIS: Okay, when you decide you were going to go, who did you inform? Did you email
- 6 Kemal?
- 7 WITNESS: I believe I didn't have any email like that and I believe that I communicated with
- 8 Resul because I needed a ticket on May 21st and...
- 9 SOLIS: and that's it? He's at NIL Travel?
- WITNESS: Yes NIL travel coordinator. Resul is I think at that time was the deputy or assistant
- to Oksuz. You know his name?
- SOLIS: I'm not so sure I've heard of his name.
- WITNESS: Actually this is the name here. Resul Aksoy.
- SOLIS: Okay so you told him that you were going to be going and then a ticket was issued to
- 15 you?
- 16 WITNESS: Yeah directly.
- 17 SOLIS: I think that's all we have so thank you very much.
- WITNESS: I hope it is helpful I don't know and by the way I forgot this in one of those meetings
- 19 either in February- March was handed to us or April I don't know by Oksuz who were like
- telling the details of the conventions and speakers....
- 21 SOLIS: And this was at one of the meetings in Washington with all the sister organizations?
- 22 WITNESS: I cannot recall I found it in my computer that you know I had a copy of it so I
- wanted to share after I saw this I thought it could be maybe nicer convention to attend an help
- because you know whenever we do the participation of other federations like the Furkan or Bilal
- or Cemil. Whenever we do an event we help each other, but in this convention I was not a good
- help for them because I was busy here, but other than this our sole intention is to make sure that
- 27 Turkic American Alliance organizations are successful. So whenever, you know, they need help
- we help them but in this case I was only knew I could go after our event May 21st.
- 29 SOLIS: Well Witness thank you very much for speaking with us.
- 30 WITNESS: I hoped it helped.
- 31 SOLIS: Yes thank you very much
- WITNESS: So these I'm going to give you as well as I'm going to email them to you or Nate.
- All of the conversations in email order and some of the notes....
- 34 GAST: And of course the list.
- 35 WITNESS: Yeah you can keep that as well.
- 36 SOLIS: Well thank you very much.
- WITNESS: Let me make sure I didn't give you my bank statements of course.

EXHIBIT 97

TRANSCRIPT OF INTERVIEW OF MAFTAA EXECUTIVE DIRECTOR

3/31/2015

- 1 MR. SOLIS: This is Deputy Chief Counsel, Paul Solis with the Office of Congressional
- 2 Ethics. It is March 31, 2015. I'm joined by Kelly Brewington and MAFTAA Executive
- 3 Director. MAFTAA Executive Director has signed an acknowledgment; he understands
- 4 that 18 U.S.C. 1001 applies to our conversation and I've provided him a copy of the law.
- 5 And we can begin the interview. So I'd like to just ask you some background questions
- 6 about your organization and its mission, things like that; how long have you been with
- 7 your organization. So, where are you currently employed?
- 8 WITNESS: Currently employed at Turkish-American Business Network; it's the
- 9 Chamber of Commerce. We're also located in 750 1st Street. We're sharing the
- 10 MAFTAA's location.
- 11 MR. SOLIS: And if I can just ask you to speak up a little bit so we can understand.
- 12 WITNESS: Okay.
- 13 MR. SOLIS: And what is MAFTAA?
- 14 WITNESS: MAFTAA is an umbrella organization for Turkish and Turkic organizations
- 15 located in Mid-Atlantic States, including Maryland, Virginia, West Virginia, Kentucky,
- North Carolina and Washington, D.C. It's a cultural, educational--it consists of a cultural,
- educational and business organization. It's located in Washington, D.C. trying to serve
- 18 Turkish and Turkic communities.
- 19 MR. SOLIS: What relationship does MAFTAA have to the Chamber of Commerce
- 20 organization you mentioned earlier?
- 21 WITNESS: Actually, TABN, Turkish-American Business Network is a member
- organization of MAFTAA. So MAFTAA is an umbrella organization and TABN,
- 23 ATFBA (American-Turkish-[inaudible] Business Association), it used to be Divan
- 24 Center in North Carolina. Those are local member organizations serving in the local areas
- 25 for Turkish-Americans.
- 26 MR. SOLIS: How long have you been in MAFTAA?
- 27 WITNESS: I've been with the organization I'm actually volunteering, because I'm a
- full-time at TABN. This is a volunteer position, since 2010. Yes, 2010... April 2010.
- 29 MR. SOLIS: And your title there?
- 30 WITNESS: Executive director.
- 31 MR. SOLIS: What are some of your duties as an executive director?
- WITNESS: Like... pretty much everything; running the organizations and you know like
- daily works... whatever comes to end also... asking board to raise money, asking our
- other member organizations to collaborate if there's like a big annual event that we're
- organizing. I'm trying to operate everything in seven states on behalf of MAFTAA.
- 36 MR. SOLIS: You said you mentioned the board.
- WITNESS: Yeah, MAFTAA has a different board and TABN has a different board, but
- 38 MAFTAA's board members also serve in local boards too.

- 1 MR. SOLIS: Who is on MAFTAA's board?
- 2 WITNESS: Like...
- 3 MR. SOLIS: The individual names.
- 4 WITNESS: The individual names, like there's person who's Osman, he's a business man
- 5 from Virginia, Ercan is from Virginia, Mr. Ercan, Fatih is from North Carolina and Duray
- 6 is from Delaware and there's one person...he's Azerbaijani, but I don't exactly know his
- 7 name.
- 8 MR. SOLIS: I think what I might have you do is if you could write the names down.
- 9 When we spoke to do you know Suleyman Turhan? At the Federation of Midwest?
- 10 WITNESS: Yeah.
- MR. SOLIS: When we spoke with him, we asked him to write down names of his board
- members as well, so if you could, just so we—
- 13 WITNESS: Whatever I remember.
- MR. SOLIS: Okay. Yeah just those individuals if you could write their names down, it'll
- 15 help us a lot.
- 16 MS. BREWINGTON: And there are five board members?
- 17 WITNESS: There are five board members, but we meet like once in a year. Sometimes
- they send a request to quit, you know...
- 19 MR. SOLIS: Right, understood.
- WITNESS: It's very hard to keep them up.
- 21 MR. SOLIS: Right, understood. Just whoever they are now, that will be helpful. Thank
- 22 you.
- 23 WITNESS: Whatever I remember their name.
- 24 MR. SOLIS: Okay, thank you very much. Alright. How many employees does
- 25 MAFTAA have?
- 26 WITNESS: Full-time...just Serdar. Have you met Serdar? Did you –
- 27 MR. SOLIS: Yes we had a chance to talk to him.
- 28 WITNESS: He only works for MAFTAA.
- 29 MR. SOLIS: Is he paid?
- 30 WITNESS: Yes. He's paid.
- 31 MR. SOLIS: How long has he been with MAFTAA?
- WITNESS: I guess since 20... he came as an intern I guess at the same time or
- later... could be 2011? And we were very happy with his work. Could be end of 2012 or
- 34 13 that we hired him as...yeah...something like that.
- 35 MR. SOLIS: What's his title?
- WITNESS: He's an assistant, but he's now promoting becoming program director.
- 37 MR. SOLIS: He's an assistant to you?
- 38 WITNESS: To me.
- 39 MR. SOLIS: And he's going to be promoted to program director?

- 1 WITNESS: Program director. He'll be program director because we had one person, he
- 2 already left. His name was Ander and he wanted to leave the organization so we said
- 3 okay.
- 4 MR. SOLIS: In Serdar's role as your assistant –
- 5 WITNESS: Since I'm busy with the Chamber organization, whatever comes from the
- 6 local organization, so I pass it to him, just want to make sure that he follows up with
- 7 everything and report it to me and I report it to board. You know, I just want to make sure
- 8 everything goes on.
- 9 MR. SOLIS: So you give him direction to do things that –
- WITNESS: Direction to do things and for example, he collects information and shares
- with me and we work together and make action.
- MR. SOLIS: Does he ever take on responsibilities or actions without your say so,
- 13 without your directive?
- 14 WITNESS: No, I don't think he does that. He always asks.
- 15 MR. SOLIS: He always asks?
- 16 WITNESS: It's also cultural stuff. I mean –
- 17 MR. SOLIS: Okay.
- 18 WITNESS: Yeah, he always asks.
- 19 MR. SOLIS: Okay. How does MAFTAA receive funding?
- 20 WITNESS: We receive funding from our... from individuals and also from our member
- 21 organizations, but mostly from individuals.
- 22 MR. SOLIS: Individuals in the states?
- 23 WITNESS: In the states, in the states, in the states. As I mentioned, those seven states,
- 24 Mid-Atlantic States. But MAFTAA's role is more like symbolic because the work is done
- in the states. I mean the organizations are...so our most investment goes to for example,
- 26 TABN and other cultural organizations. That's why MAFTAA has one person working.
- 27 MR. SOLIS: If you could estimate on average, what are some of the numbers that
- represent MAFTAA's budget on a yearly basis?
- 29 WITNESS: It is very low because as I said –
- 30 MR. SOLIS: I mean as far as revenue, would you say \$20,000.00 a year or \$30,000.00 a
- 31 year?
- 32 WITNESS: I guess between \$40,000.00 to \$50,000.00. Not more than that.
- 33 MR. SOLIS: And do you oversee the budget?
- 34 WITNESS: No, not me.
- 35 MR. SOLIS: Who does?
- 36 WITNESS: I guess Ercan. Our chairman.
- 37 MR. SOLIS: This is the fifth name on the list here? Kesken? Mr. Kesken?
- 38 WITNESS: Kesken, yeah.
- 39 MR. SOLIS: And as a board member, he is the treasurer?

- 1 WITNESS: No, actually. We have one person treasurer, but he's kind of pushing people
- 2 to get money, like find money.
- 3 MR. SOLIS: What about someone though who is the decision maker on expenditures?
- 4 WITNESS: Me. I usually decide what to do.
- 5 MR. SOLIS: You decide what to do as far as spending?
- 6 WITNESS: Spending, yeah.
- 7 MR. SOLIS: So is it safe to say that you do have some role in the money management of
- 8 the organization?
- 9 WITNESS: Money management, money management.
- 10 MR. SOLIS: Okay. Does MAFTAA sponsor congressional travel?
- WITNESS: Yes. And I don't know the exact years, but 2011? 12? 13? Which we
- organized three or four?
- 13 MR. SOLIS: So there were three or four separate trips?
- 14 WITNESS: Yeah. I need to check the calendar, but three –
- 15 MR. SOLIS: And this is for Turkey?
- 16 WITNESS: To Turkey, yes.
- 17 MR. SOLIS: About how many travelers from the House of Representatives, the Senate –
- specifically, let's go with the House of Representatives, how many travelers did you
- 19 sponsor on those trips?
- 20 WITNESS: I don't know the exact numbers now. I need to check the... because it started
- 21 maybe 2010? 11, 12, 13...
- 22 MR. SOLIS: Would it be less than 10?
- WITNESS: I don't think it's more than 10? Maybe 20...25 people?
- 24 MR. SOLIS: And where would you go?
- 25 WITNESS: In Turkey?
- MR. SOLIS: I mean would you just go to Turkey? Or would you were there other
- 27 countries?
- 28 WITNESS: No our... uh... our aim was to promote relation between Turkey and United
- 29 States and Turkic countries, including Azerbaijan, Kazakhstan, Turkmenistan, but we
- never had a chance as an organization ... never had a chance to took any congressional
- staffers to those countries until this 2013 convention. We always took them to Turkey.
- 32 MR. SOLIS: Okay we'll get into that. I just want to focus on outside of this convention;
- had you ever sponsored a congressional travel to any country except Turkey?
- 34 WITNESS: No, always Turkey.
- 35 MR. SOLIS: Always Turkey?
- 36 WITNESS: Always Turkey.
- 37 MR. SOLIS: And when you sponsored that congressional travel, is it only members of
- 38 Congress or staff?
- 39 WITNESS: No, staff. We didn't take any member.
- 40 MR. SOLIS: Okay. How is that paid for?

- 1 WITNESS: It is paid from...this is how we work. We were the main organizer, okay?
- 2 And also we have an agreement with an organization in Turkey. Bakiad. They are the one
- 3 organizing hotels, organizing whatever is needed in Turkey. We kind of set up all the
- 4 meetings from here, like you know what's going on, and before we go to Turkey, let's
- 5 say...how a staffer coming from North Carolina, we ask our member organization in
- 6 North Carolina to pay MAFTAA to cover their expenses and if they agree and they you
- 7 know send some donations to us and then we cover their expenses.
- 8 MR. SOLIS: What if they don't agree?
- 9 WITNESS: They usually agree because it's a small number.
- MR. SOLIS: So does the money for congressional travel ever come solely or wholly
- from MAFTAA? Does it always come from an organization under MAFTAA in the
- seven states?
- WITNESS: Yeah I mean because our money comes from them. It's normal that those
- 14 moneys coming from them too.
- MR. SOLIS: So if there's a congressional staffer who is from Maryland or works for a
- member from Maryland and you invite them to a trip to Turkey, you're going to contact
- the organization under MAFTAA in Maryland and ask them for money to send that
- staffer to Turkey?
- 19 WITNESS: Yeah because it is very hard to... there is one Turkish-American community.
- They're businessmen and we don't' want to go ask them money again and again and
- again and again. They're already in contact with them; they already you know...
- 22 generating some revenue and we ask them to you know generate some money from
- 23 MAFTAA in order to do these trips.
- 24 MR. SOLIS: Now when that payment comes from the organization in state to cover that
- 25 travel, how much is paid? Does it cover the airfare? Does it cover hotels? What does the
- 26 money cover?
- 27 WITNESS: We try to cover everything.
- MR. SOLIS: Everything. So then if you try to cover everything, that smaller
- organization in state, where does Bakiad come in to help defray the cost?
- WITNESS: Bakiad... send us invoice. We send them we wire them money from here.
- We did it in the past and whatever is the cost, we have documents I can show you. This
- 32 how we let... well we might we may owe them something right now because the
- traveler or trips are going on all the time. I don't know where we are right now.
- 34 MR. SOLIS: I just want to make clear then, when you're asking for money from the
- organizations in state, right? Are you just asking for airfare and Bakiad covers the hotels?
- 36 WITNESS: No, no for everything.
- 37 MR. SOLIS: You're asking the organization in state, you're asking for all of the money?
- WITNESS: All the money, yeah. All the money to cover everything.
- 39 MR. SOLIS: Why then would Bakiad have to cover anything in Turkey?
- 40 WITNESS: Bakiad of course, needs to cover everything, but we need to pay them.

- 1 MR. SOLIS: I guess I'm missing a little bit about what these organization in state pays
- 2 for and what Bakiad pays for. I want to know those two different types of categories of
- 3 payment.
- 4 WITNESS: Let me try to be more clear. Bakiad covers everything in Turkey and because
- 5 we have an agreement with them.
- 6 MR. SOLIS: Okay, but what about the flight to Turkey?
- WITNESS: No, we purchase from here. We I mean we purchase from here, but we don't
- 8 purchase anything in Turkey. We pay to Bakiad and Bakiad you know then spend
- 9 everything.
- 10 MR. SOLIS: Got it. Now that's clear. I got it.
- 11 WITNESS: That's the way how it works.
- 12 MR. SOLIS: So when Bakiad is covering the costs so that's flights in Turkey and
- 13 hotels and transportation in Turkey?
- 14 WITNESS: Yes.
- 15 MR. SOLIS: Meals?
- WITNESS: Uh...yes. Because they have an agreement with the restaurants.
- 17 MR. SOLIS: Okay.
- WITNESS: That was very easy for us because in the past, we tried to do ourselves and it
- 19 didn't work. We had a lot of problems and with that way, Bakiad is organizing
- everything for you and you just go and concentrate your trip, you're not concentrating
- 21 who's going to pay the hotels, who's going to pay the meals, where are we going to
- 22 restaurant and everything.
- 23 MR. SOLIS: Do you know how Bakiad is funded?
- 24 WITNESS: They're also... a non-profit organization? We're working with Bakiad
- because we're all inspired in same movement. It's called, I don't know if you know, it's
- Gullen Movement, that's all... we're all sister organizations. That's why we trust them,
- believe them and think that they're good organization.
- 28 MR. SOLIS: I understand that they're a non-profit, but do you know or how do they get
- 29 their funding? Is it from –
- WITNESS: I'm sure that's same... same structure. I'm sure they're getting their funds
- 31 from business people too, in Turkey.
- 32 MR. SOLIS: In Turkey?
- WITNESS: In Turkey, from business people.
- 34 MR. SOLIS: Do you know –
- WITNESS: Because we are... because we are not in here and in Turkey our organizations
- and our sister organizations in any other country because the movement is huge and
- operating in 160 countries, none of our revenue comes from any government. We are solo
- 38 it's a grass-root activities. I'm sure that they... I'm just guessing that their income and
- funds come from local people too. So who believe U.S. territorial relations, trying to
- 40 support it in that way.

- 1 MR. SOLIS: Alright. Just I guess the last question then, when you have this agreement
- 2 with Bakiad to pay them back for the cost they covered? How long does it take for you to
- 3 pay them back?
- 4 WITNESS: Uh... I mean there's no specific time. As I said, we're sister organization, it's
- 5 kind of open account and I don't know when we, as MAFTAA, made the payment, but
- 6 I'm...I remember last time we did like \$30,000.00 payment like wired from here to
- 7 Turkey.
- 8 MR. SOLIS: And you made that payment to them?
- 9 WITNESS: Yeah we made a payment to them.
- 10 MR. SOLIS: Did you personally make that payment?
- WITNESS: Maybe not me. Maybe our accountant, I need to check. I'm not from my
- 12 [indecipherable] from MAFTAA.
- 13 MR. SOLIS: Right, I understand. I just want to know if you were the one who authorized
- 14 the funds.
- WITNESS: Yeah, we authorized because they send us invoice and they said yeah we
- 16 need to pay that.
- 17 MS. BREWINGTON: How often are they sending you invoices? How often are you
- 18 exchanging money?
- 19 WITNESS: It's... about how many trips you do. I mean if you do a lot of trips, you know
- they send you...
- 21 MS. BREWINGTON: Right, but you also said there's sort of an open account so I don't
- 22 know if they send you an invoice every month...
- 23 WITNESS: No. They put everything in their records; this is... I don't know how to say,
- but it's...since it's a sister organization, they're not pushing like, "hey, send my money".
- 25 It's not like business relations where I want my money now. It could be this year, it could
- be next year I mean whenever you're ready to send the money because their focus is
- 27 since they're helping so much in Turkey for us, their focus to strengthen the relations like
- 28 our relation.
- 29 MR. SOLIS: Understood. So from that time, 2010 to I think you said 2013, where you –
- 30 where MAFTAA had sponsored congressional travel –
- 31 WITNESS: I need to check the records. I really don't remember how many we did.
- 32 MR. SOLIS: It could've been more than one per year? More than one trip?
- WITNESS: I don't think more than one. Maybe one... maybe one year we did two?
- 34 MR. SOLIS: Who—
- WITNESS: I mean...in 2014, did we do any? Yes, April we did one. In 2015, we
- 36 haven't done any.
- 37 MR. SOLIS: Who submits the paperwork to the Ethics Committee when you sponsor
- 38 congressional travel?
- 39 WITNESS: Serdar does everything.
- 40 MR. SOLIS: Does he sign it or do you sign it?

- 1 WITNESS: No, I sign it. I see the paperwork and then I sign it. He doesn't sign.
- 2 MR. SOLIS: Do the groups in states that you asked for the money to sponsor the
- 3 travelers, do they ever sign the paperwork to the Ethics Committee?
- 4 WITNESS: No.
- 5 MR. SOLIS: It's always you?
- 6 WITNESS: It's always me. I have a responsibility; something is going to happen it
- 7 happens to me.
- 8 MR. SOLIS: Understood. I want to start talking about the U.S.-Azerbaijan convention in
- 9 2013 in Baku.
- 10 WITNESS: Okay.
- 11 MR. SOLIS: Did you attend that convention?
- 12 WITNESS: I attend that convention.
- 13 MR. SOLIS: Okay. Did anybody else from MAFTAA attend?
- 14 WITNESS: Serdar was with me. I mean Serdar was with the congressional
- group... actually as an organization, as I said, you know MAFTAA and other... our sister
- organizations under TAA has a mission to strengthen relation economic you know
- 17 educational relation with those Turkic countries. But we never had a chance to—as
- 18 MAFTAA we never had a chance to work with other countries, so when this chance
- comes to us, when first coming from Turkic Council, we consider it and we said yes, it
- aligns with our mission and vision and wanted to you know support this because people
- are going to United States to Azerbaijan, it's a great thing to countries, but we were late
- 22 for that.
- 23 MR. SOLIS: Well let's I want to stop you right there. I want to get into we'll go step
- by step through how this happened.
- 25 WITNESS: Sorry.
- 26 MR. SOLIS: No problem, no problem. When was the first time you learned about the
- 27 convention?
- 28 WITNESS: I was checking my email today in the morning and I guess...it was kind of
- 29 refreshing my memories, we...I learned according to our my mails, March 2013. I
- might be wrong, maybe February? But it looks like because I...look at my email, the first
- email I sent to people, "there's a convention, would you like to join us" it was in March.
- You can see through the emails.
- 33 MR. SOLIS: Well I want to know before you would've sent emails to people about the
- convention, in order to send those emails you must've known something about the
- convention, so when was the first time you learned about the convention?
- 36 WITNESS: Could be... February? Maybe like a month? Because I mean on TABN, we
- 37 gather together all the federation executive directors in like meetings, like what are we
- going to do this year and you know maybe we talked there? But this was organized by
- 39 Turquoise Council. When did they bring to us... I don't know exactly.
- 40 MR. SOLIS: Okay, so you have monthly meetings with the Turkic-American Alliance?

- 1 WITNESS: It was mont—it was quarterly then it became monthly? Depending on the
- 2 schedule I mean if there is a convention, we can gather monthly, if there is no agenda, we
- 3 might gather like quarterly. There's no specific timing.
- 4 MR. SOLIS: So your member so MAFTAA is a member of the Turkic-American
- 5 Alliance?
- 6 WITNESS: Yeah we're a member of the Turkic-American Alliance.
- 7 MR. SOLIS: So there was a meeting, it could've been a monthly or quarterly at the
- 8 beginning of 2013?
- 9 WITNESS: Could be 2013 or end of 2012, I don't exactly remember.
- 10 MR. SOLIS: When this convention was first discussed?
- 11 WITNESS: It wasn't discussed it was... I guess it was discussed in Turquoise Council
- because they are the initiator of...they had the relations, they have everything and we
- actually decided to cover some countries in our meetings. Since we are a Turkic name,
- but we don't cover any Turkic countries, you know just focus on Turkey, Turkey,
- 15 Turkey. So we had some in our duty sharing and we actually decided to cover
- 16 Turkmenistan because we have some Turkmen-Americans living in Virginia and they
- wanted to do something and we decided to cover Turkmenistan but we never did. So
- 18 Turquoise Council was responsible for covering Azerbaijan relations, if they can do
- something like inviting business people or delegations, they were the one this is how it
- started actually. You know, in the past years, but as far as I remember they were the ones
- supposed to cover Azerbaijan delegations, if anybody's coming and this is how they
- 22 started.
- 23 MR. SOLIS: Okay, so when you meet, everybody is is it safe to say everybody is
- 24 assigned a different Turkic country?
- 25 WITNESS: Yeah, everybody like I remember Suleyman, they were going to do
- something for Kirgizstan because they have Kirgiz community in Chicago, Midwest area.
- 27 MR. SOLIS: And when you say something, what do you mean by something?
- WITNESS: It's like me organizing meetings, promoting the countries, could be a
- convention. It's a business meeting and anything that promote relation to countries.
- 30 MR. SOLIS: How is the decision who is making the decisions about what sister
- organization gets aligned with what country?
- WITNESS: I think TAA board meeting? Yeah, we did it there.
- 33 MR. SOLIS: Okay, is it a group decision or is it one person deciding?
- MR. YETR: No, it's a group decision. I mean, it could be I don't exactly remember, but
- in our meeting, you're just talking about Turkey and also there's a demand coming from
- other local organizations, you guys are so focused on Turkey, but your name is Turkic,
- you have Turkic members, why don't you do something for other countries? You have
- 38 grass-root and why don't you work for them to do something or collaborate and do
- 39 something.
- 40 MR. SOLIS: So why did Turquoise Council get assigned to Azerbaijan?

- 1 WITNESS: I don't know. Maybe they had some relations in the past? Well we –
- 2 MR. SOLIS: A few moments ago you said, they have their relations with Azerbaijan
- 3 so...
- 4 WITNESS: Yeah, they have the relations! But maybe in the past maybe they were you
- 5 know we organize local, state local reception in every state so as far as I remember, they
- 6 get some delegation from Azerbaijan in the past. Maybe in the meeting they might say,
- 7 let us cover Azerbaijan then since we have relation already started.
- 8 MR. SOLIS: And who is saying that in the meeting?
- 9 WITNESS: Kemal
- 10 MR. SOLIS: Okay and who's Kemal?
- 11 WITNESS: Kemal Oksuz? He was their president at that time.
- 12 MR. SOLIS: Do you know him well?
- WITNESS: Of course I know him well because he moved here, we used to I've been
- 14 knowing him maybe 10 years? We're very close friends.
- 15 MR. SOLIS: Are you still close friends?
- 16 WITNESS: Of course. He moved here. He visited my family, our wives talk, you know.
- We're friends, yes. Nothing to hide.
- MR. SOLIS: No, absolutely that's fine! You can have friends, absolutely. He's from
- 19 Turkey as well, right?
- 20 WITNESS: Yeah, he's from Turkey, but what part I don't know.
- 21 MR. SOLIS: So you've know Kemal for about 10 years.
- WITNESS: I guess 10 years, yeah since... Texas... maybe 2006 or 2005.
- 23 MR. SOLIS: And he used you said he used to be the president of the Turquoise
- 24 Council.
- 25 WITNESS: Yeah as far as I know. Bilal came recently I guess, yeah. At that time, he
- 26 was definitely president of Turquoise Council.
- 27 MR. SOLIS: And Bilal is now the president.
- 28 WITNESS: Bilal, yeah because he's coming to our meetings.
- 29 MR. SOLIS: Why did Kemal leave Turquoise Council?
- WITNESS: I don't know the specific reasons why he left the Turquoise Council. This is
- 31 their business, not mine.
- 32 MR. SOLIS: You said you're close friends with him, that your wives talk, that you've
- 33 known him for 10 years.
- WITNESS: But we're not like...you know...tell me what happened, why did you leave,
- what happened... I didn't talk a lot. In fact I haven't seen him in a long time. I
- mean...yeah he came to our convention, we held in March 17 and 18. I saw him –
- 37 MR. SOLIS: Of this year?
- WITNESS: Of this year, yeah. Very short time, we were so busy at that time.
- 39 MR. SOLIS: So you're telling me that you don't know why he left the Turquoise
- 40 Council? He never spoke about it?

- 1 WITNESS: We never spoke about it and it happened suddenly actually. I heard it if
- 2 you ask me why, because I'm so involved with the TABN, our Turkish organizations,
- 3 you know... he's in Texas and I'm here you know. I might not know.
- 4 MR. SOLIS: Do you know what the Assembly of Friends of Azerbaijan is? AFAZ?
- 5 WITNESS: I heard about it and they were one of the organizers of the convention I
- 6 guess. They were part of it because I saw their name and... when we sent emails,
- 7 Turquoise Council you know you can see our emails together.
- 8 MR. SOLIS: Who runs AFAZ? Who is the director there?
- 9 WITNESS: Uh...I don't have much information about AFAZ.
- 10 MR. SOLIS: What information do you have about AFAZ?
- 11 WITNESS: I guess Kemal move there. AFAZ...is he AFAZ right now? Yeah because –
- 12 MR. SOLIS: You tell me.
- WITNESS: I really don't know because he said he was going to do with something with
- 14 Azerbaijan. He might be part of AFAZ now.
- MR. SOLIS: He told you he was going to do something with Azerbaijan?
- WITNESS: I mean he was already doing the Turquoise Council. They were you know
- doing something, yes.
- 18 MR. SOLIS: And what were they doing?
- 19 WITNESS: Just organizing convention, trying to you know promote U.S.-Azerbaijan
- 20 relations –
- 21 MS. BREWINGTON: Organizing what convention?
- 22 WITNESS: That –
- 23 MS. BREWINGTON: The 2013 convention?
- 24 WITNESS: Yes.
- 25 MR. SOLIS: Is that the only thing that they were doing with Azerbaijan? Turquoise
- 26 Council?
- 27 WITNESS: As far as I know, yes.
- 28 MR. SOLIS: So you think Kemal has something to do with AFAZ?
- 29 WITNESS: Could be part of it right now. I don't know.
- 30 MR. SOLIS: He could be?
- 31 WITNESS: Part of AFAZ.
- 32 MR. SOLIS: Has he ever talked to you about AFAZ?
- 33 WITNESS: I mean...it...they were you know, he was telling me...I don't want to give
- you misinformation because just the little bit information.
- 35 MR. SOLIS: Yeah, as much as you can remember and also to be as truthful as you can.
- 36 WITNESS: Yeah, I'm trying. I have no information about AFAZ.
- 37 MR. SOLIS: Then what did he say about AFAZ?
- 38 WITNESS: He said they were you know... Azerbaijan was going to you know...in
- 39 Texas. They were going to create a new organization and he was going to help them and

- 1 he was going to part of it and I don't know what happened now. Is he part of it now? I
- 2 guess he's part of it now.
- 3 MR. SOLIS: And why do you say that?
- 4 WITNESS: Because he's... why do I say what.
- 5 MR. SOLIS: You said, "I guess he's part of it now." So why do you say that?
- 6 WITNESS: Because... I mean it's obvious I mean. Kemal is trying to ... since 2013, he's
- 7 trying to promote Azerbaijan-U.S. relations.
- 8 MR. SOLIS: And you say it's obvious. Why do you say it's obvious?
- 9 WITNESS: Because he's part of the convention, he's one of the organizer... I mean if
- you are with Turkish guys all the time as an American you have some relation with them
- right? So I can see the...he's with Azerbaijani community in Texas and trying to help
- them which means there's a proof that he's with them I mean trying to help them.
- 13 MR. SOLIS: Do you know if he travels to Azerbaijan regularly?
- 14 WITNESS: I don't know his travel schedule.
- 15 MR. SOLIS: Do you know if he goes to Azerbaijan?
- 16 WITNESS: Do you want me to guess or exactly –
- 17 MR. SOLIS: I want to know if you know if he's been to Azerbaijan.
- 18 WITNESS: Of course he was at the convention.
- 19 MR. SOLIS: Any other time besides the convention.
- 20 WITNESS: I don't know his schedule. I really don't.
- 21 MR. SOLIS: I just want to be clear. I'm not asking if you know his schedule. All I want
- 22 to know is if you know if he's been to Azerbaijan –
- 23 WITNESS: If you want me to take a guess, I'm sure he's been to Azerbaijan because
- 24 they were Turquoise Council was organizing trips to Azerbaijan, I'm sure that he was
- part of it and you know... he was there. You know, I'm sure that.
- 26 MR. SOLIS: Where does Turquoise Council get its funding?
- 27 WITNESS: I don't know how they work. I'm sure they're getting it from local people
- 28 too.
- 29 MR. SOLIS: And why are you sure of that?
- WITNESS: Because we work together. We are sister organization and I'm sure that
- 31 they're working like us.
- 32 MR. SOLIS: What about AFAZ?
- WITNESS: I have no information about AFAZ. I would tell you everything if I knew,
- 34 but no information.
- 35 MR. SOLIS: Is AFAZ a sister organization?
- WITNESS: No, no. Not part of us. AFAZ is not part of under TAA it's not under
- 37 TAA.
- 38 MR. SOLIS: When you have those meetings with all the sister organizations, was AFAZ
- ever discussed at any meeting?
- 40 WITNESS: No. I do not remember. I don't think so because it was...

- 1 MR. SOLIS: Was Kemal there at those meetings?
- 2 WITNESS: On 2014, yes. He was at those meetings.
- 3 MR. SOLIS: Did he ever say AFAZ at any of the meetings? Did he ever mention that
- 4 name?
- 5 WITNESS: Maybe it was on the agenda, maybe private conversation? Yes...I mean
- 6 AFAZ wasn't on our calendar or agenda...
- 7 MR. SOLIS: So you said private conversation...
- 8 WITNESS: It's like you know... friends like... yeah that's how I know. And I know that
- 9 AFAZ was definitely in the convention too because –
- MS. BREWINGTON: So they weren't part of the conversations, but you remember
- 11 hearing about them prior to the convention?
- WITNESS: No, no. I saw for the first time, AFAZ at the convention. I did not know
- anything about AFAZ. I still don't know anything about AFAZ; how they were created,
- who created, who is funding and... are they [indecipherable]. I don't know those
- 15 information.
- MR. SOLIS: Yeah, I'm not asking you about that. What I'm asking you is was the name
- 17 AFAZ ever mentioned and you said, "maybe in the agenda or in a private conversation" –
- 18 WITNESS: Not in the agenda.
- 19 MR. SOLIS: Okay, not in the agenda, but in private –
- 20 WITNESS: In private conversations, Kemal might have mentioned that.
- 21 MR. SOLIS: Okay.
- WITNESS: But I'm not sure. I cannot tell you, again I don't want to misdirect
- 23 you... because in the past it was in 2012...13, we're talking about three years.
- 24 MR. SOLIS: Well then when did you in a private conversation, when did Kemal say
- 25 AFAZ to you? Was it in 2013?
- 26 WITNESS: Could be 2013, yeah.
- MR. SOLIS: And what would he have said about AFAZ in a private conversation at one
- of those meetings?
- 29 WITNESS: Like Azerbaijan is our founding and organization... what does AFAZ stand
- 30 for, whatever it stands for –
- 31 MR. SOLIS: Assembly of Friends of Azerbaijan?
- WITNESS: Yeah I don't really know what it stands for.
- 33 MR. SOLIS: So he may have said...
- 34 WITNESS: He may have said yeah...
- 35 MR. SOLIS: He may have said Azerbaijan's a funding organization?
- WITNESS: I mean local Azerbaijani's are not funding... founding.
- 37 MR. SOLIS: Founding.
- 38 WITNESS: Founding our organization.
- 39 MR. SOLIS: And they asked him to be a part of it?

- 1 WITNESS: I'm sure that they asked him because he was so active with the Azerbaijan
- 2 organizations.
- 3 MR. SOLIS: Okay. Kelly, did you have any more questions about the meetings?
- 4 MS. BREWINGTON: It's... when do you remember first hearing that the Turquoise
- 5 Council was going to organize this trip?
- 6 WITNESS: The convention?
- 7 MS. BREWINGTON: The convention.
- 8 WITNESS: As I said, it was...2013, February. Because I checked my email as I said
- 9 before, February 2013? Most likely.
- 10 MS. BREWINGTON: And how as it decided the role that your organization would play?
- 11 WITNESS: This is how it worked. Turquoise Council started organizing this and maybe
- they started earlier? The organization...stages...they started earlier. And... and
- they...they shared with us and they said they were going to do us, would you like to
- support us? Support means it's like inviting people and like if people accept to go to
- 15 Azerbaijan, be with them and be part of the group –
- 16 MR. SOLIS: And just so I'm clear, when you say, "they", you mean Kemal?
- 17 WITNESS: No, the Turquoise Council!
- 18 MR. SOLIS: Who is the Turquoise Council?
- 19 WITNESS: Kemal and... whoever in the organization. Of course we always see the
- 20 Kemal. I mean...
- 21 MR. SOLIS: Okay, so Kemal asked you...
- 22 WITNESS: Not me! I mean he didn't just me... I mean in the meeting, we're doing this
- 23 and –
- 24 MS. BREWINGTON: He was at the meeting?
- 25 WITNESS: He was at the meeting and said you guys want to be part of it? This is what
- we're going to do. We're going to take people to Azerbaijan like we were doing lot of
- 27 trips and if you like to be part of it and here are the... I put an email and documents like
- how are they going to invite and you know. Because in our invitation letter, we always
- use Turquoise Council is the sole sponsor of this trip and we, as MAFTAA, our sister
- organization we are trying to help them and promote this event.
- MR. SOLIS: So... at the meeting in early 2013, somewhere in February maybe, Kemal is
- there representing Turquoise Council and he asks everybody, all the sister organizations –
- 33 WITNESS: All the sister organizations.
- 34 MR. SOLIS: To have a role in planning the convention?
- WITNESS: Not the planning, inviting people.
- 36 MR. SOLIS: Just inviting people.
- WITNESS: Just inviting people. Because I mean they were the one who did all the
- 38 planning.
- 39 MR. SOLIS: And what did he say about how they were going to pay for it?

- 1 WITNESS: Actually we didn't talk about this funding and everything and he said you
- 2 know, we were... we are going to cover everything as Turquoise Council and you
- 3 just... and would you like because we didn't have the fund you know as MAFTAA we
- 4 didn't have fund so we said –
- 5 MR. SOLIS: So you couldn't have paid for it.
- 6 WITNESS: I mean, no! You know we are sister organization and doesn't help us at the
- 7 time, I wouldn't take anyone at that time because we already have our other events we're
- 8 going on.
- 9 MR. SOLIS: So I want to be clear, did Kemal at that meeting say how the trip was going
- to be funded? Did he say Turquoise Council –
- 11 WITNESS: Turquoise Council will cover and sole organizer and we all asked him to put
- it on the paper that's why they send us invitation letter; that's how we used the invitation.
- 13 MR. SOLIS: Did he say that AFAZ would help pay too?
- 14 WITNESS: No. AFAZ wasn't there. I mean... I saw AFAZ's name later on the
- 15 invitation.
- MR. SOLIS: So...did MAFTAA end up sponsoring any congressional travel?
- 17 WITNESS: We were so late because actually... I'm saying February because I might
- miss some meetings, I might... maybe it started 2012, late 2012. I was in the February
- meeting because I checked my emails; I might miss some meetings, they might start
- 20 maybe the paperwork started early MAFTAA promote this event very late. We were
- 21 like you know... we were about and we actually missed the event. We just we actually
- 22 invited some congressional staffers and we missed the ethics timeline. I guess it has to be
- one month in advance and then you know we said we're sorry we may not take you, but
- our sister organization in Midwest, like Suleyman's organization, they are...they're about
- 25 to submit it, would you like to be part of them you know our staffers that we find we
- 26 invited went with Midwest organizations and Serdar was also with them too.
- 27 MR. SOLIS: So you and Mr. Turhan from the Federation of Midwest talked about how
- 28 to organize this?
- 29 WITNESS: Yeah. I call I guess I call him and said you know we were late, you
- know...would you like to you know help us because we already promised people and we
- already promote this event, but we were late for the ethics paperwork you know, can we
- enter those names to your group and... he said okay.
- 33 MR. SOLIS: If Kemal at those first meetings said that Turquoise Council would be the
- entity that organized and planned and then paid for the travel, why would you as
- 35 MAFTAA to the Federation of Midwest have to submit paperwork? Why wouldn't
- 36 Turquoise Council just submit paperwork for everybody?
- WITNESS: The group was huge. I guess total number was...uh...2-300 people? It could
- be very hard to manage those 300 people and also we already have our relations with
- those staffers you know, so...it was easy to you know communicate with them and help
- 40 you know do their paperwork; it's like separate groups to make it much easier.

- 1 MR. SOLIS: Did Kemal say that to you? Did he say, "this is too many people for me to
- 2 handle"?
- 3 WITNESS: I guess we discussed it in the meetings. Like how are you going to handle,
- 4 let's do it like that, this is how we decided to do it.
- 5 MR. SOLIS: Did anybody ask, "well I'll help out, but I don't' have the money so can
- 6 you help me pay for it?"
- 7 WITNESS: Of course we all asked. We said you know... I can promote this event, but
- 8 we don't have any money to cover so and they were willing to help cover the... yeah the
- 9 amount and everything.
- MR. SOLIS: So who all said the same thing? Who all said that that, "I can't afford it"?
- WITNESS: I'm sure that all organizations did that.
- 12 MR. SOLIS: You're sure?
- 13 WITNESS: I'm sure. Yes.
- 14 MR. SOLIS: You heard everybody say that?
- 15 WITNESS: Yes I heard that.
- 16 MR. SOLIS: Faruk Taban? Did he say that?
- 17 WITNESS: I'm sure he did that too.
- MR. SOLIS: What about Mr. Teber? The Federation of the Southeast?
- 19 WITNESS: He wasn't there.
- 20 MR. SOLIS: He wasn't there?
- 21 WITNESS: Because someone else was there.
- 22 MR. SOLIS: Who?
- 23 WITNESS: Someone else.
- 24 MR. SOLIS: Someone else?
- 25 WITNESS: Cemil was at that meeting I guess because he came at like 2014 or
- 26 something.
- 27 MR. SOLIS: What about Mr. Kosar from the CTAA?
- WITNESS: Mr. Kosar was at that meeting. Could be yeah... he was there too.
- 29 MR. SOLIS: Did he say, "I can't afford to do this"?
- WITNESS: I'm sure everyone said I can't tell. I'm personally [indecipherable] because
- 31 it's in the past. Because we decided that we cannot cover this. I can't speak I mean let
- me put it that way. I can speak myself, don't put them in... I personally said I can't cover;
- I mean my organization cannot cover it.
- MR. SOLIS: But you said, "I'm sure that others couldn't either", so I want to know why
- you're sure of that.
- 36 WITNESS: I know... because their structure is like us. They're not like the one
- generating a lot of money for everything. It's impossible to do it.
- 38 MR. SOLIS: Who did you talk to from any of the organizations about how they could
- 39 afford this?
- 40 WITNESS: Like...for what?

- 1 MR. SOLIS: Like you said, "I'm sure that other...the other sister organizations, because
- of the way they're structured, because of their funding, they couldn't have had the money
- 3 to spend this convention", right?
- 4 WITNESS: Everybody was relying on Turquoise Council.
- 5 MR. SOLIS: Right.
- 6 WITNESS: To help us and you know fund this –
- 7 MR. SOLIS: So I would like to know, out of all the sister organizations, who did you
- 8 talk to about that issue? About –
- 9 WITNESS: I didn't talk to specifically one person. I just you know maybe talk my –
- what I'm thinking about this, I didn't lobby like "hey, let's do this".
- 11 MR. SOLIS: No, I just want to understand whether or not you spoke with people about
- 12 how much money they have; if they had enough money to cover this trip.
- WITNESS: Personally, if I had enough money, I would like to cover and take people to
- 14 Azerbaijan because it's our mission to cover Turkic countries, but at the time we didn't
- have money, we were late, we couldn't even do the paperwork and MAFTAA couldn't
- do anything, just promote the event and invited like four names, I guess.
- 17 MR. SOLIS: Alright, well I guess I mean you must have had that conversation with
- 18 Mr. Turhan, right? He took on your travelers.
- 19 WITNESS: Yes. He was very generous and he said they were going to help us, the paper
- works and I said, Serdar will come help you because he's the one invited people.
- 21 MR. SOLIS: Then Mr. Turhan must have discussed with you, whether or not the
- Federation of the Midwest had enough money to send people on the trip.
- 23 WITNESS: It wasn't ... as I said it was in the meeting. Everybody was relying on
- 24 Turquoise Council that they were going to cover everything, even if they... even if
- 25 Suleyman's organization covers everything and they were going to help them later days.
- 26 Am I clear?
- 27 MR. SOLIS: No. No. I want to get a better understanding of that. I want to know –
- 28 WITNESS: Okay. Even if Suleyman did everything, Suleyman also rely on Turquoise
- 29 Council.
- 30 MR. SOLIS: And what do you mean by everything, did everything? What do you mean
- 31 by that?
- WITNESS: It's like doing paperwork, inviting people, but you don't have enough money
- 33 to cover everything.
- MR. SOLIS: Did he say that to you, that he didn't have enough money or you just know
- 35 that?
- WITNESS: I know that. I mean as I said, I know their structure. I don't think they have
- enough money to cover everything.
- 38 MR. SOLIS: What about the CTAA and Federation of Southeast?
- 39 WITNESS: I worked with Suleyman and I know his situation...I'm just guessing. I don't
- want to put like everybody's position.

- 1 MR. SOLIS: Yeah, but WITNESS you worked closely with these people, you meet with
- them, you know Mr. Kosar, you know Cemil, you know all these people and because
- 3 their structured similarly to MAFTAA, you do know about how they're funded and how
- 4 they spend their money, so I just want... you know they were planning meetings about
- 5 this convention and about how Turquoise Council was going to fund it, I just want to
- 6 know the conversations you had with other presidents and other executive directors about
- 7 you know, Turquoise Council paying for this.
- 8 WITNESS: I know they're most structured, but if you ask me... CTAA is in much
- 9 better... situation because there are a lot of Turkish-Americans living in New York, New
- Jersey. They getting more fund than I do. They might have different finance situation.
- 11 MR. SOLIS: Did they pay for any congressional travel for this convention?
- WITNESS: I don't know. I can't speak on behalf of them.
- 13 MR. SOLIS: Okay. Well, you know 10 minutes ago you said that –
- WITNESS: I'm just guessing! I mean because there's a lot of organizations, lot of stuff,
- 15 I'm not going and asking, "hey Furkan how do we do it?" I'm not like, how do you do
- this Oskur and how do you do this, it's not my business to ask people.
- 17 MR. SOLIS: Well you seemed very clear a moment ago –
- 18 WITNESS: I'm just guessing!
- 19 MR. SOLIS: Turquoise Council was the sole fund –
- 20 WITNESS: Of course Turquoise Council! They promised that they were going to do it
- and they ... that's why I you know, friendly asked Suleyman you know help me because I
- 22 know that that fund was going to come from them.
- 23 MR. SOLIS: Okay then before we move on, I don't mean to press you too hard, but just
- so we're clear because I want to make sure that when we understand all of this, it's sort
- of...it's easily understood and it's very clear. There was a promise and understanding that
- 26 the Turquoise Council was going to pay for the trip, correct?
- 27 WITNESS: Yes! They promised us.
- 28 MR. SOLIS: And then when I asked right so they did make a promise. So when I
- asked you whether or not Furkan, Mr. Kosar at CTAA, whether or not they paid for the
- 30 travel, you said I don't know. So...
- 31 WITNESS: At the end... because they have to keep track like what happened, they have
- to talk to Turquoise Council if they did it... you know if they follow all the financial
- 33 situation because I don't know. I'm responsible for my organization. I can't speak on
- behalf of them because there like six organization plus 250 sister organizations, I'm just
- responsible for TABN, make sure it's going well, probably have time for MAFTAA. I
- work for volunteer extra for MAFTAA.
- 37 MR. SOLIS: But at the very least at the beginning of at these additional meeting, there
- was a promise by the Turquoise Council to pay for everything.
- 39 WITNESS: Yes... that's how we started.
- 40 MR. SOLIS: Okay and Kemal said that.

- 1 WITNESS: Yes.
- 2 MR. SOLIS: Okay.
- WITNESS: It's on our paper, you can see. I mean our email, this is how we send
- 4 invitation.
- 5 MR. SOLIS: You know I'll show you one of those emails right now. This is Bates
- 6 number GD 0079. You can take a minute and look at that.
- 7 WITNESS: You see at the end it says, "Turquoise Council Americans and Eurasians is
- 8 the –
- 9 MR. SOLIS: Well one second. I want to ask you about that, I just want to get down you
- 10 know I realize that you're not on this email, but this is Serdar's email, correct?
- 11 WITNESS: This is how we separate it. Serdar was going to work on inviting staffers, I
- was going to work on inviting local delegate Senators; that's why you can see more
- 13 Serdar's email rather than mine.
- 14 MR. SOLIS: Have you seen this email? Have you seen this invitation, though? Have you
- seen the language before?
- WITNESS: I guess he send it to me and I'm sure he send it to me first and I approve or
- 17 he showed it to me when he narrate it and write it down.
- MR. SOLIS: We'll go down to this portion where you just mentioned; this paragraph. It
- says, "the Turquoise Council of Americans and Eurasians, sister-organization of Mid-
- 20 Atlantic Turkic-American Association, MAFTAA, as the sole organizer will cover airfare
- 21 to and from the event, hotel accommodation, ground transportation as well as meals
- during your travel." Is that... that's a true statement?
- 23 WITNESS: It is a true statement. That's why we rely on this. This is how we work.
- 24 MR. SOLIS: I want to show you another email.
- 25 WITNESS: It is my email?
- MR. SOLIS: This is not your email, I don't think—one second though, I want to ask you
- about it. It's CD 0028. Again, I think this is from at the top you'll see this is from
- 28 Serdar's email, right? And again, I understand that you did not write this.
- 29 WITNESS: No. Serdar did.
- 30 MR. SOLIS: But... I want to draw your attention to the first paragraph there, and this is
- April 24, 2013. You say it was to one of the staff, you say, "it's good to finally talk to
- 32 you" not you, I'm sorry. Mr. Serdar said this. "It was good to finally talk to you. I have
- attached your itinerary, list of invitees, House Ethics form and the personal data form.
- We are collaborating this with our sister organization, Turkish Federation of the Midwest,
- that's why you'll see their names on the ethics forms instead of MAFTAA." Okay, if the
- 36 Federation of the Midwest was going to take on the role of doing the paperwork and
- 37 helping you out, do you know why Serdar was sending ethics forms to the staffers?
- WITNESS: It was because they might not know Suleyman? Instead of Suleyman, Serdar
- was taking the role to connect them.

- 1 MR. SOLIS: But Suleyman would have been the person submitting the forms on their
- 2 behalf.
- 3 WITNESS: Yes.
- 4 MR. SOLIS: When you would when you or Serdar would get questions from staffers,
- 5 or would you get questions from staffers about itinerary or hotels?
- 6 WITNESS: Of course. They ask a lot of questions. Like what's going to happen, what
- 7 kind of country is this, are we going to be safe, do we need any shots when we go there?
- 8 Tons of questions. That's why we do like orientation, make sure that there is no question
- 9 in their mind and that they're safe you know.
- MR. SOLIS: When you got those questions, did you ever send them to Kemal to answer?
- WITNESS: No. Those are basic questions. Like what is the itinerary and we already got
- the itinerary like hotel information, those are all they ask about basic questions.
- 13 MR. SOLIS: You know we spoke to some other people, you know we spoke to Mr.
- 14 Turhan for example, he said that because Turquoise Council was planning everything, he
- sometimes didn't know the answer to questions that staffers would bring to him about
- logistics and planning and hotels and all of that, so I'm wondering if that helps jog your
- memory if you reached out to Kemal to answer any questions.
- WITNESS: No, because I wasn't the one talking to staffers. Serdar was always keeping
- 19 touch with them.
- 20 MR. SOLIS: Could he have reached out to Kemal to ask him questions?
- 21 WITNESS: No. If there were any questions he could ask me.
- 22 MR. SOLIS: I want to show you another document. This is LGT 0404 –
- 23 WITNESS: What is that number that you're saying?
- 24 MR. SOLIS: It's at the bottom right hand corner, that's just a number we use to identify
- documents. This again, I believe is an email from Serdar to a staffer.
- 26 WITNESS: It says Jackson.
- 27 MR. SOLIS: Yes.
- 28 WITNESS: Oh, Jackson-Tufts.
- 29 MR. SOLIS: And I want to direct you to the second paragraph," as far as the hotel in
- Istanbul, our agency in Turkey hasn't sent me the forms regarding our domestic travels
- and hotels, but as soon as they send them to me, I'll share them with everyone." Is the
- agency in Turkey, is that Bakiad?
- WITNESS: Bakiad. He's referring Bakiad. He may not know what Bakiad is, like an
- 34 agency. He doesn't --
- 35 MR. SOLIS: When you would organize these this trip in particular or other trips, do
- you ever explain to the staffers who Bakiad is or what it is?
- WITNESS: Of course, I remember because they were...if everything goes smooth and
- they compare trips with other trips and they say, you know our trip was perfect, I mean
- 39 what happened how did it happen, you know I say we're working with an organization
- here; they were the ones helping us to you know book the hotels and everything. We're

- 1 very clear about it like what we're doing in Turkey, who we are, what our starting from
- 2 Gullen movement, from A to Z we explain everything to them.
- 3 MR. SOLIS: Do the staffers or the members whoever you sponsored, at any point, do
- 4 they ever ask how Bakiad is funded or how Bakiad helps you pay for some of the travel?
- 5 WITNESS: No, they didn't' do that.
- 6 MS. BREWINGTON: Do they ever ask general questions about how is this trip funded,
- 7 who's paying for the trip –
- 8 WITNESS: Of course they ask in the beginning you know like and of course they ask
- 9 who are you first and starting from the –
- 10 MS. BREWINGTON: And what do you tell them?
- 11 WITNESS: We explain everything! This is Turkish-American organization, this is how
- we funded, this is our mission/vision, and this is what we're trying to do. We're trying to
- be clear I mean we live in United States you know...how to be clear as possible.
- 14 MR. SOLIS: Did anybody ask with this trip about who was paying for it?
- WITNESS: I wasn't with those staffers. I don't know what kind of questions they asked
- 16 Serdar. Serdar has more information than me.
- 17 MR. SOLIS: One second, I'm going to hold on.
- MS. BREWINGTON: Did Serdar ever express to you that people he was traveling with
- 19 had asked those questions about the funding of the trip?
- 20 WITNESS: No, never. Because in the email it show me says, Turquoise Council is sole
- sponsor. My phone is ringing... it could be my wife because my son can I just see –
- 22 MR. SOLIS: Absolutely. We'll stop the recording for a moment.

23

- MR. SOLIS: Alright, we are back on the record. I want to show you another email; it is
- numbered GD_0043, again, this is an email from Serdar, it's Friday, May 17th. And this
- is only a week or so before you leave for Turkey and Azerbaijan, and actually I just want
- 27 to get that clear for a moment. You went to Turkey first, correct?
- 28 WITNESS: Did we travel to Azerbaijan first or Turkey first? I personally went to Turkey
- 29 first maybe spent one day in Turkey, then traveled to Azerbaijan. If you are asking me
- 30 personally?
- 31 MR. SOLIS: Yeah or the staffers that you worked with, do you know if they went to
- 32 Turkey first?
- 33 WITNESS: They... I don't know their schedule. Serdar was taking care of them and
- then...did he explain or he didn't explain? Beause I have to take a look there...
- 35 MR. SOLIS: Yeah, just whatever you know.
- 36 WITNESS: I don't know. I don't know if they went to Turkey first. I feel like I have to
- 37 tell you... explain more.

- 1 MR. SOLIS: That's okay. Who paid for your Travel?
- 2 WITNESS: Turquoise Council.
- 3 MR. SOLIS: Turquoise Council. Who paid for your hotels?
- 4 WITNESS: Turquoise Council. Because it was ready when we arrived there.
- 5 MR. SOLIS: Okay. So I want to direct you to the text here with this email. Again, this is
- 6 GD 0043. This is only a week or so before the trip. Serdar writes, "Please let me know as
- 7 soon as you can once you receive an approval so that we can finalize the reservations
- 8 abroad," and the subject is "Ethics approval?" again, this is along the lines of the last
- 9 question I asked. And one of the last questions I asked was, if Suleyman and the
- 10 Federation of the Midwest is helping you organize this, and they are taking on the staffers
- to submit the paperwork, why are you... why is Serdar and MAFTAA still interacting
- with the staffers about ethics approval?
- WITNESS: We were just trying to make sure that whoever we invited to the trip is...
- 14 you know they're our invitees, you know we initiated inviting them, just wanted to make
- sure everything is going clear and they are in line with the Ethics and everything
- MR. SOLIS: If you initiated inviting some staffers first, why would you miss the
- deadline? Or, you know, how did that play out where you missed that?
- 18 WITNESS: It was... I guess it was because of me I was busy at that time with my
- organization so... it could be that one personally I was...
- 20 MR. SOLIS: So you had reached out to some staffers inviting them to this convention?
- 21 WITNESS: Not me personally. I actually sent... I could have sent some emails I found
- those emails, who I invited. And I was busy with other local State Senators and
- 23 Delegates. Serdar, you know, much involved with the US Congress. That's normal I
- 24 mean if you don't put everything... cause it's at the stage where people are going to
- decide to come or not. It's a group of people, we have to put them together and we could
- be late. I remember in the past we miss one deadline and we couldn't do that trip.
- 27 MR. SOLIS: Here's another email here; it is numbered LGT 0429. And this is again, an
- email from Serdar to a staffer. This is May 17th. And he writes, to the staffer, "would you
- able to contact Ethics about the status of the application normally we were supposed to
- wait for approvals before we purchased the tickets, but there was a miscommunication
- 31 with our sister federation. And they went ahead and purchased the tickets and now we
- realize that Hill staff hasn't received the approvals yet." Do you recall this situation?
- 33 WITNESS: No.

- 1 MR. SOLIS: What would... this says, "miscommunication with our sister federation."
- 2 What sister federation? Who is that?
- 3 WITNESS: I guess he is referring to Midwest.
- 4 MR. SOLIS: And it says, "they went ahead and purchased the tickets." I didn't think that
- 5 Midwest purchased any tickets.
- 6 WITNESS: Or, "normally we were supposed to wait for approvals before we purchased
- 7 the tickets, but there was a miscommunication with our sister federation. And they went
- 8 ahead and purchased the tickets and now we realize that Hill staff hasn't received the
- 9 approvals" I don't recall. Like you want me to guess something or....
- 10 MR. SOLIS: Nope, I don't want you to guess. I don't want you to guess. Here is another
- set of documents. Take a look at those. This is GD_0035 through 40. So this appears to
- be flight itineraries for one of the staffers. And this was sent by Serdar on May 19th, do
- you recall these itineraries and seeing them at all?
- 14 WITNESS: I wasn't dealing with the....no.
- 15 MR. SOLIS: So who was dealing with them?
- WITNESS: Serdar was dealing make sure that their tickets purchased and...
- MR. SOLIS: Well earlier you told me that, you know, that he doesn't sort of take action
- 18 without you having a –
- 19 WITNESS: Right. This is.... He doesn't need to ask me those questions because the
- 20 tickets... I mean, that's his responsibility to make sure that, you know, people are getting
- 21 their tickets and, I mean.
- 22 MR. SOLIS: So you may not have seen these flight itineraries?
- 23 WITNESS: No, I mean I seen those flight itineraries... or did he... I wasn't even CC-ed
- 24 here.
- 25 MR. SOLIS: You know this set of itineraries shows a couple of different staffers I
- 26 believe and it does show some trips.
- 27 WITNESS: We invited our guest like 10-15 just as far as I remember just 4 of them
- decided to come. Glen was one of them. Yeah I know Glen.
- 29 MR. SOLIS: Yeah so for example, Glen. It shows him leaving D.C. on Friday May 24th
- 30 arriving --
- 31 WITNESS: Istanbul and...

- 1 MR. SOLIS: Arriving in Istanbul on Saturday May 25th, and then it looks... it appears
- 2 that he stayed in Istanbul for a few days and then departs to Baku, Azerbaijan on Tuesday
- 3 May 28^{th} . And then on June 1^{st} –
- 4 WITNESS: No, it says depart from Istanbul...let me see. Yeah, first they arrive at
- 5 Istanbul, stay couple of days, looks like... yeah three days later they fly to, yeah.
- 6 MR. SOLIS: So does that jog your memory as to whether or not the staffers went to
- 7 Turkey first before Baku?
- 8 WITNESS: Yeah it looks like they went to Turkey first.
- 9 MR. SOLIS: So why wouldn't you have known that if you sponsor congressional travel
- and you bring people to Turkey pretty often and you work with Bakiad, you know. Why
- would you not know if these staffers went to Turkey first?
- WITNESS: If you arrange like four or five trips a year, you may not remember
- everything, but this past in 2013 two and a half years ago. If I had the time I would work
- and prepare myself and then come and you know... could give you a more clear answer,
- 15 but you know.
- 16 MS. BREWINGTON: But would Serdar have talked to you about this before sending
- this email to the staffers?
- WITNESS: As I said he doesn't need to talk to me because this particular issue, I mean,
- itinerary set and this was his responsibility to make sure that tickets ready and send it to
- 20 him. We already separated the groups I wasn't... I was dealing with my local people and
- 21 he was dealing with those people. And from that point he had to make sure that
- everything is working I mean he doesn't need to ask me. I mean, of course, if there is a
- 23 question and if he is stuck with something, you know, sending tickets to a staffer. He
- doesn't need to ask me; I can communicate with them directly.
- 25 MS. BREWINGTON: You wouldn't have to discuss the itinerary or just pre-trip
- 26 planning or...?
- 27 WITNESS: I don't even remember if I had their orientation.
- 28 MS. BREWINGTON: You wouldn't remember what?
- 29 WITNESS: Because we had orientation for every group, I wasn't even at their
- orientation. I wasn't there.
- 31 MR. SOLIS: Can I direct you to the fourth page there? It's marked GD 0039. Should be
- the next page, at the bottom there? Do you see NIL Travel?

- 1 WITNESS: Yes, NIL Travel.
- 2 MR. SOLIS: Did you know who NIL Travel is?
- 3 WITNESS: They were the ones giving the tickets. Turquoise Council was working with
- 4 them.
- 5 MR. SOLIS: And how do you know that?
- 6 WITNESS: Because we were asking, like you know, because I was... I had another
- 7 group and I was asking like, "who's going to buy the tickets? Like are you guys going to
- 8 buy the tickets?" They said it's very complicated, just directly contact with them.
- 9 MR. SOLIS: Who's them?
- 10 WITNESS: Turquoise Council, like Kemal and you know they said just directly contact
- with NIL Travel and you know send your itinerary and they are going to purchase the
- tickets. I mean they are going to arrange the tickets.
- MS. BREWINGTON: So Kemal told you to discuss the tickets with NIL Travel?
- 14 WITNESS: NIL Travel directly. Reducing the work amount instead of working with
- 15 Turquoise Council asking them all the time. I mean ask them directly and arrange all our
- 16 tickets.
- 17 MR. SOLIS: So did Turquoise council give NIL money to buy the tickets?
- 18 WITNESS: I'm sure that they did, because we didn't give any money. They were the
- 19 ones covering.
- 20 MR. SOLIS: Do you know who Bahri Caliskan is?
- 21 WITNESS: I used to live in New York for 5-6 years. I know him. I didn't work... did I
- work with him in the past? I don't remember. I know him personally.
- 23 MR. SOLIS: Does he know Kemal?
- 24 WITNESS: Of course they do, they work together almost.
- 25 MR. SOLIS: Do you know if he knew him on a personal level?
- WITNESS: I don't think so. Because he's in New York, I don't think so on the personal
- level. But after this trip I'm sure they know each other very well.
- 28 MR. SOLIS: And you know just to be clear Kelly had asked you about conversations
- with Kemal about NIL Travel. And just so I'm clear, the local group that you work with

- when it was time to pay for the tickets to sort of you know finalize the itinerary, you
- 2 talked to Kemal?
- 3 WITNESS: We talked to Kemal and said like' "how are you guys going to purchase the
- 4 tickets?" And they said just contact the NIL Travel and give them all your information
- 5 and they are going to, you know, organize all your tickets.
- 6 MR. SOLIS: And you said, "Someone had mentioned it was very complicated?"
- 7 WITNESS: Complicated...
- 8 MR. SOLIS: Yeah a minute ago....
- 9 WITNESS: I mean I'm guessing that inside of Turkish Council is getting all of the
- information again, trying to purchase all the tickets. They might, you know, reduce the
- work hours and everything and they said "okay just contact them directly and get your
- 12 tickets." It's not... Turkish Council... ticket directly go to tickets.
- 13 MR. SOLIS: Go directly to NIL Travel.
- 14 WITNESS: Directly to NIL Travel.
- 15 MR. SOLIS: Do you know what SOCAR is?
- 16 WITNESS: SOCAR... I know what SOCAR is.
- 17 MR. SOLIS: What is SOCAR?
- 18 WITNESS: State Oil Company of Azerbaijan.
- 19 MR. SOLIS: Were they at the convention?
- 20 WITNESS: Yes, I saw their logo... I saw...yeah, their logo at the convention.
- 21 MR. SOLIS: Were... was SOCAR ever mentioned at those meetings? The meetings at
- 22 the convention when you met with the sister organizations?
- 23 WITNESS: I don't recall.
- 24 MR. SOLIS: You're saying that Kemal never mentioned SOCAR at all at the meeting?
- 25 WITNESS: No.
- 26 MR. SOLIS: Did anybody ever mention SOCAR?
- 27 WITNESS: No.
- 28 MR. SOLIS: Are you sure?

- 1 WITNESS: I don't remember. Let me put it that way, yeah I do not remember.
- 2 MR. SOLIS: Do you know if Kemal knows people from SOCAR?
- WITNESS: If they... their name at the event, their logo is at the event, then I'm sure he
- 4 knows them.
- 5 MR. SOLIS: Independent of that, do you know if Kemal knows people who work at
- 6 SOCAR?
- 7 WITNESS: SOCAR visited the United States and they came to Washington, D.C. and I
- 8 was...but I don't remember when was this, but it could be one of our conventions. They
- 9 came as a guest and they were there and Kemal was there too.
- 10 MS. BREWINGTON: One of what conventions?
- 11 WITNESS: In our Turkic-American conventions that we organize every year annually.
- 12 They came as a guest.
- 13 MR. SOLIS: Who invited them?
- 14 WITNESS: I'm sure Kemal invited them. I didn't even invite them.
- 15 MR. SOLIS: You're sure Kemal did?
- WITNESS: I was I don't know; let me put it that way because I don't want to speak
- on behalf of anyone; I do not know.
- MR. SOLIS: Do you know if Kemal knows people who work at SOCAR? I mean he's
- 19 your friend for a long time. Your wives speak you said you know him very well.
- 20 WITNESS: If he invited people to our convention I'm sure he knows people from
- 21 SOCAR.
- 22 MR. SOLIS: Was... at the convention was SOCAR or people who work at SOCAR
- 23 making speeches or presentations?
- 24 WITNESS: I don't recall.
- 25 MS. BREWINGTON: What was the overall presence of SOCAR at the convention do
- 26 you remember?
- 27 WITNESS: I actually didn't see a lot, I mean I saw their name. There were volunteers
- 28 who were helping but I didn't ask them like what did they do and if they work for
- 29 SOCAR, I didn't ask them. No, I didn't see a lot of their presence there because I saw

- 1 BP's, I saw SOCAR's emblems or logos at the convention. There wasn't like.... And we
- 2 stayed there like 2-3 days I guess. 3 days or 2 days. It was a very short period of time.
- 3 MR. SOLIS: Suleyman Turhan who was, you know president of the Federation of the
- 4 Midwest. So he submitted the paperwork on behalf of not only his sponsor travelers but
- 5 also the travelers you invited as well, correct?
- 6 WITNESS: Yeah four staffers.
- 7 MR. SOLIS: Four Staffers? And Mr. Turhan's organization, the Federation of the
- 8 Midwest, didn't have the money to pay for his invited staffer's
- 9 right?
- WITNESS: I don't know at that time their account, but Kemal... let me put it...
- 11 Turquoise Council promised us that they were going to cover it.
- MR. SOLIS: Well I can tell you that Mr. Turhan said that he didn't pay his or his
- organization did not pay.
- 14 WITNESS: You see I mean...
- MR. SOLIS: Right. So, bearing in mind that you are having conversations with Mr.
- 16 Turhan about organizing and getting these people invited, maybe not organizing, but in
- communications with these staffers to get them to Turkey and Azerbaijan, why did Mr.
- 18 Turhan submit the paperwork on behalf of the Midwest if Turquoise Council was paying
- 19 for the trip?
- 20 WITNESS: I mean as I said before, it's like... Turquoise Council cannot cover
- everybody. It's your sister organization and you are asking your help and they're the one
- trying to help the organization. I mean help the convention. That's why...like we did too,
- as MAFTAA. We tried to invite people too.
- 24 MR. SOLIS: And as someone who signs the Ethics forms right, you understand the
- ethics forms you've seen the Ethics forms?
- 26 WITNESS: Right, of course, I've signed them.
- 27 MR. SOLIS: Are you aware on the ethics forms that you sign it with an expectation that
- when you say, "I am representing that I am the sole provider of funds for this trip" under
- 29 you know penalty of 18 U.S.C. 1001, I mean are you aware of that signature that you
- 30 give on the forms?
- 31 WITNESS: I don't recall, but if I see it I would you know of course I read it before I
- 32 sign.

- 1 MR. SOLIS: I mean are you generally aware of that when you sign these forms, you're
- 2 representing that MAFTAA is the sole provider of funds for the trip?
- 3 WITNESS: Of course.
- 4 MR. SOLIS: Do you know then why Mr. Turhan would've signed the document to the
- 5 Ethics Committee that the Federation of the Midwest was the sole provider of funds when
- 6 they weren't?
- 7 WITNESS: I mean you should ask him not me.
- 8 MR. SOLIS: We did ask him, but I want to know if he talked to you about it?
- 9 WITNESS: No, that's the problem he didn't talk about it. He didn't talk anything about
- this case; I didn't even hear of that.
- 11 MR. SOLIS: And when you say that's the problem, what do you mean that's the
- 12 problem?
- WITNESS: I mean I didn't talk to anybody I don't know what was his answer. I mean
- 14 I'm not sure how to answer that question. I mean ask him directly.
- 15 MR. SOLIS: So Mr. Turhan knows.
- 16 WITNESS: I can -- if you want me to guess, if it will help you for me to guess I can
- 17 guess.
- 18 MR. SOLIS: No, I don't want you to guess. I want you to...
- 19 WITNESS: But then if you want me to straight that's --
- 20 MR. SOLIS: Yeah I just wanted to know....
- 21 WITNESS: But everybody trusted Turquoise Council that you know they were going to
- 22 pay today or later whatever the cost was in Azerbaijan.
- 23 MS. BREWINGTON: You said that leading up to this travel there was an initial meeting
- in the beginning of 2013 talking about it and organizing it. Were there follow up
- 25 meetings before the actual trip where this was discussed? How the forms would be filled
- 26 out?
- 27 WITNESS: I don't think... we didn't have any other meetings.
- 28 MS. BREWINGTON: You only met in April, 2013?
- 29 WITNESS: I don't recall what I remember as I said it may not be February 2013,
- 30 January-February.

- 1 MS. BREWINGTON: Early 2013, Is that fair?
- 2 WITNESS: Early 2013 it's fair. Because I check my emails because first email I sent
- was in February, which means that you know after the meeting I took an action. And I
- 4 really don't remember any other meetings that we had.
- 5 MS. BREWINGTON: You don't remember having another meeting until the trip itself?
- 6 WITNESS: I don't remember I really don't... if I ... no I don't remember. We could
- 7 have done, but I don't know, I don't remember.
- 8 MS. BREWINGTON: Did you ever ask questions maybe telephone calls or emails to
- 9 Kemal or others about how these forms would be filled out?
- 10 WITNESS: Of course.... Which forms?
- 11 MS. BREWINGTON: The travel forms. The approval forms, sorry.
- 12 WITNESS: We didn't fill any forms as MAFTAA.
- 13 MS. BREWINGTON: But you had to talk to the Midwest.
- WITNESS: They were the ones that had to fill out all the forms. We didn't fill out any
- 15 forms.
- MR. SOLIS: Right, yeah and I just want to know what Mr. Turhan would've said to you
- about filling out the forms when he wasn't paying for the travel...it was Turquoise
- 18 Council.
- 19 WITNESS: I mean we didn't discuss that we just ask him to add names, you know, and
- then they add the names. I didn't ask him, "How did you fill out this form?" No.
- 21 MR. SOLIS: I think we are pretty much wrapped up. You had mentioned to our staff
- here that you had some trouble with emails? That there was a server that had broken in
- 23 some way?
- 24 WITNESS: No, first call that we get from Helen and when she asked us it's like you
- 25 have to get us all MAFTAA's email and like a month ago we moved everything from
- older website, because our website was hacked like 5 times last month. So we were afraid
- 27 that we were not going to get any email from the server. Then Serdar and I checked our
- 28 Gmail and we found everything in Gmail account. Then we provided everything then.
- 29 MR. SOLIS: Great. Do you know about how many emails there are?
- WITNESS: I put like maybe 20-30 emails. Started up with 40.

- 1 MR. SOLIS: Are there any conversations with Kemal?
- 2 WITNESS: I check Kemal's name if there... I can give you guys my password if you
- 3 guys want to check. I couldn't find any conversation with Kemal.
- 4 MR. SOLIS: When you speak with him do you usually speak over phone, over text
- 5 message, email?
- 6 WITNESS: Over phone, yeah.
- 7 MR. SOLIS: How often do you speak to him?
- 8 WITNESS: There is no like, "Lets speak every week"; whenever there's something, we
- 9 speak.
- 10 MR. SOLIS: So you don't speak every week?
- WITNESS: No, we don't speak like every day. We are a good friend, but that doesn't
- mean I see him like every day or every week or every month.
- 13 MR. SOLIS: You said you saw him...
- 14 WITNESS: He came to our convention; I saw him.
- 15 MR. SOLIS: This year?
- WITNESS: It was March 18th and I saw him very small period because there were like
- 17 500, 600 people or and I said "Hey."
- 18 MR. SOLIS: Who was he talking to?
- 19 WITNESS: I guess some guests. He was talking with some guests or something.
- 20 MR. SOLIS: Was Ozkur Yildiz there?
- 21 WITNESS: Ozkur, no I wasn't... no. Of course Ozkur was at the convention.
- MR. SOLIS: I meant in 2015 in March 17th was Ozkur there?
- 23 WITNESS: Ozkur was there of course.
- 24 MR. SOLIS: Was he speaking with Kemal?
- 25 WITNESS: I didn't see.
- MR. SOLIS: So Kemal was there speaking with some guests, but did you talk to Kemal
- 27 at all?

- 1 WITNESS: I just briefly just because I haven't seen him for a while said, "Where the
- 2 hell you been?" I come and you know that's it. Maybe less than 30 seconds.
- 3 MR. SOLIS: Did anybody at the convention talk about this trip and the convention in
- 4 2013 in Baku?
- 5 WITNESS: No.
- 6 MR. SOLIS: Nobody mentioned it?
- 7 WITNESS: Nobody that's will I'm literally...
- 8 MR. SOLIS: Did anybody mention they had been contacted by our office?
- 9 WITNESS: I mean once, Suleyman mentioned that ... but I really didn't pay attention.
- 10 MR. SOLIS: What did he say?
- 11 WITNESS: They were in some investigation and you know he was going to come to
- Washington or something? Did he come here I didn't even know that. I just...
- 13 MR. SOLIS: No, we spoke to him in Chicago.
- 14 WITNESS: You spoke to him in Chicago? I don't know. You guys traveled to Chicago?
- 15 He didn't mention, none of them mention that's the... I mean just as I said Suleyman
- mentioned that there's some Ethic, there's some...it was involved with MAFTAA so... I
- wasn't sure what was he talking about.
- MR. SOLIS: I think that is all that we have for you. Do you have any other questions
- 19 Kelly?
- 20 MS. BREWINGTON: I think that's it.
- 21 MR. SOLIS: Well thank you very much for your time. Do you have any questions for
- 22 us?
- WITNESS: If you guys give me what's going on like what is going to happen, what is
- 24 this? I mean, I just read it. It is about the convention or is it about Kemal or is it about
- what? What did we do wrong?
- 26 MR. SOLIS: Nobody is saying you did anything wrong. Our review is just based on this
- trip, it's based on the convention, it's about the sponsors, who paid for it, things like that.
- All the questions we've asked you and all the documents we've shown you are all related
- 29 to those issues.
- 30 WITNESS: Okay.

1 MR. SOLIS: So... alright well thank you very much.

EXHIBIT 99

TRANSCRIPT OF INTERVIEW OF REPRESENTATIVE JIM BRIDENSTINE

3/26/2015

- 1 WRIGHT: This is Nate Wright I'm here with Bryson Morgan from the OCE. We're
- 2 interviewing Representative Bridenstine. It's March 26th, 2015 we are in Representative
- 3 Bridenstine's office. And I'm just going to go straight to some of the questions because I know
- 4 your time is valuable. Do you know Kemal Oksuz?
- 5 REP BRIDENSTINE: I do, yes.
- 6 WRIGHT: How did you meet Mr. Oksuz?
- 7 REP BRIDENSTINE: So he was introduced to me. I met him for the first time in Houston,
- 8 Texas. I was... I went down there to do a number of different things. But I met him through a
- 9 gentleman named Orhan, who I met at the Turkish Raindrop House, in Tulsa Oklahoma. Group
- of Turkish folks that are constituents of mine and wanted me to talk to all of them and I did. And
- then I met him and he introduced me to Kemal.
- WRIGHT: Do you remember when that was?
- 13 REP BRIDENSTINE: I mean it's on all the records that we gave you; I don't know the date was,
- it was in 2013 early 2013, sometime, it was Baseball season. I think if I remember right I think I
- went to a baseball game at Rice.
- 16 WRIGHT: How often do you interact with Mr. Oksuz?
- 17 REP BRIDENSTINE: Very rarely. I've met him in Houston. I've met him on the Hill maybe
- once or twice. But I mean I vary rarely see him.
- MORGAN: It is a situation where he reaches out to you or do you reach out to him?
- 20 REP BRIDENSTINE: Usually he reaches out to me.... I think, I mean...
- 21 MORGAN: Do you know... or your Chief of Staff right?
- 22 REP BRIDENSTINE: Right.
- 23 MORGAN: He initiates the contact?
- 24 REP BRIDENSTINE: Sure, yes that's correct.
- 25 MORGAN: Who do you understand him to be? What sort of roles does he play? What
- Organizations is he affiliated with? Sort of, in your mind who is Kemal Oksuz?
- 27 REP BRIDENSTINE: So, he is just a friend of a friend kind of. And he's involved in, I don't
- 28 know what the organization is, but it's the like some Turkic Chamber of Commerce or something
- 29 like that, down in Texas.
- 30 WRIGHT: Is it the Turquoise Council of Americans and Eurasians?

- 1 REP BRIDENSTINE: That could be it I don't know.
- 2 MORGAN: And when he's... you said you've had contact with him a couple of times on the
- 3 Hill. Do you remember why he was on the Hill or...?
- 4 REP BRIDENSTINE: He generally advocates for issues related to Azerbaijan. We've had
- 5 conversations about the state partnership program between the United States and Azerbaijan. The
- 6 state of Oklahoma has a partnership program where we have our national guard, you know senior
- 7 level officials, go to Azerbaijan and we have, you know, from Agriculture, we have University,
- 8 you know, professors and things like that go to Azerbaijan. And so the state partnership program
- 9 between the state of Oklahoma and Azerbaijan is unique to Oklahoma that's the only partnership
- program that the State of Oklahoma has. And so he likes to talk about those types of things, he
- 11 likes to talk about the Southern Corridor Pipeline which is important for the energy security for,
- 12 you know, eastern and central Europe it originates in the Caspian see. Goes, you know, that's
- where they, you know, where the Shockdanese Oil Plate is. And they take that and they put that
- oil in a pipeline and the goal is to eventually have that pipeline go all the way over to Europe
- without going through Russia. So we've had that conversation before and how important that is
- and political support for that project especially as it relates to the aggressiveness of Russia.
- 17 Things like that.
- 18 WRIGHT: Is most of his focus on Azerbaijan?
- 19 REP BRIDENSTINE: That's pretty much all I've ever known him for. When I did my trip, I
- 20 just, I went to Azerbaijan and I came home. There was no other destination.
- 21 WRIGHT: Yeah, he talked about travelling through Turkey beforehand but you didn't?
- 22 REP BRIDENSTINE: I did not.
- 23 MORGAN: When he... you said he's been talking, you say advocates on Azerbaijan issues and
- also mentioned him talking to you about the Southern Energy Corridor. Do you know who he's
- advocating on behalf of? Is he doing that in a capacity as an employee of somebody or is he
- doing that as a representative of that Turkish Chamber of Commerce? Do you know what, sort
- of, hat he's wearing when he's doing that?
- 28 REP BRIDENSTINE: I honestly don't know. I just figured he's a guy that loves, you know,
- 29 whether it's Turkey or Azerbaijan, you know, that I figured that he was.... I don't know, he's
- advocating, from my perspective he's advocating on behalf of Azerbaijan but I don't know what
- 31 entity he's representing.
- 32 MORGAN: You don't know if he's doing that in the capacity like a representative of the
- 33 Azerbaijani Government or SOCAR or any other entity?

- 1 REP BRIDENSTINE: I don't know. I know that when I went to Azerbaijan there was a whole lot
- 2 of government officials involved in that on their side so he must have some relationship with
- 3 people there to organize all that or it was already organized and maybe he was just, you know,
- 4 encouraging members like me, that have a state partnership program, or what have you, to go.
- 5 WRIGHT: Were you under the impression that he also had help organizing the convention from
- 6 in Azerbaijan itself?
- 7 REP BRIDENSTINE: I don't have any idea on that. I didn't get that impression one way or the
- 8 other. So I don't know.
- 9 WRIGHT: but there were a lot of... Just that there were a lot of government officials from
- 10 Azerbaijan that attended the conference.
- 11 REP BRIDENSTINE: Oh yeah and they took us to the Azerbaijani Parliament. We met with the
- 12 Azerbaijan President. So....
- WRIGHT: Are you familiar with the Turquoise Council of Americans and Eurasians, TCAE.
- 14 REP BRIDENSTINE: Not really
- WRIGHT: Are you familiar with the Assembly of Friends of Azerbaijan or AFAZ?
- 16 REP BRIDENSTINE: Not really, it rings a bell but I'm not familiar with it.
- 17 WRIGHT: Do you know Kemal Oksuz role in either of those organizations?
- 18 REP BRIDENSTINE: I don't know.
- 19 MORGAN: So let's focus in a little bit more on that 2013 trip to Azerbaijan. I think you were
- 20 fairly new to congress at the time. Do you recall when you first heard about the convention when
- you first perhaps received an invitation to go? Do you know when that was?
- 22 REP BRIDENSTINE: Yes, I'm trying to think.
- 23 MORGAN: I mean we do have some... maybe some documents might help.
- 24 REP BRIDENSTINE: Yeah please.
- 25 MORGAN: I'd rather you not speculate. We have a document that can refresh your recollection
- 26 we'll give you that.
- 27 WRIGHT: Handing you a document marked THJB 00173 and this one might be helpful to read a
- 28 little first.
- 29 REP BRIDENSTINE: Okay.

- 1 MORGAN: Start on 176.
- 2 REP BRIDENSTINE: Read in reverse starting on the very very back?
- 3 MORGAN and WRIGHT: Yeah.
- 4 MORGAN: It starts off at March 14th 2013 email from you to Mr. Oksuz it appears.
- 5 REP BRIDENSTINE: So great getting to know you last night. So obviously this was March 13th
- 6 2013 so it looks like I got to know him on the night of March 13, 2013.
- 7 MORGAN: Do you recall what that event was? What it was about? What you are referring to
- 8 there?
- 9 REP BRIDENSTINE: I think it might've been a phone call. But I honestly don't know. It
- probably was a phone call but again I don't know because I'm looking here. Cause the first time
- 11 I ever met him I was in Houston.
- MORGAN: So that email you sent you say, "I could arrive in the Afternoon Tuesday April 30th,"
- you're sort of talking about a visit to Houston in advance of the trip to Azerbaijan.
- 14 REP BRIDENSTINE: Right
- MORGAN: So it seems that you know on March 14th when you sent this email, you had already
- been invited or the trip to Azerbaijan had been mentioned.
- 17 REP BRIDENSTINE: Right, that must be the case.
- MORGAN: So do you think that would've occurred on that phone call?
- 19 REP BRIDENSTINE: I don't know and I don't even... and it must be a phone call because I
- 20 clearly recollect going into the restaurant and trying to find this gentleman and not knowing what
- 21 he looked like.
- 22 MORGAN: Okay, that would've been that April in Houston?
- 23 REP BRIDENSTINE: Yeah that would've been in Houston.
- MORGAN: Okay so let's talk about that just to get the timeline down. So you went to Houston
- on or about April 30th and your purpose of going down there... do you recall your purpose of
- traveling down to Houston was?
- 27 REP BRIDENSTINE: A number of things my brother lives there. And I went to Rice University
- and they had a baseball game and you know I try to put a number of things together.
- 29 MORGAN: I'd imagine.

- 1 REP BRIDENSTINE: And ultimately we went down and we made that work where I could meet
- 2 him at the same time.
- 3 MORGAN: You said it was at a restaurant?
- 4 REP BRIDENSTINE: It was I don't remember the restaurant. I know that's the next question ...
- 5 does that matter?
- 6 MORGAN: No I'm just trying to get the details of it down as much as possible.
- 7 WRIGHT: We may have shown you THJB 00368. This might jog your memory. What do you
- 8 remember of that April and May?
- 9 REP BRIDENSTINE: There you go. So let's see you want me to read this for the recording?
- 10 WRIGHT: No that's fine.
- 11 REP BRIDENSTINE: Okay.
- WRIGHT: Just trying to jog your memory to help out the timeline and the events. Do you
- remember why you were down there discussing the convention at all?
- 14 REP BRIDENSTINE: I remember talking about coming, how important it was because of
- Oklahoma's relationship to Azerbaijan. I remember talking about how important it was this trip.
- I don't remember talking about the convention specifically. In fact when I thought I was going to
- Azerbaijan I didn't. I didn't know that it was going to be as big of an event as it was. You know
- 18 what I mean? Like I was thinking it would be a couple of people and I was thinking I was doing
- this on behalf of my constituents that are in the National Guard and things like that.
- 20 MORGAN: So ... How did... at some point you became aware that there's an ethics approval
- 21 process for trips and is... are those issues that you handed off to somebody else in your office or
- were you personally involved in that process of getting the trip approved?
- 23 REP BRIDENSTINE: Yeah, after, you know, figuring out that I was going to go. I turned it over
- to Joe and I don't.... I turned it over to Joe and I don't know who he might've involved in the
- 25 process but we definitely turned it over to Joe completely.
- 26 WRIGHT: Did you have conversations with him about looking into the trip anymore or looking
- into any of the organizations behind the trip?
- 28 REP BRIDENSTINE: We... what I did is I said run it through Ethics that's all I knew to say.
- 29 Run it through Ethics make sure it's all good and as far as I know Joe took every last precaution
- and ran it all through Ethics and it got approved.
- 31 MORGAN: Were you personally involved in any of the correspondence with the Ethics
- 32 Committee to get the trip approved?

- 1 REP BRIDENSTINE: I don't think so. No. In fact I would, I don't want to state definitively, but
- 2 I'm pretty confident that Joe handled all of that, to the extent that I signed forms and things like
- 3 that.
- 4 MORGAN: What was sort of your understanding of who it was that was taking you on this trip?
- 5 Who was paying for it?
- 6 REP BRIDENSTINE: Well I knew that there was this organization and the way it was explained
- 7 to me was an organization that advocates on behalf of the people from Azerbaijan. And we're
- 8 talking about Americans that are from Azerbaijan. The Diaspora if you will. And that it was
- 9 similar how, you know, AIPAC takes people on trips kind of thing. And I said okay if it's all on
- the up and up we'll be happy to go and we got approval from Ethics and so that's....
- WRIGHT: Did you have any conversations with Kemal about getting approval from the Ethics
- 12 Committee?
- 13 REP BRIDENSTINE: He gave us a lot of the information that we needed to submit to the Ethics
- 14 Committee that ultimately got the approval.
- WRIGHT: I want to turn you attention to the front page of that first document that we handed
- you. And on it Joe asks about who are the primary sponsors and who are the secondary sponsors
- for the trip.
- MORGAN: This is just for the record this is THJB 00173 is what you're looking at.
- 19 REP BRIDENSTINE: Okay.
- 20 WRIGHT: Do you remember any discussions about who was sponsoring or who was organizing
- 21 the travel to the convention?
- 22 REP BRIDENSTINE: It was one of those groups you mentioned earlier. I would... again this
- was 2 years ago almost... so I would guess it was one of those groups.
- 24 MORGAN: I mean just to be clear, you know, this is an email you were not on but this was an
- email chain that appears to be, you know, looking at the entirety of the email chain, is, you sort
- of handing off the trip approval and ethics process over to Mr. Kaufman and him going forward
- to asking some questions.
- 28 REP BRIDENSTINE: Yeah.
- 29 MORGAN: Just to give you some context there don't mean to spring an email before you that
- you haven't seen before but we were just wondering, you know, and Joe Kaufman as he sends
- this email to Kemal asking for the program for the convention the primary sponsors, secondary
- 32 sponsors, we just want to know if that was prompted at all by conversation or an email you had
- with Mr. Kaufman in which you told him to ask those specific questions?

- 1 REP BRIDENSTINE: No I think and I don't know but I think Joe started working with the
- 2 Ethics Committee they started telling him what he needed to do. He started trying to get the
- 3 information he needed. It looks like Kemal here so that we could get everything approved.
- 4 MORGAN: How frequently did Joe Kaufman check in with you on how that process was going
- 5 or give you updates?
- 6 REP BRIDENSTINE: Not at all I mean I signed documents, you know, if I remember right I
- 7 signed documents.
- 8 MORGAN: Yeah I believe that's so.
- 9 REP BRIDENSTINE: Yeah but I mean... he handled it and I wasn't quite frankly worried about
- it I was trusting Joe to do the right thing and it looks like that's what he was trying to do.
- 11 MORGAN: No if we... [inaudible] it's our standard....
- WRIGHT: We don't mean to imply that Joe did anything wrong in this. [inaudible] we're just,
- you know.....
- MORGAN: We tend to ask very detailed questions just to make sure we are understanding it
- from all potential aspects. Not to suggest we're focusing on... we don't mean to suggest that
- something happened that you're saying didn't happen. So you know in general we talked about
- who was paying for it taking you there. And in your mind the purpose of the convention... what
- 18 was sort of the high level view of it was? You said you thought it was going to be a relatively
- 19 small thing?
- 20 REP BRIDENSTINE: My purpose was to go and learn more about this country that we have a
- state partnership program with, and that our National Guard sends people too, and that Oklahoma
- 22 State University sends people too. And I have a church in my district that sends missionaries
- there. And I have heard you know that they had an interest as well. And so I made an effort to
- 24 go. As far as the Convention goes I was not aware it was going to be as big as it was. There was
- a lot of people there. You know my intent was to go to this country that was relevant to my state
- and my district.
- 27 WRIGHT: Did you have any reason leading up to the convention or the trip to question who was
- 28 paying for it?
- 29 REP BRIDENSTINE: Yeah so that's in... they explained to me that people take trips to Israel
- with AIPAC and that there's a process to go through to get it all approved. And this is the same
- 31 thing.
- 32 MORGAN: Who explained that to you? Who was that?

- 1 REP BRIDENSTINE: Just my Chief of Staff. Just that it's the same process. And I'm like
- 2 whatever that process is we'll go through that and get it approved. But I do specifically
- 3 remember having the conversation because your question was did you ask about... and I
- 4 remember having the conversation, you know, how does this work? It's an organization like
- 5 AIPAC. I mean I remember hearing that. And AIPAC does this kind of thing regularly. So....
- 6 WRIGHT: I'm handing you a document THJB 00185. This is part of the paper work that was put
- 7 together to submit to the Committee on Ethics. And I believe this is part of the paperwork that
- 8 Kemal put together.
- 9 REP BRIDENSTINE: Okay.
- 10 WRIGHT: Do you remember reviewing this form?
- 11 REP BRIDENSTINE: Yes.
- WRIGHT: And this lists TCAE as the only sponsor did you have any reason to question that?
- 13 REP BRIDENSTINE: No. No, not at all. I mean I didn't question it. I mean the goal was to make
- sure this was approved by Ethics and that's what we did.
- MORGAN: Did Mr. Kaufman or anyone else on your staff raise any questions or doubts about
- any of the information on this form?
- 17 REP BRIDENSTINE: Well that's why we ran it through Ethics. We wanted to make sure it was
- filled out, it was complete and that we ran it through the people that would do the approval
- meaning the Ethics Committee. But you know, our objective was to get it approved by doing all
- 20 the right, you know, steps in the process.
- 21 MORGAN: Did Mr. Kaufman ever mention to you that he was looking into whether or not some
- 22 private oil companies were also sponsoring this or were involved? Did he mention that to you at
- 23 all?
- 24 REP BRIDENSTINE: No.
- 25 MORGAN: Okay, Did you ask him to do... do you recall, I mean other that saying generally get
- 26 this approved by Ethics and make sure it's approved by Ethics and those types of conversations,
- do you recall any specific conversations with Mr. Kaufman or anyone else in your staff about
- 28 this Turquoise Council organizations role or AFAZ their role or maybe Conoco or BP or you
- 29 know energy companies. Do you recall any specific conversations?
- 30 REP BRIDENSTINE: I don't.
- 31 MORGAN: Okay.

- 1 WRIGHT: Did you know that Joe Kaufman reached out to Conoco Phillips to ask them about
- both their sponsorship and the role that TCAE and AFAZ were playing in the convention.
- 3 REP BRIDENSTINE: I was unaware of that.
- 4 WRIGHT: And I realize you're not on this but... so you may have no knowledge of this. I'm
- 5 showing you a document OCE COP 08.
- 6 REP BRIDENSTINE: Should I read this back to front as well?
- 7 WRIGHT: The main part I wanted to focus on is the top part. So the context is that Mr.
- 8 Kaufman, who we understand previously worked for Conoco Phillips, had some discussion about
- 9 their sponsorship and had discussions with Kay Larcom and up at the top where he talks about
- there probably not sure of all the Ethics rules, excuse me this is Kay Larcom writing this,
- 11 "Probably not sure about all the Ethics rules he's being invited as a guest to a meeting he would
- go for free. They have to be able to say who was paying since we are listed as sponsors he wants
- to know what our role is, whether we would be paying for his trip. It is difficult to find out who
- these host organizations are AFAC and TCAE. If this is a cover for Either SOCAR or the Azeri
- Government he needs to know." Do you remember any conversations about this? These
- 16 questions?
- 17 REP BRIDENSTINE: No I've never seen this or heard of this.
- WRIGHT: Does it surprise you that these questions were being raised?
- 19 REP BRIDENSTINE: So this is somebody at Conoco Phillips that's asking this?
- 20 WRIGHT: Yes.
- 21 MORGAN: Yeah this is Kay Larcom at Conoco Phillips emailing another Luna Orlup, who was
- also a Conoco Phillips employee at that time, relaying to Mrs. Orlup which she says were
- 23 questions raised by Mr. Kaufman.
- 24 REP BRIDENSTINE: So what did....
- 25 MORGAN: Take your time, if you want to read that top email again take your time to... it
- appears that, well at least, Kay Larcom was writing here that and we spoke to Mrs. Larcom she
- 27 told us that Mr. Kaufman wanted to know if AFAZ or TCAE were covers for SOCAR or the
- Azeri Government. And we're just... What we want to know from you is if that was, if you were
- aware that Mr. Kaufman raised that question if that was a conversation that you had with Mr.
- 30 Kaufman?
- 31 REP BRIDENSTINE: No I had... no.
- WRIGHT: Does it surprise you that he raised the question?

- 1 REP BRIDENSTINE: No but I think it's appropriate that he did right?
- 2 MORGAN: Oh we're not saying this to suggest this is inappropriate.
- 3 REP BRIDENSTINE: Right no. I was... I'm learning about this for the first time right now and
- 4 I'm glad he asked the question so I mean it looks like he was trying to do the right thing and I'm
- 5 glad he was trying to do the right thing.
- 6 MORGAN: This is document OCE COP 007. The top there is what appears to be a response to
- 7 Mr. Kaufman to his questions. In which he was essentially told that at least Conoco Phillips was
- 8 not a sponsor. Was that message ever relayed to you?
- 9 REP BRIDENSTINE: No
- 10 MORGAN: We were just not sure if it was a situation where he's vetting this, Mr. Kaufman was
- vetting this, and not keeping you in the loop or this was you.
- 12 REP BRIDENSTINE: I'm learning this for the first time and I'm... he's asking I think
- important questions I wouldn't even know to ask these questions.
- MORGAN: Sometimes that's what Chiefs of staff are for. Yeah we don't mean to at all suggest
- that asking those questions was inappropriate.
- 16 REP BRIDENSTINE: Okay.
- WRIGHT: Did anyone... Do you remember anyone from Conoco Phillips reaching out to you...
- So this document they tell you they are not sponsoring the convention. Do you remember any
- discussions later either before the convention or perhaps at the convention with them telling you
- 20 no we are in fact sponsors of the convention?
- 21 REP BRIDENSTINE: That Conoco Phillips is a sponsor?
- 22 WRIGHT: Yes.
- 23 REP BRIDENSTINE: No I never had any conversations like that.
- 24 WRIGHT: Do you know....
- 25 REP BRIDENSTINE: Were they a sponsor?
- 26 WRIGHT: They were yes.
- 27 MORGAN: Well to be clear, it's actually... they were a sponsor... were identified at the
- conference as a sponsor sort of in the common usage of the word sponsor. That doesn't
- 29 necessarily mean that they were a sponsor as the Ethics Committee and the travel rules define the
- word sponsor. It's a fairly technical definition. So when we say they are a sponsor they did

- 1 provide funds to be listed as a sponsor in the public sort of signage at the convention. I don't
- 2 know if you recall....
- 3 REP BRIDENSTINE: I don't remember any of that.
- 4 MORGAN: A big banner behind the speakers on the stage where several entities were identified
- 5 as being involved.
- 6 REP BRIDENSTINE: Yeah I don't remember Conoco Phillips. I do remember being interested
- 7 because Conoco Phillips has a huge presence in my district. Phillip 66 and Conoco Phillips,
- 8 they've split now but I remember being interested in what their equities are in the region. Just
- 9 from a constituency kind of representation interest and at the time I remember being told that
- they I guess they had interest or I read it online they had interest in the North Arabi... or in the
- North Caspian Sea and that they had... I think they sold it all a number of years before I ever
- went on the trip so but I do remember looking into that to find out what the equities were in the
- region that were appropriate to me representing my constituents.
- MORGAN: And do you recall your looking into that something that occurred during the
- 15 convention?
- REP BRIDENSTINE: Actually now that I think about it. It might've been after the convention.
- 17 MORGAN: But you remember seeing somehow their involvement at the convention and that
- triggered in your mind a need to sort of how that relates to your constituents.
- 19 REP BRIDENSTINE: Yeah I honestly don't know when I learned of that but I do remember
- 20 thinking that I've got a constituent with equities over there and I remember thinking that those
- equities have all been sold and it's all irrelevant. Cause I remember reading an article online
- about how they had lost a ton of money and they got rid of whatever investment they had in the
- North Caspian. And I had... sorry go ahead.
- 24 WRIGHT: Sorry I was going to ask you, were you at all involved in the process in obtaining
- 25 Visas to Azerbaijan?
- 26 REP BRIDENSTINE: Not that I remember.
- 27 WRIGHT: Were you aware that SOCAR was processing the Visas to Azerbaijan.
- 28 REP BRIDENSTINE: I don't remember.
- 29 MORGAN: We are... We're fairly far along in our investigation, we've reviewed a lot of
- documents from particular some of the outside entities that were involved in this and so just were
- you at all aware that AFAZ was organizing the convention under a contract you had with
- 32 SOCAR?

- 1 REP BRIDENSTINE: See, when you say "AFAZ" I'm not....
- 2 MORGAN: Assembly of the Friends of Azerbaijan, sorry.
- 3 REP BRIDENSTINE: Okay, so no. I'm not aware really about them.
- 4 WRIGHT: Or their role in the convention or travel to the convention?
- 5 REP BRIDENSTINE: When I hear... I'm going to tell you what I think of this... when I hear
- 6 AFAZ and then I look at this name on this document you just gave me, Turquoise Council of
- 7 Americans and Eurasians, I would've... in my mind I would've thought they were the same
- 8 thing. I don't know what the difference is between the two of them. You know what I mean?
- 9 MORGAN: Why would they be the same entity? Is that... I mean we understand Kemal had a
- role in both was it they were sort of Interchangeable entities?
- 11 REP BRIDENSTINE: I think of... and again I don't, maybe I'm not looking into it enough or
- something but I just see them as... and I couldn't even, you know, tell you what the names of the
- organizations were if I didn't see them on the piece of paper. So my knowledge or depth of
- knowledge of what these organizations are is very shallow. And what I would say is to me when
- 15 I think of organizations like this. I think of just an organization trying to build relations between
- the United States and another country and there's diaspora in our country that might have an
- interest in making sure that those relationships are strong. You know, so is one of them
- nefarious? I'm asking you, can I ask that question?
- 19 MORGAN: I wouldn't say it's our position to say nefarious or not, let me give you a little more
- 20 context.
- WRIGHT: Maybe we can ask this way. Would it surprise you that all but less than $\frac{1}{2}$ a percent of
- 22 the money that went through AFAZ in 2013 was solely for this convention and travel to this
- 23 convention?
- 24 REP BRIDENSTINE. That would.... I guess that would surprise me now that I've seen this
- document and I've seen the sponsor of the event.
- 26 WRIGHT: Would it be surprising if 90 percent of the money that AFAZ had in 2013 was from
- 27 SOCAR pursuant to a contract to organize this convention?
- 28 REP BRIDENSTINE: Is it surprising? I don't know.
- 29 MORGAN: Is that news to you? Is that something you were aware of?
- 30 REP BRIDENSTINE: It is... but I don't....
- 31 MORGAN: It is... Well we just asked two questions so... that's news to you?

- 1 REP BRIDENSTINE: It is. But I don't...
- 2 MORGAN: Prior to us saying that you were not aware that AFAZ had that type of agreement
- 3 with SOCAR?
- 4 REP BRIDENSTINE: Correct, that is correct.
- 5 MORGAN: Okay.
- 6 REP BRIDENSTINE: Again I don't know what would even be appropriate. Is SOCAR not
- 7 allowed to help these organizations? I don't even know.
- 8 MORGAN: Well that's one of the issues here. You know as I think our notification we gave you
- 9 as the nature of review. I think that in some of the evidence and documents we've gathered
- suggests that there may have been a level of involvement by SOCAR and by the Azerbaijani
- Government that rendered the trip potentially problematic. And so you know our job is to look at
- that issue from all the various angles and with respect to our interview with you we're trying to
- figure out what you knew about that. If that was something you didn't know about or if you did
- know about. So just because we ask very pointed questions if we have... you know if I had a
- specific email showing you with knowledge of that, I'd show you that and give you a chance to
- respond. You know, I don't have that type of email so what I'm doing is just asking you a
- blanket question just so we as investigators can check a box that says "we asked Representative
- Bridenstine if he was aware of SOCAR's money going to AFAZ. He said he was not aware."
- 19 REP BRIDENSTINE: I honestly was not aware. Is.. see I was thinking TCAE according to this
- document that was the trip sponsor. AFAZ you know I'm not familiar with what that is. They
- 21 told us that the trip sponsor was TCAE and we, I guess Joe sent, that to Ethics and got approval.
- 22 MORGAN: And you didn't have any reason to question that?
- 23 REP BRIDENSTINE: Right. I mean I just figured that Ethics had done this kind of thing before
- 24 this was what they do. And so we went with what Ethics said was appropriate.
- 25 MORGAN: Right and just to be clear congressman by asking the question, I hope we are not
- coming across as suggesting that you did have knowledge. For us it's just as important for us to
- 27 get a no answer as a yes answer. Because we don't have any stake in how this comes out our
- interest is to just do the review as thoroughly as possible. So a "no" is just as relevant to us if that
- 29 makes sense.
- 30 REP BRIDENSTINE: You don't. Sure
- WRIGHT: And we also don't want to be in a situation where you know just as much as asking
- 32 you these questions. We don't want to be in a situation where we can't answer you know we
- can't say we put for questions about it you know what might raise suspicions in your mind. You
- know we want to know, not only did you know but you know if you had reason to be suspicious.

- 1 So that's what a lot of our questions are trying to get at as well. Is there any reason why you may
- 2 have been suspicious about the nature of these organizations?
- 3 REP BRIDENSTINE: Yeah I wasn't suspicious I thought it was like a Turkish Chamber of
- 4 Commerce kind of thing in the United States and that they were trying to build relations between
- 5 our two countries and the people within our countries. I have constituents that are Turkic and I
- 6 have constituents that have a state-partnership program and I have constituents that do exchanges
- 7 with agriculture and you know we went over there for that reason. And we did town hall events
- 8 about it. I mean, we did a town hall with hundreds of people about how important Oklahoma is
- 9 to Azerbaijan. And you know we try to be very transparent about everything we are doing.
- MORGAN: Certainly, We understand from the documents and from talking with Mr. Kaufman
- that you were presented with a couple of rugs while you were over there, so we just wanted to
- ask you some questions about how it was you disposed of those rugs. Not meaning to suggest
- you did anything improper at all with that. We want to run through for the record sort of the steps
- and how they were received and disposed of ultimately.
- 15 REP BRIDENSTINE: Yes, okay.
- MORGAN: You got, I think it was, two rugs while you were in Baku, Azerbaijan is that correct?
- 17 REP BRIDENSTINE: Yes
- MORGAN: And do you know who gave them too you? Were they wrapped up with a note or a
- 19 bag do you recall?
- 20 REP BRIDENSTINE: I don't know.... Yeah they were in a bag. I don't remember two rugs let's
- see. I remember a rug I don't remember two of them.
- WRIGHT: Just for the recorder. Representative Bridenstine is looking at THJD 00080.
- 23 REP BRIDENSTINE: There might've been two in the same bag maybe there were two... I
- 24 honestly don't remember but I do remember when I got here I had a big red bag and I took it into
- Joe's office and I said "I don't know if we can accept this or not but if we can't we need to send
- 26 it back and I said you need to deal with this."
- 27 MORGAN: Did the bag have any labeling on it indicating who it was from? Or how did you sort
- of figure out who had given you a rug? I mean....
- 29 REP BRIDENSTINE: It was in my hotel room when I got back from one of the events that day.
- 30 MORGAN: Did that strike you as odd?
- 31 REP BRIDENSTINE: Not really cause everyone else was walking out with them too. And you
- know I was brand new so I just thought it was a nice gesture and I thought I'd let Joe figure out

- 1 how to deal with it. I didn't, you know, go and insult them and hand it back right away. I didn't
- 2 know what to do so I gave it to Joe and said find out what the rules are and if we have to give it
- 3 back we'll do that.
- 4 WRIGHT: And other attendees received rugs?
- 5 REP BRIDENSTINE: uh-hu.
- 6 MORGAN: And the bag didn't have... the bag didn't have a label on it indicating who it was
- 7 from or a note in it or anything like that?
- 8 REP BRIDENSTINE: I don't remember. I remember it was maronish-redish and it...
- 9 MORGAN: You know, some of the people we've talked to specifically about these rugs were
- under the impression they were gifts from SOCAR. Did you have any reason to believe that it
- 11 was a SOCAR Gift?
- 12 REP BRIDENSTINE: I don't know, I don't remember. All I wanted to do was make sure if we
- are not supposed to accept this gift that we would give it back. Who gave me the rug? I don't
- 14 know, it was in my hotel room so I didn't want to go say, "hey here's your rug back." I wanted to
- 15 find out what the rules were and then deal with it. And we did, I think we dealt with it very well
- 16 actually.
- MORGAN: So the ultimate... so yeah just to be clear for the record, the ultimate disposition of
- the rugs was that it appears they were returned to Mr. Oksuz. Is that your understanding?
- 19 REP BRIDENSTINE: I don't remember but it seems like that would probably be appropriate.
- 20 MORGAN: You don't still have them?
- 21 REP BRIDENSTINE: I don't still have the rugs. I only remember one bag if there were two rugs
- in there I don't remember.
- MORGAN: Okay we'll just call it the bag, just to make sure we are clear on that.
- 24 REP BRIDENSTINE: Okay Sure.
- 25 WRIGHT: Did you have conversations with other attendees at the convention people talking
- about where the bags were from or whether or not they could accept the gifts of the bag?
- 27 REP BRIDENSTINE: I don't remember any specific conversations. I do remember thinking I
- don't know if I can accept this or not. I remember thinking that and I remember, you know, I
- don't remember any specific conversations. I'm sure I must have talked to somebody but I don't
- 30 remember.

- 1 WRIGHT: Once you realized that you'd have to return the rugs do you remember reaching out to
- 2 anyone else who traveled with you on the convention to talk about we need to give this bag
- 3 back?
- 4 REP BRIDENSTINE: I let Joe deal with all that. You know I set it in his office and I didn't do
- 5 anything after that.
- 6 MORGAN: Were you involved in getting the rug.... Well were you involved in appraising,
- 7 getting the appraisal for the rug or rugs?
- 8 REP BRIDENSTINE: I did... Oh, no that's okay okay
- 9 MORGAN: Does that help?
- 10 REP BRIDENSTINE: Yeah, so I took it home.
- 11 MORGAN: You flew directly to Tulsa right?
- 12 REP BRIDENSTINE: That's right I flew directly... I was
- MORGAN: Not directly correct because there's no direct flight from Tulsa to Azerbaijan.
- 14 REP BRIDENSTINE: Right but I didn't come by way of DC. I went home. And, I don't
- remember what the dollar figure was but there was a dollar figure associated with whether or not
- I could keep it. If I remember right I called Joe or somebody up here and so we took it to
- 17 Amadys I think, Amadys it's like a Persian rug facility in Tulsa and we asked him what it would
- be worth. And they didn't know they wouldn't give me a number and so I took it back to Joe and
- 19 I was... that's when I set it in the office. Amadys is a Persian rug facility in Oklahoma.
- 20 MORGAN: Okay, So the...
- 21 REP BRIDENSTINE: I can't remember what they.... I remember thinking the guy was very
- loose about what it might be worth and he couldn't put a number on it. I was like well I'll take it
- back. Cause I hadn't come back to DC yet if I remember right. And...
- 24 MORGAN: Well lets... before you... instead of just speculating maybe some documents will
- refresh your recollection of this a little bit. This set here. You've got that? Oh you've already got
- 26 that in front of you there.
- 27 REP BRIDENSTINE: That's right.
- 28 MORGAN: THJB 80-82. This is 81 and 82 is the form for disclosing gifts from Foreign
- 29 governments and international organizations pursuant to the FGDA. Were you involved in filling
- out this form? Or was this something that Mr. Kaufman would've exclusively handled?

- 1 REP BRIDENSTINE: yeah he handled this yeah he handled this. Now I do, I mean I remember
- 2 going to Amadys and I remember... I don't remember the exact dollar amounts that are listed
- 3 here. It says \$2500-\$3500 but obviously that's very high and we brought them back.
- 4 MORGAN: It says here that the donor government or international organization on line 4,
- 5 Assembly of the Friends of Azerbaijan. Do you... was there a conversation with Mr. Kaufman
- 6 about how it was AFAZ that should be included on that line as opposed to Turquoise Council or
- 7 some other organization?
- 8 REP BRIDENSTINE: I don't know. I don't remember questioning that.
- 9 WRIGHT: Do you remember any discussions with Kemal Oksuz about these rugs after you came
- back or about the bag generally after you came back?
- 11 REP BRIDENSTINE: I don't want to say... I don't remember. I don't remember.
- MORGAN: I just want to... the reason I ask this question is, you know, bag shows up in your
- hotel room you're not sure who it's from then there's a form that specifically state's it's from the
- Assembly of Friends of Azerbaijan. So I think we are trying to understand how we go from not
- knowing who it's from to making a representation that it's from AFAZ. Wondering how that was
- determined it was AFAZ to include on the form, does that make sense?
- 17 REP BRIDENSTINE: Yeah if there... it might've been on the bag I don't know.
- MORGAN: You weren't involved in a conversation about which name to put on that line for
- 19 AFAZ or TCAE? You don't recall having a conversation about that?
- 20 REP BRIDENSTINE: No I don't remember a conversation about that at all.
- 21 MORGAN: Okay. And then just to sort of... piece this issue together.
- 22 REP BRIDENSTINE: My concern was giving them back. I mean that was what I was concerned
- 23 with.
- 24 WRIGHT: Yeah it seems that... THJB 00350 this is part of your conversations with the
- 25 Committee on Ethics regarding these rugs and whether or not these can be accepted and I realize
- you aren't on this but this is the advice that was given to Mr. Kaufman.
- 27 MORGAN: That advice was essentially the rugs had to be returned. It's down at the second
- paragraph, the underlined portion. Where [someone's name] writes that the rugs must both be
- returned to the AFAZ. Do you recall... did Mr. Kaufman notify you of this email did he forward
- this email on to you or did he in a conversation of phone call say it looks like we can't keep the
- rugs? Do you recall any... how you found out that you couldn't keep them?

- 1 REP BRIDENSTINE: It must've I don't know but it must've been a phone call because I
- 2 knew I brought that big red bag back. I brought it here.
- 3 MORGAN: So was finding out that you couldn't keep them. What prompted you to bring them
- 4 here?
- 5 REP BRIDENSTINE: I wouldn't've brought them here I don't think if I would've known that.
- 6 MORGAN: Makes sense. So you found out somehow from Mr. Kaufman that you couldn't keep
- 7 them so you brought them here and then your instructions to Mr. Kaufman were to do whatever
- 8 Ethics Committee said to do with them?
- 9 REP BRIDENSTINE: Right
- 10 MORGAN: And then... I think our documents indicate and our conversation with Mr. Kaufman
- indicates the rugs were ultimately sent to Mr. Oksuz so... is that your understanding as well?
- 12 REP BRIDENSTINE: Absolutely I don't know because I wasn't the one who sent them I'm
- assuming... he told me they got sent.
- MORGAN: Did you get any other gifts while you were in Baku?
- 15 REP BRIDENSTINE: Not that I recollect.
- MORGAN: There've been... some of the documents we've seen, they don't specifically name
- 17 you as recipients but some things the some of the other attendees may have received like a
- crystal tea set, scarves, DVD Box Set discussed by the president of Turkey. Do any of those ring
- 19 a bell for you?
- 20 REP BRIDENSTINE: I don't recall any of that.
- 21 WRIGHT: And some of these may have been gifts that were given when other attendees
- departed. I understand you departed a day early is that correct?
- 23 REP BRIDENSTINE: Yeah that sounds right. People were coming and going the whole time so I
- 24 don't remember.
- 25 MORGAN: Just tying up a bit of a loose ends here. That April 2013 trip down to Houston, where
- you first, at lease in person, met Mr. Oksuz, like you said in a restaurant, who that a fundraising
- event do you recall what that event was? Or was it just a meet up?
- 28 REP BRIDENSTINE: No the first time I met him there was no fundraising.
- 29 MORGAN: Okay Do you recall a fundraiser breakfast at Mr. Oksuz's home, does that ring a
- 30 bell?

- 1 REP BRIDENSTINE: Yeah.
- 2 MORGAN: And when would that've been?
- 3 REP BRIDENSTINE: I don't remember I could go back and look at the calendar.
- 4 MORGAN: We may have a....
- 5 WRIGHT: Yeah it may be that first document or I don't know which ones I gave you.... At the
- 6 bottom it should be 368.
- 7 MORGAN: Here it is it might be easier if I hand it to you there. See if that rings a bell.
- 8 REP BRIDENSTINE: Yep, so what's the question?
- 9 MORGAN: So you recall that event taking place, that was not, was that during that April 2013
- trip to Houston? Do you recall?
- 11 REP BRIDENSTINE: I don't remember if it was on that trip or another time I would've gone to
- Houston.
- 13 MORGAN: Do you frequently go down to Houston?
- 14 REP BRIDENSTINE: Well my brother lives down there; Rice is down there I've done a number
- of events down there with Rice University and other things. But I don't remember when this
- specific fundraiser took place.
- 17 WRIGHT: Do you have much interaction with Kemal when you're in Houston?
- 18 REP BRIDENSTINE: Let's see, so I met him at the restaurant once, we did the fundraiser once
- and I think during that fundraiser... that trip... I probably don't have all the trips straight in my
- 20 mind which ones occurred when but we visited there's like a cultural center he took me to...
- 21 kind of a little town hall with some Turkic and other folks. They had everything and Pakistanis
- 22 there those sort of things. And so those are the three times I've seen him in Houston, and then on
- 23 the Hill I've seen him maybe once or twice, at least two times. I've met him on the Capital Hill
- 24 Club on at least two occasions.
- 25 WRIGHT: I want to ask about one that is close in time to after the convention. THJB 00336 and
- 26 I'm not sure if you actually did meet with him in relation to this discussion but this is Kemal
- 27 Inviting you to a briefing in July 2013 at the Hiat on Capitol Hill about the Southern Gas
- 28 Corridor. The invitation itself is on the second page.
- 29 REP BRIDENSTINE: "Here is a list on Monday evening, they're getting to DC"... Was this to
- 30 me?
- 31 MORGAN: Yeah it appears so. It's address, "Jim it was great to talk to you on the phone..."

- 1 REP BRIDENSTINE: "They are getting to DC for the briefing and reception of the Southern
- 2 Gas Corridor on Thursday July 18th. Yeah, look forward to seeing you and Joe at the reception."
- 3 Okay
- 4 WRIGHT: Do you remember attending the briefing and reception?
- 5 REP BRIDENSTINE: There's a number of these different types of things. So they've done...
- 6 I've gone to a... yeah what is the date on this? July 14th?
- 7 MORGAN: It appears to be about a Thursday July 18th reception so 2013
- 8 REP BRIDENSTINE: Yeah Okay. July 18th? Yeah, the Hiat Regency on Capitol Hill, "Look
- 9 forward to seeing you and Joe at the reception."
- MORGAN: And you can look over to THJB 00336 to see how Mr. Kaufman appears to have
- 11 responded. Says Kemal thank you for your email we will be in touch with you concerning this
- week's schedule. Jim arrives in DC tomorrow but we should be able to provide information to
- you prior to that event. And the Mr. Oksuz response saying "by the way here's a list of guests."
- 14 A couple of SOCAR executives and a few other people. Does that refresh your recollection of
- there being that reception?
- 16 REP BRIDENSTINE: Yeah but I go to so many different of these things... yeah I'm sure I must
- 17 have gone. I can go back and look at the calendar.
- 18 WRIGHT: I mean, do you know who organized that reception?
- 19 REP BRIDENSTINE: I have no idea.
- 20 WRIGHT: Do you remember if Kemal organized the reception?
- 21 REP BRIDENSTINE: I don't know.
- WRIGHT: Do you remember if the Breakfast.... It sounds like he is inviting you to do this
- breakfast, do you remember if this breakfast actually occurred?
- 24 REP BRIDENSTINE: I don't know.
- 25 MORGAN: This is a... from that second page there in that initial email where he says, "by the
- 26 way Jim will you be available for breakfast for the delegation at the Member Dining Room either
- 27 on the 16th or 17th."
- 28 REP BRIDENSTINE: Where's that?
- 29 MORGAN: It's on that THJB 00337.

- 1 REP BRIDENSTINE: The Members Dining Room either on the 16th or 17th. The members,
- 2 that's the Members Dining Room in the capital.
- 3 MORGAN: I believe that's what it's what it is referring to.
- 4 REP BRIDENSTINE: I don't... I've eaten at the Members Dining Room only a handful of time.
- I don't think I did it with these folks. I'm very confident I did not eat in the Members Dining
- 6 Room with Kemal ever.
- 7 MORGAN: The reason we ask these questions, you know, to give you a bit of context. We have
- 8 reason to believe from the documents we've seen, that SOCAR played a fairly signifigent role in
- 9 that convention. There appears to be some ties and Mr. Oksuz. And then... so to the extent
- we've been able to identify instances in which you may have been presented with information.
- Giving you reason to believe that Kemal and SOCAR are closely related. We want to ask you
- about those and see what you recall. Does that make sense? I gave you a little of the context.
- 13 REP BRIDENSTINE: It does but I don't have any idea what his relationship is with SOCAR.
- But I would remember if I had breakfast with him in the Members Dining Room. And I don't
- remember having Breakfast with him in the Members Dining Room.
- 16 MORGAN: So, you know, in that vein you understand what we are trying to understand. Were
- 17 you... you were aware I imagine by attending the convention that SOCAR had a role in the
- convention at some capacity. Right I think you saw, probably saw SOCAR Representatives there
- 19 you say their logo prominently displayed.
- 20 REP BRIDENSTINE: One of the reasons for going was to learn about the importance of energy
- 21 independence for eastern and Central Europe and how this Pipeline plays a role in that. And I
- would imagine SOCAR is a big player in that pipeline.
- MORGAN: But have you... had you connected SOCAR to Mr. Oksuz in your mind as him being
- 24 a representative of them or some vested interest?
- 25 REP BRIDENSTINE: My connection with Kemal is just as an advocate for Azerbaijan, an
- advocate for, you know, kind of a Turkic, you know, cooperation kind of thing. So no as far as
- 27 him being associated with SOCAR I don't have any knowledge of that.
- 28 WRIGHT: Did you see any you know any indications that SOCAR may have been involved in
- 29 putting together either the itinerary or the, you know, the transportation within... during
- 30 convention?
- 31 REP BRIDENSTINE: That SOCAR was involved in that?
- 32 WRIGHT: Yeah
- 33 REP BRIDENSTINE: That they put together the itinerary?

- 1 WRIGHT: Yeah would do things like be involved in, you know, transportation to and from. We
- 2 understand that at least one of the Hotel rooms SOCAR had a desk for attendees where they had
- 3 volunteers there to help...
- 4 MORGAN: Check in booth or something like that.
- 5 REP BRIDENSTINE: I don't know, I don't remember that.
- 6 MORGAN: So just to get it sort of on the record sort of clear question. Were you aware... did
- 7 you have any reason to think that the source of the money for your travel and your participation
- 8 in the convention that the source of that money was SOCAR?
- 9 REP BRIDENSTINE: I don't have any reason to believe that it was but to the extent that it was, I
- don't know that I would know that that was wrong. But you know it didn't dawn on me that
- 11 SOCAR was involved in that.
- 12 MORGAN: Okay
- WRIGHT: Have you had any communications with Kemal recently?
- MORGAN: Like the last few... since our review began, last couple of months?
- 15 REP BRIDENSTINE: I don't think so.
- MORGAN: He hasn't reached out to you to discuss our investigation?
- 17 REP BRIDENSTINE: No not at all.
- 18 WRIGHT: No emails, voicemails, nothing?
- 19 REP BRIDENSTINE: Nothing.
- 20 WRIGHT: We have reason to believe that at least some of the trip sponsors have been reaching
- out to congressional travelers to the convention to discuss our investigation so we are trying
- 22 to....
- 23 REP BRIDENSTINE: No, nobody has called me at all.
- 24 WRIGHT: Okay, alright.
- 25 MORGAN: We are just going to take a moment to review our notes here and see if we have any
- other questions but in the meantime while we are doing that is there anything you think our
- board should be aware of while they review this?
- 28 REP BRIDENSTINE: I think the main thing is I'm trying to represent my constituents. I was
- 29 presented an opportunity to go to Azerbaijan because there was an important reason for me to do
- so. I'm on the Armed Services Committee, I've got a National Guard interests that do a lot of

- things over there and I went. You know, I told Joe make sure we run this through Ethics and we
- 2 do everything appropriately. It appears as though he did everything appropriately and we got the
- 3 approvals and obviously we got a rug that gave me a little bit of concern and so we gave it back.
- 4 I do recall, now that you show me these documents I did take it to find out if it was worth too
- 5 much and it appears that I decided it was. And you know all I remember is the big red bag. I
- 6 don't remember there being two rugs, maybe there were two rugs. There must have been but
- 7 there was only one that really sticks out in my mind and it was big and red. And I ... maybe the
- 8 other one just wasn't significant or something but we obviously gave them back. At the end of
- 9 the day it wasn't that big of a deal for me.
- MORGAN: Do you have any other questions? Okay I think... unless there is anything else you
- want to say for the record, we'll go ahead and stop the recording.
- 12 REP BRIDENSTINE: Okay, thank you.

Attachment March 26, 2015 Bridenstine Interview: Additional Information

Item 1: WRIGHT: How did you meet Mr. Oksuz? WRIGHT: Do you remember when that was?

MORGAN: Do you recall what that event was? What was it about? What are you

referring to there?

When asked this question, I believed I met him in Houston for the first time. After reading some old emails and searching online, I believe I met him first at an event in Washington D.C. I searched online for Turkic events in D.C. on March 13, 2013. Here is the event where I believe we first met: http://turkicamericanolliance.org/wg-content/uploads/2012/05/TAA-Newsletter-Volume-3-/ssue-3-pdf At this event, we must have talked about a trip to Houston and Azerbaijan.

Item 2: WRIGHT: How often do you interact with Mr. Oksuz?

Since the interview I've tried to remember all my Washington interactions with Mr. Oksuz. As explained above, I believe I first met him at a Turkic American Convention dinner on March 13, 2013. Since then I believe I've met with him on two or possibly three occasions:

- 1. Over coffee at the Capitol Hill Club
- 2. At breakfast or lunch at the Capitol Hill Club with a delegation from Azerbaijan
- 3. Possibly at another breakfast or lunch at the Capitol Hill Club

Additionally I believe I have seen him in passing at three or possibly five other events:

- 1. At a commemoration of the "Khojaly Tragedy"
- 2. At a dinner hosted by Azerbaijan's ambassador
- 3. At a breakfast session that was part of the 2013 U.S.-Kazakhstan convention.
- 4. I might have seen Mr. Oksuz at breakfast sessions held as part of the 2014 U.S.-Azerbaijan and U.S.-Kazakhstan conventions but I don't remember if he was present at either breakfast.

Item 3: MORGAN: Do you frequently go down to Houston?
WRIGHT: Do you have much interaction with Kemal when you're in Houston?
MORGAN: Just tying up a bit of loose ends here. That April 2013 trip down to
Houston, where you first, at least in person, met Mr. Oksuz, like you said in a
restaurant, was that a fundraising event do you recall what that event was? Or was
it just a meet up?

In my first term, I made five (5) trips to Houston. On two (2) of the trips, I had interaction with Kemal. (As noted in Item 1, I believe I met Kemal in Washington a Turkic American Convention dinner on March 13, 2013.) Among other things, the April 2013 trip to Houston included:

1. Dinner at a restaurant (With Kemal and Orhan from the Oklahoma City Turkish Raindrop House)

- 2. A fundraiser at Kemal's house the next morning
- 3. A tour of the Turkish Raindrop House in Houston

I then toured Rice University and went to a Rice baseball game with my brother.

I made a trip to Houston in December, 2013. Among other things, it included:

- 1. A fundraiser at Kemal's house
- 2. A town hall with the Turkish American Chamber of Commerce at the Turkish Raindrop House in Houston

These and other trips were also related to NASA, the space industry, energy, the Fair Tax, Rice University, and visiting my brother.

Item 4: WRIGHT: Have you had any communication with Kemal recently?

The last time I recall seeing him was at a dinner in downtown DC hosted by the ambassador from Azerbaijan on February 3, 2015. I just said hello.

Item 5: MORGAN: It says here that the donor government or international organization on line 4, Assembly of the Friends of Azerbaijan. Do you...was there a conversation with Mr. Kaufman about how it was AFAZ that should be included on that line as opposed to Turquoise Council or some other organization?

As I was working with Joe to fill out the blanks on the FGDA form, it appears I requested from Kemal via text information on who gave me the rugs. Kemal replied with AFAZ. This is how we filled out the form and sent the rugs back. The texts have been provided to the OCE.

Item 6: MORGAN: Did you get any other gifts while you were in Baku?

When this question was asked I did not recollect other gifts. From my interview on March 26, 2015, I recalled there was interest in a tea set and CDs. I asked my wife if she remembered these items.

- 1. We have the six-cup (porcelain, not crystal) tea set at home; it has never been unpacked. I believed the tea set to be a souvenir from the Azerbaijan government. I recently checked online and found the set priced at \$84.99 (URL: http://www.houzz.com/photos/22475748/Turkish-Coffee-or-Espresso-Cupand-Saucer-Set-mediterranean-tea-sets.) While this dollar value is below the \$350 limit of the FGDA, I did not list the tea set in the FGDA disclosure I submitted to the Committee on July 17, 2013.
- My wife remembers the music CDs (not DVDs) and says she threw them away. I
 did not list them on my FGDA gifts disclosure submitted to the House Ethics
 Committee on July 17, 2013.

3. We also have a hard back Azerbaijan picture book. An online search shows a retail value of \$44.48. (URL:

http://www.abebooks.com/9789952803068/Azerbaijan-Mehriban-Aliyeva-President-Heydar-9952803060/pip. While this dollar value is helow the \$350 limit of the FGDA, I did not list the tea set in the FGDA disclosure I submitted to the Committee on July 17, 2013. I don't remember if I purchased the book or if it was a gift.

Item 7: Morgan and Wright asked me about a reception regarding the Southern Energy Corridor that occurred on July 18, 2013.

I do not remember attending the event. Joe says he attended, but doesn't remember me being present. Joe may have gone on my behalf.

Item 8: MORGAN: So just to get it sort of on the record sort of clear question. Were you aware...did you have any reason to think that the source of the money for your travel and your participation in the convention that the source of that money was SOCAR?

No.

EXHIBIT 100

TRANSCRIPT OF INTERVIEW OF REPRESENTATIVE YVETTE CLARKE

4/14/2015

- 1 MS. EISNER: This is April 13, 2015. I am Investigative Counsel, Helen Eisner, joined
- 2 by Deputy Chief Counsel, Paul Solis. We are here with Representative Yvette Clarke.
- 3 This is review 15-8048. We have given the Congresswoman 18 U.S.C. 1001 and she has
- 4 signed the acknowledgment form.
- 5 MR. SOLIS: The only change I'll make is that it's April 14.
- 6 MS. CLARKE: Okay, I thought so.
- 7 MS. EISNER: Yeah, I was –
- 8 MS. CLAKRE: Just want to make sure.
- 9 MS. EISNER: Key facts here, okay. April 14th. Alright, we'll go ahead and get started.
- 10 Are you familiar with an organization called the Council of Turkic-American
- 11 Associations?
- 12 MS. CLARKE: Yes.
- 13 MS. EISNER: And what is that organization?
- 14 MS. CLARKE: As far as I know, they are a non-profit organization that provides insight
- 15 into the Turkic region, information about the I guess the issues that impact Turkish-
- Americans, primarily in my interactions with them, but also advocate for sort of what
- they call a Turkic union, Azerbaijan, Kazakhstan, and a couple of other nations that
- 18 formed this union with them.
- 19 MS. EISNER: And when did you first become aware of that organization?
- 20 MS. CLARKE: Very early in I would say... 2010.
- 21 MS. EISNER: 2010.
- MS. CLARKE: Mhmm.
- 23 MS. EISNER: And do you remember how you became aware of them?
- 24 MS. CLARKE: Sure. My district was redistricted in 2010 to extend into an expansive
- 25 Turkish community and I was reached out to by a number of the Members of this
- organization to introduce me to the Turkish community within my district and that's
- where our relationship began.
- 28 MS. EISNER: And who do you normally communicate with? I'll call them CTAA if
- 29 that's okay.
- 30 MS. CLAKRE: Right.
- 31 MS. EISNER: That organization.
- 32 MS. CLARKE: I regularly interact with Suleyman Turhan. I can't pronounce it well, but
- I can give you his information and Furkan.
- 34 MS. EISNER: Okay, Furkan. And who's Suleyman Turhan. Do you know what his
- 35 position is there?
- 36 MS. CLARKE: No, I don't.
- 37 MS. EISNER: And Furkan, do you know what his position is?
- 38 MS. CLARKE: I don't know formal titles.
- 39 MR. SOLIS: Is his last name Kosar?
- 40 MS. CLARKE: Yes.

- 1 MR. SOLIS: Okay.
- 2 MS. EISNER: And how often do you interact with them?
- 3 MS. CLARKE: Occasionally. It's not like you know, there's a specific timing. There's
- 4 an event in the Turkish community, they'll reach out, invite me... and that's basically it.
- 5 MS. EISNER: Okay. Would they reach out individually to you? Would they reach out to
- 6 staff?
- 7 MS. CLARKE: They reach out to me and to staff.
- 8 MS. EISNER: Okay. And so, Furkan Kosar, you know does he is it usually Furkan that
- 9 you interact with or is it Suleyman? Is it both of them?
- 10 MS. CLARKE: It's both of them. Suleyman is more locally in my district and Furkan
- does interactions here in Washington for the most part.
- MS. EISNER: So when you say he's locally in your district, is it kind of an umbrella
- organization that has a separate offices in your district?
- 14 MS. CLARKE: I think so. I'm trying to remember if in fact there is a... an organization,
- a smaller organization that's under the umbrella, but I don't have a good sense of the
- name of that organization. I get the sense that there is a local... affiliated, if you will.
- 17 MS. EISNER: Okay. Do you know a gentleman by the name of Saim Gagirici? Saim is
- 18 S-A-I-M. Saim, perhaps.
- 19 MS. CLARKE: I think I might? If that's the person I'm envisioning in my head. It's not
- someone I interact with regularly.
- 21 MS. EISNER: You're envisioning him in your head; was there kind of any interaction
- 22 that you had or was there a time that you met him?
- 23 MS. CLARKE: Here in Washington, I think.
- 24 MS. EISNER: Would that have been in your office or at an event?
- 25 MS. CLARKE: No, at an event.
- 26 MS. EISNER: Okay.
- MS. CLARKE: I certainly met him in Turkey, if this is the same gentleman.
- MR. SOLIS: He does work with Mr. Kosar and I think he assists him a lot of the time
- 29 when Mr. Kosar is you know conducting events or whatever. Saim, I think that's how
- 30 you pronounce his name, he's frequently with him and assists him so –
- 31 MS. CLARKE: Okay.
- 32 MR. SOLIS: If that helps you recollect at all.
- 33 MS. CLARKE: If that's the same person, sure.
- 34 MS. EISNER: Okay. But do you he was at the convention, you remember that he was
- 35 there? I don't want to –
- 36 MS. CLARKE: I'm not certain.
- 37 MS. EISNER: Okay.
- 38 MS. CLARKE: I'm not certain.
- 39 MS. EISNER: Okay. How about are you familiar with an organization called the
- 40 Turkic-American Alliance.

- 1 MS. CLARKE: Yes. And I think I might be mixing up the two organizations.
- 2 MS. EISNER: Yeah, they're very similar sounding organizations so I think they go by
- 3 TAA a lot and the other organization that we've been talking about goes by CTAA, so,
- 4 there are similarities.
- 5 MS. CLARKE: Okay.
- 6 MS. EISNER: Do you know you know, what do you know about the Turkic-American
- 7 Alliance?
- 8 MS. CLARKE: It's all conflated for me so I'm not certain the distinction between the
- 9 two
- 10 MS. EISNER: How about a gentleman by the name of Faruk Taban. Does that name
- 11 sound familiar?
- 12 MS. CLARKE: No.
- 13 MS. EISNER: Okay. If you were you know, this organization the Turkic-American
- 14 Alliance, when would you have interacted with them?
- 15 MS. CLARKE: Well to be quite honest with you, again, I'm not making the distinctions
- between the two organizations so it's hard to tell.
- 17 MR. SOLIS: As far as we can tell, it's the umbrella organization here in Washington,
- 18 D.C. that for example, the Council of Turkic-American Associations in New York, it's a
- member of that sort of broader, national level, the Turkic-American Alliance, so I don't
- 20 know if that helps at all either, but...
- 21 MS. CLARKE: Somewhat.
- 22 MR. SOLIS: Maybe. Yeah.
- 23 MS. CLARKE: And it's not...
- 24 MS. EISNER: How about an organization called the Turquoise Council of Americans
- 25 and Eurasians?
- 26 MS. CLARKE: I've heard of that organization, but I don't interact with them.
- MS. EISNER: What do you know about them?
- 28 MS. CLARKE: Not much.
- 29 MS. EISNER: Okay.
- 30 MR. SOLIS: Where would you have overheard something about them?
- 31 MS. EISNER: For some reason, they're standing out as one of the organizations in Baku.
- 32 MR. SOLIS: Yeah, as far as we can tell, they were...they held themselves out as a main
- organizer of that conference, that convention.
- 34 MS. EISNER: Any individuals stand out as a part of that organization? The Turquoise
- 35 Council?
- 36 MS. CLARKE: No. No.
- 37 MS. EISNER: Okay. I'm just going to continue with a few more organization questions.
- How about an organization called the Assembly of Friends of Azerbaijan?
- 39 MS. CLARKE: No.
- 40 MS. EISNER: Sometimes they're referred to as AFAZ.

- 1 MS. CLARKE: Don't know them.
- 2 MS. EISNER: Okay. And then, a man by the name of Kemal Oksuz? Does that name
- 3 sound familiar?
- 4 MS. CLARKE: No.
- 5 MS. EISNER: Okay. Just a few more general questions about processes in your office.
- 6 SO when someone receives an invitation for privately sponsored travel, what's the
- 7 process? How does that get reviewed?
- 8 MS. CLARKE: They go directly to the Ethics Committee with it.
- 9 MS. EISNER: Okay. Do they come to you with it?
- 10 MS. CLARKE: Yes. So of course, they'll ask me, "well do you want to do this trip,
- 11 you've been invited." And I'll say, "well...let's vet it through Ethics Committee." The
- 12 Turkish community has been reaching out to me for a while. I think they've done several
- 13 Member trips and my schedule didn't accommodate it. This particular trip, my schedule
- 14 finally made my made me available, so we then went to Ethics with it.
- 15 MS. EISNER: Okay. Now before going back to Ethics, so before going to Ethics, do you
- 16 go back to the organization, the person, the private organization that invited you and ask
- any questions so you can prepare to talk to ethics?
- 18 MS. CLARKE: No. Not really. Not necessarily. This...you know, it had been something
- 19 that's been requested a number of times and so it was to visit Turkey. Let's be clear on
- that. It's to go visit Turkey, which is where my constituents are from and so I said okay,
- 21 let's you know... let's vet it through Ethics.
- 22 MS. EISNER: How about just generally, not talking specifically about this trip, but you
- 23 know I'm sure you get invited –
- 24 MS. CLARKE: I don't go on many trips.
- 25 MS. EISNER: Okay.
- 26 MS. CLARKE: So...
- 27 MS. EISNER: So, I mean just generally even with other trips, would there be a process
- 28 for asking about sponsorship?
- 29 MS. CLARKE: I'm really relying on Ethics then the information provided by the
- organization to give me guidance on it. I never really, necessarily go into sponsorship.
- 31 MR. SOLIS: Are you deciding before you go to Ethics, you decide whether you want to
- 32 go or not?
- 33 MS. CLARKE: Yes.
- 34 MS. SOLIS: Okay. So, and you tell me if I'm wrong, the request will come in to your
- staff, your staff will sort of brief you on it, and you'll make you guys will make the
- decision internally whether or not it's something you want to do –
- 37 MS. CLARKE: Of course usually, the organization will reach out and say, "we're
- planning a trip, would you want to go?" And you know, I'd say, "well let me look and
- see what my schedule will accommodate and then we have a process for vetting all
- 40 requests" and then I turn it over to staff.

- 1 MR. SOLIS: What's some of the aspects of your vetting process? How you do that?
- 2 MS. CLARKE: That I do?
- 3 MR. SOLIS: Yeah. You or your staff.
- 4 MS. CLARKE: I don't do any particular type of vetting. The one question that I ask is, is
- 5 it a non-profit organization that's hosting.
- 6 MR. SOLIS: Okay.
- 7 MS. CLARKE: And then we go through Ethics from there.
- 8 MR. SOLIS: And I want to get this straight too. The Turkic organization, the CTAA, you
- 9 believe had asked you previous times to go and you hadn't been able to go because your
- 10 schedule didn't accommodate that –
- 11 MS. CLARKE: Right. I don't, I try not to typically travel in an election year. So it's
- usually an off period that I will travel.
- 13 MR. SOLIS: And then this specific request for the trip we're talking about, it initially
- was just about Turkey? It didn't include Azerbaijan?
- 15 MS. CLARKE: The trip was primarily about Turkey. At some point during the
- 16 conversation, there was... well, there is a conference or something taking place in Baku,
- we might want to go there. That was basically it.
- 18 MR. SOLIS: Okay. And you think that the same people, CTAA, provided that
- 19 information, that additional information about Baku?
- 20 MS. CLARKE: Yes. I'm pretty sure they did.
- 21 MR. SOLIS: Okay.
- 22 MS. EISNER: Do you know specifically who that conversation would have been with?
- 23 MS. CLARKE: No.
- 24 MS. EISNER: Okay. What did you understand sort of the primary purpose of the trip to
- 25 be?
- 26 MS. CLARKE: Of my trip?
- 27 MS. EISNER: Yes, the trip... the invitation that you –
- MS. CLARKE: Okay, so my trip was to become acquainted with Turkey. To find out
- 29 more about the cultural and morals of the people, where my constituents have come from
- primarily, meet with Turkish officials, get a sense of what Turkey was like. You know,
- my constituents sort of prided themselves at that time, with a sort of a more secular, civil
- society than most, I guess, Muslim countries and wanted to give me some insights to that.
- 33 MS. EISNER: How about kind of generally, beyond your the reasons that you just
- decided to attend, what do you think the purpose of the entire trip, the convention was?
- 35 MS. CLAREK: I really wasn't keyed in on the convention. I just thought that this was
- part of the region that they represented. I really didn't know the convention portion of it
- until I was actually in Baku.
- 38 MS. EISNER: And then once you were in Baku, did you start to get a sense of you
- know, what is this convention, what are they trying to do here?

- 1 MS. CLARKE: Not really. I was there for maybe about 48 hours, if that? And so, you
- 2 know, I first of all, when we arrived, if I remember correctly, it was the anniversary of
- 3 its independence for Baku so, there was a welcoming reception and a celebration of the
- 4 independence of Azerbaijan. The next day I think we may have attended an assembly of
- 5 some sort, which is where it became somewhat clear to me that there was some sort of
- 6 convention because that's where I ran into other colleagues who were on a different trip.
- 7 And so you know, well colleagues, you know convention...
- 8 MR. SOLIS: You mean Members?
- 9 MS. CLARKE: Members, right.
- 10 MR. SOLIS: Okay.
- MS. CLARKE: Members. And then, we met with some of the officials of Baku of
- 12 Azerbaijan and then I was headed back to Turkey.
- 13 MS. EISNER: Well we definitely want to get into some of the details of you know,
- exactly that your experience when you were over there. I think we might lay a little bit
- more of the groundwork. We're kind of leading up to your attendance there and it's great.
- 16 It sounds like you have a lot of information to share about actually being well 48 hours
- on the ground in Baku, so we'll talk about that.
- 18 MS. CLARKE: I wouldn't say 48 hours. I would say 48 hours between travel from
- 19 Turkey to Azerbaijan and then returning to Turkey.
- 20 MR. SOLIS: Very quick trip.
- 21 MS. CLARKE: Yeah, it was a very, very quick trip.
- 22 MS. EISNER: There was a U.S. Azerbaijan convention in Washington in 2012. Did
- 23 you attend that convention?
- 24 MS. CLARKE: A convention?
- 25 MR. SOLIS: I think it was the same title? It's called the U.S. Azerbaijan Vision for the
- Future; the same one that's in Baku? We believe that they had the same convention –
- MS. CLARKE: If it was a convention, if there were a reception part of the convention, I
- 28 may have attended that, but that I can't recollect completely.
- 29 MS. EISNER: Okay. Was it common to attend receptions organized –
- 30 MS. CLARKE: Receptions, yeah. I've attended a number the Turkish embassy, I've
- attended receptions there for various nations within this Turkic Alliance, if you will.
- 32 MS. EISNER: I see. I'm going to start I think, showing you some documents and talking
- those through. This is THYC 0158, just for the benefit of our recording here. And I will
- 34 give you a moment to look at these just in case you're not familiar with that. There you
- 35 go. So, this is an email to Shelley Davis in 2012. I'll just give you a second to look at
- 36 that.
- 37 MS. CLARKE: Mmk.
- 38 MS. EISNER: So this is an email from Saim saying –
- 39 MS. CLARKE: Saim.

- 1 MS. EISNER: Saim Cagirici, who is listed as program director for CTAA and it's to
- 2 Shelley Davis. What who is Shelley Davis?
- 3 MS. CLARKE: He's my Chief of Staff.
- 4 MS. EISNER: Okay. And, I think earlier you said this gentleman, Mr. Cagirici, do you
- 5 know who he is?
- 6 MS. CLARKE: I'm...not you know, somewhat? I mean...I'm not like I said, if it's the
- 7 same face that I'm associating with the name, I have a sense.
- 8 MS. EISNER: Understood. So, this is an invitation to take the trip and you talked a little
- 9 bit about how –
- 10 MS. CLARKE: Is this an invitation to me or to Shelley?
- 11 MS. EISNER: Well, this is you are cordially invited, so it's to a member of your staff,
- 12 your office so –
- 13 MS. CLARKE: Right, so it's not to me.
- 14 MS. EISNER: It does seem to be directed towards –
- 15 MS. CLARKE: Shelley Davis.
- 16 MS. EISNER: Yes. Do you know if Shelley Davis took the trip?
- 17 MS. CLARKE: I don't think so.
- 18 MS. EISNER: Do you know if there was any communication with you directly about
- 19 attending this trip?
- 20 MS. CLARKE: No. Not that I'm aware of.
- 21 MS. EISNER: Okay. And you didn't attend, is that correct? This trip to Turkey, in 2012?
- 22 MS. CLARKE: 2012...No. I only did one trip to Turkey, which is the one we're talking
- about today.
- 24 MS. EISNER: Okay. So, and we talked a little bit about this, but for the 2013 the trip
- 25 to Turkey and the convention in Baku, how did the conversations start about attending
- 26 this trip?
- 27 MS. CLARKE: Which trip?
- 28 MS. EISNER: The trip to the whole trip. So I'm talking about the trip to Turkey and
- 29 Baku, generally.
- 30 MS. CLARKE: The trip to Turkey was because I have declined to attend many of the
- other trips based on scheduling, but initially it was you have constituents, we'd love to
- 32 have you in Turkey.
- 33 MS. EISNER: Did you receive an invitation to attend the trip?
- 34 MS. CLARKE: I'm pretty sure I did, but I can't recall off the top of my head.
- 35 MS. EISNER: So you don't know who that invitation would've come from?
- 36 MS. CLARKE: No.
- 37 MS. EISNER: Okay. Did you have any meetings with any individuals before this trip?
- And I'm saying the trip collectively, as in the Turkey portion and the Baku portion –
- 39 MS. CLARKE: Meetings –

- 1 MS. EISNER: Meetings about the trip, about the itinerary, about the substance of the
- 2 trip.
- 3 MS. CLARKE: No.
- 4 MS. EISNER: Okay. Did you have any discussions about sponsorship of the trip?
- 5 MS. CLARKE: No.
- 6 MS. EISNER: Okay. Who attended the convention? Did you attend with staff? Did you
- 7 attend with family?
- 8 MS. CLARKE: So, from my recollection, there was a staff CODEL taking place at the
- 9 same time and my I had a staffer who took the staff CODEL and so when I arrived in
- Baku they were on a separate I guess itinerary from myself and so when I got to Baku,
- that's when I ran into my staffer.
- MS. EISNER: Who was the staffer?
- 13 MS. CLARKE: Mark Lee.
- 14 MS. EISNER: And what position did he have?
- 15 MS. CLARKE: He's my LA for international affairs.
- 16 MS. EISNER: Okay. So I'm going to go ahead and keep showing you a few documents
- to talk about. So this is THYC 0236-0237. Now again, this is from Mr. Cagirici who is
- program director for CTAA. It's an email to Shelley Davis and like we talked about
- before, this is directed toward Shelly Davis. I recognize that you're not on this email
- chain, but it is to a member of your staff. So in that second paragraph it says, "you are
- 21 cordially invited to participate in a Congressional staff educational seminar in Turkey and
- 22 Azerbaijan fully sponsored by our organizations, Council of Turkic-American
- 23 Associations." Did you have any conversations about what "fully sponsored" means?
- 24 MS. CLARKE: No.
- 25 MS. EISNER: Did you talk to Shelley Davis about that?
- 26 MS. CLARKE: No.
- 27 MS. EISNER: Okay. Do you know if Shelley Davis inquired into the statement on what
- 28 "fully sponsored" meant?
- 29 MS. CLARKE: I don't know.
- 30 MS. EISNER: Okay. Who did you understand to be paying for travel for your trip? The
- 31 Turkey trip and –
- 32 MS. CLARKE: Who did I understand?
- 33 MS. EISNER: Who did you think was paying? You know there was somebody who was
- going to be paying to send you on this trip, who did you think it might've been?
- 35 MS. CLARKE: I assumed it was a non-profit organization that invited me.
- 36 MS. EISNER: Okay and which non-profit organization?
- 37 MS. CLARKE: I can't recall. I'm mixing up CTAA and TAA, so one of the two of them
- 38 or...both.
- 39 MS. EISNER: Okay. Let's see, so it's either CTAA or TAA?

- 1 MS. CLARKE: I'm thinking whichever is locally affiliated with New York, would be
- 2 the organization I would've assumed was paying for it.
- 3 MS. EISNER: Now I mean, you had some back and forth about attending this trip, this
- 4 was I guess we talked about sort of not a full 48 hours, but there was a period of time
- 5 you were in Baku, there were how many days were you in Turkey as part of the trip?
- 6 MS. CLARKE: That's a good question. I can't remember off the top of my head. The
- 7 time difference was like crazy.
- 8 MS. EISNER: Yeah, I'm sure. So it was a series of days –
- 9 MS. CLARKE: Yeah.
- 10 MS. EISNER: Four or five days?
- 11 MS. CLARKE: I want to say five? Maybe four... five?
- 12 MS. EISNER: Okay.
- 13 MS. CLARKE: Yeah. More than four, but... because we spent a lot of time in Turkey.
- 14 MS. EISNER: Okay. You know, it looked like you were going to be spending about a
- 15 week on this trip.
- 16 MS. CLARKE: Yes, I would say so. I would say that makes sense. A week to ten days, I
- 17 would say.
- 18 MS. EISNER: Okay. So you probably got some itineraries, some background
- information about the trip; did you have, any understanding of who was responsible; who
- was in charge of organizing and who you would go to with questions?
- 21 MS. CLARKE: The folks who accompanied were Suleyman and Furkan.
- 22 MS. EISNER: Okay.
- 23 MS. CLARKE: And so any questions that I had, any information that I received were
- 24 with those two gentlemen.
- 25 MS. EISNER: Okay. So we talked about Mark Lee.
- 26 MS. CLARKE: Yes.
- 27 MS. EISNER: Do you know who sponsored his travel?
- 28 MS. CLARKE: No.
- 29 MS. EISNER: Okay. Let me give you ML 0079-81. So, it looks like and this was the
- primary trip sponsor form that Mark Lee provided. So it looks like he was sponsored by
- 31 this organization, the Turkic-American Alliance and it seems like your communications
- were with this other organization, CTAA.
- 33 MS. CLARKE: Mmk.
- 34 MS. EISNER: So do you know why you would've been sponsored by different
- 35 organizations?
- 36 MS. CLARKE: No.
- 37 MS. EISNER: Did you have any conversations with Mark, once you discovered he was
- 38 going on the trip about the organizations that were sponsoring you?
- 39 MS. CLARKE: No.

- 1 MR. SOLIS: You said you didn't really get a chance to talk to Mark until you were in
- 2 Baku, right?
- 3 MS. CLARKE: Right.
- 4 MR. SOLIS: Okay.
- 5 MS. CLARKE: That's when we first ran into each other.
- 6 MR. SOLIS: Did he go to Turkey too, before Baku?
- 7 MS. CLARKE: Yes, he did. Yes.
- 8 MR. SOLIS: Okay. So you guys must have had totally separate itineraries, then.
- 9 MS. CLARKE: Yes.
- MR. SOLIS: 'Cause you were both in Turkey at the same time, but you didn't get to see
- each other, right?
- 12 MS. CLARKE: Not until like towards the end of the trip.
- 13 MR. SOLIS: Okay. So a couple of days in Turkey and Baku, then back to Turkey, right?
- 14 MS. CLARKE: Yes.
- 15 MR. SOLIS: Okay.
- 16 MS. EISNER: I'm going to provide another document which is THYC_0146-0149.
- 17 MR. SOLIS: We don't have much more documents for you so just –
- 18 MS. CLARKE: Okay.
- 19 MR. SOLIS: We realize it's a little painstaking to go through.
- 20 MS. EISNER: Yes, lots of detail here, so.
- 21 MS. CLARKE: Oh, okay.
- 22 MS. EISNER: So this is an email exchange from Mr. Cagirici to Michael Rohn.
- 23 MS. CLARKE: Rohn.
- 24 MS. EISNER: And who is Michael Rohn?
- 25 MS. CLARKE: He was formally my scheduler.
- 26 MS. EISNER: Okay. And also Shelley Davis is on this chain.
- 27 MS. CLARKE: Yes.
- 28 MS. EISNER: And it's about getting a certificate of Congressional recognition for the
- 29 trip?
- 30 MS. CLARKE: Mhmm.
- 31 MS. EISNER: And Michael asks, and this is on the second page which is 0417, for a
- 32 little bit of background information about the convention and the associations.
- 33 MS. CLARKE: Mhmm.
- 34 MS. EISNER: So, the responses here, lists you know, talks about this organization,
- 35 CTAA, which we've been talking about –
- 36 MS. CLARKE: Yeah.
- 37 MS. EISNER: It also talks about the Turquoise Council of Americans and Eurasians.
- 38 MS. CLARKE: Yes.
- 39 MS. EISNER: And the Assembly of Friends of Azerbaijan.
- 40 MS. CLARKE: To the convention.

- 1 MS. EISNER: Yes. Do you know why he provided the information and this is Mr.
- 2 Cagirici providing this information about these other organizations there's Turquoise
- 3 Council and Assembly of Friends?
- 4 MS. CLARKE: No.
- 5 MS. EISNER: Okay.
- 6 MR. SOLIS: By any chance, you would've seen that –
- 7 MS. CLARKE: No.
- 8 MR. SOLIS: Michael or Shelley would've shared that with you?
- 9 MS. CLARKE: No.
- 10 MR. SOLIS: Okay.
- 11 MS. EISNER: Do you know if those two organizations were involved in the convention
- or planning the convention in any way?
- 13 MS. CLARKE: I don't know those details.
- 14 MS. EISNER: Okay. As Paul said, not too many more forms, but I'm going to give you a
- few more. This is THYC 0019. This is the travel form that you provided for our office.
- 16 MR. SOLIS: Have you seen that before?
- 17 MS. CLARKE: I think in just gathering the forms for you.
- 18 MS. EISNER: Okay.
- MR. SOLIS: Would your staff have put that together then at the time of the convention?
- 20 Of the trip?
- 21 MS. CLARKE: Yes.
- 22 MR. SOLIS: Okay. Would they have consulted with you on filling that out?
- 23 MR. CLARKE: No.
- 24 MR. SOLIS: Okay. So Shelley probably submitted that to the Committee?
- 25 MS. CLARKE: Yes.
- 26 MS. EISNER: And the form lists the Council of Turkic-American Associations as the
- 27 sponsor; is there any reason to question that statement?
- 28 MS. CLARKE: No.
- 29 MS. EISNER: Okay. So we're going go into some detail I think about the Turkey
- portion, which we've talked about a little bit. But you know, some specifics there, so,
- 31 who arranged for the ground transportation in Turkey when you were traveling around
- 32 the country?
- 33 MS. CLARKE: Who arranged for it?
- 34 MS. EISNER: Yeah, who's responsible –
- 35 MS. CLARKE: I didn't ask. I'm assuming the sponsoring organization did it.
- 36 MS. EISNER: Okay. Who seemed like the sponsoring organization when you were in
- 37 Turkey?
- 38 MS. CLARKE: Again, in terms of the names of the organizations, I can't say. I can say
- that Furkan and Suleyman were sort of my chaperones, if you will. Hosts.

- 1 MS. EISNER: So they were the chaperones both in Baku and Turkey. They were
- 2 involved?
- 3 MS. CLARKE: Yes.
- 4 MS. EISNER: Okay.
- 5 MR. SOLIS: Did you guys have, when you were sightseeing around and touring around,
- 6 did you stop and get lunch and things like that?
- 7 MS. CLARKE: Yes.
- 8 MR. SOLIS: How did that get paid for? Was somebody paying for you or did you pay
- 9 out of personal funds?
- 10 MS. CLARKE: No, someone paid for me.
- 11 MR. SOLIS: Okay do you know who that would've been?
- 12 MS. CLARKE: I can only assume –
- 13 MR. SOLIS: Right, it's hard to remember a bunch two years ago, so that's fine.
- 14 MS. EISNER: We understand. I guess we've heard some information that there was an
- organization called Bakiad who was involved in the ground in Turkey as a part of the
- trip? IT's spelled B-A-K-A-I-D. Does that organization sound familiar at all?
- 17 MS. CLARKE: No.
- 18 MR. SOLIS: It's B-A-K-I-A-D.
- 19 MS. EISNER: Oh, I-A-D. Apologies.
- 20 MR. SOLIS: Yeah, didn't hear anything about them?
- 21 MS. CLARKE: No.
- 22 MR. SOLIS: Okay. What about, probably the same answer, but hotels while you were
- there in Turkey, was that all taken care of as well?
- MS. CLARKE: Yes.
- 25 MS. EISNER: So moving on to Baku, the Baku portion. You know, who seemed –was it
- 26 Furkan again and Suleyman who seemed like they were you know, the tour guides and
- 27 leading everything there?
- 28 MS. CLARKE: Yes.
- MS. EISNER: And who were you traveling with? Were you with other members of
- 30 Congress? Were you alone?
- 31 MS. CLARKE: One other member from Congress.
- 32 MS. EISNER: Who was that?
- 33 MS. CLARKE: Leonard Lance.
- 34 MS. EISNER: Where did you stay when you were in Baku? What was the hotel?
- 35 MS. CLARKE: I can't recall at the top of my head. I remember it was like this fancy
- place; that's the most I can remember.
- 37 MS. EISNER: Okay. Was it a Hilton, a Four Seasons? Does any of that ring a bell?
- 38 MS. CLARKE: Not sure.
- 39 MS. EISNER: Do you know who booked the hotels?
- 40 MS. CLARKE: No.

- 1 MS. EISNER: Do you know where either Suleyman or Furkan were staying? Were they
- 2 staying in the same hotel as you?
- 3 MS. CLARKE: I think they were staying in the hotel. Pretty sure they were.
- 4 MS. EISNER: Okay. We've talked a little bit about your itinerary while you were there,
- 5 but if you could just kind of go through, what you did during that short period of time
- 6 you were in Baku?
- 7 MS. CLARKE: In Baku?
- 8 MS. EISNER: Yes.
- 9 MS. CLARKE: I remember we arrived in the evening. Checked in and then went to this
- independence reception? And that was that evening. The next day was like the full day of
- activities. So, I recall stopping by the convention, leaving the convention, having lunch
- 12 with I think it was, I don't know what they call it, president or prime minister of
- 13 Azerbaijan, left that and went to sort of their...if I remember correctly...all I can
- remember about this particular place we went to, was that it was a former KGB location
- and I think we met with some of their defense ministry and some other folks there. I was
- on the homeland security committee at the time so you know, we were just sort of –
- 17 I... my questions were directed from that perspective so I kind of think it was the defense
- ministry. We may have met with a few more ministers? And that was the end of that day,
- 19 the following morning we went back to Turkey.
- 20 MS. EISNER: Okay. The lunch with the president or prime minister can you tell us a
- 21 little more about that? Who was there? Where it was?
- 22 MS. CLARKE: So there were a number of... I think there were a couple of members
- there, if I remember correctly. The prime minster or president, or which they use to refer
- 24 to as head, some of his staff were there as well, and it was really more of a welcoming
- reception. It wasn't heavy or issues on policy if I remember correctly, that's really...
- 26 MS. EISNER: Did it seem like there were a lot of State officials there? Representatives
- 27 from Azerbaijan?
- 28 MS. CLARKE: Not a lot. No. There were more members –
- 29 MS. EISNER: There were a few? Some?
- 30 MS. CLARKE: Maybe...yeah.
- 31 MS. EISNER: How many people attended that lunch?
- 32 MS. CLARKE: I would say about 20 people.
- 33 MS. EISNER: 20, okay. And did you speak at any point during the convention in the
- 34 portion of Baku?
- 35 MS. CLARKE: Yes, I did. You know, U.S. wants to be you know, partners with
- Azerbaijan and sort of the development, that sort of thing.
- 37 MR. SOLIS: Was that in a big lecture hall, or was that –
- 38 MS. CLARKE: The big lecture hall.
- 39 MR. SOLIS: Okay.
- 40 MS. CLARKE: The big lecture hall.

- 1 MS. EISNER: Do you remember who asked you to speak?
- 2 MS. CLARKE: I think Furkan may have? I know that he said that members will be
- 3 making presentations, that sort of thing and so that expectation was derived. You know, I
- 4 just had the expectation and I saw members sort of greeting, then I realized, "oh, okay."
- 5 MS. EISNER: So for the portion of time that you were in Baku that you were at the
- 6 convention itself, did it seem like that there was you know, somebody who was
- 7 responsible for the convention, someone who was organizing the whole convention?
- 8 MS. CLARKE: I wasn't paying that much detail to it, I was pretty much just sort of in
- 9 the moment and it was just one in a series of activities that I was participating in.
- 10 MS. EISNER: Okay. And did you attend, some people have told us that they have
- attended an event at the Gulustan Palace. Does that sound familiar as a part of the I
- think it was on May 28th, which probably doesn't mean too much to you, two years back,
- but it was an invitation that came from the U.S.-Azerbaijan Inter-Parliamentary Working
- 14 Group and it was also hosted by the American Friends of Azerbaijan. Does that sound
- 15 familiar?
- 16 MS. CLARKE: No.
- 17 MS. EISNER: Is there any –
- 18 MS. CLARKE: I'm wondering if it could be the same reception that I attended on the
- 19 independence of Azerbaijan?
- 20 MS. EISNER: Oh, okay. Did it seem like that was at a palace type structure, some
- building that would've been an official state building?
- 22 MS. CLARKE: Azerbaijan is a pretty opulent place; I can't really you
- 23 know... distinguish yeah.
- MS. EISNER: As we understand. Yeah. Okay. And did the convention have any
- corporate sponsors?
- 26 MS. CLARKE: That...I'm not certain of. I know their oil company, you know was there.
- 27 I don't know of any other organizations or groups or companies necessarily.
- MS. EISNER: And when you say their oil company. Is that their state oil company of
- 29 Azerbaijan? Or SOCAR? That's what –
- 30 MS. CLARKE: SOCAR, yes.
- 31 MS. EISNER: So how did you know that they were there? Did you see officials there?
- 32 MS. CLARKE: Furkan told me.
- 33 MS. EISNER: Oh, okay.
- 34 MR. SOLIS: What did he tell you?
- 35 MS. CLARKE: SOCAR is their oil company, their oil rich nation and they're getting
- into the energy production, there seems to be some dispute between them and might be
- Armenia about the Caspian Sea which is where the oil is drawn from; that was basically
- 38 it.
- 39 MS. EISNER: Okay.

- 1 MR. SOLIS: Do you remember talking to anybody from SOCAR? Any executives or
- 2 employees who work there?
- 3 MS. CLARKE: No.
- 4 MS. EISNER: Some people have told us that when they walked into the convention,
- 5 there were big banners and signs, including the sponsors, and that SOCAR was one of the
- 6 listed sponsors. Do you remember seeing SOCAR branding anywhere during the
- 7 convention?
- 8 MS. CLARKE: Vaguely, yeah. I mean... yeah.
- 9 MS. EISNER: Did you attend a lunch on May 30th, which was part of the itinerary for
- some members with the SOCAR executive team?
- 11 MS. CLARKE: No.
- MS. EISNER: Okay. So, in addition to SOCAR, were there any other companies that
- might've acted as sponsors or that you recognized from branding?
- 14 MS. CLARKE: I can't recall.
- 15 MS. EISNER: Okay. Any U.S. companies, I guess BP?
- 16 MS. CLARKE: No. I don't remember seeing any U.S. companies.
- 17 MS. EISNER: Okay. Do you know the process by which you retained a visa to go to
- 18 Azerbaijan?
- 19 MS. CLARKE: No, I don't.
- 20 MS. EISNER: Do you remember any discussion back and forth about your passport
- 21 being expired and making sure to get passport documentation in order to attend the
- 22 convention and the trip?
- 23 MS. CLARKE: No.
- 24 MR. SOLIS: Would your staff have been the people to assist in giving all that paper
- 25 work –
- 26 MS. CLARKE: Yes.
- MR. SOLIS: Would that have been Shelley or somebody else?
- 28 MS. CLARKE: It could've been might've been Shelley.
- 29 MS. EISNER: Okay. Were you aware that SOCAR, the State Oil Company was
- 30 processing your visa? In order to sponsor you to enter –
- 31 MS. CLARKE: No.
- 32 MS. EISNER: Okay. Few more documents. So, first I am providing THYC 0022, which
- is the member-officer post-travel disclosure form. And I also am providing documents
- which I've pulled from the Clerk's website which are the public filings with regards to
- this trip. They include the member-officer post-travel disclosure form, primary trip
- sponsor form, a letter from the Committee on Ethics. Look at that as well. So, one of
- things we noticed is the publicly available forms here, they're signed 6/24/2013 and then
- for the one that was produced to our office, it's signed August 1, 2014. Do you know why
- 39 there would be a difference?

- 1 MS. CLARKE: This is an amendment. This is an amended one from what I can see. One
- 2 is the original and one is the amended.
- 3 MR. SOLIS: Right and it looks like the amendment does actually mention Baku on it?
- 4 MS. CLARKE: Yes.
- 5 MR. SOLIS: And so was that an attempt to...recognize that you actually took a trip to
- 6 Baku? Do you remember thinking about filing the amendment or having discussions with
- 7 your staff about, "let's do an amendment to represent Baku on the form", do you recall
- 8 that?
- 9 MS. CLARKE: I don't recall.
- 10 MR. SOLIS: Okay. If you don't recall making the amendment, do you know who
- 11 would've done it?
- 12 MS. CLARKE: Looks like staff did.
- 13 MR. SOLIS: Okay. Would that have been either Shelley or Mike?
- 14 MS. CLARKE: Or Mike. Mhmm.
- 15 MS. EISNER: We do actually have an email that was part of your production. It's
- 16 THYC 0116-0117, which is from August 5, 2014. Right around the time of this
- documentation. So these are emails back and forth between Mr. Cagirici and Shelley
- Davis and Shelley Davis says and this is on the first page, 0116, he says, "I apologize for
- continued questions and or assistance." Do you know if there was any back and forth
- between them, continued questions or assistance?
- 21 MS. CLARKE: I don't know.
- 22 MS. EISNER: Do you know what he would be referring to?
- 23 MS. CLARKE: I don't know.
- 24 MS. EISNER: So, going back and looking at all these forms that I provided for this
- email, you know, are these forms that you would've reviewed before they were filed?
- 26 MS. CLARKE: Not necessarily.
- MS. EISNER: Now given kind of the conversation we've had about the convention and
- 28 the people who were leading you around, this form says, "sponsor is the Council of the
- 29 Turkic-American Associations."
- 30 MS. CLARKE: Yes.
- 31 MS. EISNER: Did you question whether or not that group was the sponsor? Did you
- have any reason to question that?
- 33 MS. CLARKE: No.
- 34 MS. EISNER: Okay. Did you know that not all Members who were traveling as a part of
- 35 the convention and to Turkey were sponsored by CTAA?
- 36 MS. CLARKE: Well, I only knew of one Member that was traveling to Turkey so I can't
- speak to any other members that may have traveled to Turkey. And I didn't know that
- they had a different sponsor, no.
- 39 MR. SOLIS: Are you talking about Mr. Lance?
- 40 MS. CLARKE: Yes.

- 1 MS. EISNER: Were there any conversations and I know that you were traveling only
- with Mr. Lance, well were there any other conversations with Mr. Lance or with other
- 3 Members about who's the source of sponsorship for this trip?
- 4 MS. CLARKE: No.
- 5 MS. EISNER: Or for the Convention?
- 6 MS. CLARKE: No.
- 7 MS. EISNER: Okay. Do you know if CTAA, the organization we've been talking about,
- 8 has made any recent payments with regards to your travel or the trip?
- 9 MS. CLARKE: Recently? What do you mean by recent?
- 10 MS. EISNER: Recently, within the last few months, any payments that relate to your
- 11 travel or the trip?
- 12 MS. CLARKE: To Turkey?
- 13 MS. EISNER: Yes. Or to Baku.
- 14 MS. CLARKE: No, no.
- 15 MS. EISNER: Okay. Were there any communications about the trip or payment?
- 16 MS. CLARKE: Recently?
- 17 MS. EISNER: Recently.
- 18 MS. CLARKE: No.
- 19 MS. EISNER: Okay.
- 20 MS. CLARKE: Not to my knowledge.
- 21 MS. EISNER: Great. Thank you. We're going to sort of transition to a slightly different
- 22 topic here. Did you receive any gifts during the convention?
- 23 MS. CLARKE: I received a tea set.
- 24 MS. EISNER: Okay.
- 25 MS. CLARKE: Chai cups.
- 26 MS. EISNER: Who was that tea set from?
- 27 MS. CLARKE: I'm not certain.
- 28 MS. EISNER: What was the context in which you received the tea set?
- 29 MS. CLARKE: When I was leaving Baku, I believe Furkan presented it to me.
- 30 MS. EISNER: Okay.
- 31 MR. SOLIS: Was it like six cups, eight?
- 32 MS. CLARKE: Six.
- 33 MR. SOLIS: Six. Okay.
- 34 MS. CLARKE: Three of which broke.
- 35 MR. SOLIS: On the trip back home?
- 36 MS. CLARKE: Yes.
- 37 MR. SOLIS: That's too bad. Was it you know, would you call it like a nice tea set or sort
- of something that looked like you could kind of buy at a local store, was it –
- 39 MS. CLARKE: I thought it was nice.
- 40 MR. SOLIS: You thought it was nice?

- 1 MS. CLARKE: Okay.
- 2 MR. SOLIS: What about any other gifts? Any rugs?
- 3 MS. CLARKE: No.
- 4 MR. SOLIS: We've been talking to a lot of people and different members and staffs and
- 5 other people who attended the convention, a lot of people say that they received rugs in
- 6 their hotel room. So they left for the day, to attend the convention, and came back and
- 7 there was rugs there like Azerbaijani rugs. Do you recall seeing that?
- 8 MS. CLARKE: No.
- 9 MS. EISNER: Do you recall seeing anyone walking around with rugs? It seems like they
- were in maroon, carrying cases.
- 11 MS. CLARKE: Yes, I do.
- 12 MS. EISNER: Who was walking around with them?
- 13 MS. CLARKE: I don't recall that.
- 14 MS. EISNER: Okay. Did you have any conversations with them about you know, what
- is in that maroon carrying case or anything?
- 16 MS. CLARKE: Really wasn't paying attention.
- 17 MS. EISNER: Okay.
- 18 MR. SOLIS: What about Mark? Did he know when you left Baku and then you went
- back to Turkey and you guys are talking, did he mention if he got anything like a rug or a
- tea set or anything?
- 21 MS. CLARKE: No.
- 22 MS. EISNER: How about silk scarves? Did you receive?
- 23 MS. CLARKE: Yes, but in Turkey. Not in Baku.
- 24 MS. EISNER: In Turkey? Okay. Who gave you the silk scarf?
- 25 MS. CLARKE: Suleyman.
- 26 MS. EISNER: Suleyman. Did he give it to you directly? Was it in your hotel room?
- 27 MS. CLARKE: No, he gave it to me directly.
- 28 MS. EISNER: Okay. What about a DVD box set from the president of Turkey?
- 29 MS. CLARKE: DVD box set? No.
- 30 MS. EISNER: Okay. You might not remember that one.
- 31 MS. CLARKE: Yeah, but I don't think so.
- 32 MS. EISNER: A brief case?
- 33 MS. CLARKE: No. A brief case? No.
- 34 MS. EISNER: CTAA thought they might've provided you with earnings? Is that
- 35 something you remember?
- 36 MS. CLARKE: Earrings... not that I can recall.
- 37 MS. EISNER: Okay. For the tea set, do you still have the tea set?
- 38 MS. CLARKE: I have three of them.
- 39 MS. EISNER: Okay. Where are they are they in your home? In your office?
- 40 MS. CLARKE: Yes.

- 1 MS. EISNER: Okay. Did you get the tea set appraised? Do you have an idea of how
- 2 much it might be worth?
- 3 MS. CLARKE: No.
- 4 MS. EISNER: Okay. And for the silk scarf, did you do you have silk scarf?
- 5 MS. CLARKE: Yes.
- 6 MS. EISNER: Okay. Did you have any did you file any paperwork related to those two
- 7 items?
- 8 MS. CLARKE: No, I didn't.
- 9 MS. EISNER: Okay. And any conversation with staff about them? About their value or
- 10 anything like that?
- 11 MS. CLARKE: No. I didn't think they were much value.
- MS. EISNER: Yeah, sure. So a few more documents to go through.
- 13 MR. SOLIS: Well we just did you talk to Furkan or Suleyman in the past year or so?
- 14 MS. CLARKE: Yes, I have.
- MR. SOLIS: You have. What did you talk to them about?
- 16 MS. CLARKE: They are part of an organization called the Gülen movement?
- 17 MR. SOLIS: We've heard about that.
- 18 MS. CLARKE: And you know, they've been talking about the clamping down on
- 19 journalists. It's an interesting time that we were in Turkey because they would begin,
- what some people would label it, a Turkish spring, if you will? And at that time, they
- were concerned about the Gülen movement and Mr. Gülen not being able to come back
- 22 to Turkey and then... they were somewhat supportive of the government at that point in
- 23 time and then they sort of have gone south since then. And they feel like they're being
- persecuted so they've been talking to me about their concerns around that.
- 25 MR. SOLIS: Did they at all, I think Helen asked you this earlier, did they at all mention
- 26 the trip in any way in the past two years or three years since the trip happened?
- 27 MS. CLARKE: No.
- 28 MR. SOLIS: Did they mention at all to you, any contact from our office? About our
- 29 review?
- 30 MS. CLARKE: No, well once I found out I haven't said anything to them and I don't
- 31 know whether they felt comfortable saying anything to me, so...
- 32 MS. EISNER: Okay.
- 33 MS. CLARKE: But they haven't.
- 34 MS. EISNER: Have you gotten any requests from them to help with the movement or
- 35 help in any sort of official situations?
- 36 MS. CLARKE: You know... I wouldn't say help, but there's sort of an awareness of
- what is taking place. They're constantly bringing some awareness. There was some
- recent reception on Capitol Hill and I'm trying to remember the country, there's a nation
- that's part of their Alliance where there was an atrocity and they sort of commemorate
- 40 the loss of life on the Hill each year.

- 1 MR. SOLIS: I think that is actually the organization we've talking about, the Assembly
- 2 of Friends of Azerbaijan. They do that national sort of awareness day of that atrocity or
- 3 genocide that happened.
- 4 MS. CLARKE: Yes. Right.
- 5 MR. SOLIS: And I think some members have brought that up that they recently did
- 6 something.
- 7 MS. CLARKE: Yeah.
- 8 MR. SOLIS: Okay. Given that, do you recall anybody from that organization that you
- 9 spoke with at that meeting on Capitol Hill?
- 10 MS. CLARKE: No.
- 11 MR. SOLIS: No.
- 12 MS. CLARKE: At the reception?
- 13 MR. SOLIS: Yeah, at the reception.
- 14 MS. CLARKE: No.
- 15 MR. SOLIS: Okay.
- 16 MS. EISNER: I don't know if you have any further questions. We can if there's
- 17 anything –
- 18 MR. SOLIS: Yeah, if there's anything –
- 19 MS. EISNER: Anything that you think we should know as a part of this review that we
- 20 haven't covered...
- 21 MS. CLARKE: No. I mean you know... all I can say is that, I spent more time in Turkey
- and trying to understand that connection to my district than I you know, I went to Baku
- because I was invited. I wasn't curious. It wasn't a curiosity of mine so I wasn't as
- 24 engaged there as I was in Turkey.
- 25 MS. EISNER: Okay.
- 26 MR. SOLIS: Only other question I have was, when we first started talking to you about
- 27 the first process of getting invitations, you talk about it with staff, decide if you want to
- 28 go and then you go to Ethics? Do you remember any conversation you had with Ethics
- about the approval process or did they have any questions for you about who the sponsors
- were or what your trip was going to look like?
- 31 MS. CLARKE: No. Not to my knowledge. I really rely on the Ethics Committee to you
- know do the vetting and it was my understanding that this was not the first time, this
- organization has taken members so I just sort of assumed that they had that background.
- 34 MR. SOLIS: Sure, okay.
- 35 MS. EISNER: Okay, well I think with that we'll stop the recording.

PARTICIPANTS: Paul Solis

Helen Eisner

<u>SUMMARY</u>: Representative Yvette Clarke's Chief of Staff, Shelley Davis, called Investigative Counsel Helen Eisner approximately twenty minutes after the Congresswoman left the OCE's office following an in-person interview on April 14, 2015. Shelley Davis explained that the Congresswoman had additional information to provide following the interview, and connected the Congresswoman to the telephone call. The Congresswoman made the following statements:

- 1. The Congresswoman explained that after leaving the in-person interview at the OCE she recalled additional information about the trip that was responsive to the OCE's questioning.
- 2. The Congresswoman received a briefcase while traveling in Baku in 2013. She believes it was provided to her by Furkan Kosar of the Council of Turkic American Associations. The briefcase was small and black. The Congresswoman does not recall where the briefcase is currently and does not recall having it in her possession when she returned to Washington, DC.
- 3. The Congresswoman received a carpet during the Baku portion of the 2013 trip. The carpet, which she described as a prayer rug, was left in the Congresswoman's hotel room near her bedside. She described the rug as composed of synthetic material. The rug is currently in her apartment in Washington, DC.
- 4. On April 16, 2015, Shelley Davis contacted Helen Eisner to report that the carpet was approximately 8 ½ by 11 inches in size.

This memorandum was prepared on April 14, 2015 after the telephonic interview that occurred that day, and updated on April 16, 2015 following a phone conversation with Shelley Davis. I certify that this memorandum contains all pertinent matter discussed with the witness.

Dear Chairman Conaway and Ranking Member Sanchez:

As noted in the attached Form for Disclosing Gifts from Foreign Governments or International Organizations Pursuant to 5 U.S.C. Section 7342 (FGDA), during my May 25-30, 2013 House Ethics Committee-approved trip to Baku, Azerbaijan, I was given two area rugs. The rugs, made in Azerbaijan, were presented by AFAZ, the Assembly of the Friends of Azerbaijan, in appreciation of my participation in the 2013 U.S.-Azerbaijan Convention in Baku.

Turning down these gifts could have caused offense or embarrassment or could have otherwise adversely affected United States foreign relations, therefore I did not seek to return these gifts.

Appraisals secured in the U.S. estimate the market value of these rugs at \$3,500 and \$2,500 respectively. These rugs have not been used and are stored in my Washington, DC office.

I have elected to turn over the larger rug appraised at \$3,500 to the Clerk of the House for the Clerk's disposition.

Concerning the smaller rug appraised at \$2,500, I request the Committee's permission to retain it for official use, specifically for display in my Washington, DC office or District office for such time as I serve in the House of Representatives. I also request that the Committee grant me the option to purchase the rug retained at fair market value not later than when my service within the House of Representatives concludes.

> Yin Bidustin Sincerely.

TRANSCRIPT OF INTERVIEW OF REP. BRIDENSTINE'S CHIEF OF STAFF

3/26/2015

- 1 MR. WRIGHT: This is Nate Wright; I'm here with Bryson Morgan. We're interviewing
- 2 Rep. Bridenstine's Chief of Staff and it is March 26, 2015. You're currently the Chief of
- 3 Staff for Representative Bridenstine, is that correct?
- 4 WITNESS: That is correct.
- 5 MR. WRIGHT: How long have you been in that position?
- 6 WITNESS: Since Congressman Bridenstine was sworn in on taking office in 2013.
- 7 MR. WRIGHT: What are your some of your general responsibilities as Chief of Staff?
- 8 WITNESS: Well, to manage the staff particularly in regard to hiring, to review work
- 9 performance, to act as the advisor to the Congressman, to coordinate with our District
- 10 Director and his staff on matters that are important for us to understand here in
- 11 Washington.
- MR. WRIGHT: What was your previous position?
- WITNESS: Well I was retired prior to coming to work for Congressman Bridenstine. I
- worked for Conoco Phillips, the energy company, for nearly 36 years and retired from
- that position in May of 2009.
- 16 MR. WRIGHT: Do you know Kemal Oksuz?
- 17 WITNESS: I do.
- 18 MR. WRIGHT: Do you know the Turquoise Council of Americans and Eurasians?
- 19 WITNESS: I know of the Turquoise Council; I'm not familiar with their operations.
- 20 MR. WRIGHT: And are you familiar with the Assembly of Friends of Azerbaijan?
- 21 WITNESS: I'm familiar with the organization's name; again, I do not have any
- 22 familiarity with how they operate.
- 23 MR. MORGAN: How do you know Kemal? Do you recall when you first met him?
- 24 WITNESS: Well, the first mention I heard of Mr. Oksuz was I believe, in a March 25,
- 25 2013 email from Congressman Bridenstine, indicating that he had met Mr. Oksuz and the
- 26 Congressman asked me to help coordinate a pending trip to Azerbaijan that the
- 27 Congressman had discussed with Mr. Oksuz.
- 28 MR. MORGAN: What did you understand Kemal Oksuz's position to be? Or role to be
- in regards to that conference?

- 1 WITNESS: Well, it...at the front-end of course, I didn't know very much, but my initial
- 2 impression was that he, in his position is I believe, president of the Turquoise Council of
- 3 Americans and Eurasians, was helping to...well was inviting in this case, Congressman
- 4 Bridenstine to participate in the conference that TCAE was somehow engaged with, it
- 5 was not clear to me what the nature of their engagement with the conference was. I saw
- 6 Mr. Oksuz as the person extending an invitation to attend the conference, but I really
- 7 didn't have any understanding of how TCAE was sponsoring or engaging with others in
- 8 that regard.
- 9 MR. WRIGHT: Generally, what's the process in Representative Bridenstine's office to
- 10 review invitations for privately sponsored travel?
- 11 WITNESS: Well, we...we have had very few of them. This certainly was the first one.
- 12 MR. MORGAN: It certainly was?
- WITNESS: Yes, it was. So we were I guess 90 days...less than 90 days into the
- 14 Congressman's service when this matter came up. So I think this was the first time I had
- ever handled a travel request and so...I learned about the process of requesting Ethics
- 16 Committee approval for privately sponsored travel and became familiar with the pre-
- travel form containing the high-level details the two page cover form if you will, and
- became aware of the documents that needed to be attached, but behind that would be
- 19 prepared by the primary trip sponsor, so...
- 20 MR. MORGAN: Okay.
- 21 MR. WRIGHT: So you mentioned that your first interactions with Oksuz, was back
- 22 around March of 2013 regarding this I'm showing you a document now, that's Bates
- 23 labeled THJB 00173. And I think if you go ahead and take some time to take a look at
- 24 that, and I believe towards the last couple of pages is what you were talking about there.
- 25 WITNESS: Yes. The, I guess page 3 of this document, is the note from Congressman
- 26 Bridenstine to me with also addressed to Mr. Oksuz, just advising me that the
- 27 Congressman is working to arrange a trip to Azerbaijan departing on May 25th, returning
- on May 31st, pointing out we need to submit papers to the Ethics Committee and asking
- me to work with Mr. Oksuz to be sure we have everything required for the Ethics
- 30 Committee.
- MR. WRIGHT: What did you understand was the primary purpose to the convention?
- WITNESS: My understanding was that it was to focus on the relationship between the
- United States and Azerbaijan and I guess coming from the energy industry, I assumed
- that there would be significant discussion about energy since oil and I think gas

- 1 production is a significant part of the Azerbaijani economy so, I thought it was an
- 2 international relation with a component of energy.
- 3 MR. WRIGHT: So Kemal Oksuz and TCAE sponsored the Congressman's travel to
- 4 Baku?
- 5 WITNESS: They identified themselves, TCAE, as primary trip sponsor.
- 6 MR. WRIGHT: And you were the point of contact for --?
- 7 WITNESS: I was. Congressman Bridenstine asked me to serve in that role.
- 8 MR. WRIGHT: And I noticed and I think this is part of your effort to fill out these
- 9 forms, you asked him on the first page of this document, for information about who was
- the primary sponsor, who was the secondary sponsor.
- WITNESS: Yeah. I'm not sure what I had in mind using the term secondary sponsor, I'm
- 12 not sure that that is a term that the Ethics Committee uses, but yes. Those were items that
- 13 I understood were needed to satisfy the requirements to the Ethics Committee.
- MR. WRIGHT: And now I'm showing you a document marked, THJB 00177. I think
- this is a continuation of that email chain. And Kemal responds that TCAE is the primary
- sponsor and AFAZ is the title organizer.
- 17 WITNESS: Yeah, I see that.
- 18 MR. WRIGHT: What did you understand title organizer meant?
- 19 WITNESS: Frankly, I don't know that term. I don't know what that means and I have no
- 20 recollection of that question arising when I read this email.
- 21 MR. WRIGHT: And do you remember ever inquiring further with Kemal about what
- 22 AFAZ or TCAE's role in the convention as?
- WITNESS: I never inquired. I...I did not have a reason to do that and did not make an
- 24 inquiry.
- MR. WRIGHT: Showing you a document marked THJB_00182. This is one of the
- 26 attachments to this previous email –
- 27 WITNESS: Right.
- MR. WRIGHT: And then you can see on page 2, that it lists the Assembly of Friends of
- 29 Azerbaijan as an organizer...
- 30 WITNESS: I'm sorry. Where does it –

- 1 MR. WRIGHT: Down near the very bottom.
- 2 WITNESS: Oh I see. Yes, I see it.
- 3 MR. WRIGHT: Okay. And as also included in the attachments for what was to be given
- 4 to the committee, this is THJB 00185; that's the travel disclosure forms that I think you
- 5 referenced previously and this was completed by Kemal Oksuz.
- 6 WITNESS: Okay.
- 7 MR. WRIGHT: So both of these documents were disclosed were part of the
- 8 disclosures to the Committee.
- 9 WITNESS: That's correct.
- MR. WRIGHT: And this document that I just showed you, the privately sponsored travel
- forms, they don't indicate AFAZ's role in the conference. Do they?
- 12 WITNESS: They do not.
- 13 MR. WRIGHT: Okay.
- WITNESS: I don't think it occurred to me at the time, perhaps I had not looked at
- the...the previous documents you handed with the outline of the convention, I don't think
- that it ever occurred to me that there was reason why AFAZ should be listed on the travel
- 17 request form instead of only the Turquoise Council of Americans and Eurasians.
- 18 MR. MORGAN: Do you recall receiving this privately sponsored travel form from Mr.
- 19 Oksuz?
- 20 WITNESS: Yes, this is the one that I had attached to the travel request.
- 21 MR. MORGAN: Do you recall reviewing it, taking a look at it, seeing what he had put
- 22 on the form?
- 23 WITNESS: Yes. I scanned through the document when we received it.
- 24 MR. MORGAN: I mean, you do understand that there appears to be a little bit of
- 25 disconnect here in the email from Kemal mentioning AFAZ as a...and he calls it a
- secondary title organizer, the itinerary listing AFAZ as an organizer and yet this form not
- 27 including AFAZ on it in any capacity. Do you recognize that do you see what we're
- 28 getting at here? It looks like that information is being provided, at least AFAZ's role is
- being presented to you, yet it's not on this form. Can you help us understand that or
- anything else that you think can help us understand?

- 1 WITNESS: Bryson of course, Mr. Oksuz prepared this form, not us. And when we
- 2 received the form, I having never been involved in the preparation of this kind of
- document before, I don't think that I recognized it in either instance that you're referring
- 4 to that the Assembly of Friends of Azerbaijan had a role...equal to TCAE and might need
- 5 to be listed as the sponsor. That never occurred to me if I...perhaps I simply overlooked
- 6 it or regarded this as an informational document, but I ... at the time I did not see any-
- 7 recognize any discrepancy between the private trip sponsor travel certification form and
- 8 the other documentation that we had received from Mr. Oksuz.
- 9 MR. MORGAN: And the document THJB 00182, this program agenda that we showed
- 10 you –
- 11 WITNESS: Yes.
- MR. MORGAN: That was submitted to the Committee on Ethics as well?
- WITNESS: I believe so. I think we included a copy of that entire document to you and as
- 14 I recall it, it was included.
- MR. MORGAN: If AFAZ had been included on the private sponsored travel certification
- form, would that have been a red flag for you? Would there be any reason you can think
- of why AFAZ would be left off of this certification form?
- WITNESS: I have no idea why they would've been left off. And it probably...I didn't
- recognize that it might need to be there or that it wasn't there, so it didn't raise any red
- 20 flags for mea t the time.
- 21 MR. MORGAN: And you can't think of any motivation why it was left off?
- WITNESS: No, I cannot. I'm not aware of any motivation for doing that.
- 23 MR. MORGAN: Okay.
- 24 MR. WRIGHT: Who did you understand was paying for the travel for Representative
- 25 Bridenstine?
- 26 WITNESS: I understood that the Turquoise Council of Americans and Eurasians was
- paying for all the travel expenses that were listed on the primary travel certification form
- 28 private sponsored travel certification form.
- 29 MR. WRIGHT: Did you have any reason to question who was paying for it?
- WITNESS: I did not. This is a ... as I said this was the first time we had been through
- 31 this process and I was relying completely on the veracity of the completeness of the
- documents submitted to our office. I was focused on getting the first couple of pages

- 1 correct and being sure we had attached all the other documents that the committee would
- 2 be expecting to see, but I was not focused on verifying information that was presented to
- 3 us by Mr. Oksuz.
- 4 MR. WRIGHT: Did you do any research into TCAE or have any discussions with Kemal
- 5 about the organization?
- 6 WITNESS: I did not.
- 7 MR. WRIGHT: Did you look to see if they had sponsored congressional travel
- 8 previously or?
- 9 WITNESS: No, I did not do that.
- MR. MORGAN: Did you have any reason to question TCAE's ability to pay for the
- 11 travel?
- 12 WITNESS: No Bryson, I did not. I ...made the...I guess tacit assumption that if
- someone is offering to pay for this sort of travel that they have the resources to do it and
- simply took that as a matter of assumed fact.
- MR. WRIGHT: Did you reach out to corporate sponsors for the convention?
- WITNESS: No. With one exception, I think because of the my background as a former
- employee of Conoco Philips, and knowing....I think I was perhaps aware that there...I
- think I may have looked back at the prior years' event, I think that there was maybe
- something on the web and noticed that there were some energy companies that had
- 20 participated in the event and I think I called Conoco Phillips, maybe not about
- 21 sponsorship, I don't recall calling them about their role, but I think I tried to contact them
- just to understand a little more what the event was about.
- 23 MR. MORGAN: We have some documents that I think will refresh your recollection of
- that interaction with Conoco Phillips.
- 25 MR. WRIGHT: I'm showing you the document OCECOP 001.
- WITNESS: Okay. I didn't recall the details on this.
- 27 MR. MORGAN: We can give you as much time as you want to refresh your recollection
- there that's why we have the documents.
- 29 WITNESS: Okay. I reviewed it. I'm sorry, go ahead Nate.
- 30 MR WRIGHT: Do you remember why you reached out other than to ask about their
- 31 sponsorship?

- 1 WITNESS: My best guess, I'm not having a clear recollection of this, I remember this
- 2 interchange now that you show the document to me, but I really don't recall what
- 3 might've triggered the question about the nature of the sponsorship. Maybe it was
- 4 something I saw in the prior year's program, but –
- 5 MR. WRIGHT: Yeah, I think we have something that might jog your memory. So I'm
- 6 handing you a document, OCECOP 07 and then also document THJB 00012.
- 7 MR. MORGAN: So, on the middle of page 7 there, when you emailed Kay Larcom, you
- 8 said, "document attached signing COP as sponsor at the bottom of page 2, call me when
- 9 you can. I'm trying to understand the objectives of this event" and then there's
- THJB 00012 and 00013 it appears to us to be that attachment, if you could take a look at
- that and see if this is a document that you recall was the attachment to that email. Second
- page there...
- WITNESS: Oh, okay. So who attached the did I attach this? Or Conoco Philips attach
- 14 –
- MR. MORGAN: We believe this is the attachment that you sent to Kay Larcom.
- MR. WRIGHT: This is included in the paper documents that you --
- 17 WITNESS: Oh, okay.
- MR. WRIGHT: Submitted to our office. So we think this was a version of the itinerary
- 19 that's similar to the one that was disclosed to the Committee. This one lists out –
- 20 WITNESS: Yeah, I'm sure—when I was looking at this, I was not thinking of who was
- 21 putting money into them, but rather who had firsthand knowledge of what the event was,
- and what the objectives for the event would be because I had not received independently
- from any other source, any real insight as to what would transpire at this event. I think
- 24 my focus here was to try to really understand what the nature of the discussion would be,
- 25 particularly around the energy component of the meeting, but I was not...I just wanted to
- say, I was not focused in terms of close of money or who was supporting the event
- 27 financially.
- 28 MR. MORGAN: We received documents from Conoco Phillips and we've spoken to
- 29 Kay Larcom. Let me show you this document, OCECOP 08, 09; you know I'll tell you,
- frankly, Kay Larcom's recollection of those interactions seems to be a ...that it was very
- 31 specifically focused on a financial role of Conoco Phillips. The top of this page –
- 32 WITNESS: Really?
- 33 MR. MORGAN: This is not an email you are included on, but there is an email on 08
- from Kay Larcom to another person at Conoco Phillips saying, "this is the

- 1 Congressman's first term (referring to Representative Bridenstine), they're probably not
- 2 sure about all the ethics rules. He's being invited as a guest at the meeting, he would go
- 3 for free; they have to be able to say who's paying, since we're listed as sponsors, he
- 4 wants to know what our role is and whether we would be paying for his trip; it is difficult
- 5 to find out who these organizations are, AFAZ and TCAE, if this is a cover for either
- 6 SOCAR or the Azeri government, he needs to know."
- 7 WITNESS: Okay.
- 8 MR. MORGAN: Her recoll—Kay Larcom's recollection when we spoke to her, was that
- 9 you had specifically asked her if AFAZ and TC were covers for SOCAR or the Azeri
- 10 government. Do you recall asking her that question?
- 11 WITNESS: I do not.
- 12 MR. MORGAN: Okay.
- WITNESS: I don't think I would've been clever enough or experienced enough at the
- time to ask that kind of question.
- MR. MORGAN: And just to be clear, asking these—asking that type of a question, is
- not...is not necessarily a bad thing. Right? That to an extent suggests you're doing the
- due diligence and making sure that the trip does comply with regulations. I don't mean to
- imply that asking that type of question would be an issue.
- 19 WITNESS: Well, I understand, Bryson.
- 20 MR. MORGAN: Your interaction with Conoco Phillips to your recollection was not
- 21 focused on their financial role or AFAZ or TCAE being a front for the ... SOCAR or the
- 22 Azeri government?
- 23 WITNESS: I do not recall having that focus in this exchange of emails.
- MR. WRIGHT: I'm going to take you back real quick to the last one, OCECOP 07, and
- 25 specifically to the top of that and she says, this is Kay Larcom writing to you, "this is the
- same group who hosted a similar meeting in Washington, D.C. last April." And then it
- says, "Conoco Phillips is not sponsoring in the Baku event".
- 28 WITNESS: Okay.
- 29 MR. WRIGHT: Did Conoco Phillips ever explain why they weren't? Why they made
- 30 this decision?
- 31 WITNESS: To not sponsor?
- 32 MR. WRIGHT: Yes.

- 1 WITNESS: No. I don't think I had any discussion with them on their decision to not
- 2 sponsor the 2013 event. I guess this does align with my recollection that I had gone back
- and looked at the prior years' information to try to understand who was participating in
- 4 the event, but again...my interest in this...really had nothing to do to the best of my
- 5 recollection with financial sponsorship or contributions, but rather on what the nature of
- 6 the event and the likely discussion would be.
- 7 MR. MORGAN: So on that...that being your objective, what did you find out? What did
- 8 you learn about the nature of the event, subjectively?
- 9 WITNESS: Not a lot. I knew from my history with Conoco Phillips they had interest in
- the Caspian at one point. At this juncture, I believe that the company had divested or sold
- or ended its participation with oil and gas activities in the Caspian so...I think I was
- simply going back to energy company that had been involved in the previous event in
- asking for their explanation as to what this event was and what the nature of the
- discussion would be. And of course I went to Conoco Phillips for this kind of inquiry
- versus other energy companies simply because of my familiarity with the company.
- MR. WRIGHT: Did you reach out to other sponsors that are listed on that form?
- WITNESS: I...don't believe so. I have no recollection of talking to anyone from Conoco
- 18 Phillips.
- MR. WRIGHT: Did anyone from Conoco Phillips reach out to you when their decision
- 20 to sponsor changed and they decided to sponsor?
- 21 WITNESS: No, they did not.
- MR. MORGAN: Were you aware that they had at one point decided to sponsor?
- WITNESS: The 2013 event?
- 24 MR. MORGAN: Yes.
- 25 WITNESS: No I was not aware that they had elected to sponsor the 2013 event. And...I
- don't...believe I had any focus on what sponsorship really meant, certainly nothing in
- 27 terms of how that would affect anything we were doing with the Committee on Ethics.
- 28 MR. MORGAN: So...what conversations did you have with Representative Bridenstine
- 29 about this? As you're going through the process to prepare the forms, as you look into the
- 30 purpose and objectives of the event, did Representative Bridenstine know you were
- 31 taking those steps?
- WITNESS: I don't think so. Jim and I had very little conversation about the mechanics
- and the details of preparing these documents and I don't think I described to him the

- process that I was going through and pulling these things together. I'm quite sure that he
- 2 did not ask me about it.
- 3 MR. WRIGHT: Did he ever raise concerns like, "we should try to figure out what these
- 4 organizations are" anything like that?
- 5 WITNESS: No. I think Jim had a lot on his plate at the time and I think getting to
- 6 understand the job as a new member of Congress had a lot of things on his mind and this
- 7 one, I think is something he was simply turning over to me to handle and I was putting it
- 8 together, but without much background with...no background really how this process
- 9 works. I was doing the best job I could with my understanding of what we needed to do,
- 10 but looking into the organizations including TCAE was not something I was doing. I was
- taking their representations as being complete adequate for the purpose.
- 12 MR. MORGAN: Yeah. I'm going to assume well, in my experience, members of
- 13 Congress receive a lot of requests to go on privately sponsored travel. They turn down a
- lot of those requests as well. Do you have a sense of why this was a trip that interested
- 15 Representative Bridenstine?
- WITNESS: Well, as you know, he has a military background and the state of Oklahoma
- has state partnership program between Azerbaijan and the Oklahoma National Guard;
- that may have been one component and that there's a type act of Oklahoma through an
- official government program. And Azerbaijan is of course in an interesting region in the
- world with Russia on the North and Iran on the South and I think Jim is interested in that
- 21 part of the world former Soviet states from a geo-political military power structure and
- 22 also he's very interested in energy politics and obviously Azerbaijan is kind of an unusual
- 23 position in terms of their energy resources and there appear I don't know that we
- 24 were...I wasn't focused on this at the time, but there appears to be some tension between
- 25 Russia and Azerbaijan because of competing political interest on energy supply.
- 26 MR. MORGAN: Did Representative Bridenstine did you or Representative Bridenstine
- ever have a conversation and this is you know, before the trip, did you ever have a
- 28 conversation about TCAE and what that organization was?
- 29 WITNESS: No. I don't believe so, Bryson.
- 30 MR. MORGAN: And AFAZ? Did you have a conversation about AFAZ and what that
- 31 organization was?
- 32 WITNESS: No. You know, as you pointed out, AFAZ's name appears on the agenda, the
- 33 high-level agenda for the meeting, but frankly the I think the first time I really
- remember of AFAZ registering with me was, as we were in the process of returning these
- 35 gifts that the Congressman had received and we can go into that later –

- 1 MR. MORGAN: Yeah, we'll talk about that. I think we'll move right into that.
- 2 MR. WRIGHT: Yeah, so Representative Bridenstine was given two rugs during the
- 3 convention -- showing you a document THJB_00080. And this is your paperwork to the
- 4 Committee on Ethics regarding those two rugs.
- 5 WITNESS: Right. And I –
- 6 MR. MORGAN: 81 is the form for disclosing those gifts from foreign governments. 81-
- 7 82 is that form.
- 8 WITNESS: Right.
- 9 MR. WRIGHT: Do you know if other attendees at the convention also received rugs?
- WITNESS: I don't. Congressman Bridenstine indicated that these rugs were delivered to
- 11 his hotel room, while he was not there and he was uncertain as to where they had come
- 12 from. So...Ji--
- 13 MR. WRIGHT: What –
- 14 WITNESS: I'm sorry, go ahead.
- 15 MR. WRIGHT: What So in the letter it says that he believes that they were from
- 16 AFAZ, what led him to believe that they were from AFAZ?
- 17 WITNESS: You know, I'm not entirely sure. Perhaps it was ...perhaps it was labeling on
- the bags that came in? I don't know that for sure.
- MR. MORGAN: So how did this come up? When did you first learn about the rugs?
- 20 WITNESS: I guess when the Congressman returned from the trip and he...he mentioned
- 21 I think that he had received these gifts and they were with him when he returned to Tulsa
- 22 and returned directly from Azerbaijan to Tulsa, actually a day earlier than the agenda
- called for, you know then I think we had a conversation around these rugs and I
- 24 recognized that we needed to ascertain the market value of these to understand how these
- would fit within the House gift rule. And so, they were appraised in Tulsa and once we
- 26 understood, we reveiwed the values of these rugs, they were delivered to our Washington
- office with the expectation that they would be returned.
- 28 MR. WRIGHT: Who did the appraisal? Do you remember?
- 29 WITNESS: I'm not sure I ever heard any name. There was a dealer in Tulsa who handles
- these kinds of rugs who was consulted to get us a notion of what the value would be, but I
- 31 don't know the name of the firm.

- 1 MR. WRIGHT: Okay. And as the letter indicates, Representative Bridenstine believed
- 2 that he was able to accept them under the Foreign Gifts and Declarations Act –
- 3 MR. MORGAN: So who let's back up a little bit here; was it your task to figure out
- 4 how to properly dispose of the rugs, figure out how they fit within the rules?
- 5 WITNESS: Yeah, I was serving that role.
- 6 MR. MORGAN: Okay. Who else was helping you with that?
- 7 WITNESS: No one.
- 8 MR. MORGAN: Were you having before you...this is July 17, 2013; I want to give
- 9 you another document. I want to see if you can help me understand the timeline here.
- This is THJB 74. This is June 26, 2013; are these your handwritten notes?
- 11 WITNESS: They are.
- MR. MORGAN: So this is June 26, about a month before and at the top it says, gift from
- 13 TCAE, that's a conversation with the Ethics Committee, Wendy? Was Wendy a person
- on the Ethics Committee?
- 15 WITNESS: Yeah, I think she's a staff attorney.
- 16 MR. MORGAN: Okay.
- WITNESS: Or I know that she is because I've visited with her on other matters.
- 18 MR. MORGAN: It says, "Wendy will get both...or something to me?"
- 19 WITNESS: Get back to me.
- 20 MR. MORGAN: "Get back to me after researching TCAE's status and backhand
- 21 something –"
- 22 WITNESS: And balance of gift rule considerations. So I think...I think –
- 23 MR. MORGAN: And at the bottom it says, "Call Michelle; left message 6:20 6:13."
- Who's Michelle?
- 25 WITNESS: Michelle is the Congressman's wife. I think at this point, the rugs were in the
- 26 Bridenstine's in their original bags at the Bridenstine residence and had I think at this
- 27 time, the appraisal had been done so we were monitoring values and we I was still
- uncertain I guess at this point as to the gift rule because gifts from government are
- 29 certainly handled very differently than gifts from other entities and I think we were

- 1 advised later on that this was really given that the source of the gift was inappropriate
- 2 rule to operate under.
- 3 MR. MORGAN: Did Wendy from the Ethics Committee get back to you?
- 4 WITNESS: I think there was another individual who I believe emails are included from
- 5 who ultimately got back to us on this.
- 6 MR. WRIGHT: Carol Dickson?
- 7 WITNESS: Carol Dickson.
- 8 MR. WRIGHT: On document THJB 00305 –
- 9 WITNESS: Right.
- MR. MORGAN: I want to...if you can help us sort of understand this since we're tying
- this up, these notes as of June 26, 2013, it appears that you were under the impression
- that the rugs came from TCAE.
- 13 WITNESS: Right.
- MR. MORGAN: But the form for disclosing gifts from foreign government lists, AFAZ
- as the provider of the gift, of the rugs.
- 16 WITNESS: That is correct.
- 17 MR. MORGAN: I'm just wondering how that change occurred. Did at some point, you
- clarify with Representative Bridenstine, were you told, "no, it wasn't TCAE; it was in
- 19 fact AFAZ that gave them"? Or how...why the sort of difference?
- 20 WITNESS: Yeah that's a reasonable question. I don't think that information came from
- 21 the Congressman, but I don't recall how we determined that AFAZ was the don –
- 22 MR. WRIGHT: Did you reach out to Kemal?
- 23 WITNESS: Probably. I'm guessing that must've been the case because the Congressman
- had no knowledge of who was giving these gifts and I suspect that when I was in the
- 25 process of actually preparing this form for disclosing gifts from foreign government or
- 26 international organizations, I was thinking that we TCAE might have been an
- 27 international organization, I didn't know the technical meaning of that term, but I suspect
- I made an inquiry to Kemal and said, "hey the Congressman got these presents in Baku,
- can you help me understand who gave these things because we're needing to understand
- 30 how to proceed with them."

- 1 MR. MORGAN: Do you *think* that conversation occurred or do you recall, specifically
- 2 recall that conversation?
- 3 WITNESS: I do not recall, but I think it probably occurred, but I can't say that it actually
- 4 that it was actually the mechanism, Bryson.
- 5 MR. MORGAN: How so tell me the decision to ultimately disclose it to the committee
- 6 as a gift from foreign government how is that decision made?
- 7 WITNESS: I think that...I think that we certainly understood that AFAZ or TCAE for
- 8 that matter, was not a foreign government, but again, this is brand new territory for me
- 9 and I think reading the title of the form, I was operating off the international
- organizations piece of thought that these are probably international organizations so we –
- 11 I chose to go down this path.
- MR. MORGAN: So it was ...it was not on the advice of the Ethics Committee that you
- go down this path?
- 14 WITNESS: No. No. I think this was a determination that I made knowing the
- background as I had come to know by the time we put this letter together.
- MR. WRIGHT: Would you have talked to Kemal about this?
- 17 WITNESS: Well, I think that's possible, Nate, but again as Bryson's inquiry indicated, I
- have no recollection of actually talking to Kemal about this, but he would almost
- certainly have been the person I would've gone to ask this kind of question because I
- 20 have not dealt with any other person in regard to this trip.
- 21 MR. WRIGHT: You said that you thought that AFAZ was potentially an international
- organization under the definition, just wondering in terms of sort of your knowledge of
- AFAZ, but before and after interactions like this, would it surprise you to learn that in
- 24 2013, almost less than half the percent of the money that AFAZ -- that went through
- 25 AFAZ was for sponsorship for this convention?
- 26 WITNESS: Half the percent sounds like a small amount, but I don't think I had any
- 27 expectations of what AFAZ's financial capabilities or disposition of its financial assets
- were because I had not looked into AFAZ and tried to understand its operations.
- 29 MR. WRIGHT: Would it surprise you that 90% of its funding for 2013 came from
- 30 SOCAR?
- 31 WITNESS: Yes, it would.
- 32 MR. MORGAN: Were you aware that SOCAR entered into an agreement with AFAZ to
- organize that 2013 convention?

- 1 WITNESS: No, I'm not aware of that was not aware of it.
- 2 MR. MORGAN: So, what led you to just want to make sure we're clear here for the
- 3 record what led you to think that AFAZ was an international organization?
- 4 WITNESS: Well, first Bryson, as I indicated earlier, I don't know now and didn't know
- 5 at the time what an international organization is in the context of this particular form.
- 6 MR. MORGAN: Right.
- 7 WITNESS: I was just supposing, I guess that trying to find the proper channel for asking
- 8 the questions here and disposing of the rugs that we were going down the correct path
- 9 and later was advised by Carol Dickson that we were not.
- MR. MORGAN: Right. Let's go to that, I think that's THJB 00305. This is an email
- from Carol Dickson to you on August 5, 2013 in which she informs you that AFAZ is not
- an entity of the Azerbaijan government, but instead it's a private company incorporated
- in Texas as such and FGDA report is not appropriate. Essentially, she advised that the
- rugs were not able to be accepted under any provision of the gift rule, is that correct?
- 15 WITNESS: That's my understanding, yes.
- MR. MORGAN: They must be returned to AFAZ. How did you relay that message to
- 17 Representative Bridenstine?
- WITNESS: I don't recall a specific conversation, but I think I just told Jim that there was
- 19 no way under the House gift rule, that these gifts could be accepted or retained for
- official use. So I think I just communicated to the bottom line to Jim to advise that he
- 21 needed to return these and there was never a question about returning them once that
- 22 knowledge had come to us.
- 23 MR. MORGAN: And you said there was never a question about returning them; it was
- 24 your understanding that Representative Bridenstine had no objection to following the
- 25 Committee's advice?
- WITNESS: Oh, yes! That's entirely right. He was trying to understand what the Ethics
- 27 Committee guidance on the matter like this, would be.
- 28 MR. MORGAN: So then how did you proceed in returning those rugs?
- 29 WITNESS: They were in the Washington office waiting a resolution in this matter and
- we sent them via FedEx or another courier service to Mr. Oksuz after
- 31 inquiring...advising him that we cannot accept the gifts and inquiring what address they
- 32 should be sent to.

- 1 MR. WRIGHT: And why...so, I'm showing you a document THJB 00308. This is a
- 2 copy of text messages exchanged between yourself and Kemal. Did you regularly
- 3 communicate with Kemal throughout this time period?
- 4 WITNESS: There was a series of interactions, Nate, as I'm sure you've seen from the
- 5 emails surrounding this trip in making the arrangements and Kemal was really the sole
- 6 contact that I had about all the discussions planning the trip and then responding to any
- 7 other matters that came up as part of the trip.
- 8 MR. WRIGHT: As part of this text message, you say, "AFAZ gave the rugs" and then
- 9 you also talk about shipping them to TCAE's address.
- 10 WITNESS: Right. I think I referenced TCAE because they were identified as the
- primary travel sponsor for this and I assumed that we would need to continue working
- through that entity that had represented that they were the travel sponsor and Mr. Oksuz
- was the official representative of that organization. And I don't think I had any
- understanding of what relationship existed or did not exist between AFAZ and TCAE,
- but since we had been doing all this travel planning with TCAE, I felt like Mr. Oksuz was
- the gentleman who could handle this whole matter for us.
- MR. WRIGHT: Did you know Mr. Oksuz's relationship with AFAZ?
- 18 WITNESS: No.
- 19 MR. MORGAN: Just going back here, the instructions from Carol Dickson at the
- 20 Committee was very specific; I mean it was underlined that, "two rugs must both be
- 21 returned to the AFAZ".
- 22 WITNESS: Okay. I...we did not have any personal contact information for AFAZ. I'm
- 23 not aware that we had a name and so...I was expecting that Kemal would affect the
- 24 return these rugs to AFAZ.
- MR. MORGAN: Okay. So what you're saying here is, you planned to ship the rugs to
- 26 TCAE –
- 27 WITNESS: With the expectation that –
- MR. MORGAN: That they'd be returned to AFAZ.
- 29 WITNESS: That they would be returned to AFAZ.
- 30 MR. MORGAN: Okay.
- MR. WRIGHT: And then at the bottom of this, Kemal says, "Please ship them to" I
- 32 believe this is his home address?

- 1 WITNESS: It is his home address.
- 2 MR. MORGAN: How do you know it's his home address?
- 3 WITNESS: Because the Congressman was at one point invited to attend a breakfast at
- 4 Kemal's home and this is the address that was identified as his residence.
- 5 MR. WRIGHT: And...you then sent a letter, this is THJB 00085, to Mr. Oksuz.
- 6 WITNESS: Yeah. This was a letter that accompanied the shipment of the rugs to Mr.
- 7 Oksuz.
- 8 MR. WRIGHT: And you understood that Kemal was going to give the rugs back to
- 9 AFAZ?
- 10 WITNESS: Yes. That was my expectation and I didn't know what his relationship, if
- any, to AFAZ was, but as the person who had extended the invitation for the trip, had
- worked with us consistently to put together the details of the trip, I considered him to be
- the point of contact who could handle matters related to this trip on the back end as well
- 14 as the front end.
- MR. MORGAN: Did you reach out to any other member offices? Members who had
- traveled to the 2013 convention, you know chatting with other Chiefs of Staff or other
- members to say, "Hey did you guys get these rugs as well? How are you handling this?"
- Were there any sort of lateral conversation like that?
- 19 WITNESS: No, there was none.
- 20 MR. MORGAN: Do you know if other members or if other Hill staff who attended the
- 21 2013 convention received rugs as well?
- 22 WITNESS: I do not know.
- 23 MR. MORGAN: Did the Ethics Committee mention that to you that others were in the
- 24 same situation as Representative Bridenstine?
- 25 WITNESS: No. You know, having attended industry events over the years, I know that
- sometimes there will be tokens of appreciation given, certainly nothing on this scope on
- this value, I've never seen, but it would not have surprised me to learn that other
- 28 participants on this trip had received similar gifts, but I never made that inquiry.
- 29 MR. MORGAN: Did Representative Bridenstine receive any other gifts while he was at
- 30 the 2013 convention?
- 31 WITNESS: None that I'm aware of.

- 1 MR. WRIGHT: When you talk about going...being at different industry events, are you
- 2 talking about that in your capacity as a Conoco Philips employee previously?
- 3 WITNESS: Yeah. Just going to industry events and I may have mischaracterized that. I
- 4 just know that sometimes where there are events, let's say the energy industry or the
- 5 automobile industry that I also had in some experience with, that there will be small
- 6 tokens of appreciation you know some sort of logo item that would be distributed to all of
- 7 the attendees. I never had any experience with a gift of high value being given like the
- 8 one we're talking about here.
- 9 MR. MORGAN: So did that raise any red flags for you?
- 10 WITNESS: The high value?
- 11 MR. MORGAN: Yeah.
- 12 WITNESS: Well –
- 13 MR. MORGAN: I mean you're a Chief of Staff. Within most Chief of Staffs' view, is
- there a role to sort of protect their member? Watch their member from these types of
- issues being put in these types of situations? Did it concern you? Did it cause you to
- think, "oh what's going on with this convention; a couple of thousands of dollars of rugs
- are showing up in my member's hotel room, this is a bit concerning." Did you have a
- reaction like that? Were there conversations like that?
- 19 WITNESS: No, I don't think so. I think our sole desire was to ascertain the value of
- these gifts and make the appropriate disposition.
- MR. MORGAN: Did it cause you...did it concern you in the sense that you, thereafter,
- were more concerned or had a heightened awareness about Representative Bridentstine's
- 23 interactions with Kemal or with AFAZ or with TCAE?
- 24 WITNESS: I guess, not really because I didn't know whether Kemal had any personal
- 25 involvement with the delivery of these gifts to Mr. Bridenstine. I...so I guess I was not
- 26 making a linkage in my own mind between the fact of this gift and Kemal and how we
- ought to be thinking about Mr. Oksuz.
- 28 MR. MORGAN: Did Kemal at any point express surprise that they, that the rugs, had to
- 29 be returned or concerned?
- WITNESS: No and I believe in fact, we got a message from him that said he understood
- 31 that it was his intention to abide by the ethics rules. There was never any expression of
- 32 displeasure or concern that I recall.

- 1 MR. WRIGHT: Is that...are you referencing THJB 000308? The text messages you
- 2 exchanged?
- 3 WITNESS: Oh...yeah. That's exactly it.
- 4 MR. WRIGHT: Did he ever talk about there may be issues with other members with
- 5 Kemal and the gifts?
- 6 WITNESS: No. There was never any conversation with Kemal regarding any other
- 7 members or staff members.
- 8 MR. MORGAN: Did you have any reason to believe that the rugs were gifts from
- 9 SOCAR?
- 10 WITNESS: No.
- MR. MORGAN: I'll tell you that we have spoken to other individuals who received the
- rugs, who have told us that it was their understanding the rugs were a gift from SOCAR.
- 13 But that is not your understanding you had no knowledge that SOCAR was a potential
- source of the rugs?
- 15 WITNESS: I have no knowledge of SOCAR's involvement and I never...saw any
- information that would've led me to that conclusion.
- 17 MR. WRIGHT: Do you know did you have any information about SOCAR's role in
- 18 the convention?
- 19 WITNESS: No, other than simply seeing their name on the agenda for the meeting, Nate.
- I did not have any insight as to their role. I know that they're the state oil company as I
- 21 understand, but I didn't have any understanding of how exactly they participated in
- organizing or supporting this event.
- 23 MR. WRIGHT: Do you know Kemal's relationship with SOCAR?
- 24 WITNESS: No. I do not.
- 25 MR. WRIGHT: I want to ask about just sort of to get a bigger picture of your...of your
- 26 relationship with Kemal and your offices' interaction with Kemal. So I understand that
- 27 you...this is document THJB 00368. So this is end of April beginning of May, Kemal
- hosted I believe a fundraiser and a breakfast for Representative Bridenstine in Houston?
- 29 WITNESS: Yes. That is correct.
- 30 MR. WRIGHT: Do you remember traveling with him to Houston for this?
- 31 WITNESS: I did not.

- 1 MR. WRIGHT: Do you know if there was any communication about this convention,
- 2 you know that this was roughly a month before the convention, was there any
- 3 communication about the convention that you're aware of?
- 4 WITNESS: Not so far as I know, Nate. I do remember seeing a note concerning this trip
- 5 to Houston, where the Congressman was hoping to meet the president of Rice University
- 6 because the Congressman's an alumnus of Rice and visiting the James Baker Center, but
- 7 I have no knowledge of any conversations that time concerning the convention.
- 8 MR. WRIGHT: Okay. And then it looks like, showing you a document marked
- 9 THJB 00120 and it looks like there were discussions about Kemal hosting an event in
- Tulsa in late June or early July. Do you remember if an event was hosted?
- 11 WITNESS: I don't know. I remember you know, on the basis of this note that there were
- 12 those discussions, but I'm not sure whether anything in Tulsa ever came together as a
- result of these discussions.
- MR. WRIGHT: Also showing you a document, THJB 00336. And this is Kemal inviting
- 15 Representative Bridenstine to a briefing and reception at the High-end on Capitol Hill.
- 16 Did you know that this particular briefing was hosted by AFAZ?
- 17 WITNESS: Uhm, no. I believe I attended this reception and the focus of the reception
- was I think, the southern corridor gas pipeline? Basically, an update on the status of that
- project, but I don't recall seeing anything about AFAZ or being aware of any AFAZ
- 20 involvement in this.
- 21 MR. WRIGHT: Okay. And Kemal also, on the second page there, asked Representative
- 22 Bridenstine if he would be willing to host the Azeri delegation visiting for this reception,
- 23 do you know if he did host the Azeri delegation?
- 24 WITNESS: What would that mean in your understanding, Nate? I'm not sure what
- 25 hosting –
- 26 MR. MORGAN: That's kind of what we're hoping you can explain to us –
- 27 WITNESS: Oh, I see. Yeah...I don't know what that would've meant actually, Bryson. I
- think the only contact the Congressman had with this delegation, was at the reception at
- 29 the Hyatt on New Jersey and he and I attended, listened to the people who were
- presenting there, and as far as I know that was the extent of the Congressman's
- 31 engagement with these folks.
- 32 MR. WRIGHT: A lot of the people that he lists is guests that are part of the Azeri
- delegation are SOCAR executives. Did that raise any flags for you about Kemal's
- relationship with SOCAR?

- 1 WITNESS: No, it didn't. It didn't surprise me that the national oil company of any
- 2 country whether it's an Alstead oil in Norway or SOCAR in Azerbaijan, would be
- 3 engaged in trying to promote and energy project within the company so, it...I was not
- 4 surprised to see these high-level executives coming to Washington and promoting their
- 5 project and the country's energy business and again, I think you asked about whether
- 6 I...had any thoughts about Kemal's relationship with these folks...I think I assumed that
- 7 Kemal was...uhm...had some sort of public relations or government relations function
- 8 with these folks, but that was all I had...was thinking about.
- 9 MR. WRIGHT: And that's why you thought it was Kemal reaching out saying, "Jim will
- you be available for breakfast with the delegation member's dining on the night of the
- 11 16^{th} or 17^{th} –
- MR. MORGAN: Did that breakfast occur? Do you know?
- WITNESS: I don't know. Jim doesn't always attend everything he's invited to attend so,
- I wouldn't have been there, but I don't know if it occurred or not.
- 15 MR. WRIGHT: I'm showing you a document, THJB 00057. This is the post-travel
- disclosure form you received from Kemal. Did you ever discuss this with him?
- 17 WITNESS: With Kemal? No. I simply took this form and completed the post travel
- report that we were required to submit to Ethics.
- MR. WRIGHT: Did you have any reason to question anything on the form?
- 20 WITNESS: I guess the thing that would've occurred to me was that the expenses that
- were listed I think were lower than initially identified on the pre-travel forms, but it
- appears to me that there was nothing else that is notable about it.
- 23 MR. MORGAN: And you, I think you mentioned earlier in our interview that
- 24 Representative Bridenstine cut his travel short by a day?
- 25 WITNESS: Yeah, he needed to be back home a day earlier than the original itinerary
- 26 would have allowed, so prior to the trip, the itinerary was adjusted to allow him to be
- 27 home a day earlier than had originally been suggested.
- MR. MORGAN: It looks like the private sponsor travel form originally submitted before
- 29 the trip, listed the dates of travel is May 25th through May 31st. This post-travel disclosure
- form lists the date of return as May 30th, so these on this post-travel form that represents
- 31 the actual dates traveled, which would reflect a one day short –
- WITNESS: That is correct. These were dates actually traveled and I know Bryson that
- 33 we received two different forms and one was completed on out of date form and it may

- have reflected May 31st I didn't bring my documents along so I can't look at it, but there
- 2 was a second one that we had received I thought it reflected the agreed upon return date.
- 3 MR. WRIGHT: And with these expenses on this post-travel disclosure form, did you
- 4 ever check the expenses with any of the records that you had?
- 5 WITNESS: I had no records to check them against. Other than what we had been given
- as an initial estimate on the pre-travel notification. I think I looked at them and said, these
- 7 appear to be the same order magnitude the expenses and I didn't see any need to check
- 8 into them.
- 9 MR. WRIGHT: Representative Bridenstine's spouse was initially invited to attend and
- 10 she did not –
- 11 WITNESS: She did not.
- MR. WRIGHT: And there was also discussion about Representative Bridenstine visiting
- and traveling through Turkey before his trip to Azerbaijan. It...that didn't happen was
- there any discussion about why he wasn't going to travel to Turkey?
- 15 WITNESS: I don't ... I know the decision was made early on. The itinerary would focus
- only on Azerbaijan. I think Jim just had no interest in being gone that long and there was
- 17 never any intention on his part to include Turkey on the itinerary.
- MR. WRIGHT: Have you had any recent communications with Kemal?
- 19 WITNESS: I'm trying to remember the last time I saw him.
- 20 MR. MORGAN: Any communications in the last…let's say the last three months?
- 21 WITNESS: Uhm...Yeah I did see him at a dinner downtown here in Washington that
- 22 was hosted for...fairly large number of members and staff members. Members were
- seated in one room, staff members in another room. Again, the focus was energy related –
- 24 MR. MORGAN: Do you know who was hosting that meeting?
- 25 WITNESS: Bryson I don't remember, but I might be able to determine who was hosting
- 26 that.
- MR. MORGAN: Do you know what capacity it was that Kemal was there?
- 28 WITNESS: I don't know what capacity he was attending –
- 29 MR. MORGAN: Was he an attendee, organizer...

- 1 WITNESS: I just remember seeing him there and saying hi to him, but I don't think I...I
- 2 don't recall what his represented role within that dinner might have been.
- 3 MR. WRIGHT: Did he ask you at all about this investigation?
- 4 WITNESS: No.
- 5 MR. WRIGHT: Has he sent you any documents regarding this investigation?
- 6 WITNESS: He has not.
- 7 MR. WRIGHT: Any contact in any way about this investigation?
- 8 WITNESS: No. No contact of any kind regarding this investigation.
- 9 MR. MORGAN: Okay. You said no contact with Kemal about the investigation, have
- 10 you had outside of Representative Bridenstine's congressional office, our office, the
- ethics committee, been in any contact with anyone else about this investigation?
- WITNESS: No. We've regarded it as a confidential procedure and I have not talked to
- any other offices or any other persons other than our congressional staff regarding this
- 14 matter.
- 15 MR. MORGAN: One of the reasons we ask this is because we do have...there have been
- a number of instances in which reported sponsors have been reaching out to offices to
- discuss our investigation. So that's a little bit of the context to that question, but that's not
- anything that you've heard of?
- 19 WITNESS: No. I've not heard of reports of those kinds of contacts with other offices
- and certainly there haven't been any in our office.
- 21 MR. MORGAN: Okay. Well I reviewed my notes, I think I asked all the questions I
- have. Nate, I'll give you a second as well. While Nate reviews his questions, is there
- 23 anything else you think our Board should take into consideration?
- 24 WITNESS: It appears to me that...you're doing a very thorough and methodical
- 25 investigation of this matter and it seems to me that with a level of diligence of detail that
- you're applying that you will secure the information you need to make an appropriate
- 27 determination.
- MR. MORGAN: Well if you want to supplement what you've told us here today, that
- 29 invitation is open. If you're thinking about it today or you know tonight or sometimes go,
- 30 "Oh, maybe I should clarify one point" or, "Oh I do remember conversation with
- 31 someone", feel free to let us know.

- 1 WITNESS: Certainly. I will feel free to do that. I appreciate the opportunity to come in
- 2 and visit and I hope this had been somewhat helpful. I'm afraid that you know, trying to
- 3 recall details of events two years passed in some case may be a little bit shaky, but if I
- 4 recall things that I think it would be important for you to know about, I'll certainly give
- 5 you a call.
- 6 MR. MORGAN: Okay. Well, we...you know our office is in no way, well we want to do
- a thorough investigation that's our only interest in the matter. So you know, answers that,
- 8 "no, no conversations occurred" are as valuable to us as answers that conversations did
- 9 occur. We appreciate your being forthcoming and coming in and I think unless you have
- any other questions, that will be the end of the interview.
- 11 WITNESS: Thank you.

Subject: Rep. Bridenstine - rugs

Joseph-

From:

I called about the two rugs Rep. Bridenstine received on his recent trip overseas. The staff assistant in the office said to try you by email because you are out of the office for the month. He submitted a foreign gifts report indicating that he had been given two rugs by the Assembly of the Friends of Azerbaijan (AFAZ), and a separate request to the Committee to retain one of the rugs for official use. A foreign gifts report like the one he submitted is for reporting gifts from foreign governments over minimal value (currently \$350) accepted on behalf of the United States pursuant to the Foreign Gifts & Decorations Act (FGDA). The AFAZ is not an entity of the Azerbaijan government, but instead is a private company headquartered in Texas. As such, an FGDA report is not appropriate, because there is no gift from a foreign government to report. The companion request for an advisory opinion is also inappropriate because it is requesting to keep a gift from a foreign government for official use under the FGDA, and there is no such gift. (If they had been from the Azerbaijan government, the FGDA report would have had to name the specific name & position/title of the individual presenting them; those are statutory requirements).

Instead, the two rugs are gifts from a private entity (AFAZ), and must be acceptable under one of the terms of the regular House gift rule (House Rule 25, cl. 5), not the terms of the FGDA statute. Unfortunately, there is no provision of the gift rule that would permit the acceptance of such a high-dollar gift from a private entity. Thus, the two rugs must both be returned to the AFAZ. There are also no provisions of the gift rule that would let the Congressman retain such a gift for use in the office, even on a loan basis, similar to what the Committee can permit under the FGDA.

Please give me a call if you would like to discuss.

Helen – In response to your request for documentation regarding gifts received during the trip, we have consulted with the Congresswoman's office to review all information regarding gifts received on the Azerbaijan and Turkey trips. The following list of gifts below is also being provided to the House Ethics Committee. This list includes more items than those listed in the June 19, 2013 email (Subject: Turkey CoDel Question) which you used as a basis for reviewing gifts during your interview of Congresswoman Grisham.

During the trip to Azerbaijan, she received:

- Small wool rug
- 6-piece, glass tea cups
- Medium sized silk rug
- Silk Scarf, purple
- Black tea
- Boxed DVD Set on the President of Azerbaijan.

In Turkey, she received:

- Turquoise earrings
- Two-cup tea set
- Stationery and pen
- Tickets to Palace of Eye and Sofia
- Glass gold painted plate
- Framed tile

Congresswoman Grisham's fiancé and a member of her staff, Deborah Armstrong, both of whom were traveling with her, also received gifts. As to the Azerbaijan gifts, he received a briefcase and also a paperweight and stationery items. With regard to the Turkey gifts, he did not receive such items as jewelry, plate, or tea set, etc. but instead received a paperweight. Ms. Armstrong received the same gifts Congresswoman Grisham received, as listed above for both Azerbaijan and Turkey.

As you know, the House Ethics Committee (May 20, 2013 letter) approved the trip to Azerbaijan and Turkey. That approval noted that it was permissible to accept gifts of \$350 or less tendered by a foreign government as a souvenir or mark of courtesy. After the trip, Congresswoman Grisham's staff determined that none of the gifts listed above exceeded \$350 in value. The valuation was based on internet research by staff and on assurances by the Turquoise Council that the value of the individual gifts did not exceed \$350. (In addition, none of the gifts appeared to be worth more than that amount.) Given that the trip occurred so long ago, staff has not been able to locate any written documentation regarding these valuations, nor can staff locate any other documents, such as notes, cards or certificates that came with the gifts, or any thank you communications.

Please let me know if you have any additional questions. Thanks, Pat

Hi Pat,

Thanks for your help arranging our interview with the Congresswoman earlier in the week. As we discussed, we would appreciate if you provided any documentation the office may have regarding the gifts received during the trip. This would include the internal valuation and tracking documents, and any other information that was saved related to the gifts, such as notes and cards that accompanied them.

Thanks for your help.

Best,

Helen

TRANSCRIPT OF INTERVIEW OF AEI SCHOLAR

2/19/2015

- 1 MR. SOLIS: This is Paul Solis, Deputy Chief Counsel of the Office of Congressional
- 2 Ethics. I'm joined by Bryson Morgan from the OCE. I'm also joined by Luke Strange
- 3 from AEI and AEI Scholar. We have gone over some of the background of the interview
- 4 with AEI Scholar. We let him know that 18 U.S.C 1001 applies to our conversation. He
- 5 has signed the acknowledgement form understanding that the law applies. It is February
- 6 19, 2015. And so we will begin the interview. So, again AEI Scholar, this is about this
- 7 conference in Baku in 2013. You attended that conference, correct?
- 8 WITNESS: That is correct.
- 9 MR. SOLIS: What were the dates that you attended that conference?
- WITNESS: I don't remember the exact dates. It was I believe in late May and I stayed in
- 11 Azerbaijan, uh, I stayed in Azerbaijan for several days afterwards.
- 12 MR. SOLIS: Did you go anywhere else besides Azerbaijan?
- WITNESS: No, but I did not attach myself to the conference for the entire time I was
- there. I mean, uh, let me phrase that more clearly. I attended the conference, but I also did
- other activities beyond the scope of the conference which had nothing to do with the
- 16 conference.
- 17 MR. SOLIS: So, how did you learn about this conference?
- 18 WITNESS: I was invited by the Turquoise Council. I--I believe it was called the
- 19 Turquoise Council or the Turquoise Foundation, which was Houston based.
- 20 MR. SOLIS: Turquoise Council of Americans and Eurasians? Does that sound familiar?
- 21 WITNESS: I believe so, ves.
- 22 MR. SOLIS: Who from that organization reached out to you?
- 23 WITNESS: The first name was Kemal. I believe the last name was Oksuz or something
- 24 to that effect.
- 25 MR. SOLIS: Did he say his position... with the organization?
- 26 WITNESS: I believe that his email had a signature to it, but I do not recall the exact-the
- 27 exact title.
- 28 MR. SOLIS: Was...so was it only over email? Did he give you a phone call?
- 29 WITNESS: I believe my conversation with him was only over email. I believe I was
- actually overseas at the time when we were corresponding with regards to this.
- 31 MR. MORGAN: Was that the first contact you've had with Mr. Oksuz? Had you known
- 32 him previously?
- WITNESS: I had not known him previously. However, my background academically,
- and also when the time I was in government service relates to Iran and therefore, I had
- written about and followed Azerbaijan closely...in that capacity. So...I'm not -- I don't
- 36 recall meeting Kemal before, or hearing from him before, but it was not my first, if you
- will, interaction with Azerbaijan.
- 38 MR. SOLIS: Okay. Did you know why you got invited? Did Mr. Oksuz say in his email,
- or-or you know, or in any other circumstance, why, you know, he targeted you to come to
- 40 the conference?

- 1 WITNESS: My understanding is because I've written on Azerbaijani affairs before, and
- 2 specifically with regard to Azerbaijan-Iran relations.
- 3 MR. SOLIS: Why did you decide to go?
- 4 WITNESS: I had never been to independent Azerbaijan before. I've been to Iranian
- 5 Azerbaijan before, to upper east. And therefore, I... I wanted to go. Basically the
- 6 conference became a mechanism by which, go to Azerbaijan, first to educate myself
- further on some issues relating, for example, Caspian Sea security. But in addition, while
- 8 there, I gave a lecture at Khazar University. There's a poster for it right there, relating to
- 9 Iranian issues in Azerbaijan. And I also took the opportunity to meet with various
- Azerbaijani think-tank officials, in, pursuit of some writing, which I was doing on Shiite
- 11 communities outside of Iran.
- MR. SOLIS: And again, primarily, or initially... with his reach out to you by email in the
- invitation, what did you understand the purpose of the conference to be?
- 14 WITNESS: The purpose of the conference to my understanding was, was simply to
- discuss Azerbaijani security issues as they affected the U.S.-Azerbaijan relationship.
- MR. SOLIS: Did Mr. Oksuz mention that members of Congress or other public officials
- would be attending?
- WITNESS: I do not recall him suggesting that. No. I don't recall him suggesting that.
- 19 Although, I mean I... I understood the conference would be a large conference. My world
- frankly is not the Hill and so I was more concerned on what I would be required to do
- 21 which so that I could prep for the panel.
- 22 MR. SOLIS: Who...did he offer pay for the trip...for the conference?
- 23 WITNESS: I believe that he offered transportation and honorarium.
- 24 MR. SOLIS: Did you accept the transportation and honorarium?
- 25 WITNESS: Yes, I did.
- MR. SOLIS: And that came from the Turkish Council? The TCAE?
- 27 WITNESS: Here... I'll stop here for some background.
- 28 Mr. SOLIS: Okay.
- 29 WITNESS: I've written a great deal on Turkey. And one of the items in Turkey, which
- was a policy concern to me, was the Fethullah Gulen movement. Now I understood, and
- 31 probably after a quick Google search, that the Turquoise foundation, or whatever its
- formal name was, was affiliated with the Gulen organization. Therefore, I asked around--
- this would not be to the Hill, this would be within the think-tank community and I was
- told, although I cannot remember specifically from whom in the think-tank community,
- 35 that the Turquoise Foundation was organizing the event, but the sponsors of the event
- were a variety of companies and corporations including SOCAR.
- 37 MR. SOLIS: I think we will--we'll get to that. I have some specific questions on that.
- 38 WITNESS: Okay.
- 39 MR. SOLIS: So, before you left to go to the conference, who did you speak with? Any
- attendees who would actually be at the conference?

- 1 WITNESS: I believe I spoke with Alex Vatanka from the Middle East Institute, who also
- works on Iran-Azerbaijani affairs and perhaps Brenda Shaffer, who also is a long-time
- 3 Azerbaijan watcher.
- 4 MR. SOLIS: Did Alex and Brenda go on the trip and to the conference?
- 5 WITNESS: Yes, they did.
- 6 MR. SOLIS: Do you know if they were also funded or sponsored by TCAE, the
- 7 Turquoise Council?
- 8 WITNESS: I presume, that the conference, as frankly is normal, provided transportation
- 9 and an honorarium to whomever was speaking.
- 10 MR. MORGAN: Do you know specifically who provided that? Like, so who purchased
- 11 your ticket, who paid your honorarium? Was it the Turquoise Council?
- 12 WITNESS: All my dealings were through Kemal. I did not talk to any corporate
- sponsors directly. Therefore, the tick--I remember scanning my passport, sending the
- scan of my passport for the purpose of ticketing to Kemal and I believe that, the
- 15 honorarium check came through Kemal. Simply because that's where the eventual tax
- 16 form came from.
- 17 MR. MORGAN: Wait, the tax form came from Kemal?
- 18 WITNESS: From the Turquoise...
- 19 MR. MORGAN: From The Turquoise Council.
- 20 WITNESS: Correct.
- 21 MR. SOLIS: And you said the transportation to, what about hotels while there?
- 22 WITNESS: Oh, hotels while there.
- 23 MR. SOLIS: Okay, okay.
- 24 WITNESS: Yes, I'm sorry.
- 25 MR. SOLIS: So the flight, hotels...
- WITNESS: Yes, hotels while there, for the duration of the conference. For my additional
- 27 time there, that expense was through research grants and had nothing to do with the
- 28 Turquoise foundation.
- 29 MR. SOLIS: Who traveled with you? Did anybody?
- WITNESS: I traveled individually. And I met other--I mean I didn't know who was there
- 31 until I arrived.
- 32 MR. SOLIS: You mean you didn't take a friend, or family member or anything like that?
- 33 WITNESS: No, I did not.
- 34 MR. SOLIS: If you could, the best of your recollection, kind of describe the itinerary.
- You know once you got there, what happened, who did you meet with, what were some
- of the events that were planned?
- WITNESS: Okay. I remember arriving in Baku at like 3-4 in the morning, in the middle
- of the night. (Having flown through Turkey). I did not get out of the airport in Turkey. It
- was transit only. I got to the hotel shortly before dawn, slept for several hours. It was
- 40 then, that I found the program beyond that which I was told to prepare for, which was the

- 1 panel on which I was speaking, which again had to do with Caspian Sea security. There
- 2 was some cultural programming, which was basically a, a bus a mini-bus trip or bus trip
- 3 in and around Baku immediately. My understanding is that, some people arrived before I
- 4 did and therefore had an extra day of this. I wasn't aware of that, but my schedule was
- 5 constrained by other things that I needed to do. So I remember going to a museum, going
- 6 to one was the museum of the Azerbaijani flag. Another was a museum that had a
- 7 collection of samovars. Then the conference was I believe a couple of days. It was in a
- 8 rather large convention center. And I remember President Aliyev speaking. There...
- 9 MR. SOLIS: The president of Azerbaijan?
- 10 WITNESS: Correct. There were, I—I remember noticing that there were a number of, of
- 11 U.S. Congressman some retired, some currently serving. There were far more state
- representatives. To be frank, I often times would escape into the hallway and talk either
- to Azerbaijani officials, whom I found more interesting or to my think-tank colleagues.
- When I would have breakfast, lunch or dinner, I would find myself hanging out with
- think-tankers rather than members of Congress. Again, I don't deal with members of
- 16 Congress in, on a day-to-day basis. So, it wasn't my world.
- 17 MR. SOLIS: Who spoke at the conference?
- WITNESS: In this regard, could you just clarify I mean are you asking specifically
- asking about Congressman or are you asking about Azerbaijani officials?
- 20 MR. SOLIS: I guess you could answer generally. Either on panels or in a large scale
- 21 setting. I mean who generally is doing the speeches?
- 22 WITNESS: The panel, in which I sat, had maybe, 6 or 7 people. I don't remember
- 23 Congressmen sitting on that panel. It was more think-tank experts and Azerbaijani, lower
- ranking government experts. There were a number of talks in the large lecture hall, in
- 25 which many current or former Congressman spoke for perhaps 3 or 4 minutes at a time.
- Those were more speeches delivered rather than panels in which there would be
- 27 questions and so forth. The President of Azerbaijan spoke. There were a few break-out
- sessions. I believe, excuse me if I'm getting the name wrong, David Plouffe, one of the
- 29 American political strategist spoke, I simply migrated from break-out to break-out when I
- wasn't there.
- 31 MR. MORGAN: Were you generally aware of who was getting honorarium and who
- wasn't? Did you have a sense of that?
- WITNESS: The only sense I had was with regard to-within the think-tank community.
- And this is more assumption because it's seldom that people will go anywhere if their
- 35 plane ticket is not provided and if they're speaking, then most people will receive an
- 36 honorarium... for the preparation and so forth.
- 37 MR. MORGAN: Did you know whether or not the members of the Congress received
- 38 honorarium?
- 39 WITNESS: I had—no. No. I simply did not know nor did I ask.

- 1 MR. SOLIS: You know, given that you spent most of your time with think-tank folks
- 2 and --
- 3 WITNESS: Yes.
- 4 MR. SOLIS: You know those people you generally deal with, did you happen to talk to
- 5 any members of Congress? Former or current?
- 6 WITNESS: I remember sitting on the farewell dinner, I sat at a table it was a round,
- 7 circular table, so there may have been about 8 of us there. And I remember sitting 1 or 2
- 8 people -- 1 person sitting next to me or 2 people down, was a congressman from New
- 9 Jersey, but I don't really remember his name. I mean it was just polite chit-chat "where
- are you from? I'm from Philadelphia." He was from New Jersey and so we just chatted
- about the Phillies and that was that.
- MR. SOLIS: Nobody told you sort of how they got there or who paid for their trip to get
- to Baku or anything like that?
- 14 WITNESS: No.
- MR. SOLIS: Did you generally have any awareness through other channels from
- anybody else talking about it how the members got there?
- 17 WITNESS: Not the members, no.
- 18 MR. MORGAN: Were there any more exclusive events within the conference, like VIP
- 19 receptions or those types of --
- 20 WITNESS: I believe that there was a VIP lunch for the members of Congress, to which I
- 21 didn't go.
- 22 MR. SOLIS: We talked about some of the speeches that were given to more of the
- 23 general assembly. Did SOCAR... anybody from SOCAR talk to everybody at the
- 24 conference?
- 25 WITNESS: I don't recall anyone from SOCAR talking to everyone from the conference.
- I do remember on a panel which I moderated I believe, that there was a representative
- 27 from SOCAR talking about these southern energy corridors.
- 28 MR. SOLIS: Who sponsored the conference? You know, with your understanding?
- 29 WITNESS: My understanding when I asked based on my concern about the Gullenist
- organizations, was that the Gullenist organization, the Turquoise Foundation was -- to
- make an analogy, they were the party planners. They were the organizers. But the
- funding, my understanding was coming from the major sponsors to the conference, which
- 33 I believe was SOCAR. The only reason I came to this conclusion was from asking around
- when I got the invitation to other think-tank types, who were going.
- 35 MR. SOLIS: Why did you ask around?
- WITNESS: Simply because I was hesitant to--I'd been... I had been invited in the past to
- other... trips by the Fethullah Gullenist Organization not to Azerbaijan, but to Turkey
- because I write critically on Turkey, or I have written critically on Turkey. And at that
- 39 point, the Fethullah Gullenist organizations, tended to be allied with the Turkish

- 1 government. They no longer are. I was hesitant about the appearance of being co-opted
- 2 by the Fethullah Gullenist organizations.
- 3 MR. SOLIS: When you were asking around, were your questions pointed to SOCAR?
- 4 "Is SOCAR paying for this?"
- 5 WITNESS: No. I believe my question was, and I can't remember to whom I asked this,
- 6 was "what's the back story to this? Is it the Turquoise Foundation who is sponsoring
- 7 this?" And I was told, "No. The sponsor is SOCAR."
- 8 MR. SOLIS: Do you recall at all, who told you that?
- 9 WITNESS: I don't recall, but I believe it was within the think-tank community just
- because that's generally who I speak with in these circles.
- 11 MR. MORGAN: Do you have a sense of why, if it was SOCAR, if it was the real
- sponsor, why SOCAR wasn't directly issuing the invitation to you? And directly paying
- 13 you?
- 14 WITNESS: The short answer is, and this is supposition, simply put the Turquoise
- 15 Foundation and other Gullenist organizations tend to, tend to just be much better
- organized in the United States and therefore in a much better position to issue invitations
- as they were based in the United States.
- 18 MR. MORGAN: What are some can you give us a broader... just sort of a sense of
- 19 these Gullen organizations that Turquoise Council is one, but what are some of the other
- 20 groups?
- 21 WITNESS: There's one in Washington, called the Rumi Forum.
- 22 MR. MORGAN: Okay.
- 23 WITNESS: I don't recall all the names, but there's a, I mean a Gullenist business
- council, I think called--the acronym is TUSKON, T-U-S-K-O-N. But basically when it
- comes to any organization, whether it's Turkish, Azeri, Iranian, Iraqi, if I don't recognize
- the organization, I like to see what that organization is all about and confirm who they
- 27 are.
- 28 MR. MORGAN: Yeah, that makes sense. So...do you have any sense of the broader
- 29 relationship between SOCAR and the Turquoise Council? Do you know if this was just a
- one-time collaboration on this conference or are they fairly allied in their efforts in the
- 31 U.S.?
- WITNESS: There was a conference in Washington last year, which was the re-iteration
- of the same conference. My understanding is that the Azerbaijanis would like this sort of
- conference to occur every year. And for that, they use the Turquoise Foundation and
- outside the bounds of the conference, I had met with the Azerbaijani American Chamber
- of Commerce, which is based in Baku. Because again, I stayed--I took advantage of the
- airfare and stayed several more days at my own expense in order to conduct my own
- research and in meeting them, the explanation I received as to why the Turquoise Council
- organized this was simply because they were the best organized in the United States.

- 1 MR. SOLIS: If I read to you some names, you know some other organizations and see if
- 2 you recognize these names -- the Assembly of Friends of Azerbaijan, sometimes known
- 3 as AFAZ?
- 4 WITNESS: That sounds familiar, but I can't, I mean I would have to Google it.
- 5 MR. SOLIS: As far as we can tell through, at least from public reporting from pictures
- and things like that, they were one of the two, sort of stated, conference organizers.
- 7 WITNESS: Okay.
- 8 MR. SOLIS: So, on the billboards, along with the Turquoise Council.
- 9 WITNESS: Right. I mean, when I would be giving a speech on a panel, as with many
- high-profile conferences, there would be a list of sponsors both in the program and on the
- backdrop to the, to the dais.
- MR. SOLIS: So...so AFAZ? Do you know anything about their relationship with
- 13 SOCAR, or the TCAE, the Turquoise council, do you know generally about the -- who
- runs the organization?
- 15 WITNESS: No.
- MR. SOLIS: What about the Turkic American Alliance? Have you heard about them?
- WITNESS: I believe that's a Gullenist organization, but again I... I would need to
- 18 reconfirm.
- 19 MR. SOLIS: And just the best you can, if you've heard of them, or if you... you know,
- whatever you know about the Turkic American Federation of the Midwest?
- 21 WITNESS: That I'm not as familiar with.
- 22 MR. SOLIS: The Turkic American Federation of the Southeast?
- 23 WITNESS: Not...not familiar with.
- 24 MR. SOLIS: The Council of Turkic American Associations?
- 25 WITNESS: I believe I saw their name on the program or something, but I--I just assume
- 26 that these are the nature of the Fethullah Gullen movement is that they have a lot of
- 27 subordinate organizations.
- 28 MR. SOLIS: And that's sort of my next question. Given your understanding of this
- 29 Fethullah Gullen movement and the Turquoise Council, is it your understanding that the
- Turquoise Council is sort of, the umbrella organization for all of these smaller entities?
- 31 WITNESS: For, it's my understanding that they may be the umbrella for some of the
- organizations. I'm not sure. I would tend to see them less as a superior organization and
- more as a brother organization. For example, to the Rumi council which is based in
- Washington D.C., which I tend to have more interaction with, not frequently, but run into
- their people more simply because they're Washington D.C. based.
- 36 MR. SOLIS: You mentioned that, and we'll get into this in a little bit, but you mentioned
- about SOCAR and some other entities who were the sponsors of the conference. Who
- were the other entities besides SOCAR that you can recall?
- 39 WITNESS: Off hand, I do not recall there were... I believe just some energy firms, but
- 40 that's not the main focus in my study. I know SOCAR simply because I mean they're the

- 1 major Azerbaijani energy organization, but I could not tell you the constituent groups. I
- 2 would need to look at a picture and to see who was on the background to the dais
- 3 MR. SOLIS: What about some sort of the larger energy companies worldwide? BP,
- 4 Chevron, Conoco Philips?
- 5 WITNESS: I do not recall. Again, I would need to look because I tend to focus much
- 6 more on politics than on the energy issue and I tend to focus much more on the Iran issue.
- And Shiism, than I do on the energy and trade pipelines. It's just not my world.
- 8 MR. SOLIS: Did you see Mr. Oksuz at the conference?
- 9 WITNESS: I believe I bumped into him briefly, but I don't believe I... I mean I would
- think I was in the hotel lobby and he passed by.
- 11 MR. MORGAN: The part of your trip that overlapped with members of Congress, was
- that limited to the conference?
- 13 WITNESS: Correct, yes.
- MR. MORGAN: Okay so wherever you went after that, on your own travel, you weren't
- with members of Congress or interacting with them?
- 16 WITNESS: Correct.
- 17 MR. MORGAN: Okay.
- 18 Mr. SOLIS: Were there any lobbyists, federal lobbyists at the conference?
- 19 WITNESS: That, I would not be able to tell you simple because I don't know who the
- 20 lobbyists are.
- 21 MR. MORGAN: Do you recall any involvement from Caspian Drilling Company?
- 22 WITNESS: I do not recall on any involvement. That's not to deny involvement, I just
- 23 don't recall.
- 24 MR. MORGAN: I'm going to tell you that from some of the pictures we saw, I think
- 25 SOCAR and Caspian Drilling were listed as main sponsors, but that doesn't jog your
- 26 memories at all--to them having a prominent or a less prominent role?
- 27 WITNESS: I remember SOCAR as having a prominent role. I remember them not being
- the only prominent sponsor. But again I don't spend my days in the energy and oil field –
- 29 MR. SOLIS: Right.
- WITNESS: And therefore, most of these names are not names that I would have ready
- 31 recollection on.
- 32 MR. MORGAN: That's fine. I mean we're asking, just to the best of your recollection
- 33 what you recall.
- WITNESS: No...no. Actually, Luke, there is a green book there. There's a chapter on
- 35 Azerbaijan and Iranian Shiite relations with Azerbaijan in here that was the focus of my
- additional time and frankly at the conference, I would be cornering Azerbaijani officials
- to ask questions relating to my interests, perhaps more than theirs.
- 38 MR. SOLIS: And in that light, you're talking to Azerbaijan, members of the government,
- 39 the national assembly, things like that?

- 1 WITNESS: I talked to members of their national assembly. I mean parliamentarians
- 2 and...yes.
- 3 MR. SOLIS: Did they talk about the government's role in the conference?
- 4 WITNESS: They did not.
- 5 MR. SOLIS: Do you know sort of independently, about the government's role in the
- 6 conference?
- 7 WITNESS: I do not know, independently about the government's role in the conference.
- 8 I assume with the pres and this is an assumption, with the president of the Azerbaijan
- 9 speaking and also the nature of Azerbaijan, that there would be governmental
- 10 involvement.
- 11 MR. SOLIS: As far as funding, organization-do you have any specifics?
- WITNESS: I have no insight into that. The organization, my understanding was, was
- 13 conducted through the Turquoise Council.
- MR. SOLIS: Okay. And you said that SOCAR played, I think the word you used was,
- played a prominent role in the conference. What gives you the basis to believe that, other
- than you know, you spoke to some people before you left and SOCAR, a representative
- spoke on one of the panels, what else would lead you to believe that they played a
- 18 prominent role?
- 19 WITNESS: What else would lead me to believe they played a prominent role would
- simply be their listing on the backdrop to the dais as, or in the program as a major
- 21 sponsor.
- 22 MR. SOLIS: After you came back from the trip or from the conference in Baku, did you
- 23 talk to anybody about the conference, your experience there?
- 24 WITNESS: I had someone from the Houston Chronicle I think the Houston newspaper,
- had called me at one point, but other than that, shorter answer, no.
- MR. SOLIS: This is just, this is a reprint, this is a quote that we had publicly... take a
- look at that... at least you know, as it is online and it's out there in public that you gave to
- this Turan Azerbaijani News Agency. Do you recall interviewing with them?
- 29 WITNESS: Yeah I mean vaguely yes, now that you mention.
- 30 MR. SOLIS: As far as we can tell, that occurred some-time after the conference in June
- 31 2013.
- WITNESS: Perhaps, yes.
- 33 MR. SOLIS: Was it by phone or email?
- WITNESS: I presume it was by email, but I do not recall.
- 35 MR. SOLIS: Take a look at that paragraph there.
- 36 WITNESS: Mhm...Okay.
- 37 MR. SOLIS: Does that look like your words? Did you—say?
- WITNESS: Yes. That does look like my words.
- MR. SOLIS: Sort of generally, after you take a look at this quote, wha--what's the intent
- behind it and sort of, what's it all about?

- 1 WITNESS: I forget the question that was asked, but I mean my response and how I
- 2 responded, I was focused more on the issue of the role of the Turquoise Council and the
- 3 precision with regards to that role.
- 4 MR. SOLIS: In that third sentence, when it says they were hired by the sponsors to
- 5 organize the conference, I think you already answered this, but just to be clear, who were
- 6 the sponsors?
- 7 WITNESS: My understanding was that the sponsor was SOCAR and whoever else was
- 8 listed in the program in the dais.
- 9 MR. SOLIS: And so along that same line, "organizing travel and hotels", is that also
- 10 SOCAR and the other entities?
- WITNESS: Well the person, the group doing the organization, would be the Turquoise
- 12 Council of Americans and Eurasians. There's a difference between the organization and
- the funding which is what I'm trying to annunciate.
- 14 MR. MORGAN: And your basis of knowledge, for you know, you said SOCAR was the
- main sponsor; Turquoise Council did not contribute any funding to the conference, what
- was the basis -- basis of your knowledge?
- 17 WITNESS: It would have been conversations with other think-tankers, conversations
- 18 with the American- the AMCHAM Chamber, the American Chamber of Commerce as
- well as the program itself.
- 20 MR. MORGAN: Okay... and when you say the program itself, you mean --
- 21 WITNESS: that I received once I registered...
- 22 MR. MORGAN: The actual, physical paper --
- 23 WITNESS: (inaudible)...in Baku, and I did not receive the program in this spec, I mean
- the complete program until I arrived in Baku. What I received before, was my role in
- 25 speaking on a specific panel about Caspian Sea Security.
- 26 MR. SOLIS: So what did AMCHAM say about it?
- 27 WITNESS: Uhm...
- 28 MR. SOLIS: About this idea about SOCAR sort of sponsoring -
- 29 WITNESS: I just got the sense that there was some institutional jealousy that they
- would've preferred to be the vehicle by which conducted the organization.
- 31 MR. SOLIS: Who did you speak with from AMCHAM?
- WITNESS: That I don't recall. I went to a lunch they sponsored just to talk to various
- people there. I don't remember who exactly was the leadership of AMCHAM.
- 34 MR. SOLIS: You said you got the sense that they would've rather been the organizers
- opposed to the Turquoise Council.
- 36 WITNESS: Yes.
- 37 MR. SOLIS: Was that a direct -- how direct was that statement? Or is that just a feel-
- WITNESS: It was just a conclusion that I came to after conversing with of course so
- many Americans present in Azerbaijan, this was a topic of conversation.

- 1 MR. SOLIS: At the end there of your quote, it says it "raises some questions", what did
- 2 you mean by that?
- WITNESS: The, again, I believe in the hindsight, and this is a couple of years ago... that
- 4 I was questioning why they would work through the Gullenist Organization rather than a
- 5 more secular organization.
- 6 MR. MORGAN: Is AMCHAM known for having similar organizational capacity as the
- 7 Council?
- 8 WITNESS: Afterwards, I forgot who told me this, but the answer people said was, that
- 9 they were not.
- 10 MR. MORGAN: That they were not...
- 11 WITNESS: Yes.
- MR. MORGAN: Okay. Do you have any other insight into why SOCAR would've hired
- the Council as opposed to gone through other entities?
- 14 WITNESS: No. My understanding is that the Council it was simply very, very well
- organized in the United States.
- 16 MR. MORGAN: Did you have any sense of you said well organized did you have any
- sense of what their funding levels were?
- 18 WITNESS: No.
- 19 MR. MORGAN: For their activities in the US?
- 20 WITNESS: No I do not.
- 21 MR. MORGAN: Okay. Because you said here in the quote, that the Turquoise Council
- 22 did not contribute any funding to the conference.
- 23 WITNESS: That was my understanding based on conversations at the conference.
- 24 MR. MORGAN: Okay. And what were those conversations like? Do you remember any
- 25 specific conversations?
- 26 WITNESS: I mean just over lunch and dinner or in the hallways or in the airport when
- 27 we were going through passport control and I was meeting other think-tank analysts who
- were there.
- 29 MR. MORGAN: Did you have any conversations along those lines with Mr. Oksuz or
- anybody from the Turquoise Council?
- 31 WITNESS: No. Not directly, no.
- 32 MR. MORGAN: Not directly. Ok. You, I mean, the next sentence you said they were
- hired by the sponsors to organize the conference? And I want to... what I'm trying to get
- at is, it's a perhaps subtle distinction, but important, you know hiring if SOCAR, was
- hiring Turquoise Council to act as its agent in organizing the conference, sort of one thing
- and another relationship might be that SOCAR is just a long-time funder of the Council
- and the Council independently decided to host this conference... do you have any sense
- which of those scenarios it was?

- 1 WITNESS: My understanding and this is based on an assumption, would be the former
- 2 of those two and that assumption is based on the program itself, which I do not recall I
- mean, which I believe, listed SOCAR as the sponsor.
- 4 MR. MORGAN: Okay.
- 5 MR. SOLIS: Were you presented with any gifts when you got to the conference?
- 6 WITNESS: When I got to the conference, no.
- 7 MR. SOLIS: After the conference then?
- 8 WITNESS: Yes. There was a small carpet.
- 9 MR. SOLIS: Small carpet...and who did the carpet come from?
- 10 WITNESS: The carpet was left in my hotel room when I wasn't there. And talking to
- other people, again not government officials, but my peers, they said that they received
- 12 similar small carpets.
- 13 MR. MORGAN: Do you know if the members of Congress and the attendants received
- 14 those carpets?
- 15 WITNESS: I do not know.
- 16 MR. MORGAN: Would you assume that –
- 17 WITNESS: I wouldn't make an... I would not... There would be a difference in my mind
- between panelists and attendees.
- 19 MR. MORGAN: Okay.
- 20 WITNESS: I was talking to fellow think-tank panelists.
- 21 MR. MORGAN: And they received similar gifts as well?
- 22 WITNESS: Yes.
- 23 MR. MORGAN: Okay.
- 24 MR. SOLIS: And when everyone started talking about it did anyone talk about where
- 25 they thought the rug came from?
- 26 WITNESS: Well, when you talk about everybody, I stayed on with other people beyond
- 27 the scope of the conference because if we're going to be in Azerbaijan, we might as well
- 28 make the most of it to conduct our research outside the bounds of the conference. And so
- 29 I, when you're talking to everyone, we're talking about think-tank peers, just so that's
- 30 clear. And my understanding is it would just come from the organizers of the conference.
- 31 A party favor if you will.
- 32 MR. SOLIS: You talked about Mr. Oksuz emailing you –
- 33 WITNESS: Yes.
- 34 MR.SOLIS: About this...do you have any documents relating to the conference?
- WITNESS: What do you mean by documents?
- 36 MR. SOLIS: Like do you have emails, do you have letters, records of your attendance?
- WITNESS: I would have I mean that Azerbaijani visa and stamp in my passport and I
- believe the sponsor on the Azerbaijani visa was SOCAR... which was... which -- the visa
- was issued at the airport. The cards -- I don't save my emails that long in answer to your
- 40 question. The email uhm...with regards to the visa, I...in March of 2013, when the

- organization of this was coming into play, I was onboard the USS Kearsarge so I had
- 2 limited access to email. I email I had to wait until 3am when the bandwidth was optimal
- 3 in order to send the scan of my passport. The scans of the passport were necessary to
- 4 book the tickets and arrange the visa. You only get a visa in Azerbaijan when you come
- 5 to the airport. It's a pre-approval process and so when they put the passport in the page,
- 6 I'm sorry, when they put the visa on the page of my passport, it listed the sponsor as
- 7 SOCAR. But other than that, and God knows where in my attic there would be a
- 8 program, just in the box of all the other former programs and stuff if I saved it, that would
- 9 be the only documentation that I would have and then of course things like the poster
- which was post-conference, from my lecture at Hazar University.
- MR. SOLIS: And you mentioned the email from Mr. Oksuz did that email, anywhere in
- that email, was SOCAR mentioned?
- 13 WITNESS: No. I don't believe it was
- MR. MORGAN: And when you sent the scan of your passport that was to Mr. Oksuz?
- 15 WITNESS: Yes.
- 16 MR. MORGAN: I'm wondering if you can give us a little more context. You said it
- 17 listed the sponsor, that your visa listed the sponsors as being SOCAR, is that...
- 18 WITNESS: Yes.
- 19 MR.MORGAN: What does that tell you about SOCAR's involvement in your travel?
- 20 Does that mean they helped arrange it?
- 21 WITNESS: It tells me they helped sponsor the visa.
- 22 MR. MORGAN: They sponsored the visa.
- 23 WITNESS: Yes.
- 24 MR. MORGAN: Okay.
- 25 WITNESS: That beyond that, it would be supposition, I don't know. I mean... I tend to
- look carefully at issues like visas when they're stamped on my passport. I'm not sure that
- everyone does.
- 28 MR. SOLIS: Again, given that the circle of people you are talking to, is the think-tank
- community there, did anybody, at all, mention the same sort of visa stamp by SOCAR
- that they had as well?
- 31 WITNESS: No. It was not a topic of conversation at 4 in the morning when we arrived.
- We were generally just pretty tired.
- 33 MR. MORGAN: Is it some sort of requirement in Azerbaijan that a government entity or
- state of entity sponsor your visa? Do you know sort of the range of who could've been
- 35 that sponsor?
- WITNESS: That would be a presumption that I would just have to check at Azerbaijan
- visa regulations. In many former Soviet Republics, there is a sponsorship requirement,
- 38 but not in all.
- 39 MR. MORGAN: Okay.

- 1 MR. SOLIS: One thing that I sort of want to get straightened in my mind is, I mean you
- 2 get the email from Mr. Oksuz that the Turquoise Council was going to be sponsoring
- 3 your travel and as far as tax records, you know you believe...your understanding is that
- 4 they paid for your travel to the conference, right?
- 5 WITNESS: I can say with certainty that they paid for my travel to the conference on
- 6 Turkish Air through Istanbul.
- 7 MR. SOLIS: And then, to go to your quote, where you said "the Turquoise Council
- 8 Americans and Eurasians did not contribute any funding to the conference..?"
- 9 WITNESS: I'm sorry, they arranged. They...booked my travel.
- 10 MR. SOLIS: They booked your travel?
- 11 WITNESS: Yes. That is--I apologize. It is my understanding that the Turquoise Council
- booked and arranged my travel and my hotel reservation for the period I was at the
- conference. For the period when I was doing my own independent work, I booked my
- own hotel.
- MR. SOLIS: And so that was the distinction between booked the travel and paid for the
- travel, the funds...the source of the funds to pay for the airfare, do you know where that
- came from?
- WITNESS: The distinction -- that is the distinction. And the analogy in my mind would
- be that the Turquoise Council acted as an organizer, almost as an event planner and my
- 20 understanding based on asking questions of people was that the sponsor, SOCAR, and
- 21 perhaps others, provided the money for the Turquoise council to act as the event planner.
- I don't know the details of what transpired between those two. I--my main concern was
- 23 simply not to be co-opted by a Gullenist organization.
- 24 MR. SOLIS: Would AEI have records of... of you know receipt for this, for the airfare
- 25 from either SOCAR or from the Turquoise Council? Is there some sort of documentation
- that you believe, that shows who actually, whose account the money came from to pay
- 27 for the travel?
- WITNESS: I could say with certainty that AEI would not, simply because this was done
- 29 individually. And the short answer is, no. I mean, my, again to be blunt, my concern
- would be flying Turkish air, that I receive mileage credit for star alliance, but beyond that
- I would've thrown everything out once, once the conference was over.
- 32 MR. SOLIS: I think that was it. You mentioned spoke to Brenda?
- 33 WITNESS: Yes.
- 34 MR. SOLIS: What's Brenda's last name?
- 35 WITNESS: Shaffer.
- 36 MR. SOLIS: Shaffer? And what organization is she with?
- WITNESS: She was with, I believe, University of Haifa in Israel.
- 38 MR. SOLIS: And Alex?

- 1 WITNESS: Uh Alex Vatanka, who I think is with Middle East Institute. There were also
- 2 people from CSIS, from Heritage, and from other think-tanks around there or at least a
- dozen of us, I don't remember.
- 4 MR. SOLIS: And those are the people when you talk about, and Bryson asked you, you
- 5 know about, when you form the basis of understanding about SOCAR's role and
- 6 involvement, you said it's through conversations through people.
- 7 WITNESS: I mean I cannot specifically say it was conversations with those people,
- 8 simply because this is approaching two years ago and I do not remember those
- 9 conversations. However, when I was in Azerbaijan, I certainly talked to them and I
- 10 considered them knowledgeable about Azerbaijan. And therefore, all I can say is that it
- might have been and I forget exactly who I was speaking to when I was trying to get to
- the bottom of the Turquoise Council.
- 13 MR. SOLIS: Bryson, you have any other questions?
- 14 MR. MORGAN: I think that's it.
- 15 WITNESS: Okay.
- 16 MR: SOLIS: Alright, I think that's it. We'll conclude the interview.
- 17 WITNESS: Okay.

The Honorable James F. Bridenstine U.S. House of Representatives 216 Cannon House Office Building Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Azerbaijan, scheduled for May 25 to 31, 2013, sponsored by the Turquoise Council of Americans and Eurasians.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$350 from a single source on Schedule VII of your annual Financial Disclosure Statement.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act, gifts "of minimal value [currently \$350] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of \$350 received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

Subject: RE: Invitation

Here is the topic "US-Azerbaijan Strategic Statehood" and we are waiting for the Congressman to speak between 10-15 minutes.

And here is the useful info for you:

Azerbaijan enjoys a strategic partnership with the United States; The U.S.-Azerbaijan partnership is a key factor for regional security. Based on shared values and common goals, its foundation is strong and built to last. Azerbaijan and the United States cooperate in countering terrorism, nuclear proliferation and narcotics trafficking and promoting security in the wider Caspian region and beyond.

Azerbaijan contributes to U.S. military operations; Azerbaijani troops have served shoulder to shoulder with U.S soldiers in Afghanistan, Iraq and Kosovo. In Afghanistan, Azerbaijan provides specialized training for Afghani police, border guard officers, de-miners and civilian and military medical doctors. As a key component to the Northern Distribution Network, Azerbaijan provides ground and naval transit for roughly 40% of the International Security Assistance Force (ISAF) coalition's supplies bound for Afghanistan. Azerbaijan has been extending important overflight clearance, landing and refueling operations for U.S. and NATO flights to support ISAF.

Azerbaijan stands for peaceful resolution of the Nagorno-Karabakh conflict; The conflict between Armenia and Azerbaijan over the Nagorno-Karabakh region remains the main obstacle for full-scale integration of the South Caucasus into the Euro-Atlantic community. Under the aegis of OSCE Minsk Group, the United States, Russia and France serve as peace negotiators. Azerbaijan remains committed to finding a soonest political resolution to the conflict.

Azerbaijan supports Israel's security; Azerbaijan maintains close, friendly ties with Israel. An ancient 35,000 strong Jewish community has resided in Azerbaijan for 2,500 years without persecution. Arye Gut, Executive Director of the Congress of Azerbaijanis in Israel has stated that "no country in Eurasia has closer or warmer ties with Israel than

Azerbaijan." Israel's leadership who visited Azerbaijan described the country as Israel's strategic partner. Israel is Azerbaijan's third largest trading partner, accounting for 6.5% of Azerbaijan's total foreign trade. In 2010, the trade between the two countries was \$1.8 billion, representing a 37% increase as compared to 2009. Azerbaijan supplies 40% of Israel's oil demand and the two countries have deep cooperation on matters of defense.

The US-Azerbaijan Convention is an annual gathering in celebration of the two decades of strengthening relations and deepening strategic partnership between the United States of America and the Republic of Azerbaijan. The Convention is a prominent assembly of government officials, legislators, and leading academics and experts, and it features discussions and deliberations highlighting shared strategic interests of the United States and Azerbaijan, including energy security, and peace, stability and regional cooperation in the South Caucasus

and the Caspian Basin.

The Convention also showcases Azerbaijan's rapid transformation from a young country into a regional leader and a reliable actor of the international community, promoting peace and stability, developing the Eurasian energy and transport corridor while integrating into the

European and Euro-Atlantic structures.

Subject: RE: Invitation

Here is the topic "US-Azerbaijan Strategic Statehood" and we are waiting for the Congressman to speak between 10-15 minutes.

And here is the useful info for you:

Azerbaijan enjoys a strategic partnership with the United States; The U.S.-Azerbaijan partnership is a key factor for regional security. Based on shared values and common goals, its foundation is strong and built to last. Azerbaijan and the United States cooperate in countering terrorism, nuclear proliferation and narcotics trafficking and promoting security in the wider Caspian region and beyond.

Azerbaijan contributes to U.S. military operations; Azerbaijani troops have served shoulder to shoulder with U.S soldiers in Afghanistan, Iraq and Kosovo. In Afghanistan, Azerbaijan provides specialized training for Afghani police, border guard officers, de-miners and civilian and military medical doctors. As a key component to the Northern Distribution Network, Azerbaijan provides ground and naval transit for roughly 40% of the International Security Assistance Force (ISAF) coalition's supplies bound for Afghanistan. Azerbaijan has been extending important overflight clearance, landing and refueling operations for U.S. and NATO flights to support ISAF.

Azerbaijan stands for peaceful resolution of the Nagorno-Karabakh conflict; The conflict between Armenia and Azerbaijan over the Nagorno-Karabakh region remains the main obstacle for full-scale integration of the South Caucasus into the Euro-Atlantic community. Under the aegis of OSCE Minsk Group, the United States, Russia and France serve as peace negotiators. Azerbaijan remains committed to finding a soonest political resolution to the conflict.

Azerbaijan supports Israel's security; Azerbaijan maintains close, friendly ties with Israel. An ancient 35,000 strong Jewish community has resided in Azerbaijan for 2,500 years without persecution. Arye Gut, Executive Director of the Congress of Azerbaijanis in Israel has stated that "no country in Eurasia has closer or warmer ties with Israel than

Azerbaijan." Israel's leadership who visited Azerbaijan described the country as Israel's strategic partner. Israel is Azerbaijan's third largest trading partner, accounting for 6.5% of Azerbaijan's total foreign trade. In 2010, the trade between the two countries was \$1.8 billion, representing a 37% increase as compared to 2009. Azerbaijan supplies 40% of Israel's oil demand and the two countries have deep cooperation on matters of defense.

The Honorable Danny K. Davis U.S. House of Representatives 2159 Raybum House Office Building Washington, DC 20515

Dear Colleagues

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to Azerbaijan, scheduled for May 27 to 30, 2013, spousored by the Turkish American Federation of Midwest.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also annual Financial Disclosure Statement.

Any tangible gifts valued in excess of \$350 received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

The Honorable Danny K. Davis Page 2

Hi Jenell. We paid a lot of money because of cancellation last time. How likely is she to go? I need a committment and also we will have to charge the cancellation fee this time if any cancellation happens.

Sorry but since we don't have much time left, things are very tight.

Let me know what they think. Thanks!
